Underground, Overground - Andrew Martin
2012-04-26

Why is the Victoria Line so hot? What is an Electrical Multiple Unit? Is it really possible to ride from King's Cross to King's Cross on the Circle line? The London Underground is the oldest, most sprawling and illogical metropolitan transport system in the world, the result of a series of botch-jobs and improvisations. Yet it transports over one billion passengers every year - and this figure is rising. It is iconic, recognised the world over, and loved and despised by Londoners in equal measure. Blending reportage, humour and personal encounters, Andrew Martin embarks on a wonderfully engaging social history of London's underground railway system (which despite its name, is in fact fifty-five per cent overground). *Underground, Overground* is a highly enjoyable, witty and informative history of everything you need to know about the Tube.

Survivors in Mexico - Rebecca West 2011-03-01
A travelogue and historical exploration of Mexico from one of the twentieth century's greatest travel writers Dame Rebecca West travels through Mexico and explores its people, history, religion, and culture in her unfinished work *Survivors in Mexico*, carefully stitched together by Bernard Schweizer in this posthumously published edition. West tackles the country's broad historical legacy—the Spanish conquest and Mexican revolution, the muralist movement, race relations, and contemporary life—and delves into the personal, intimate lives of key figures such as Hernán Cortés, Montezuma, Dr. Atl, Diego Rivera, and Leon Trotsky. Conceived as a companion to West's masterful classic *Black Lamb and Grey Falcon*, this book showcases the complexity of West's character, addresses the paradoxes inherent in her work, and allows for a mature understanding of her ideology. This ebook features an illustrated biography of Rebecca West featuring rare photos and never-before-seen documents from the Department of Special Collections and University Archives, McFarlin Library, at the University of Tulsa.

The Fountain Overflows - Rebecca West 1956
The lives of the talented Aubrey children have long been clouded by their father's genius for instability, but his new job in the London suburbs promises, for a time at least, reprieve from scandal and the threat of ruin. Mrs. Aubrey, a former concert pianist, struggles to

keep the family afloat, but then she is something of a high-strung eccentric herself, as is all too clear to her daughter Rose, through whose loving but sometimes cruel eyes events are seen. Still, living on the edge holds the promise of the unexpected, and the Aubreys, who encounter furious poltergeists, turn up hidden masterpieces, and come to the aid of a murderess, will find that they have adventure to spare. In *The Fountain Overflows...* Rebecca West transmuted her own volatile childhood into enduring art. This is an unvarnished but affectionate picture of an extraordinary family, in which a remarkable stylist and powerful intelligence surveys the elusive boundaries of childhood and adulthood, freedom and dependency, the ordinary and the occult. -- Amazon.com.

Black Powder, White Smoke - Loren D. Estleman
2007-04-01

For freed slave Honey Boutrille, "justice" is a word that no longer bears any weight. After he saves the life of a prostitute by shooting her white, would-be killer, the price on Honey's head sends him on the run. As he narrowly escapes scrape after scrape, he learns to keep one eye in front of him and one eye on his back. In California, "Twice" Emmerson begins a crime spree. His inflated pride and deadly temper make him a threat to anyone who crosses him. With greed as his driving force, he uses whatever means necessary to separate money from those who have it. As word of Boutrille and Emmerson spreads, and the number of bodies they leave behind increases, two men set out to find them. One, a hopeful writer, finds that the "Black Snake" may be more than he seems; the other, a showman, plans to promote Emmerson as a fresh, new Buffalo Bill. Through blood and treachery, love and hate, these four men discover the defining line between truth and fiction. Train Dreams - Denis Johnson 2011-08-30
A New York Times Notable Book for 2011 One of

The Economist's 2011 Books of the Year One of NPR's 10 Best Novels of 2011 Denis Johnson's *Train Dreams* is an epic in miniature, one of his most evocative and poignant fictions. Robert Grainer is a day laborer in the American West at the start of the twentieth century—an ordinary man in extraordinary times. Buffeted by the loss of his family, Grainer struggles to make sense of this strange new world. As his story unfolds, we witness both his shocking personal defeats and the radical changes that transform America in his lifetime. Suffused with the history and landscapes of the American West—its otherworldly flora and fauna, its rugged loggers and bridge builders—the new novella by the National Book Award-winning author of *Tree of Smoke* captures the disappearance of a distinctly American way of life.

The Young Rebecca - Rebecca West
2011-03-01

A collection of Rebecca West's early journalistic writings reveals her clarity of mind, severity of wit, and relevancy in today's modern world In this collection of early writings, beginning when Rebecca West was just eighteen years old, Jane Marcus sheds light on one of the foremost feminist and political thinkers of our time. West's essays, reviews, and public correspondence tackle many subjects, including politics, suffrage, education, morality and ethics, the arts, and social figures of the day. Her writings offer a glimpse of the real Rebecca—not some stuffy suffragette, but a vibrant, funny, provocative, and brilliant woman whose determined pen strokes outwit her contemporaries and remain inspiring today. A feminist to the core, West parried with her readers, other writers, and a culture slow to accept change. This ebook features an illustrated biography of Rebecca West featuring rare photos and never-before-seen documents from the Department of Special Collections and University Archives, McFarlin Library, at the University of Tulsa.

A Train of Powder - Rebecca West 2010-12-21
A New York Times bestseller, this riveting account of the Nuremberg trials by a legendary journalist is simply "astonishing" (Francine Prose). Sent to cover the war crimes trials at Nuremberg for the New Yorker, Rebecca West brought along her inimitable skills for understanding a place and its people. In these accomplished articles, West captures the world that sprung up to process the Nazi leaders; from the city's war-torn structures to the courtroom security measures, no detail is left out. West's unparalleled grasp on human motivations and character offers particular insight into the judges, prosecutors, and of course the defendants themselves. This remarkable narrative captures the social and political ramifications of a world recovering from the divisions of war. As engaging as it is informative, this collection represents West's finest hour as a reporter.

The Saga of the Century Trilogy - Rebecca West 2012-09-11

Three novels in one volume following the artistic and eccentric Aubrey family in the years surrounding the Great War. In *The Fountain Overflows*, Papa Aubrey's wife and twin daughters, Mary and Rose, are piano prodigies, his young son, Richard Quin, is a lively boy, and his eldest daughter, Cordelia, is a beautiful and driven young woman with musical aspirations. But the talented and eccentric Aubrey family rarely enjoys a moment of harmony, as its members struggle to overcome the effects of their patriarch's spendthrift ways. Now they must move so that their father can find stable employment. Despite the daunting odds, the Aubreys hope that art will save them from the cacophony of a life sliding toward poverty. In *The Real Night*, a talented musician and her kin ponder what being young women on their own will entail. Abandoned by their feckless father, Rose and her family must move beyond their comfortable drawing room to discover a world of kind patrons, music teachers, and concert hall acclaim, but also domestic strife, anti-Semitism, and social pressure to marry. Set before World War I, Rebecca West's intimate, eloquent family portrait brings to life a time when women recognized their own voices and the joys of living off one's own talents. In *Cousin*

Rosamund, Mary and Rose Aubrey have found success as accomplished pianists in the years after the war. But despite their travels and material rewards, they remain apart from society. When their cherished cousin Rosamund surprises them by marrying a man they feel is beneath her, the sisters must reconsider what love means to them and how they can find a sense of spiritual wellbeing on their own, without the guidance of their family. "Very few writers have managed to be more knowledgeable and profound in their thinking," said the Los Angeles Times about Rebecca West, and the *Saga of the Century* is a collection of three absorbing novels inspired partly by her own life.

The Strange Necessity - Rebecca West 2010-12-21

In this intellectually challenging collection of literary criticism, Rebecca West undertakes the question of art's value, examining the works of her contemporaries and their places in history "The Strange Necessity," one of the twelve essays collected here and first published in 1928, anchors West's quest to understand why art matters and how aesthetics of every caliber can not only inspire but reveal the author's inner world. Whether juxtaposing Ulysses's prose with Pavlov's research, or comparing Sinclair Lewis with actress and pianist Yvonne Printemps, West finds that a satisfying emotion overrides an artistic work's form. Her intricately crafted essays reveal her experience in the literary circles of the twenties and thirties and the important role this question played in her own writing. West's keenly observed criticism offers invaluable insight not only into her work but into her impressions of early twentieth century literature.

Powder Days - Heather Hansman 2021-11-09
An Outside Magazine Book Club Pick "A sparkling account."—Wall Street Journal An electrifying adventure into the rich history of skiing and the modern heart of ski-bum culture, from one of America's most preeminent ski journalists The story of skiing is, in many ways, the story of America itself. Blossoming from the

Tenth Mountain Division in World War II, the sport took hold across the country, driven by adventurers seeking the rush of freedom that only cold mountain air could provide. As skiing gained in popularity, mom-and-pop backcountry hills gave way to groomed trails and eventually the megaresorts of today. Along the way, the pioneers and diehards—the ski bums—remained the beating heart of the scene. Veteran ski journalist and former ski bum Heather Hansman takes readers on an exhilarating journey into the hidden history of American skiing, offering a glimpse into an underexplored subculture from the perspective of a true insider. Hopping from Vermont to Colorado, Montana to West Virginia, Hansman profiles the people who have built their lives around a cold-weather obsession. Along the way she reckons with skiing's problematic elements and investigates how the sport is evolving in the face of the existential threat of climate change.

Ally Betrayed - David Martin 2018-09-03

David Martin, a distinguished journalist, political analyst and staff member on the Senate Judiciary Committee, first published his book *ALLY BETRAYED* in 1946. Having devoted his life to uncovering the truth and to defending Mihailovich, Martin's book asks the crucial questions: 1. Why did the Allied press which had made a great hero of Mihailovich as a resister of Axis invaders of Yugoslavia begin to play him down after 1942? 2. What was Tito's past? And where was the radio station located that heralded his appearance in Yugoslavia? 3. What decision was reached at Teheran with respect to Tito and Mihailovich? 4. How was the ALLIED military intelligence about Yugoslavia falsified? 5. Why did Churchill say of Yugoslavia, "I was deceived and badly informed." David Martin was born in Ontario, Canada, in 1914. Before World War II, he wrote on Canadian affairs for *Current History*, *The Nation*, *The New Republic*, *The New Leader*, and other journals. He joined the

Canadian Air Force in October 1942, became a pilot, and flew on the Burmese frontier. He was honorably discharged in 1946. With a Foreword by Dame Rebecca West, one of Mihailovich's most avid supporters. "Solid reading"—Kirkus Review
