The Road - Cormac McCarthy 2007-03-20
NATIONAL BESTSELLER • WINNER OF THE
PULITZER PRIZE • A searing, post-apocalyptic
novel about a father and son's fight to survive,

this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father

and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation. Look for Cormac McCarthy's new novel, *The Passenger*.

Consuming Habits - Jordan Goodman 2005-07-26

This pioneering collection of original essays explores the rich analytical category of psychoactive substances from challenging historical and anthropological perspectives. Psychoactive substances have been central to the formation of civilizations and the growth of the world economy. *Consuming Habits* describes how and why: tea and coffee replaced beer on the breakfast tables of 18th century Europe in Islamic emirates at the turn of the century kola nuts formed part of tax payments, and were given as gifts by so-called 'big men' In 1902 opera singers had their doctors prescribe them cocaine to aid singing the original version of 'coca-cola' was described as a 'brain tonic.' This pioneering collection of original essays explores the rich analytical category of psychoactive substances from challenging historical and anthropological perspectives.

The Stonemason - Cormac McCarthy
1995-08-01

From the Pulitzer Prize-winning author of *The*

Road and the bestselling Border Trilogy comes a taut, expansively imagined drama about four generations of an American family. The setting is Louisville, Kentucky, in the 1970s. The Telfairs are stonemasons and have been for generations. Ben Telfair has given up his education to apprentice himself to his grandfather, Papaw, a man who knows that "true masonry is not held together by cement but...by the warp of the world." Out of the love that binds these two men and the gulf that separates them from the Telfairs who have forsaken—or dishonored—the family trade, Cormac McCarthy has crafted a drama that bears all the hallmarks of his great fiction: precise observation of the physical world; language that has the bite of common speech and the force of Biblical prose; and a breathtaking command of the art of storytelling. Look for Cormac McCarthy's new novel, *The Passenger*.

The Sound of My Voice - Ron Butlin

2018-04-12

A novel of an ordinary family man trying to fill the void inside with drink: "One of the greatest pieces of fiction to come out of Britain in the Eighties." —Irvine Welsh Morris Magellan is thirty-four years old and already two-thirds destroyed. By day he is an executive. After six and on weekends he is the husband of an understanding wife and the father of two. At all times he is a music lover and a drunk. Of the past he remembers only fear, and of the future he senses even greater terror to come; he is a man struggling from moment to moment to salvage something of himself before that too slips from his grasp. On one level *The Sound of My Voice* tells the story of an alcoholic: a frantic attempt by some inner voice to halt an apparent need for self-destruction. More generally, it presents the conflict between modern man's cowardice and cruelty, and a desperate attempt to recover humanity. "One of the most inventive

and daring novels ever to have come out of Scotland. Playful, haunting and moving, this is writing of the highest quality.” —Ian Rankin “A powerful portrait of alcoholism and self-destruction.” —Bookseller

The Provocation of Levinas - Robert Bernasconi 2002-11-01

There is a growing recognition of Levinas's importance. It can in part be attributed to an increasing concern that twentieth-century continental philosophy seems to have no place for ethics. In making ethics fundamental to philosophy, rather than a problem to which we might one day return, Levinas transforms continental thought. The book brings together some of the most interesting and far-reaching responses to the work of Levinas, in three different areas: contemporary feminism, psychotherapy, and Levinas's relation to other philosophers. It includes a newly translated paper by Levinas on suffering, and a specially commissioned interview.

The Years of Alienation in Italy - Alessandra Diazzi 2019-06-11

The Years of Alienation in Italy offers an interdisciplinary overview of the socio-political, psychological, philosophical, and cultural meanings that the notion of alienation took on in Italy between the 1960s and the 1970s. It addresses alienation as a social condition of estrangement caused by the capitalist system, a pathological state of the mind and an ontological condition of subjectivity. Contributors to the edited volume explore the pervasive influence this multifarious concept had on literature, cinema, architecture, and photography in Italy. The collection also theoretically reassesses the notion of alienation from a novel perspective, employing Italy as a paradigmatic case study in its pioneering role in the revolution of mental health care and factory work during these two decades.

ANNO 2021 LA GIUSTIZIA DECIMA PARTE - ANTONIO GIANGRANDE

Antonio Giangrande, orgoglioso di essere diverso. ODIO OSTENTAZIONE ED IMPOSIZIONE. Si nasce senza volerlo. Si muore senza volerlo. Si vive una vita di prese per il culo. Tu esisti se la tv ti considera. La Tv esiste se tu la guardi. I Fatti son fatti oggettivi naturali e rimangono tali. Le Opinioni sono atti soggettivi cangianti. Le opinioni se sono oggetto di discussione ed approfondimento, diventano testimonianze. Ergo: Fatti. Con me le Opinioni cangianti e contrapposte diventano fatti. Con me la Cronaca diventa Storia. Noi siamo quello che altri hanno voluto che diventassimo. Facciamo in modo che diventiamo quello che noi avremmo (rafforzativo di saremmo) voluto diventare. Rappresentare con verità storica, anche scomoda ai potenti di turno, la realtà contemporanea, rapportandola al passato e proiettandola al futuro. Per non reiterare vecchi errori. Perché la massa dimentica o non conosce.

Denuncio i difetti e caldeggio i pregi italici. Perché non abbiamo orgoglio e dignità per migliorarci e perché non sappiamo apprezzare, tutelare e promuovere quello che abbiamo ereditato dai nostri avi. Insomma, siamo bravi a farci del male e qualcuno deve pur essere diverso!

Auschwitz Report - Primo Levi 2015-03-03

Among the first written accounts of the concentration camps—a major literary and historical discovery. While in a Russian-administered holding camp in Katowice, Poland, in 1945, Primo Levi was asked to provide a report on living conditions in Auschwitz. Published the following year, it was subsequently forgotten and remained unknown to a wider public. Dating from the weeks and months immediately after the war, *Auschwitz Report* details the authors' harrowing deportation to Auschwitz, and how those who disembarked from the train were selected for work or extermination. As well as being a searing narrative of everyday life in the camp, and the organization and working of the gas chambers, it constitutes Levi's first lucid

attempts to come to terms with the raw horror of events that would drive him to create some of the greatest works of twentieth-century literature and testimony. Auschwitz Report is a major literary and historical discovery.

The Late Mattia Pascal - Luigi Pirandello
2004-11-30

Mattia Pascal endures a life of drudgery in a provincial town. Then, providentially, he discovers that he has been declared dead. Realizing he has a chance to start over, to do it right this time, he moves to a new city, adopts a new name, and a new course of life—only to find that this new existence is as insufferable as the old one. But when he returns to the world he left behind, it's too late: his job is gone, his wife has remarried. Mattia Pascal's fate is to live on as the ghost of the man he was. An explorer of identity and its mysteries, a connoisseur of black humor, Nobel Prize winner Luigi Pirandello is among the most teasing and profound of modern masters. The Late Mattia Pascal, here rendered

into English by the outstanding translator William Weaver, offers an irresistible introduction to this great writer's work Seneca the Elder and His Rediscovered >Historiae ab initio bellorum civilium< - Maria Chiara Scappaticcio 2020-06-08

The refreshed insights into early-imperial Roman historiography this book offers are linked to a recent discovery. In the spring of 2014, the binders of the archive of Robert Marichal were dusted off by the ERC funded project PLATINUM (ERC-StG 2014 n°636983) in response to Tiziano Dorandi's recollections of a series of unpublished notes on Latin texts on papyrus. Among these was an in-progress edition of the Latin rolls from Herculaneum, together with Marichal's intuition that one of them had to be ascribed to a certain 'Annaeus Seneca'. PLATINUM followed the unpublished intuition by Robert Marichal as one path of investigation in its own research and work. Working on the Latin P.Herc. 1067 led to

confirm Marichal's intuitions and to go beyond it: P.Herc. 1067 is the only extant direct witness to Seneca the Elder's *Historiae*. Bringing a new and important chapter of Latin literature arise out of a charred papyrus is significant. The present volume is made up of two complementary sections, each of which contains seven contributions. They are in close dialogue with each other, as looking at the same literary matter from several points of view yields undeniable advantages and represents an innovative and fruitful step in Latin literary criticism. These two sections express the two different but interlinked axes along which the contributions were developed. On one side, the focus is on the starting point of the debate, namely the discovery of the papyrus roll transmitting the *Historiae* of Seneca the Elder and how such a discovery can be integrated with prior knowledge about this historiographical work. On the other side, there is a broader view on early-imperial Roman historiography, to

which the new perspectives opened by the rediscovery of Seneca the Elder's *Historiae* greatly contribute.

“È stato il fato, o qualcosa del genere. Una combinazione di fortuna, tempismo e destino. Abbiamo fatto un’audizione a un cantante e poi è arrivato Ed. Boom! Non puoi prevederla una cosa così. È semplicemente fantastico che sia successo”. - Mike McCready “Abbiamo cominciato a fare musica per noi stessi. Non avremmo mai immaginato che le persone potessero fare amicizia e condividere idee ed

esperienze grazie alla nostra musica. Alcuni si sono sposati o hanno trovato veri amici. È una cosa più grande di noi. Noi semplicemente suonavamo. Ma questo ci ha fatto sentire quasi sopraffatti e certamente più umili”. - Eddie Vedder “Ogni tanto ci diciamo: non è incredibile che siamo ancora qui a suonare? Ma è tutto vero. E non ricordo un solo concerto in cui abbiamo fatto solo finta di esaltarci. Ogni volta è un colpo al cuore”. - Jeff Ament “Penso che stiamo vivendo una seconda giovinezza. Ci rendiamo conto della fortuna che abbiamo a suonare ancora nello stesso gruppo dopo tutti questi anni”. - Stone Gossard “Quello che hanno di buono i Pearl Jam è che ognuno pensa al di là di se stesso, al gruppo e al suono finale. Così dovrebbe funzionare una vera band. Ovviamente, chi scrive le canzoni ha molta visibilità, ma finché il gruppo resta unito e ha un feeling comune, questo è l’importante, sei in una buona band”. - Matt Cameron

Young Adam - Alexander Trocchi 2017-03-14

A compelling existential thriller by the Beat-era writer: “Everyone should read Young Adam” (The Times Literary Supplement). Young Adam tells the story of Joe, a drifter who works on a barge traveling the Clyde River between Glasgow and Edinburgh. As the novel opens, Joe finds the corpse of a young woman floating in the water. Was it an accident, a suicide, or murder? As the police investigate and arrest a suspect, it becomes clear that Joe knows far more than he’s telling. Originally published in 1954, Young Adam was made into a film starring Ewan McGregor and Tilda Swinton, and is now reissued with an introduction by PEN finalist and literary critic David L. Ulin. This is a psychologically suspenseful novel and an

absorbing portrait of a haunted man, from an iconoclastic Beat writer praised by the New Yorker for “prose that is always clean and sharp and often ferociously alive with poetry” and called “the most brilliant man I ever met” by Allen Ginsberg. “Trocchi may be the greatest unknown writer in the world.” —The Bloomsbury Review

Crossing the Quality Chasm - Institute of Medicine 2001-08-19

Second in a series of publications from the Institute of Medicine's Quality of Health Care in America project Today's health care providers have more research findings and more technology available to them than ever before. Yet recent reports have raised serious doubts about the quality of health care in America. Crossing the Quality Chasm makes an urgent call for fundamental change to close the quality gap. This book recommends a sweeping redesign of the American health care system and provides overarching principles for specific direction for

policymakers, health care leaders, clinicians, regulators, purchasers, and others. In this comprehensive volume the committee offers: A set of performance expectations for the 21st century health care system. A set of 10 new rules to guide patient-clinician relationships. A suggested organizing framework to better align the incentives inherent in payment and accountability with improvements in quality. Key steps to promote evidence-based practice and strengthen clinical information systems. Analyzing health care organizations as complex systems, Crossing the Quality Chasm also documents the causes of the quality gap, identifies current practices that impede quality care, and explores how systems approaches can be used to implement change.

Writing Migration through the Body - Emma Bond 2018-09-05

Writing Migration through the Body builds a

study of the body as a mutable site for negotiating and articulating the transnational experience of mobility. At its core stands a selection of recent migration stories in Italian, which are brought into dialogue with related material from cultural studies and the visual arts. Occupying no single disciplinary space, and drawing upon an elaborate theoretical framework ranging from phenomenology to anthropology, human geography and memory studies, this volume explores the ways in which the skin itself operates as a border, and brings to the surface the processes by which a sense of place and self are described and communicated through the migrant body. Through investigating key concepts and practices of transnational embodied experience, the book develops the interpretative principle that the individual bodies which move in contemporary migration flows are the primary agents through which the transcultural passages of images, emotions, ideas, memories - and also histories and possible

futures - are enacted.

Seven Ways to Kill a Cat - Matias Nespolo
2011-11-03

'There's seven ways to kill a cat. But when it comes down to it, there's only two ways. In a civilised fashion or like a fucking savage'. In Buenos Aires, the economy has collapsed and people are protesting on the streets. But in the barrio, life goes on - the slums of the city are ruled by gangs, drugs and guns. Gringo and Chueco are almost adults, and joining the gang warfare that governs their community seems inevitable. Chueco thinks he can join El Jetita's gang but remain his own man, Gringo knows this can't happen - you obey the leader or else. As the two get drawn ever deeper into the turf war between El Jetita and his rival Charly, Gringo sees an alternative way of life, and love, pass before his eyes. A few days ago he and Chueco were joking about killing cats; now he's fighting to save his skin.

International Perspectives on Spinal Cord

Injury - World Health Organization 2013
"Every year between 250 000 and 500 000 people suffer a spinal cord injury, with road traffic crashes, falls and violence as the three leading causes. People with spinal cord injury are two to five times more likely to die prematurely. They also have lower rates of school enrollment and economic participation than people without such injuries. Spinal cord injury has costly consequences for the individual and society, but it is preventable, survivable and need not preclude good health and social inclusion. Ensuring an adequate medical and rehabilitation response, followed by supportive services and accessible environments, can help minimize the disruption to people with spinal cord injury and their families. The aims of International perspectives on spinal cord injury are to: ---assemble and summarize information on spinal cord injury, in particular the epidemiology, services, interventions and policies that are relevant, together with the lived

experience of people with spinal cord injury; ---make recommendations for actions based on this evidence that are consistent with the aspirations for people with disabilities as expressed in the Convention on the Rights of Persons with Disabilities.

Heaven and Hell - Jon Kalman Stefansson
2014-03-11

Jon Kalman Stefansson is the winner of the Icelandic Prize for Literature and has been nominated three times for the Nordic Council Prize for Literature. Heaven and Hell, is a perfectly formed, vivid and timeless story, lyrical in style, and as intense a reading experience as the forces of the Icelandic landscape themselves. Der Spiegel said it was "like an oyster--a glinting treasure in a rough shell." In a remote part of Iceland, a boy and his friend Barour join a boat

to fish for cod. A winter storm surprises them out at sea and Barour, absorbed in "Paradise Lost", succumbs to the ferocious cold and dies. Distracted from the murky circumstances of Barour's death, the boy leaves the village, intending to return the book to its original owner. The extreme hardship and danger of the journey is of little consequence to him--he has already resolved to join his friend in death. But once in the town he immerses himself in the stories and lives of its inhabitants, and decides that he cannot be with his friend just yet.

Lu Pavone - Giuseppe Jovine 1993

Questa raccolta di poesie e di racconti popolari

anonimi in dialetto molisano tracciano il percorso di due storie che, pur diversificate, si compenetrano e si completano a vicenda: la storia individuale dell' autore e la storia collettiva della società di un paese del Sud. Le immagini di un mondo apparentemente immobile e arcaico si alternano alle vicende di una realtà storica complessa e tormentata, nel cui magma vecchio e nuovo si scontrano e si fondono. This collection of poems and anonymous folktales in the Molisan dialect traces the unfolding of two stories which, although distinct, interweave and complete each other: the author's individual story and the story of a town in the South of Italy. The images of an apparently immobile and archaic world alternate with the events of a complex and tormented historical reality, in whose magma the new and the old clash and fuse."

Ocean Sea - Alessandro Baricco 2000-06-27

"Exotic...erotic... *Ocean Sea* is highly romantic and breathtakingly lyrical."--The New York

Times Book Review With *Silk*, his first novel to appear in English, Alessandro Baricco immediately proved himself to be a magical storyteller. With *Ocean Sea*, he has been acclaimed as the successor to Italo Calvino, and a major voice in modern literature. In *Ocean Sea*, Alessandro Baricco presents a hypnotizing postmodern fable of human malady--psychological, existential, erotic--and the sea as a means of deliverance. At the Almayner Inn, a remote shoreline hotel, an artist dips his brush in a cup of ocean water to paint a portrait of the sea. A scientist pens love letters to a woman he has yet to meet. An adulteress searches for relief from her proclivity to fall in love. And a sixteen-year-old girl seeks a cure from a mysterious condition which science has failed to remedy. When these people meet, their fates begin to interact as if by design. Enter a mighty tempest and a ghostly mariner with a thirst for vengeance, and the Inn becomes a place where destiny and desire battle for the upper hand.

Playful, provocative, and ultimately profound, *Ocean Sea* is a novel of striking originality and wisdom.

The Leopard - Giuseppe Di Lampedusa

2007-11-06

Set in the 1860s, *The Leopard* tells the spellbinding story of a decadent, dying Sicilian aristocracy threatened by the approaching forces of democracy and revolution. The dramatic sweep and richness of observation, the seamless intertwining of public and private worlds, and the grasp of human frailty imbue *The Leopard* with its particular melancholy beauty and power, and place it among the greatest historical novels of our time. Although Giuseppe di Lampedusa had long had the book in mind, he began writing it only in his late fifties; he died at age sixty, soon after the manuscript was rejected as unpublishable. In his introduction, Gioacchino Lanza Tomasi, Lampedusa's nephew, gives us a detailed history of the initial publication and the various editions

that followed. And he includes passages Lampedusa wrote for the book that were omitted by the original Italian editors. Here, finally, is the definitive edition of this brilliant and timeless novel. (Translated from the Italian by Archibald Colquhoun.)

The Gardener's Son - Cormac McCarthy

2014-12-09

The screenplay for McCarthy's classic film, bearing in full measure his gift—the ability to fit complex and universal emotions into ordinary lives and still preserve all of their power and significance. In the spring of 1975 the film director Richard Pearce approached Cormac McCarthy with a screenplay idea. Though already a widely acclaimed novelist, the author of such modern classics as *The Orchard Keeper* and *Child of God*, McCarthy had never before written a screenplay. Using a few photographs in the footnotes to a 1928 biography of a famous

pre-Civil War industrialist as inspiration, McCarthy and Pearce roamed the mill towns of the South researching their subject. A year later McCarthy finished *The Gardener's Son*, a taut, riveting drama of impotence, rage, and violence spanning two generations of mill owners and workers, fathers and sons, during the rise and fall of one of America's most bizarre utopian industrial experiments. Produced as a two-hour film and broadcast on PBS in 1976, *The Gardener's Son* received two Emmy Award nominations and was shown at the Berlin and Edinburgh Film Festivals. Set in Graniteville, South Carolina, *The Gardener's Son* is the tale of two families: the wealthy Greggs, who own and

operate the local cotton mill, and the McEvoy's, a family of mill workers beset by misfortune. The action opens as Robert McEvoy, a young mill worker, is having his leg amputated after an accident rumored to have been caused by James Gregg, the son of the mill's founder. Crippled and consumed by bitterness, McEvoy deserts both his job and his family. Returning two years later at the news of his mother's terminal illness, McEvoy arrives only to confront the grave diggers preparing her final resting place. His father, the mill's gardener, is now working on the factory line, the gardens forgotten. These proceedings stoke the slow-burning rage McEvoy carries within him, a fury that will ultimately consume both families.
