Welsh Sea Kayaking - Jim Krawiecki 2006

A selection of fifty great sea kayak voyages around the coast of Wales. From the Dee Estuary to the Bristol Channel, the Welsh coastline in all its varied guises provides a fantastic playground for the sea kayaker. The fifty journeys selected cover all of the interesting parts of the coast and provide easy sheltered paddles, testing offshore trips for the adventurous and everything in between. Illustrated with superb colour photographs and useful maps throughout, this book is a practical guide to help you select and plan trips. It will provide inspiration for future voyages and a souvenir of journeys undertaken. As well as providing essential information on where to start and finish, distances, times and tidal information, the book does much to stimulate and inform our interest in the environment we are passing through. It is full of facts and anecdotes about local history, geology, scenery, seabirds and sea mammals. A fascinating read and an inspirational book.

Kyffin Williams - Qing Chao Ma 2021-02-04

Kyffin Williams is the culmination of four years of research at two centres for Kyffin Williams's art, the National Library of Wales, Aberystwyth, and Oriel Mon, Anglesey. Dr. Qing Chao Ma's illuminating new

study incorporates Kyffin Williams's full range; his inspirational landscapes and seascapes in oil, his delicate watercolours, his distinctive linocuts and his mesmeric portraits. With her particular expertise, the author also draws comparisons between the work of Williams and Chinese art, linking him to other artistic traditions and establishing his rightful place in the worldwide art community. Combined with a rigorous biographical account on the life which informed the work and a rich variety of illustrations, Kyffin Williams is an invaluable contribution to the study and appreciation of one of Wales's foremost artists.'No other artist and author has collated so many diverse examples of Sir Kyffin's art in one publication with such coherence. This is a book put together with great care and purpose and written from the heart.' David Meredith, Sir Kyffin Williams Trust

The Hounds of Annwn (1-5) - Karen Myers 2016-12-31

Book Bundle for The Hounds of Annwn: Books 1 thru 5. To Carry the Horn: Book 1 of The Hounds of Annwn. AN ENTIRE KINGDOM BUILT AROUND A SUPERNATURAL NEED FOR JUSTICE, ENFORCED BY THE WILD HUNT AND THE HOUNDS OF HELL. What would you do if you blundered into a strange world, where all around you was the familiar landscape of the Blue Ridge Mountains of Virginia, but the inhabitants were the long-lived fae, and you the only human? George Talbot Traherne stumbles across the murdered huntsman of the Wild Hunt, and is drafted into finding out who did it. Oh, and assigned the task of taking the huntsman's place with the Hounds of Hell, whether he wants the job or not. The antlered god Cernunnos is the sponsor of this kingdom, and he requires its king to conduct the annual hunt for justice in pursuit of an evil criminal, or else lose his right to the kingship, and possibly end up hunted himself. Success is far from guaranteed, and no human has held the post. George discovers his own blood links to the fae king, and he's determined to try. But Cernunnos himself has a personal role to play, and George will have to sort out just why he's the one who's been chosen for the task. And whether he has any chance of surviving the job. Find out what it's like to live in a world where you can help the Right to prevail, even if it might cost you everything. To Carry the Horn is the first book of The Hounds of Annwn. The Ways of Winter: Book 2 of The Hounds of Annwn. TRAPPED BEHIND ENEMY LINES, CAN HE FIND THE STRENGTH TO DEFEND ALL THAT HE VALUES MOST, OR EVEN JUST TO SURVIVE? It's the dead of winter and George Talbot Traherne, the new human huntsman for the Wild Hunt, is in trouble. The damage in Gwyn ap Nudd's domain reveals the deadly powers of a dangerous foe who has mastered an unstoppable weapon and threatens the fae dominions in both the new and the old worlds. Secure in his unbreachable stronghold, the enemy holds hostages and has no compunction about using them in deadly experiments with newly discovered way-technology. Only George has a chance to reach him in time to prevent the loss of thousands of lives, even if it costs him everything. Welcome to the portrait of a paladin in-the-making, Can he carry out a rescue without the deaths of all involved? Will his patron, the antlered god Cernunnos, help him, or just write him off as a dead loss? He has a family to protect and a world to save, and little time to do it in. King of the May: Book 3 of The Hounds of Annwn. MORE VALUABLE AS A WEAPON THAN A KINGMAKER, HE MUST MAKE HIS OWN CHOICES TO SECURE THE FUTURE. George Talbot Traherne, the human huntsman for the Wild Hunt, had hoped to settle into a quiet life with his new family, but it was not to be. Gwyn ap Nudd, Prince of Annwn, has plans to secure his domain in the new world from the overbearing interference of his father Lludd, the King of Britain. The security of George's family is bound to

that of his overlord, and he vows to help. But when he and his companions stand against Lludd and his allies at court, disaster overturns all their plans and even threatens the Hounds of Annwn themselves. George and his patron, the antlered god Cernunnos, must survive a subtle attack that undermines them both. Other gods and gods-to-be have taken an interest, but the fae are divided in their allegiances and fear the threat of deadly new powers in their unchanging lives. George and his companions must save themselves if they are to persuade their potential allies to help. But how can they do so, attacked on so many fronts at once? Will he put his family into greater jeopardy by trying to defend them? Bound into the Blood: Book 4 of The Hounds of Annwn. DISTURBING THE FAMILY SECRETS COULD BRING RUIN TO EVERYTHING HE'S WORKED SO HARD TO BUILD. George Talbot Traherne, the human huntsman for the Wild Hunt, is preparing for the birth of his child by exploring the family papers about his parents and their deaths. When his improved relationship with his patron, the antlered god Cernunnos, is jeopardized by an unexpected opposition, he finds he must choose between loyalty to family and loyalty to a god. He discovers he doesn't know either of them as well as he thought he did. His search for answers takes him to the human world with unsuitable companions. How will he keep a rock-wight safe from detection, or even teach her the rules of the road? And what will he awaken in the process, bringing disaster back to his family on his own doorstep? What if his loyalty is misplaced? What will be the price of his mistakes? Tales of Annwn: A story collection from The Hounds of Annwn. The Call - A very young Rhian discovers her beast-sense and, with it, the call of a lost hound. It's not safe in the woods where cries for help can attract unwelcome attention, but two youngsters discover their courage in the teeth of necessity. Under the Bough - Angharad hasn't lived with anyone for hundreds of years, but now she is ready to tie the knot with George Talbot Traherne, the human who has entered the fae otherworld to serve as huntsman for the Wild Hunt. As soon as she can make up her mind, anyway. George has been swept away by his new job and the people he has met, and by none more so than Angharad. But how can she value the short life of a human? And what will happen to her after he's gone? Night Hunt - When George Talbot Traherne goes night hunting for fox in Virginia, he learns about unworthy men from the old-timers drinking moonshine around the fire and makes his own choices. Who could have anticipated that the same impulse that won him his old bluetick coonhound would lead him to his new wife and the hounds of Annwn? Every choice has a cost, he realizes, but never a regret. Cariad - Luhedoc is off with his adopted nephew Benitoe to fetch horses for the Golden Cockerel Inn. He's been reunited with his beloved Maelys at last, but how can he fit into her capable life as an innkeeper? What use is he to her now, after all these years? Luhedoc needs to relearn an important lesson about confidence. The Empty Hills - George Talbot Traherne arranges a small tour of the local human world for his fae family and friends, hoping to share some of the sense of wonder he discovered when he encountered the fae otherworld. He's worried about discovery by other humans, but things don't turn out quite the way he expects.

At Home on the Waves - Tanya J. King 2019-02-18

Contemporary public discourses about the ocean are routinely characterized by scientific and environmentalist narratives that imagine and idealize marine spaces in which humans are absent. In contrast, this collection explores the variety of ways in which people have long made themselves at home at sea, and continue to live intimately with it. In doing so, it brings together both ethnographic and archaeological research - much of it with an explicit Ingoldian approach - on a wide range of geographical areas and historical periods.

Welsh History: Strange but True - Geoff Brookes 2014-04-07

The earliest prehistoric burial in Europe was found in Wales. The skeleton was known as the 'Red Lady of Paviland' - well, until scientists discovered that it had, in fact, belonged to a man... 'Rhodri the Great', Wales' first king, was killed by a Saxon army. The second King of Wales was killed by his own men... English armies usually contained Welsh bowmen. A Welsh-fired arrow could - and did - go all the way through armour, leg, saddle and horse. Welsh bowmen often used English longbows against them, firing them at point-blank range during ambushes...This book contains hundreds of 'strange but true' facts and anecdotes about Welsh history. Arranged into a miniature history of Wales, and with bizarre and hilarious true tales for every era, it will interest and delight readers everywhere.

Tracing Your Family History on the Internet (Second Edition) - Chris Paton 2014-01-09

This fully revised second edition of Chris Paton's best-selling guide is essential reading if you want to make effective use of the internet in your family history research. Every day new records and resources are placed online and new methods of sharing research and communicating across cyberspace become available, and his handbook is the perfect introduction to them. He has checked and updated all the links and other sources, added new ones, written a new introduction and substantially expanded the social networking section. Never before has it been so easy to research family history using the internet, but he demonstrates that researchers need to take a cautious approach to the information they gain from it. They need to ask, where did the original material come from and has it been accurately reproduced, why was it put online, what has been left out and what is still to come? As he leads the researcher through the multitude of resources that are now accessible online, he helps to answer these questions. He shows what the internet can and cannot do, and he warns against the various traps researchers can fall into along the way. As seen in Your Family Tree Magazine.

Anglesey Through Time - Warren Kovach 2013-10-31

Anglesey is an island steeped in history. Situated off the North Wales Coast, Anglesey (Ynys Mon in Welsh) has seen many people come and go. Prehistoric standing stones and burial chambers dot the landscape alongside Iron Age and Roman era settlements, medieval churches, fishing villages, Victorian towns and modern industrial sites. Towns such as Llangefni and Beaumaris are pictured with their modern shopfronts alongside images of their old, simpler facades. The Menai and Britannia Bridges are shown with their older structures compared to their current refurbished forms. Seaside towns are pictured teeming with sailing ships in the old days and pleasure cruisers today. This book aids those who are discovering the island for the first time, as well as residents wondering what it looked like in their grandparents' days.
