Looking through their family photograph album, Grandma explains to her grandchildren the lives of their parents, grandparents and great-grandparents. Includes activities. Suggested level: junior, primary.

[Their Promised Land](#) - Ian Buruma 2016-01-19

A family history of surpassing beauty and power: Ian Buruma's account of his grandparents' enduring love through the terror and separation of two world wars. During the almost six years England was at war with Nazi Germany, Winifred and Bernard Schlesinger, Ian Buruma's grandparents, and the film director John Schlesinger's parents, were, like so many others, thoroughly sundered from each other. Their only recourse was to write letters back and forth. And write they did, often every day. In a way they were just picking up where they left off in 1918, at the end of their first long separation because of the Great War that swept Bernard away to some of Europe's bloodiest battlefields. The thousands of letters between them were part of an inheritance that ultimately came into the hands of their grandson, Ian Buruma. Now, in a labor of love that is also a powerful act of artistic creation, Ian Buruma has woven his own voice in with theirs to provide the context and counterpoint necessary to bring to life, not just a remarkable marriage, but a class, and an age. Winifred and Bernard inherited the high European cultural ideals and attitudes that came of being born into prosperous German-Jewish émigré families. To young Ian, who would visit from Holland every Christmas, they seemed the very essence of England, their spacious Berkshire estate the model of genteel English country life at its most pleasant and refined. It wasn't until years later that he discovered how much more there was to the story. At its heart, *Their Promised Land* is the story of cultural assimilation. The Schlesingers were very British in the way their relatives in Germany were very German, until Hitler destroyed that option. The problems of being Jewish and facing anti-Semitism even in the country they loved were met with a kind of stoic discretion. But they showed solidarity when it mattered most. As the shadows of war lengthened again, the Schlesingers mounted a remarkable effort, which Ian Buruma describes movingly, to rescue twelve Jewish children from the Nazis and see to their upkeep in England. Many are the books that do bad marriages justice; precious few books take readers inside a good marriage. In *Their Promised Land*, Buruma has done just that; introducing us to a couple whose love was sustaining through the darkest hours of the century. Look for Ian's new book, *A Tokyo Romance*, in March, 2018.

**My Family** - Claudia Harrington 2015-09-01

My Family is a new picture book series in which young readers will explore family diversity in an approachable, gentle manner through the eyes of second grader Lenny. **The Breakup Bible** - Rachel Sussman 2011-12-27

Breakups are an unfortunate but inevitable part of every woman's life, and there's no denying that the heartache experienced after the ending of a serious relationship can be excruciating. But it doesn't have to feel insurmountable, and there is always hope to be found. In *The Breakup Bible*, psychotherapist and breakup expert Rachel Sussman reveals the secrets every woman needs to get her life back on track. Drawing on hundreds of counseling sessions she's conducted with women at all stages of recovery, Sussman developed a proven 3-phase process for healing from a breakup. *The Breakup Bible* takes women through Healing, Understanding, and Transformation, with new perspectives and advice from real, healed women at each step. Sussman's plan for getting over the end of a relationship is revolutionary and sound, complete with steps for creating a personalized Love Map, a vital and groundbreaking tool for moving on after a breakup. *The Breakup Bible* proves that it is possible to not only survive a breakup, but to emerge from one as an even stronger, empowered woman.

[MEANINGFUL CONVERSATIONS WITH MY GRANDPARENTS.](#) - KORIE. HEROLD 2022

[My Family Vacation](#) - Dayal Kaur Khalsa 2003-03-11

This warm, nostalgic tale and the author's brilliantly colored paintings evoke a real sense of time and place and family fun that children and parents alike will find irresistible. May and her parents and her older brother Richie are off to Florida - May's first vacation far from home. After a long hot drive, full of fights with Richie, they reach their destination. Ahead lie sunny days filled with new adventures and unexpected pleasures that will bring May and Richie closer together. And when they get home, her Florida vacation is a happy memory for May all winter long.

A visit to Gran and Grandpa's is always a special time filled with sweet treats, fun, and love.

**My Grandparents** - Claudia Harrington 2015-08-01

*My Grandparents* is the story of a normal day in Layla's life. When classmate Lenny visits her home, he discovers Layla lives with her grandparents. Who taught her how to use a telescope? Grams! Who

cooks her dinner? Grampa! Who tells her bedtime stories? Grams and Grampa! Lenny realizes love makes a family. Aligned to Common Core standards and correlated to state standards. Looking Glass Library is an imprint of Magic Wagon, a division of ABDO.

**The Tapestry of Life : Biographies of My Grandparents** - Shabnam Ahmed 2014-07-16

Like most of us, I have always had the powerful desire to learn about my family history. Knowing about our past, our ancestors, and experiences that mould our lives can give us a deeper understanding of who we are and how we fit into the greater tapestry of life. I am very fortunate to have all four grandparents living near me, constantly in my life, guiding me and weaving their wisdom from generation to generation, not only through genes and family traditions, but their love, example and lessons.

**Grandparents' Memory Book** - Teri Harrison 1997-08-01

A Grandparent's memories give younger generations a chance to step into the past, as well as understand and appreciate the present. This collection of funny and insightful questions for grandparents will become an instant keepsake to treasure for generations.

**My Grandparents Are Special** - Jennifer Moore-Mallinos 2006

Describes the relationships between grandparents and their grandchildren.

**Me and My Family Tree** - Joan Sweeney 2018-09-18

Where am I on my family tree? A beloved bestseller that shows children how to understand their place among their relatives, now refreshed with new art from Emma Trithart. Who is part of your family? How are they related to you? In this edition of Me and My Family Tree, with new art by Emma Trithart, a young girl uses simple language, her own childlike drawings, and diagrams to explain how the members of her family are related to each other and to her. Clear, colorful, detailed artwork and a fill-in family tree in the back help make the parts of the family--from siblings to grandparents to cousins--understandable to very young readers.

**My Grandparents** - Claudia Harrington 2016

Lenny follows Layla for a school project and learns what it is like to live with grandparents.

**Forgiveness** - Mark Sakamoto 2014-06-03

#1 NATIONAL BESTSELLER When the Second World War broke out, Ralph MacLean chose to escape his troubled life on the Magdalen Islands in eastern Canada and volunteer to serve his country overseas. Meanwhile, in Vancouver, Mitsue Sakamoto saw her family and her stable community torn apart after the Japanese attack on Pearl Harbor. Like many young Canadian soldiers, Ralph was captured by the Japanese army. He would spend the war in prison camps, enduring pestilence, beatings and starvation, as well as a journey by hell ship to Japan to perform slave labour, while around him his friends and countrymen perished. Back in Canada, Mitsue and her family were expelled from their home by the government and forced to spend years eking out an existence in rural Alberta, working other people's land for a dollar a day. By the end of the war, Ralph emerged broken but a survivor. Mitsue, worn down by years of back-breaking labour, had to start all over again in Medicine Hat, Alberta. A generation later, at a high school dance, Ralph's daughter and Mitsue's son fell in love. Although the war toyed with Ralph's and Mitsue's lives and threatened to erase their humanity, these two brave individuals somehow surmounted enormous transgressions and learned to forgive. Without this forgiveness, their grandson Mark Sakamoto would never have come to be.

**Frida Kahlo. The Complete Paintings** - TASCHEN 2021-05-15

Frida Kahlo, Mexican artist and champion of justice and women's rights, transformed the pain and suffering of her life into enduringly powerful paintings. This XXL monograph brings together all of Kahlo's 152 paintings in stunning reproductions.

**My Grandparents' Journeys from Safed and Vienna** - Eli Leyton 2017-11-27

My brother recorded my parents lives more than thirty years ago.

**Immigrant Secrets** - John Francis Mancini 2021-10-06

Like many of their greatest generation compadres, my parents, Joseph and Sallyann, quickly headed from New York City to the suburbs in the 1950s shortly after they were married. They arrived in New Jersey, and began their own personal population explosion, having six kids--John, June, Joseph, Jennifer, Jeffrey, and Jeanne--within an eleven-year span. Yes, all Js. It was a typical story of life in the suburbs. Imagine the television show *The Wonder Years* set in New Jersey, and you can get the picture. On *The Wonder Years*, you always had a feeling there was some untold story concerning Kevin's father Jack and his father. Bit by bit over the years, the backstory is revealed. Kevin's father was born in 1927. He

grew up during the Great Depression, served in the US Marine Corps during the Korean War, and worked as a product distribution manager at NORCOM, a somewhat mysterious large military defense company. Later, he started his own business building and selling handcrafted furniture. In the last episode, it was revealed that he died of a heart attack in 1975. There are certain parallels. My father was born in 1925. He grew up during the Great Depression, served in the US Navy during WWII and worked as a business analyst at Union Carbide, a somewhat mysterious large chemical company. Later, he started his own business with a friend, but I have no idea what they did. In my father's last episode, he had a heart attack in New York City in 1987 shortly after officially retiring. There is one significant difference between Jack Arnold in the *Wonder Years* and my father. My father had no "backstory." My father never mentioned his family. Never. We only knew - or thought we knew - that his parents died in the 1930s. Unless you knew my father -- the consummate family man -- you will have no idea how weird this was. And therein are the seeds of my quest to unravel our family history mystery. In a pair of ship manifests, I discovered my father's parents, a pair of Italian immigrants arriving at Ellis Island in the early 1920s, intent on grabbing their share of the American dream. In the 1930 Census, I found a family of four - my grandparents, my father and his brother -- with a tenuous foothold on that dream, operating a small fruit stand in Manhattan. After that, I had mostly frustrating dead-ends -- until the release of the 1940 Census. My grandparents magically reappeared in the Census - but as "inmates" at the Rockland Insane Asylum, never to reemerge. And through my entire lifetime until my father's death, there was no mention that he had an extended family of aunts and uncles and cousins, all living within driving distance. What happened? Who were these people? How did their lives go so awry? And why all the secrecy? This is a story about my efforts to use genealogy to discover the truth about our family and a reflection on the impact of secrets on our lives. It is also the story of what it means to be an immigrant - and the impact that "otherness" and mental illness can have on the vulnerable. And lastly, it is my attempt to think through the "why" and "how" of my father, 34 years after his death.

**Messages from My Grandparents... in Heaven** - Andrea R. Freeman 2016-02-23

The passing of a loved one is never easy. There can be so many words left unsaid or plans still not arranged. It sometimes happens suddenly; sometimes it's just a matter of days. Among the many types of relationships that are hardest to face, losing a grandparent can be agonizing. They are the grounding, the bedrock of your family. Your idols suddenly aren't physically there anymore. However, the connection doesn't end here on earth. As a Certified Angel Card Reader and Angelic Life Coach with intuitive abilities, Andrea R. Freeman has encountered her grandparents' never-ending messages all around her. She knows that they are well, safe, and guiding her always. You can experience this bond as well. The question is, Are you noticing the signs? *Messages from My Grandparents ... in Heaven* will take you on a spiritual healing journey toward rediscovering your connection with your grandparents that goes way beyond your memories with them on earth. Once you begin, you will distinguish methods in which your grandparents are connecting with you, with the help of your guardian angels; embrace your intuitive abilities to be receptive of your grandparents' and guardian angels' energies; find clarity, comfort, and restored balance in knowing you're not imagining the messages/signs that you are receiving; and learn new ways you can enhance the connection with your grandparents. Your grandparents are still with you each and every step you take in life--ever patient and always ready as you begin your days of healing. Let them begin today!

**Grandparents** - Gil McNeil 2009-10-13

Grandparents. - what would we do without them? They come in all shapes and sizes but with their wise words and kind ways they can be a source of inspiration and encouragement like no other. Here Britain's national treasures share their personal anecdotes about grandparents. Some recollect fond childhood memories of their Granny or Granddad, while others share with us their own experiences of what it is like to be a grandparent. Both hugely entertaining and heart warming, this wonderful celebration is the perfect gift for a much-loved grandparent.

**My Grandparents** - Mary Auld 2004-01-04

Explains, in brief text and illustrations, the meaning of the term "grandparent" and describes the role of grandparents in a family and their relationship with their grandchildren.

**My Family, My Self** - Sharon Ann Thorne 2016-04-05

This is my first book and is intended for family and close friends. The

older I get the more I regret that I didn't ask my parents and grandparents more about their lives. My grandmothers were in their 20s when women got the vote. Did they care? What did they think about that? Nana's father died before she was born. Her mother had to raise six young children in a small town in Texas in the late 19th century. How did she manage? To the dismay of her parents, my mother eloped at 18 instead of going on to Stanford where she had been admitted. Grandpa lost his mother at a young age and gained a stepmother that he apparently didn't like. How did my grandparents meet and what attracted them to each other? What kind of weddings did they have? My questions are endless. I'll never get them answered. The stories would be precious to know. In this spirit I offer these family stories for readers I know and for all others in the future.

**Generations** - 1990

**My Family Tree Workbook** - Rosemary A. Chorzempa 1982-01-01  
Explains how to create a family tree, discussing getting started and conducting genealogical research

My Grandparents - Thessaly Catt 2010-08

Introduces grandparents, discussing the things that they do with their grandchildren and why they are an important part of the family.

Proselytization and Communal Self-Determination in Africa - Abdullahi Ahmed An-Na'im 2009-05-01

This probing collection of essays bring together a stellar group of Muslim and Christian, African and Western scholars. Together they explore the question, Where does one community's right to commend itself to others leave off, and another community's right to be left alone begin?

Jewish Art and Culture - Edward van Voolen 2006

"This lavishly illustrated book explores the Jewish involvement in the visual arts over the last two thousand years. Each image tells a story about one of the world's oldest cultures still in existence and presents a unique insight into the multifaceted and vital world of Judaism."

"Through this often surprising collection of illustrations and texts the reader finds out what Judaism, art and culture had to do with each other in ancient times and still continue to do so today, and discovers that this world belongs more to us than we had ever imagined before delving into this book."--BOOK JACKET.

*Historical Sketch of Francis C. Waid with Family Biographies* - Francis C. Waid 1886

*Drawn Together* - Minh Lê 2018-06-04

The recipient of six starred reviews and the APALA Asian/Pacific American Award for Literature! Named a Best Book of 2018 by the Wall Street Journal, NPR, Smithsonian, Kirkus Reviews, School Library Journal, Booklist, the Bulletin of the Center for Children's Books, BookRiot, the New York Public Library, the Chicago Public Library-and many more! When a young boy visits his grandfather, their lack of a common language leads to confusion, frustration, and silence. But as they sit down to draw together, something magical happens-with a shared love of art and storytelling, the two form a bond that goes beyond words. With spare, direct text by Minh Lê and luminous illustrations by Caldecott Medalist Dan Santat, this stirring picturebook about reaching across barriers will be cherished for years to come. A Junior Library Guild selection!

*I Call My Grandparents Mom and Dad* - Carilyn Rouyer 2015-11-11

Kayden calls his grandparents mom and dad because they are the ones who raise him. He is telling his story and why other children may be in the same position. He is letting the other children know that they are not

alone.

**Activists: Lessons from my Grandparents** - Lisa Croft 2015-02-22

How fortunate we were to have role models, someone to learn from and admire, to connect with and develop through their influence. My grandparents campaigned and challenged discrimination, they promoted equality and freedom. They were inspirational, it is only many years after their deaths that I found out what truly remarkable people they were. They came from opposite classes but both had a united belief in making the world a better place. They were Socialists and Activists and they educated us four grandchildren with their patience and love.

Mis abuelos y yo / My Grandparents and I - Samuel Caraballo 2004-11-30

This ode to family depicts the special influence of a young boy's grandparents in his life. His voice rings as he catalogs the various ways his grandparents impact him. Through gentle verse, Caraballo strings the joys of this quiet relationship: weekends spent throwing parties in the kitchen with delectable desserts, strolls to the museums and historic sites, and sprinting through the spray of a water hose in the backyard. Set in Puerto Rico, the book, too, pays homage to a unique childhood on the island, colored by descriptions of El Morro, the cruise-liners and big freighters in the ocean, and frolicking in the sea with stingrays. The verses sparkle with this island song, flitting from the joys of the seaside to the cool nights under the stars. Caraballo introduces the reader, aged 3 to 7, to a strong grandparent and grandchild relationship.

Complemented by vibrant illustrations, this is a book to share with a child on a very special day.

**Grandma's Story** - Korie Herold 2021-12-21

Preserve your life story and pass it down to your family in this beautiful keepsake memory book. *Grandma's Story* is a guided journal thoughtfully designed to help grandmothers record their special memories and share them with their grandchildren and family.
