Why Evolution is True - Jerry A. Coyne 2010-01-14

For all the discussion in the media about creationism and 'Intelligent Design', virtually nothing has been said about the evidence in question - the evidence for evolution by natural selection. Yet, as this

succinct and important book shows, that evidence is vast, varied, and magnificent, and drawn from many disparate fields of science. The very latest research is uncovering a stream of evidence revealing evolution in action - from the actual observation of a species splitting into two, to new fossil discoveries, to the deciphering of the evidence stored in our genome. Why Evolution is True weaves together the many threads of modern work in genetics, palaeontology, geology, molecular biology, anatomy, and development to demonstrate the 'indelible stamp' of the processes first proposed by Darwin. It is a crisp, lucid, and accessible statement that will leave no one with an open mind in any doubt about the truth of evolution.

Gamer's Edition 2020 -

Guinness World Records

2019-08-27

Gamer's 2020 is bursting at the seams with the characters our readers love and the games making the biggest splash in gaming right now! Gamer's 2020 features characters and legends such as Super Mario, Spider-Man, Pikachu, Link, Master Chief, Solid Snake, Batman, Mickey Mouse, Lara Croft and Crash Bandicoot will all have their own page... and that's just the start! And, if that wasn't enough, this year a special section is dedicated entirely to the gaming sensation that is Fortnite. We've worked closely with the game's publisher, Epic, to obtain the most accurate facts on the best players, the most popular equipment and the biggest in-game events. We've also crafted specially designed Reader Challenges to put our readers to the test and crown all-new record holders! The book's features will transport our readers to more legendary gaming franchises - whether they visit a galaxy far, far away in Star Wars, get up-to-speed on gaming's debutant heroes, catch-up on a year's worth of

eSports tournaments, or explore the history of Assassin's Creed's locales. Gamer's 2020 has something for every gamer on the planet and remains the ultimate guide to gaming!

on every action-packed page. Guinness World Records 2019 is the ultimate snapshot of our world today. Plus, this year we celebrate the incredible “Maker” movement with a special feature devoted to the inventors, dreamers, crafters and creators who devote their lives to amazing record-breaking projects such as the largest water pistol, a jet-powered go-kart and an elephant-sized hamburger (think you could eat a whole one!?). We take a sneak peek into their workshops to explore these epically big builds, and ask them what inspires them to go really, really large! And if you like creating, and you like LEGO®, then you’ll love our “Making History” pages that use the world’s most famous interlocking plastic bricks to illustrate and explain an important record-breaking object – such as the Statue of Liberty or the Apollo mission’s Saturn V rocket. We examine their designs, structure and technical specifications in fully illustrated and colorful, poster-style pages. Finally, you can

jump into both the making and record-breaking action with a “Do Try This At Home” section. Challenge yourself and your family with five fun record-breaking maker-inspired records you can attempt involving origami, balloon sculptures, ring pulls and rubber bands. Who knows, your creation might just make it into the record books!
