Thorn, an outlaw's son, wasn't supposed to be a slave. He's been sold to Tyburn, an executioner, and they're headed to Castle Gloom in Gehenna, the land of undead, where Thorn will probably be fed to a vampire. Lilith Shadow wasn't supposed to be ruler of Gehenna. But following the murder of her family, young Lily became the last surviving member of House Shadow, a long line of dark sorcerers. Her country is surrounded by enemies and the only way she can save it is by embracing her heritage and practicing the magic of the undead. But how can she when, as a girl, magic is forbidden to her? Just when it looks like Lily

will have to leave her home forever, Thorn arrives at Castle Gloom. A sudden death brings them together, inspires them to break the rules, and leads them to soar to new heights in this fantasy with all the sparkle and luster of a starry night sky. Book 1 of a three book series. Advance Praise:"If you are pining for that thrill you felt when you first discovered Harry Potter, let me recommend Shadow Magic. Here is a fantasy world you will lose yourself in -- with Six Great Families of magic, the nicest princess of darkness you've ever met, a peasant boy with skills to rival Robin Hood, and a supporting cast of zombies, paladins, ghost puppies, executioners, minstrels, murderers, and a giant hero bat. I defy you not to love this story." -- Rick Riordan "Zestful, dynamic and addictive, Shadow Magic is storytelling at its most exuberant. Joshua Khan sweeps you up on the very first page and never lets you go. Close shaves, high adventure, wild fantasy, and giant bats -- this book has it all. I haven't had this much fun in ages. Sit back and enjoy the ride!" --Jonathan Stroud "Great, in-depth, unusual world-building coupled with funny, down-to-earth writing. Just call me Joshua Khan's number one fan."-Sarah Rees Brennan "There's plenty of magic to be found in Shadow Magic -- necromancy, giant bats, ghosts! -- but the real enchantment is the spell it weaves around the reader. I'd battle a whole army of the dead just to get to spend more time in Castle Gloom and the world Joshua Khan has created." -- Rachel Hawkins "An executioner's apprentice, an embattled queen of shadows, and a royal hostage join forces toward a common goal-survival in a treacherous world of monsters and magic. Shadow Magic is like the best of haunted house adventures-a dark and twisty thrill ride with just the right amount of creepy humor." -- Cinda Williams Chima "Working together but never losing sight of their individual objectives, Thorn and Lily uncover surprising truths about their families. Despite the gloomy setting, this book vibrates with hope. Short chapters filled with action, appealing characters, and cliff-hanger endings make this fantasy the kind of book readers will find hard to put down. Recommended for all middle grade collections." -- School Library Journal (starred review)

Trouble is brewing in Alkyra. While the kingdom’s noblemen squabble, on their borders an ancient enemy, the Lithmern, raises an army. As the head of the Noble House of Brenn attempts to organize an alliance, the princess Alethia celebrates her twentieth birthday. She is a remarkable woman: quick-witted, beautiful, and handy with a throwing knife. But on the next night, she passes through a dark corridor on her way to the banquet hall, and never emerges from the shadows. The Lithmern have kidnapped the princess. When Alethia regains consciousness, an evil Lithmern with a face made of shadows is carrying her through the forest. The Book of Shadows - Brittany Nightshade 2016-04-26

EDIT: Updates for 2017! Added more spells, illustrations and a glossary. I compiled this Book of Shadows from a collection of spells I have been using since I started down my path. This book contains over 100 spells, a list of runes, how they can be used in spell casting and even crafting your own spells. I've collected these spells from several different sources, mostly from witches I have met in my travels and covens I have been a part of. I've tweaked a few of these spells to fit my needs from time to time and you can do the same as the words aren't what give the spells power, your energy is what really matters, so feel free to do the same and change what you want to suit your own needs. The craft of Magic is a constant fluctuating living thing and our ancestors have borrowed, changed, and made from scratch what we practice today. I hope this book helps you grow as a person and a spellcrafter. -Brittany Nightshade -Brittany Nightshade

Thorn, an outlaw's son, wasn't supposed to be a slave. He's been sold to Tyburn, an executioner, and they're headed to Castle Gloom in Gehenna, the land of undead, where Thorn will probably be fed to a vampire. Lilith Shadow wasn't supposed to be ruler of Gehenna. But following the murder of her family, young Lily became the last surviving member of House Shadow, a long line of dark sorcerers. Her country is surrounded by enemies and the only way she can save it is by embracing her heritage and practicing the magic of the undead. But how can she when, as a girl, magic is forbidden to her? Just when it looks like Lily will have to leave her home forever, Thorn arrives at Castle Gloom. A sudden death brings them together, inspires them to break the rules, and leads them to soar to new heights in this fantasy with all the sparkle and luster of a starry night sky. Book 1 of a three book series. Advance Praise: "If you are pining for that thrill you felt when you first discovered Harry Potter, let me recommend Shadow Magic. Here is a fantasy world you will lose yourself in -- with Six Great Families of magic, the nicest princess of darkness you've ever met, a peasant boy with skills to rival Robin Hood, and a supporting cast of zombies, paladins, ghost puppies, executioners, minstrels, murderers, and a giant hero bat. I defy you not to love this story." -- Rick Riordan "Zestful, dynamic and addictive, Shadow Magic is storytelling at its most exuberant. Joshua Khan sweeps you up on the very first page and never lets you go. Close shaves, high adventure, wild fantasy, and giant bats -- this book has it all. I haven't had this much fun in ages. Sit back and enjoy the ride!" --Jonathan Stroud "Great, in-depth, unusual world-building coupled with funny, down-to-earth writing. Just call me Joshua Khan's number one fan." -Sarah Rees Brennan "There's plenty of magic to be found in Shadow Magic -- necromancy, giant bats, ghosts! -- but the real enchantment is the spell it weaves around the reader. I'd battle a whole army of the dead just to get to spend more time in Castle Gloom and the world Joshua Khan has created." -- Rachel Hawkins "An executioner's apprentice, an embattled queen of shadows, and a royal hostage join forces toward a common goal-survival in a treacherous world of monsters and magic. Shadow Magic is like the best of haunted house adventures-a dark and twisty thrill ride with just the right amount of creepy humor." -- Cinda Williams Chima "Working together but never losing sight of their individual objectives, Thorn and Lily uncover surprising truths about their families. Despite the gloomy setting, this book vibrates with hope. Short chapters filled with action, appealing characters, and cliff-hanger endings make this fantasy the kind of book readers will find hard to put down. Recommended for all middle grade collections." -- School Library Journal (starred review)

And to make it home in one piece, she'll need to unlock the mysteries of the ring her mother died to protect.

Havemercy - Jaida Jones 2009-07-28

This stunning epic fantasy debut introduces two exciting new authors—and a world brimming with natural and man-made wonders, extraordinary events, and a crisis that will test the mettle of men, the boundaries of magic, and the heart and soul of a kingdom. Thanks to its elite Dragon Corps, the capital city of Volstov has all but won the hundred years' war with its neighboring enemy, the Ke-Han. The renegade airmen who fly the corps's mechanical, magic-fueled dragons are Volstov's greatest weapon. But now one of its members is at the center of a scandal that may turn the tide of victory. To counter the threat, four ill-assorted heroes must converge to save their kingdom: an exiled magician, a naive country boy, a young student—and the unpredictable ace who flies the city's fiercest dragon, Havemercy. But on the eve of battle, these courageous men will face something that could make the most formidable of warriors hesitate, the most powerful of magicians weak, and the most unlikely of men allies in their quest to rise against it.
