The Years of Alienation in Italy - Alessandra Diazzi 2019-06-11  
The Years of Alienation in Italy offers an interdisciplinary overview of the socio-political, psychological, philosophical, and cultural meanings that the notion of alienation took on in Italy between the 1960s and the 1970s. It addresses

alienation as a social condition of estrangement caused by the capitalist system, a pathological state of the mind and an ontological condition of subjectivity. Contributors to the edited volume explore the pervasive influence this multifarious concept had on literature, cinema, architecture, and photography in Italy. The collection also theoretically reassesses the

notion of alienation from a novel perspective, employing Italy as a paradigmatic case study in its pioneering role in the revolution of mental health care and factory work during these two decades.

History of Architectural Conservation - Jukka Jokilehto  
2007-06-07

A History of Architectural Conservation expands knowledge about the conservation of ancient monuments, works of art and historic buildings. It includes the origins of the interest in conservation within the European context, and the development of the concepts from Antiquity and the Renaissance to the present day. Jokilehto illustrates how this development has influenced international collaboration in the protection and conservation of cultural heritage, and how it has formed the principal concepts and approach to conservation and restoration in today's multi-cultural society. This book is based on archival research of original documents

and the study of key restoration examples in countries that have influenced the international conservation movement. Accessible and of great interest to students and the general public it includes conservation trends in Europe, the USA, India, Iran and Japan. *The One I Knew the Best of All* - Frances Hodgson Burnett

**The Secret Garden** - Frances Hodgson Burnett 2015-10-22  
CLASSIC FICTION (CHILDREN'S / TEENAGE). On the grounds of Misselthwaite, her Uncle Archibald's estate near the Yorkshire moors, nine-year-old Mary Lennox finds a walled-in garden that has been locked securely for years. With the help of Dickon Sowerby, a young local boy who can charm animals, Mary cultivates the garden, an experiences that both improves her health and raises her spirits. Ultimately, the secret garden proves beneficial not only to Mary, but to her sickly cousin Colin. Nurtured with love and tenderness, the secret garden

proves it has the power to heal the heart. First published in 1911, Frances Hodgson Burnett's *The Secret Garden* is a much-loved classic of children's literature. This illustrated edition, with full-colour plates by Charles Robinson, features an elegant bonded-leather binding, a satin-ribbon bookmark, distinctive gilded edging, and decorative endpapers. Decorative, durable, and collectible, it's a book that will be cherished by readers of all ages. Ages 9+

**The Boundaries of Europe -**

Pietro Rossi 2015-04-24  
Europe's boundaries have mainly been shaped by cultural, religious, and political conceptions rather than by geography. This volume of bilingual essays from renowned European scholars outlines the transformation of Europe's boundaries from the fall of the ancient world to the age of decolonization, or the end of the explicit endeavor to "Europeanize" the world. From the decline of the Roman Empire to the polycentrism of

today's world, the essays span such aspects as the confrontation of Christian Europe with Islam and the changing role of the Mediterranean from "mare nostrum" to a frontier between nations. Scandinavia, eastern Europe and the Atlantic are also analyzed as boundaries in the context of exploration, migratory movements, cultural exchanges, and war. *The Boundaries of Europe*, edited by Pietro Rossi, is the first installment in the ALLEA book series *Discourses on Intellectual Europe*, which seeks to explore the question of an intrinsic or quintessential European identity in light of the rising skepticism towards Europe as an integrated cultural and intellectual region.

**Threads and Traces -** Carlo Ginzburg 2012-09-02

"This book is a translation of historian Carlo Ginzburg's latest collection of essays. Through the detective work of uncovering a wide variety of stories or microhistories from fragments, Ginzburg takes on the bigger questions: How do

we draw the line between truth and fiction? What is the relationship between history and memory? Stories range from medieval Europe, the inquisitional trial of a witch, seventeenth-century antiquarianism, and twentieth-century historians"--Provided by publisher.

### The Signifier and the Signified

- F. Noske 2012-12-06

The studies collected in this volume deal with the interpretation of opera. In most cases the results are based on structural analysis, a concept which may require some clarification in this context. During the past decade 'structure' and 'structural' have become particularly fashionable terms lacking exact denotation and used for the most divergent purposes. As employed here, structural analysis is concerned with such concepts as 'relationship', 'coherence' and 'continuity', more or less in contrast to formal analysis which deals

with measurable material. In other words, I have analysed the structure of an opera by seeking and examining factors in the musico-dramatic process, whereas analysts of form are generally preoccupied with the study of elements contained in the musical object. Though admittedly artificial, the dichotomy of form and structure may elucidate the present situation with regard to the study of opera. Today, nearly one hundred years after the death of Wagner, the proclaimed anti thesis of Oper und Drama is generally taken for what it really was: a means to propagate the philosophy of its inventor. The conception of opera (whether 'continuous' or composed of 'numbers') as a special form of drama is no longer contested. Nevertheless musical scholarship has failed to draw the consequences from this view and few scholars realize the need to study general theory of drama and more specifically the dramatic experience.

Burnett 2021-10-12

"Robin" is a romantic drama set in England during World War II. By a chance encounter in the garden, young Robin meets the boy of her dreams, Donal, but their love is not meant to be. Some 15 years later, they are reunited and rekindle their love. As their romance blooms the world is at war. Not long after, Donal heads off to fight in the war, leaving Robin behind. When he goes missing and is presumed dead, Robin's world is shattered. She turns to the powers of mysticism to help her get through the pain and search for answers. Fans of wartime romances like "Casablanca" or "Pearl Harbour" will likely enjoy this book. "Robin" is a sequel to "The Head of the House of Coombe" which follows the pre-war relationships between English nobility and commoners. Frances Eliza Hodgson Burnett (24 November 1849 - 29 October 1924) was an American-English novelist and playwright. She is best known for the three

children's novels "Little Lord Fauntleroy" (published in 1885-1886), "A Little Princess" (1905) and "The Secret Garden" (1911). Born in Cheetham, England, Frances moved with her family to the United States after her father's death in 1865. Burnett started writing at the age of 19 to help earn money for the family, she gained popularity writing both children's fiction and romantic novels for adults.

*The Translation of Children's Literature* - Gillian Lathey  
2006-01-01

In the last few decades a number of European scholars have paid an increasing amount of attention to children's literature in translation. This book not only provides a synthetic account of what has been achieved in the field, but also makes us fully aware of all the textual, visual and cultural complexities that translating for children entails.... Students of this subject have had problems in finding a book that attempted an up-to-date and comprehensive review of the field. Gillian Lathey's *Reader* does just this. **Europe and Empire** -

Massimo Cacciari 2016-01-04

The European Union and the single currency have given Europe more stability than it has known in the past thousand years, yet Europe seems to be

in perpetual crisis about its global role. The many European empires are now reduced to a multiplicity of ethnicities, traditions, and civilizations. Europe will never be One, but to survive as a union it will have to become a federation of "islands" both distinct and connected. Though drawing on philosophers of Europe's past, Cacciari calls not to resist Europe's sunset but to embrace it. Europe will have to open up to the possibility that in few generations new exiles and an unpredictable cultural hybridism will again change all we know about the European legacy. Though scarcely alive in today's politics, the political unity of Europe is still a necessity, however impossible it seems to achieve.

*The Binder of Lost Stories* - Cristina Caboni 2020-01-21  
From international bestselling author Cristina Caboni comes an exquisite and engrossing novel of two women, centuries apart, bound by a love of books and a longing for self-discovery. With her delicate touch, Sofia Bauer restores books to their original splendor. In this art she finds refuge from her crumbling marriage and the feeling that her once-vibrant life is slipping away. Then an antique German edition takes her breath away. Slipped covertly into the endpapers is an intriguing missive, the first part of a secret...from one bookbinder to another. Two hundred years ago, Clarice von Harmel defied the constraints of family and society to engage in a

profession forbidden to women. Within three separate volumes, Clarice bound her own hidden story filled with pain, longing, and love beyond all reason. A confession that now crosses centuries to touch the heart of a stranger. With the help of book collector Tomaso Leoni, Sofia connects the threads of Clarice's past, page by page, line by line, town by town. She's determined to make Clarice's voice heard. With each new revelation, Clarice is giving Sofia the courage to find her own voice and hope for the future she thought was lost.

**Writing about Lives in Science** - Paola Govoni 2014-05-14

Following discussions on scientific biography carried out over the past few decades, this book proposes a kaleidoscopic survey of the uses of biography as a tool to understand science and its context. It offers food for thought on the role played by the gender of the biographer and the biographee in the process of writing. To provide orientation in such a challenging field, some of the authors have accepted to write about their own professional experience while reflecting on the case studies they have been

working on. Focusing on (auto)biography may help us to build bridges between different approaches to men and women's lives in science. The authors belong to a variety of academic and professional fields, including the history of science, anthropology, literary studies, and science journalism. The period covered spans from 1732, when Laura Bassi was the first woman to get a tenured professorship of physics, to 2009, when Elizabeth H. Blackburn and Carol W. Greider were the first women's team to have won a Nobel Prize in science.

### **Gardens of the Roman**

**Empire** - Wilhelmina F.

Jashemski 2017-12-28

In *Gardens of the Roman Empire*, the pioneering archaeologist Wilhelmina F. Jashemski sets out to examine the role of ancient Roman gardens in daily life throughout the empire. This study, therefore, includes for the first time, archaeological, literary, and artistic evidence about ancient Roman gardens across the entire Roman Empire from

Britain to Arabia. Through well-illustrated essays by leading scholars in the field, various types of gardens are examined, from how Romans actually created their gardens to the experience of gardens as revealed in literature and art. Demonstrating the central role and value of gardens in Roman civilization, Jashemski and a distinguished, international team of contributors have created a landmark reference work that will serve as the foundation for future scholarship on this topic. An accompanying digital catalogue will be made available at: [www.gardensoftheromanempire.org](http://www.gardensoftheromanempire.org).

### **Charming Novels of Classic**

**Heroines** - Eleanor H. Porter

2017-08-08

Prepare to see the world through new eyes: This inspirational collection offers up a healthy dose of optimism with five classic coming-of-age stories. Featuring the youthful adventures of some of fiction's most beloved heroines, this collection—which includes *Pollyanna*, *The Secret Garden*,

Little Women, Anne of Green Gables, and Rebecca of Sunnybrook Farm—proves that, while growing up can be hard, the right attitude makes anything and everything possible. Though the young ladies in these stories hail from all over the world and all walks of life, they share a common truth: In an ever changing world, the journey from childhood to adulthood can be full of challenges, especially for girls. But as Pollyanna finds happiness in every situation, Mary Lennox coaxes her garden to thrive, the March sisters navigate the pitfalls of love and loss, Anne Shirley conquers the hearts of Avonlea, and Rebecca Randall inspires her family with joy, each iconic character changes her life—and the lives of everyone around them—for the better with hopeful, persistent optimism. The inspiration for numerous treasured film and TV adaptations, including Netflix's Anne with an E, these timeless tales have captured the imaginations and hearts of generations of readers. Now

collected in one delightful volume, these classic children's novels will charm and enchant as their spirited heroines embark on the eye-opening adventure of growing up.

**Tennessee Williams and Italy** - Alessandro Clericuzio  
2016-08-31

This book reveals for the first time the import of a huge network of connections between Tennessee Williams and the country closest to his heart, Italy. America's most thought-provoking playwright loved Italy more than any other country outside the US and was deeply influenced by its culture for most of his life.

Anna Magnani's film roles in the 1940s, Italian Neo-realist cinema, the theatre of Eduardo De Filippo, as well as the actual experience of Italian life and culture during his long stays in the country were some of the elements shaping his literary output. Through his lover Frank Merlo, he also had first-hand knowledge of Italian-American life in Brooklyn.

Tracing the establishment of his reputation with the Italian

intelligentsia, as well as with theatre practitioners and with generations of audiences, the book also tells the story of a momentous collaboration in the theatre, between Williams and Luchino Visconti, who had to defy the unceasing control Italian censorship exerted on Williams for decades.

*The Prophet* - Kahlil Gibran  
2021-01-08

The Prophet is a book of 26 prose poetry fables written in English by the Lebanese-American poet and writer Kahlil Gibran. It was originally published in 1923 by Alfred A. Knopf. It is Gibran's best known work. The Prophet has been translated into over 100 different languages, making it one of the most translated books in history, and it has never been out of print. The prophet, Al Mustafa, has lived in the city of Orphalese for 12 years and is about to board a ship which will carry him home. He is stopped by a group of people, with whom he discusses topics such as life and the human condition. The book is divided into chapters

dealing with love, marriage, children, giving, eating and drinking, work, joy and sorrow, houses, clothes, buying and selling, crime and punishment, laws, freedom, reason and passion, pain, self-knowledge, teaching, friendship, talking, time, good and evil, prayer, pleasure, beauty, religion, and death. Among the most significant works Kahlil Gibran: "Broken Wings", "The Madman", "The Earth Gods", "The Garden of the Prophet".
