The Classic Fairy Tales (Second International Student Edition) (Norton Critical Editions) - Maria Tatar 2017

"I have used this textbook for four courses on children's literature with enrollments of over ninety students. It is without doubt the most well organized selection of literary fairy tales and critical commentaries currently available. Students love it." —Lita Barrie, California State University, Los Angeles This Norton Critical Edition includes: · Seven different tale types: "Little Red Riding Hood," "Beauty and the Beast," "Snow White," "Sleeping Beauty," "Cinderella," "Bluebeard," and "Tricksters." These groupings include multicultural versions, literary rescriptings, and introductions and annotations by Maria Tatar. · Tales by Hans Christian Andersen and Oscar Wilde. · More than fifteen critical essays exploring the various aspects of fairy tales. New to the Second Edition are interpretations by Ernst Bloch, Walter Benjamin, Max Lüthi, Lewis Hyde, Jessica Tiffin, and Hans-Jörg Uther. · A revised and updated Selected Bibliography.

Principles and Practice of Sex Therapy, Fourth Edition - Sandra R. Leiblum 2006-11-30 This widely adopted text and clinical reference provides a comprehensive guide to assessment and treatment of all of the major female and male sexual dysfunctions. Leading authorities demonstrate effective ways to integrate psychological, interpersonal, and medical interventions. Every chapter includes detailed clinical examples illustrating the process of therapy and the factors that influence treatment outcomes. Winner-- Society for Sex Therapy and Research (SSTAR) Health Professional Book

Award

The Joy of Sex - Alex Comfort 2009-12-29

A revised and updated edition of the book famous for helping couples discover how sex can be playful, erotic, passionate, exhilarating, and most of all, pleasurable. The Joy of Sex revolutionized how we experience our sexuality. An international bestseller since it was first published in 1972, Dr. Alex Comfort's classic work dared to celebrate the joy of human physical intimacy with such authority and candor that a whole generation felt empowered to enjoy sex. Now fully updated, revised, and reillustrated, The Joy of Sex once again sets the standard as the world's most trusted sex manual. Substantial revisions from sex expert and relationship psychologist Susan Quilliam include new information on: • Key scientific discoveries in the fields of psychology, physiology, and sexology • The Internet and couple-friendly pornography • The importance of sex to our growth as people and partners • Maintaining a fulfilling sex life as we get older Above all, The Joy of Sex emphasizes the importance of happy and healthy sexuality in our lives.

Tomorrow Sex Will Be Good Again -

Katherine Angel 2021-03-02

A provocative, elegantly written analysis of female desire, consent, and sexuality in the age of MeToo Women are in a bind. In the name of consent and empowerment, they must proclaim their desires clearly and confidently. Yet sex researchers suggest that women's desire is often slow to emerge. And men are keen to insist that they know what women—and their bodies—want. Meanwhile, sexual violence

abounds. How can women, in this environment, possibly know what they want? And why do we expect them to? In this elegant, searching book—spanning science and popular culture; pornography and literature; debates on Me-Too, consent and feminism—Katherine Angel challenges our assumptions about women’s desire. Why, she asks, should they be expected to know their desires? And how do we take sexual violence seriously, when not knowing what we want is key to both eroticism and personhood? In today’s crucial moment of renewed attention to violence and power, Angel urges that we remake our thinking about sex, pleasure, and autonomy without any illusions about perfect self-knowledge. Only then will we fulfil Michel Foucault’s teasing promise, in 1976, that “tomorrow sex will be good again.”

Sex and Vanity - Kevin Kwan 2020-06-30
NEW YORK TIMES BESTSELLER • A Good Morning America Book Club Pick The author of the New York Times bestselling phenomenon *Crazy Rich Asians* takes you from Capri to NYC, where Lucie Tang Churchill finds herself torn between two men—and two very different cultures. On her very first morning on the jewel-like island of Capri, Lucie Churchill sets eyes on George Zao and she instantly can't stand him. She can't stand it when he gallantly offers to trade hotel rooms with her so that she can have a view of the Tyrrhenian Sea, she can't stand that he knows more about Casa Malaparte than she does, and she really can't stand it when he kisses her in the darkness of the ancient ruins of a Roman villa and they are caught by her snobbish, disapproving cousin Charlotte. The daughter of an American-born Chinese mother and a blue-blooded New York father, Lucie has always sublimated the Asian side of herself in favor of the white side, and she adamantly denies having feelings for George. But several years later, when George unexpectedly appears in East Hampton, where Lucie is weekendening with her new fiancé, Lucie finds herself drawn to George again. Soon, Lucie is spinning a web of deceit that involves her family, her fiancé, the co-op board of her Fifth Avenue apartment building, and, ultimately, herself as she tries mightily to deny George entry into her world—and her heart. Moving between summer playgrounds of privilege, peppered with

decadent food and extravagant fashion, *Sex and Vanity* is a truly modern love story, a daring homage to *A Room with a View*, and a brilliantly funny comedy of manners set between two cultures.

Sexual Dysfunction, Third Edition - John P. Wincze 2015-05-11

"Highly regarded as a course text and practitioner resource, this book presents concise intervention guidelines for the most frequently encountered sexual dysfunctions in women and men. Following a consistent format, chapters on each clinical problem cover its description, clinical presentation, prevalence, etiology, and biological and psychosocial factors. Illustrative case examples of diverse individuals and couples are included. The authors provide a state-of-the-art framework for conducting comprehensive assessments, weaving multiple data sources into a coherent case formulation, and planning effective treatment that integrates medical and psychosocial strategies. Key Words/Subject Areas: arousal, assessments, couples, desire, diagnosis, disorders, dysfunctions, female, gender, human sexuality, male, marital, men, psychotherapy, sex therapy, sexual health, sexual medicine, treatments, women Audience: Clinicians who work with clients on issues pertaining to sexuality, including clinical psychologists, psychiatrists, clinical social workers, couple and family therapists, mental health and pastoral counselors, and psychiatric nurses. Also of interest to ob/gyns, urologists, and family physicians. "--

What Every Mental Health Professional Needs to Know About Sex, Third Edition - Stephanie Buehler, PsyD, CST-S 2021-10-21

This 3rd edition is truly the A to Z when it comes to assessing and treating sexual health concerns. This is a valuable resource that I'll be recommending to my colleagues and students and consulting regularly myself! Lori Brotto Professor, Faculty of Medicine | Department of Obstetrics & Gynecology Executive Director, Women's Health Research Institute | Canada Research Chair in Women's Sexual Health The University of British Columbia The third edition of this pragmatic resource assists mental health professionals in helping clients resolve sexual concerns that arise during the course of therapy. It has been updated with the latest theoretical

approaches, pharmacological treatments, and ethical/legal concerns. It presents a wealth of information on assessing and treating both common and uncommon sexual concerns accompanied by helpful informational worksheets. By offering new case examples exemplifying contemporary concerns such as minority stress, intersectionality, and recognition of therapist privilege in relation to client, the new edition emphasizes diversity inclusive of sexual and gender minorities. It covers the latest technology in telemental health and the role it plays in the sex lives of clients. Designed to take the uninformed reader or one who might be uncomfortable about sex to a place of knowledge and competence, the book includes strategies to help both the client and therapist become more comfortable with sexuality. Take-Away Points, Activities and Resources in every chapter and downloadable forms, templates, and tools combine to make this an indispensable resource. Purchase includes digital access for use on most mobile devices or computers. New to the Third Edition: Updated approaches to considerations of gender identity The impact of intersectionality, oppression, and minority stress De-pathologizing "kinky" behavior Understanding the "orgasm gap" and "orgasm equality" Treating couples who want to open their relationships Applies mindfulness to treatment of sexual problems Expanded information about the sexological ecosystem Treating out-of-control sexual behavior and the new Compulsive Sexual Behavior Disorder ICD-11 diagnosis Key Features: Provides clear treatment recommendations for nearly all sexual concerns Uses an ecosystemic approach for assessing individuals and couples Explains how to assess and treat sexual pain disorders Covers sexuality across the lifespan Includes "Step into My Office" vignettes offering a glimpse into everyday sex therapy practice Provides activities for reader to reinforce information including "Take-Away" points, downloadable forms, templates, and tools Instructors Manual and PowerPoint presentation for each chapter Quickies: The Handbook of Brief Sex Therapy (Third Edition) - Douglas Flemons 2018-01-09 Effective, brief techniques for therapists to support their clients in having satisfying sex lives. Quickies demonstrates that the best sex

therapy is often the briefest, presenting readers with a refreshing array of time-efficient, client-focused approaches to sexual problems. The third edition includes new chapters on the impact of the Internet in relationships, infidelity, and same-sex and transgender affirming therapy.

Principles and Practice of Sex Therapy, Fifth Edition - Yitzchak M. Binik 2014-03-19

This book has been replaced by Principles and Practice of Sex Therapy, Sixth Edition, ISBN 978-1-4625-4339-7.

Why Sex Matters - Bobbi S. Low 2015-01-04

Why are men, like other primate males, usually the aggressors and risk takers? Why do women typically have fewer sexual partners? In *Why Sex Matters*, Bobbi Low ranges from ancient Rome to modern America, from the Amazon to the Arctic, and from single-celled organisms to international politics, to show that these and many other questions about human behavior largely come down to evolution and sex. More precisely, as she shows in this uniquely comprehensive and accessible survey of behavioral and evolutionary ecology, they come down to the basic principle that all organisms evolved to maximize their reproductive success and seek resources to do so, but that sometimes cooperation and collaboration are the most effective ways to succeed. This newly revised edition has been thoroughly updated to include the latest research and reflect exciting changes in the field, including how our evolutionary past continues to affect our ecological present.

Sex and World Peace - Valerie Hudson 2012-02-28

Backed up by a detailed analysis, tables and color maps, the authors argue that violence against women adversely affects all levels of society, and ultimately the security of a nation, and offer ways to heal the wounds of violence against women on both a micro and macro level.

Psychology Library Editions: Child

Development - Various 2021-11-05

Psychology Library Editions: Child Development (20 Volume set) brings together a diverse number of titles across many areas of developmental psychology, from children's play to language development. The series of previously out-of-print titles, originally published between 1930 and 1993, with the majority from the 70s and 80s, includes contributions from many respected authors in the field and charts the progression of the field over this time.

Human Sexuality (Paper) - Roger R. Hock
2013-11-01

Human Sexuality, Third Edition, helps students develop and design their own sexual philosophy. Every chapter begins with actual student questions from the author's files during nearly 20 years of teaching the human sexuality course. Throughout each chapter the questions are answered and new ones are posed--encouraging

students to think critically, analyze, and apply the material in personally relevant ways. Hock takes a psychosocial approach, infused with biological foundations throughout the text. The book focuses on topics that are most critical and of greatest relevance to students' personal lives and their interactions with others, and on how these topics affect them emotionally, psychologically, and interpersonally. This student-centered approach is incorporated into the text's discussions of all areas of sexuality: psychological, social and biological (including medical issues, sexual health, sexual anatomy and sexual physiology). Sensitivity to diverse groups, not only in terms of race and ethnicity, but also in terms of sexual orientation, age, sexual knowledge, and sexual experience allows all students to feel as comfortable and open about sexual topics as possible.

Experiencing Christ Together - Neil T. Anderson
2009-10-01

The same powerful principles from Dr. Neil T. Anderson's *Steps to Freedom in Christ* that helped set more than one million people free from spiritual bondage can now revolutionize marriages. Dr. Anderson and co-author Dr. Charles Mylander offer practical tools to help couples let go of old habits and destructive patterns, and place Christ firmly at the center of marriage. Step-by-step, they discuss ways to handle money, sex, gender differences, adultery and forgiveness. Readers will also learn how to find and speak their partner's love language, resolve conflict and to call upon God in prayer to win the spiritual battle for their marriages. A thoughtful devotional guide will prompt further reflection, and discussion questions make this suitable for group use as well as personal use. A special section, "Freedom in Christ", offers help for those battling specific spiritual or personal difficulties.

Le Deuxième Sexe - Simone de Beauvoir 1989

The classic manifesto of the liberated woman, this book explores every facet of a woman's life.

Romeo and Juliet (First International Student Edition) (Norton Critical Editions) - William Shakespeare 2016-10-15

This much-anticipated Norton Critical Edition of Shakespeare's best-known play is based on the Second Quarto, widely agreed to be the most authoritative early text. By carefully selecting

extracts from sources, scholars, and scriptwriters, Gordon McMullan tells a series of stories about Romeo and Juliet, globally and from their legend's origins to the present day. The Norton Critical Edition includes: · Introductory materials and explanatory annotations by Gordon McMullan as well as numerous images. · Sources and early rewritings by Luigi Da Porto, Matteo Bandello, Pierre Boaistuau, Kareen Seidler, and Thomas Otway, among others. · Critical readings and later rewritings spanning four centuries and including those by Stanley Wells, Wendy Wall, Dymna C. Callaghan, Jill L. Levenson, Nia?h Cusack, David Tennant, and Courtney Lehmann. · A Selected Bibliography.

the joy of sex - 1972

Systemic Sex Therapy - Katherine M. Hertlein
2015-02-20

This comprehensive textbook, intended for graduate students in couple and family therapy programs as well as for clinicians of diverse orientations, offers descriptive discussions of sex therapy based on the Intersystem Approach, as developed by Gerald Weeks. The Intersystem Approach considers the biology, psychology, couple dyad, family-of-origin, and larger contextual factors of any sexual disorder or issue. It is grounded in systems theory and represents a new understanding of human sexuality and sexual problems. Appropriate for anyone who wants to progress to a more comprehensive and integrative understanding of sexual dysfunctions, this text will teach the reader how to treat the couple, rather than the individual. Now in a second edition, Systemic Sex Therapy presents 12 updated chapters and two new chapters, bringing the material up-to-date with the DSM-5. Each chapter examines the definition and description of a disorder, its etiology, assessment, treatment, research, and future directions. Experts in the field discuss issues ranging from pharmacology, sexual compulsivity, therapy with lesbian and gay couples, to chapters on male and female lack of desire. A standard text in the field, Systemic Sex Therapy integrates couple and sex therapy to inform the treatment of sexual problems, and to give beginning and experienced clinicians the abilities and confidence they need to produce

viable change in their patients' lives.

Sex/gender - Anne Fausto-Sterling 2012

Anne Fausto-Sterling's Sex/Gender is the only interdisciplinary book for undergraduate courses to explain sex and gender from a biological, social, and cultural perspective.

The Lipstick Proviso - Karen Lehrman 1997

A critical reevaluation of "establishment feminism" by a noted feminist intellectual argues that feminist politics should not control women's private lives and that such ideas as femininity and instinct can be a part of feminism. Tour.

The New Love and Sex After 60 - Robert N. Butler 2011-04-13

LIFE CAN BE RICH AND FULL--AT ANY AGE
You may be getting older but love and sex are still a vital part of your life. Here is the book that speaks to your concerns about sex beyond the middle years. Two leading experts have completely updated and revised the classic guide on the subject to address the needs of our changing world in the new millennium. Inside you'll find: - The truth about aging and how it affects sexual desire and lovemaking - A thorough guide to common medical problems--and solutions - New drugs that can improve and enhance sexuality--including the latest on Viagra - Research on post-menopausal changes - A detailed look at the procedures for easing and solving sexual problems - Practical strategies for finding new relationships and staying sexually fit - Advice to help your adult children understand your new relationships

How to Work with Sex Offenders - Rudy Flora
2014-01-14

How to Work with Sex Offenders is the first complete manual available on the subject for professionals who deal with this population. This user-friendly, comprehensive resource presents new data that will give you techniques for effectively interviewing sex offenders and outlines innovative treatment options in an understandable way, but that is just part of what makes this book unique. How to Work with Sex Offenders walks you through the criminal justice, human services, and mental health systems as applied to sex offenders from start to finish—you'll learn what happens to the offender from the point when he/she is apprehended, through prosecution, adjudication, and treatment. To view an excerpt online, find the

book in our QuickSearch catalog at www.HaworthPress.com.

Sex Offender Laws, Second Edition - Dr. Richard Wright 2014-07-17

Print+CourseSmart

Sex and the Soul, Updated Edition - Donna Freitas 2015-02-27

First published in 2008, Donna Freitas's *Sex and the Soul* revealed what college students -- at institutions large and small, public and private, secular, Catholic, and evangelical -- really think about sex, dating, religion, and spirituality. Based on face-to-face interviews with students across the country, *Sex and the Soul* achieved national acclaim, illuminating the as-yet-unexplored struggles of college students navigating the lines of faith and sexuality. Now, in this updated edition, Freitas reflects on the hundreds of conversations she has had with students since the book was first published in an all-new afterword, and offers practical advice for young people struggling with issues of sex and spirituality and for the adults giving them guidance.

Language, Gender and Sexual Identity - Heiko Motschenbacher 2010

This book makes an innovative contribution to the relatively young field of Queer Linguistics. Subscribing to a poststructuralist framework, it presents a critical, deconstructionist perspective on the discursive construction of heteronormativity and gender binarism from a linguistic point of view. On the one hand, the book provides an outline of Queer approaches to issues of language, gender and sexual identity that is of interest to students and scholars new to the field. On the other hand, the empirical analyses of language data represent material that also appeals to experts in the field. The book deals with repercussions of the discursive materialisation of heteronormativity and gender binarism in various kinds of linguistic data. These include stereotypical genderlects, structural linguistic gender categories (especially from a contrastive linguistic point of view), the discursive sedimentation of female and feminine generics, linguistic constructions of the gendered body in advertising and the usage of personal reference forms to create characters in Queer Cinema. Throughout the book, readers become aware of the wounding

potential that gendered linguistic forms may possess in certain contexts.

Recovering Biblical Manhood and Womanhood (Revised Edition) - John Piper 2021-01-11

A Guide to Navigate Evangelical Feminism In a society where gender roles are a hot-button topic, the church is not immune to the controversy. In fact, the church has wrestled with varying degrees of evangelical feminism for decades. As evangelical feminism has crept into the church, time-trusted resources like *Recovering Biblical Manhood and Womanhood* help remind Christians of what the Bible has to say. In this edition of the award-winning best seller, more than 20 influential men and women such as John Piper, Wayne Grudem, D. A. Carson, and Elisabeth Elliot offer thought-provoking essays responding to the challenge egalitarianism poses to life in the church and in the home. Covering topics like role distinctions in the church, how biblical manhood and womanhood should work out in practice, and women in the history of the church, this helpful resource will help readers learn to orient their beliefs with God's unchanging word in an ever-changing culture.

Sex at Dawn - Christopher Ryan 2010-06-29
Since Darwin's day, we've been told that sexual monogamy comes naturally to our species. Mainstream science—as well as religious and cultural institutions—has maintained that men and women evolved in families in which a man's possessions and protection were exchanged for a woman's fertility and fidelity. But this narrative is collapsing. Fewer and fewer couples are getting married, and divorce rates keep climbing as adultery and flagging libido drag down even seemingly solid marriages. How can reality be reconciled with the accepted narrative? It can't be, according to renegade thinkers Christopher Ryan and Cacilda Jethå. While debunking almost everything we "know" about sex, they offer a bold alternative explanation in this provocative and brilliant book. Ryan and Jethå's central contention is that human beings evolved in egalitarian groups that shared food, child care, and, often, sexual partners. Weaving together convergent, frequently overlooked evidence from anthropology, archaeology, primatology, anatomy, and psychosexuality, the authors show how far from human nature monogamy really is.

Human beings everywhere and in every era have confronted the same familiar, intimate situations in surprisingly different ways. The authors expose the ancient roots of human sexuality while pointing toward a more optimistic future illuminated by our innate capacities for love, cooperation, and generosity. With intelligence, humor, and wonder, Ryan and Jethå show how our promiscuous past haunts our struggles over monogamy, sexual orientation, and family dynamics. They explore why long-term fidelity can be so difficult for so many; why sexual passion tends to fade even as love deepens; why many middle-aged men risk everything for transient affairs with younger women; why homosexuality persists in the face of standard evolutionary logic; and what the human body reveals about the prehistoric origins of modern sexuality. In the tradition of the best historical and scientific writing, *Sex at Dawn* unapologetically upends unwarranted assumptions and unfounded conclusions while offering a revolutionary understanding of why we live and love as we do.

Public Sex - Patrick Califia 2000

A chronicle of the radical sex movement in the United States covers sexual practices, gay and lesbian activism, feminism, censorship, and other important issues. Original.

Disorders of Sex Development - John M. Hutson 2012-02-02

The rapid advances in medicine over the last 50 years have totally changed the outlook for children with disorders of sex development (DSD), but there is still much to learn. This book crystallizes the combined experience of a leading dedicated unit over 25 years in delivering expert medical and surgical care to children with DSD in a holistic environment. It documents the most recent advances in the molecular biology and embryology of sex development, and describes each disorder in detail. The clinical presentation and approach to diagnosis are described both for babies and for children presenting later in childhood or at adolescence. The chapters on management highlight all the latest knowledge and include the shared wisdom of the authors on current controversies, such as the timing of surgical treatment. Finally, the authors describe their short-, medium-, and long-term outcomes, which

demonstrate the strengths of holistic team management.

Sex Rules! - Janice Zarro Brodman 2017-11-14

"[Brodman] shares the results of years of research and world travel to show . . . just how wildly divergent ideas about sexuality and gender roles can be." —Vice This book is a humorous glimpse of a wide range of stereotype-busting sexual, relationship, and romantic mores around the world. It is fun, interesting, and eye-opening! For example, places where women control the mating game, set marriage rules, and marry one another for political power. The fact that it's all true also makes it fascinating. Take a romp through a rollicking worldwide tour with LOL views of extraordinary sexual customs. It will astound and regale you. At the same time, it proves sex is like happiness—universally sought but subjectively enjoyed. "This is the world's weirdest and funniest reality show. But it's more. It's fascinating and smart, and all true."

—Richard Bangs, adventurer, author, and TV personality "It's a scientific fact! Women have better orgasms with funny partners. Read this hilarious book and you'll have more and better sex, happier relationships and a healthier libido!" —Joanne Sandler, former Deputy Executive Director of the UN Development Fund for Women (UNIFEM), senior associate of Gender@Work, co-producer of the popular podcast *Two Old Bitches* "Fresh, intriguing and of course titillating . . . delve into rarely seen corners of the world, enjoy a good laugh, and learn from a trained scholar as she takes you on this journey that reveals 'Sex Rules' in all their staggering variety." —Ed Robbins, award-winning director-writer-producer and digital journalist

The Johns - Victor Malarek 2011-08

A follow-up to *The Natashas* is a critical indictment of the men who solicit sex services from unwilling prostitutes, in an exposé that identifies the customers and organizations that foster and drive the sex trade throughout the world.

Critical Sexual Literacy - Gilbert Herdt 2021-08-03

This book is a new and exciting resource for teachers, students, and activists who aim to critically examine contemporary sexuality through the lens of sexual literacy and situated

social analysis. This original anthology provides shorter cutting-edge essays on theory, method, and activism, including the nature of globalization and local sexuality discovered in 'glocal' topics, processes, and contexts. These cutting-edge essays inform readers of key moments in sexual history, including areas relating to research, practice, and social policy, and provide a platform from which to engage in rich discussion and forecast the development of sexual literacy in our world within multiple contexts.

Queerly Canadian, Second Edition - Scott Rayter
2022-09-14

In the second edition of this remarkable and comprehensive anthology, many of Canada's leading sexuality studies scholars examine the fundamental role that sexuality has played—and continues to play—in the building of our nation, and in our national narratives, myths, and anxieties about Canadian identity. Thoroughly updated, this new edition features twenty-six new chapters on topics including Indigenous kinship, Blackness, masculinity, disability, queer resistance, and sex education. Covering both historical and contemporary perspectives on nation and community, law and criminal justice, organizing and activism, health and medicine, education, marriage and family, sport, and popular culture and representation, the essays also take a strong intersectional approach, integrating analyses of race, class, and gender. This interdisciplinary collection is essential for the Canadian sexuality studies classroom, and for anyone interested in the mythologies and realities of queer life in Canada. FEATURES: - Sixty percent new and expanded content with twenty-six new chapters - Thoroughly updated to reflect a strong emphasis on the diversity of queer experiences and identities in Canada - Each chapter includes a brief introduction, written for this collection by the author, that provides helpful context about their work for both students and teachers

Dimensions of Japanese Society - K. Henshall
1999-06-23

Japan remains one of the most intriguing yet least understood nations. In a much needed, balanced and comprehensive analysis, among other remarkable revelations, this book presents for the first time a vital key to understanding the

organisation of Japan's society and the behaviour of its people. The Japanese are not driven by a universal morality based on Good and Evil, but by broad aesthetic concepts based on Pure and Impure. What they include as 'impure' will surprise many readers.

The End of Gender - Debra Soh 2020-08-04
International sex researcher, neuroscientist, and columnist Debra Soh debunks popular gender myths in this scientific examination of the many facets of gender identity that “is not only eminently reasonable and beautifully-written, it is brave and vital” (Ben Shapiro, #1 New York Times bestselling author). Is our gender something we're born with, or are we conditioned by society? In *The End of Gender*, neuroscientist and sexologist Dr. Debra Soh uses a research-based approach to address this hot-button topic, unmasking popular misconceptions about the nature vs. nurture debate and exploring what it means to be a woman or a man in today's society. Both scientific and objective, and drawing on original research and carefully conducted interviews, Soh tackles a wide range of issues, such as gender-neutral parenting, gender dysphoric children, and the neuroscience of being transgender. She debates today's accepted notion that gender is a social construct and a spectrum, and challenges the idea that there is no difference between how male and female brains operate. *The End of Gender* is conversation-starting “required reading” (Eric R. Weinstein, PhD, host of *The Portal*) that will arm you with the facts you need to come to your own conclusions about gender identity and its place in the world today.

Issues in Criminology and Criminal Justice Research: 2013 Edition - 2013-05-01

Issues in Criminology and Criminal Justice Research: 2013 Edition is a ScholarlyEditions™ book that delivers timely, authoritative, and comprehensive information about Criminology. You now have a source you can cite with authority, confidence, and credibility. More information is available at <http://www.ScholarlyEditions.com/>.

Come as You Are - Emily Nagoski 2015-04-09

A NEW YORK TIMES BESTSELLER An essential exploration of women's sexuality that will radically transform your sex life into one filled with confidence and joy. After all the books that have been written about sex, all the blogs and TV shows and radio Q&As, how can it be that we all still have so many questions? The frustrating reality is that we've been lied to — not deliberately, it's no one's fault, but still. We were told the wrong story. *Come as You Are* reveals the true story behind female sexuality, uncovering the little-known science of what makes us tick and, more importantly, how and

why. Sex educator Dr Emily Nagoski debunks the common sexual myths that are making women (and some men!) feel inadequate between the sheets. Underlying almost all of the questions we still have about sex is the common worry: 'Am I normal?' This book answers with a resounding Yes! We are all different, but we are all normal — and once we learn this, we can create for ourselves better sex and more profound pleasure than we ever thought possible. PRAISE FOR EMILY NAGOSKI 'As a literary work, Nagoski's book deserves plaudits for the rare achievement of merging pop science and the sexual self-help genre in prose that's not insufferably twee ... "You are normal!" doesn't sound much like a battlecry, but in a world keen to sexually homogenise women from the gap of their thighs to the shape of their mons pubis, the sentiment lands like a bomb.' The Guardian 'Come As You Are screams female empowerment loud and proud.' The Independent

Routledge International Handbook of Sex Industry Research - Susan Dewey 2018-11-26
