Meditations on Christian doctrine - John Henry Newman 1908

Happiness in This Life - Pope Francis 2017-12-05

A collection of homilies, speeches, and “messages of the day” that brings together Pope Francis’s wisdom on finding happiness in the here and now For Pope Francis, the appreciation of our everyday lives is a spiritual undertaking. Joy is a divine attribute, and creating joy around us an essential part of faith. Every homily and speech in this book delivers, in warm, engaging language accessible to believers and nonbelievers alike, a key lesson, instructing readers on finding love and happiness in a chaotic world. Along the way, Pope Francis discusses the sanctity of women’s rights, talks about how the love of sports can bring out our best qualities, and explains why fighting discrimination is the essence of loving thy neighbor. He shares personal stories and anecdotes from his life, provides comforting messages of hope, and discusses the ways flawed families can make you a better person. The core ideas of Francis’s papacy—mercy,

support for marginalized people, and diplomacy—shine through. Praise for Happiness in This Life “Though the title of the book mentions happiness, this collection of thoughts addresses something much deeper—joy. Bringing together excerpts from Pope Francis’s sermons, speeches, prayers, and addresses, these pieces address a range of themes, from mercy and humility to simplicity and family. . . . Readers will be encouraged to clear away the cacophony of modern society and embrace the simplicity of joy. A book as loving and encouraging as the man himself seems to be.”—Booklist “With this wide-ranging collection of writings, homilies, and addresses, the current pontiff dispels any notion that religious practice is dour and antiquated. . . . It brings together the pope’s most affecting passages to inspire Catholics (and those of other faiths) to lift up those around them.”—Publishers Weekly “Reminiscent of the gentle encouragement of the Dalai Lama . . . Family-centered and practical—especially on difficult matters of familial contention—these homilies are, on the whole, gentle encouragements to do the right thing. . . . [This] collection offers clear insight into the pope’s doctrinal concerns.”—Kirkus Reviews

The Greeks and the Irrational - Eric R. Dodds
2004-06-16

In this philosophy classic, which was first published in 1951, E. R. Dodds takes on the traditional view of Greek culture as a triumph of rationalism. Using the analytical tools of modern anthropology and psychology, Dodds asks, "Why should we attribute to the ancient Greeks an immunity from 'primitive' modes of thought which we do not find in any society open to our direct observation?" Praised by reviewers as "an event in modern Greek scholarship" and "a book which it would be difficult to over-praise," *The Greeks and the Irrational* was Volume 25 of the Sather Classical Lectures series.

Orlando Innamorato - Matteo Maria Boiardo
1831

L'inganno delle illusioni - Paolo Scquizzato
2014-03-10T00:00:00+01:00

Come emerge dalla lettura di questo libro, il peccato è un atto di amore che manca il suo bersaglio e i sette peccati capitali l'illusione di

poter raggiungere la felicità, salvo poi constatare che non sono stati in grado di mantenere la promessa. Da qui l'insoddisfazione, il vuoto e quel tarlo che tutto divora, ovvero la noia. Sentimenti dell'umano vivere, che in queste pagine vengono chiamati per nome al fine di poter compiere un serio lavoro su di sé, ed essere in grado di tornare a vivere una felicità autentica. Il peccato è una ferita inferta ad una relazione, ma una ferita attraverso cui Dio può far irruzione per realizzare il suo desiderio più grande: il compimento del cuore dell'uomo. Effatà Editrice pubblica libri di qualità dal 1995, con lo stesso spirito si occupa di editoria digitale: eBook D.O.C. pensati per chi ama i libri. Il testo di questo eBook è stato completamente riadattato alla lettura digitale con l'aggiunta di link per una rapida navigazione.

The History of Italy - Francesco Guicciardini
2020-06-23

In 1537 Francesco Guicciardini, adviser and confidant to three popes, governor of several central Italian states, ambassador, administrator, military captain--and persona non grata with the ruling Medici after the siege of Florence--retired to his villa to write a history of his times. His *Storia d'Italia* became the classic history of Italy--both a brilliant portrayal of the Renaissance and a penetrating vision into the tragedy and comedy of human history in general. Sidney Alexander's readable translation and abridgment of Guicciardini's four-volume work earned the prestigious 1970 P.E.N. Club translation award. His perceptive introduction and notes add much to the understanding of Guicciardini's masterpiece.

Gli affreschi dell'Aula gotica del Monastero dei Santi Quattro Coronati - Andreina Draghi 2006

Night Conversations with Cardinal Martini: The Relevance of the Church for Tomorrow - Carlo Maria Martini 2014-05-14

Carlo M. Martini was cardinal of the largest diocese in the world, a scholar, and one of the most renowned men of the church. Georg Sporschill has worked in prisons and lived with drug-addicted street children in Romania and Moldavia. The two Jesuits met in Jerusalem and became firends: two worlds, one faith--and a passionate search for ways in which the message of Jesus of Nazareth can still be effective for

tomorrow. In a series of conversations they ask what faith can mean for life, what future young people have in the church, and what must be changed so that Christianity itself has a future. The questions from young people are the catalyst for deep thought. Is the future only dark? Where are the rays of light on the horizon? What would Jesus say today?

The steel flowers forest - Anthony C.
2019-01-17

A challenge between gods led to the division of the world into two kingdoms, one in the north and the other in the south. In the first, men enjoy absolute freedom while in the latter freedom is restricted. To keep the inhabitants of the two kingdoms divided, a magical forest with metal vegetation has grown between them, while the borders of the two kingdoms are guarded by high walls and protected by the regents, special men whose sole purpose is the defense of the kingdoms from exterior interference. For an inexplicable reason, the forest begins to wilt and thin, exposing the peaceful Kingdom of the South to the attacks from the warlike Kingdom of the North, thus forcing the four regents of the South to leave and penetrate the meanders of the forest in search of ancient relics to save their country. Along the journey, the regents will face a path of challenges against the enemy, but also against themselves. An initiatory journey in which they will discover the true nature of the dispute and the origins of the two kingdoms and the forest, whose roots sink into a past beyond the confines of their world and these pages.

Laughter - Henri Bergson 1914

Morgante - Luigi Pulci 2000

A classic picaresque epic detailing the thrilling exploits of Orlando, Morgante is a tale of war and of the calamities that befall the romantic hero, his fellow knights, and their sovereign, Charlemagne. After encountering the fierce Morgante, Orlando converts the giant, who then becomes his squire and trusted companion. This annotated English translation will lead to a new appreciation of Luigi Pulci's singular epic masterpiece and contribute to a reassessment of the author's influence on modern English literature.

Sammlung - Gaius Valerius Catullus 1998
116 poems by the great 1st century B.C. Latin

poet.

Arturo's Island - Elsa Morante 1959

Zibaldone - Giacomo Leopardi 2013-07-16

A groundbreaking translation of the epic work of one of the great minds of the nineteenth century Giacomo Leopardi was the greatest Italian poet of the nineteenth century and was recognized by readers from Nietzsche to Beckett as one of the towering literary figures in Italian history. To many, he is the finest Italian poet after Dante. (Jonathan Galassi's translation of Leopardi's *Canti* was published by FSG in 2010.) He was also a prodigious scholar of classical literature and philosophy, and a voracious reader in numerous ancient and modern languages. For most of his writing career, he kept an immense notebook, known as the *Zibaldone*, or "hodge-podge," as Harold Bloom has called it, in which Leopardi put down his original, wide-ranging, radically modern responses to his reading. His comments about religion, philosophy, language, history, anthropology, astronomy, literature, poetry, and love are unprecedented in their brilliance and suggestiveness, and the *Zibaldone*, which was only published at the turn of the twentieth century, has been recognized as one of the foundational books of modern culture. Its 4,500-plus pages have never been fully translated into English until now, when a team under the auspices of Michael Caesar and Franco D'Intino of the Leopardi Centre in Birmingham, England, have spent years producing a lively, accurate version. This essential book will change our understanding of nineteenth-century culture. This is an extraordinary, epochal publication.

Drawn and Quartered - E. M. Cioran
2012-11-13

"A brilliant and original exponent of a rare genre, the philosophical essay. Once read, Cioran cannot fail to provoke reaction."—New York Times Book Review

The Name of the Rose - Umberto Eco 1994

It is the year 1327. Franciscans in an Italian abbey are suspected of heresy, but Brother William of Baskerville's investigation is suddenly overshadowed by seven bizarre deaths. Translated by William Weaver. A Helen and Kurt Wolff Book

No Good Deed - John Niven 2018-06-14

Now available for preorder- KILL 'EM ALL, the stunning sequel to KILL YOUR FRIENDS
The viciously funny novel by John Niven, bestselling author of Kill Your Friends and Straight White Male. What do you do when a homeless man knows your name? How about when he turns out to be a friend you haven't seen in twenty years? Do you treat him to a hot meal and see him on his way? Give him a wad of middle-class guilt money? Or take him in and get him back on his feet? For Alan, there's no question - only natural that he'd want to see his old mate Craig off the streets, even if only for a few nights, and into some clean clothes. But what if the successful life you've made for yourself - good job, happy marriage, lovely kids, grand Victorian house (you did well out of the property boom, thank you very much) - is one that that your old pal would quite like to have too? Even if it means taking it from you?
Following the divergent lives of two childhood friends, No Good Deeds is a funny and painful examination of friendship, the strange currents of ambition, loathing, pity and affection that flow between people over the decades, and of men getting older as they fail and succeed.

Geometry of the Passions - Remo Bodei
2018-08-08

The passions have long been condemned as a creator of disturbance and purveyor of the temporary loss of reason, but as Remo Bodei argues in *Geometry of the Passions*, we must abandon the perception that order and disorder are in a constant state of collision. By means of a theoretical and historical analysis, Bodei interprets the relationship between passion and reason as a conflict between two complementary logics. *Geometry of the Passions* investigates the paradoxical conflict-collaboration between passions and reason, and between individual and political projects. Tracing the roles passion and reason have played throughout history, including in the political agendas of Descartes, Hobbes, and the French Jacobins, *Geometry of the Passions* reveals how passion and reason may be used as a vehicle for affirmation rather than self-enslavement.

Teoría Y Praxis: Colección de Clásicos Del Pensamiento Universal "carrascalejo de la Jara." - Immanuel Kant 2004
Not Provided by Publisher.

The MacIntyre Reader - Kelvin Knight
1998-10-23

Alasdair MacIntyre is one of the most controversial philosophers and social theorists of our time. He opposes liberalism and postmodernism with the teleological arguments of an updated Thomistic Aristotelianism. It is this tradition, he claims, which presents the best theory so far about the nature of rationality, morality and politics. This is the first Reader of MacIntyre's work. It includes extracts from and synopses of two famous books from the 1980s, *After Virtue* and *Whose Justice? Which Rationality?*, as well as the whole of several shorter works (one published for the first time in English) and two interviews. Taken together, these constitute not only a representative collection of his work but also the most powerful and accessible presentation of his arguments yet available. The Reader also includes a summary, by the editor, of the development of MacIntyre's central ideas, and an extensive guide to further reading. Students will find the book a useful guide to MacIntyre's case against both capitalist institutions and academic orthodoxies.

The Medieval Imagination - Jacques Le Goff
1992-12-15

To write this history of the imagination, Le Goff has recreated the mental structures of medieval men and women by analyzing the images of man as microcosm and the Church as mystical body; the symbols of power such as flags and oriflammes; and the contradictory world of dreams, marvels, devils, and wild forests. "Le Goff is one of the most distinguished of the French medieval historians of his generation . . . he has exercised immense influence."—Maurice Keen, *New York Review of Books* "The whole book turns on a fascinating blend of the brutally materialistic and the generously imaginative."—Tom Shippey, *London Review of Books* "The richness, imaginativeness and sheer learning of Le Goff's work . . . demand to be experienced."—M. T. Clanchy, *Times Literary Supplement*

Cortigiana - Pietro Aretino 2003

Ad Lucilium Epistulae Morales, - Lucius Annaeus Seneca 1917

The Long March of French Universities -

Christine Musselin 2013-02-01

The main point of this book is to argue that French universities experienced a quiet but important change during the last decade, which allowed them to become pertinent and more autonomous actors within the French university system.

Memoirs of Henrietta Caracciolo, of the Princes of Forino, Ex-Benedictine Nun ... From the Italian - Enrichetta 1821-1901 Caracciolo

Including: The Lazy Hall of Fame Homer's Lazy look at Fashion The Lazy Man's Tool Kit and The Adventures of Sloth Man The perfect Christmas gift for the slob in your life....

The Grand Inquisitor - Fyodor Dostoyevsky
2009-12-01

This excerpt from the Russian literary masterpiece *The Brothers Karamazov* is a parable set against the backdrop of the Spanish Inquisition, which Dostoyevsky uses to explore questions about God's existence and human freedom. This bite-size text is a great way for beginners to acquaint themselves with

Dostoyevsky's style.

L'inganno delle illusioni - Paolo Scquizzato
2010-01-01

Il peccato è un atto di amore che manca il bersaglio e i sette peccati capitali l'illusione di raggiungere la felicità, salvo poi constatare che non sono stati in grado di mantenere la promessa. Queste pagine aiutano a tornare a vivere una felicità autentica.

Language and Mind - Noam Chomsky 1968

The City of The Sun - Tommaso Campanella
2020-10-07

"The City of the Sun" is a philosophical work by the Italian Dominican philosopher Tommaso Campanella. It is an important early utopian work. The book is presented as a dialogue between "a Grandmaster of the Knights Hospitaller and a Genoese Sea-Captain". Inspired by Plato's Republic and the description of Atlantis in Timaeus, it describes a theocratic society where goods, women and children are held in common. One of the most significant aspects of this community is the distribution of work. Once again Campanella engages in an explicit polemic with Aristotle, who had excluded artisans, peasants and those involved in manual labor from the category of full citizenship and from the highest levels of virtue.

The High Medieval Dream Vision - Kathryn Lynch 1988-06-01

In the High Middle Ages, the dream narrative was an enormously popular and influential form. Along with the romance, it was perhaps the genre of the age. It has come down to us in such classics twelfth to fourteenth-century classics as *The Divine Comedy*, *the Romance of the Rose*, *Piers Plowman*, Chaucer's early poetry, and the works of Guillaume de Machaut. This book redefines the dream vision by attending to its role in philosophical debate of the time, a conservative role in defense of the high medieval synthesis of reason and revelation. Lynch shows how the epistemological basis of this synthesis and the theories of visions that emerged from it drew on Arabic commentaries of Aristotle. These theories informed poetic visions modeled on Boethius's *Consolation of Philosophy*, a work she discusses in detail before turning to Alain de Lille, Jean de Meun, and Dante. A final section, on John Gower's *Confessio Amantis* shows how

fourteenth and fifteenth-century writers extended and finally moved beyond the conventional form of the dream vision.

Opere filosofiche - Antonio Rosmini

2021-01-28T00:00:00+01:00

Antonio Rosmini (1797-1855) ha subito cinque processi, con due condanne, due assoluzioni e una beatificazione (2007). Mentre è in corso la canonizzazione, si offre un'antologia sistematica delle Opere Filosofiche dalle quali parecchi stanno lontano a causa della loro vastità e complessità; ostacoli però qui superati con una selezione dei brani più importanti versati in italiano corrente, introdotti e commentati. Non si vuole tuttavia ripetere scolasticamente Rosmini bensì imparare a filosofare con lui oltre a lui in "spirito di carità intellettuale" e facendo tesoro delle verità perenni scolpite nelle sue pagine. Studiare Rosmini conviene perché: 1) si recupera il meglio di quanto offerto dall'intera storia della filosofia (grazie a migliaia di

citazioni); 2) se ne affrontano i temi principali (struttura del conoscere, forme dell'essere, metafisica della creazione, psicosomatica, principi logici, morali, sociali); 3) si percorrono varie discipline grazie al suo sapere enciclopedico che ne fanno il filosofo italiano più colto di sempre; 4) ci si arricchisce sul piano esistenziale e spirituale secondo un modello raramente offerto da altri. Completano e arricchiscono il volume, due "Tesari Filosofici" e ampie e aggiornate bibliografie. Le opere antologizzate sono: 1. Introduzione alla filosofia. 2. Nuovo saggio sull'origine delle idee. 3. Logica. 4. Teosofia. 5. Antropologia. 6. Psicologia. 7. Principi della scienza morale. 8. Trattato della coscienza morale. 9. Scritti pedagogici. 10. Filosofia della politica. 11. Filosofia del diritto.

Fontamara - Ignazio Silone 1994

"The" Satires of Juvenal, - Juvenal 1785
