Forthcoming Books - Rose Army 1999-04

Richard Löwenherz - Dieter Berg 2007

Annales de Normandie - 2001

The Seaforth Bibliography - Eugene Rasor
2009-04-17

This remarkable work is a comprehensive historiographical and bibliographical survey of the most important scholarly and printed materials about the naval and maritime history of England and Great Britain from the earliest times to 1815. More than 4,000 popular, standard and official histories, important articles in journals and periodicals, anthologies, conference, symposium and seminar papers, guides, documents and doctoral theses are covered so that the emphasis is the broadest possible. But the work is far, far more than a listing. The works are all evaluated, assessed and analysed and then integrated into an historical narrative that makes the book a hugely useful reference work for student, scholar, and enthusiast alike. It is divided into twenty-one chapters which cover resource centres, significant naval writers, pre-eminent and general histories, the chronological periods from Julius Caesar through the Vikings, Tudors and

Stuarts to Nelson and Bligh, major naval personalities, warships, piracy, strategy and tactics, exploration, discovery and navigation, archaeology and even naval fiction. Quite simply, no-one with an interest and enthusiasm for naval history can afford to be without this book at their side.

Saladin - Abdul Rahman Azzam 2009

Saladin is the greatest hero of the Middle East, a legendary figure admired and revered to this day. This is the first serious biography in over 20 years and the first ever by a non-western scholar in English. It shows that Saladin's genius was not in warfare but in giving the people of Middle East a spiritual vision.

What Islam Did For Us - Tim Wallace-Murphy
2012-01-01

In these troubled times, when Islam is under seemingly perpetual attack, it is imperative to consider how much the West owes to the religion's spiritual insights. Bestselling author Tim Wallace-Murphy presents the first major

popular book to examine the common roots of Judaism, Christianity, and Islam and to reveal Islam's immense contributions to our society—which included laying the foundations for our systems of education, astronomy, mathematics, and architecture. He also illustrates how the European Western powers helped foment the current crisis in the Middle East, and why we must strive for a just, equitable solution to these problems. Understanding can begin with this compelling acknowledgment of our shared spiritual heritage, including religious tolerance, respect for learning, and the concepts of chivalry and brotherhood.

Sweets - Tim Richardson 2008-12-05

In *Sweets*, Tim Richardson takes us on a magical confectionery tour, letting his personal passion fuel the narrative of candy's rich and unusual history. Beginning with a description of the biology of sweetness itself, Richardson navigates the ancient history of sweets, the incredible range and diversity of candies worldwide, the bizarre figures and practices of the confectionery industry, and the connection between food and sex. He goes on to explore the role of sweets in myth and folklore and, finally, offers a personal philosophy of continual sweet-eating based on the writings of Epicurus. "For anyone with a sweet tooth, *Sweets* is manna...This history of candy is full of delights." -New York Times Book Review "Sweets is an informative, entertaining grab-bag of personal opinion, anecdote and culinary history." -Los Angeles Times

The Making of Crusading Heroes and Villains - Mike Horswell 2021-02-28

Engaging the Crusades is a series of volumes which offer windows into a newly emerging field of historical study: the memory and legacy of the crusades. Together these volumes examine the reasons behind the enduring resonance of the crusades and present the memory of crusading in the modern period as a productive, exciting, and much needed area of investigation. This new volume explores the ways in which significant crusading figures have been employed as heroes and villains, and by whom. Each chapter analyses a case study relating to a key historical figure including the First Crusader Tancred; 'villains' Reynald of Châtillon and Conrad of

Montferrat; the oft-overlooked Queen Melisende of Jerusalem; the entangled memories of Richard 'the Lionheart' and Saladin; and the appropriation of St Louis IX by the British. Through fresh approaches, such as a new translation of the inscriptions on the wreath laid on Saladin's tomb by Kaiser Wilhelm II, this book represents a significant cutting-edge intervention in thinking about memory, crusader medievalism, and the processes of making heroes and villains. *The Making of Crusading Heroes and Villains* is the perfect tool for scholars and students of the crusades, and for historians concerned with the development of reputations and memory.

Annual Bibliography of British and Irish History - 1998

The British National Bibliography - Arthur James Wells 1999

Blood Is Thicker than War - Martin King 2022-09-06

From the author of *Triage* and *Searching for Augusta*, comes a history of love, hate, jealousy, and revenge between brothers and sisters during times of war through the ages. Journey back through time to discover remarkable accounts of parents who waved off their sons and daughters, never knowing if they would ever see them again. One mother saw no less than ten of her sons between the ages of eighteen and thirty-seven, dispatched to the frontline in the First World War. The biggest "real" band of brothers that ever served their country, but to discover how many made it back and who this dear lady was, you will have to read the rest. War is completely indiscriminate when it comes to inflicting suffering and heartbreak on families, particularly when one's own blood takes up arms to fight with, and in some cases against their own kin. These stories recount some of the prime examples of families divided and united in some of the direst conflict. When British police discovered the body of a dead woman, who locals knew as the "Crazy Cat Lady" they found a small bundle of possessions that revealed a truly incredible story of two amazing sisters who served behind enemy lines as elite Special Operations Agents (SOE) during World War II.

Historical Dictionary of Egypt - Arthur Goldschmidt 2003

Directed at nonspecialists and specialists alike, this book provides factual information about Egypt since 1760, with special emphasis on the modern period, together with appropriate historical interpretation. It stresses people, events, and institutions relevant to Egypt's political, economic, social, intellectual, and cultural development.

Richard I - John Gillingham 1999-01-01

"Eighteenth- and nineteenth-century historians such as Hume, Gibbon and Stubbs criticized Richard for his neglect of domestic government and policy, and cast him as a careless ruler and bad husband."--BOOK JACKET. "Harnessing the latest sources and interpretations, John Gillingham provides a new assessment of Richard I, looking at what matters in history as well as what matters in legend."--BOOK JACKET.

Божье воинство. Новая история Крестовых походов - Родни Старк 2022-08-17

Сегодня принято считать, что Крестовые походы стали одной из позорных и страшных страниц христианской истории и стоят в одном ряду с охотой на ведьм в Средние века и сотрудничеством Церкви с нацистами в годы Второй мировой войны. Часто можно слышать, что во время Крестовых походов захватнический, империалистический христианский мир резал, грабил и колонизировал толерантных и мирных мусульман, под предлогом борьбы за Святую Землю крестоносцы шли за землями и золотом и насильственно обращали в свою веру. Так ли было на самом деле? Что собой представляли Крестовые походы? Почему сегодня им чаще всего дают именно такую оценку? В формате PDF A4 сохранен издательский макет книги.

Middle East Conflicts from Ancient Egypt to the 21st Century: An Encyclopedia and Document Collection [4 volumes] - Spencer C. Tucker 2019-08-31

With more than 1,100 cross-referenced entries covering every aspect of conflict in the Middle East, this definitive scholarly reference provides readers with a substantial foundation for understanding contemporary history in the most volatile region in the world. • Provides more than 1,100 A-Z entries on various military,

political, and social topics connected with conflict in the Middle East • Features contributions from approximately 200 distinguished scholars and independent historians from a variety of disciplines • Devotes a full volume to key documents relevant to conflict in the Middle East throughout history • Includes more than 100 illustrations depicting conflict in the Middle East, plus dozens of maps depicting major geopolitical relationships, large scale military operations, and individual battles on land and sea

Muslim Heroes on Screen - Daniel O'Brien 2021-11-16

If films drawing on Middle East tropes often highlight white Westerners, figures such as Sinbad and the Thief of Bagdad embody a counter-tradition of protagonists, derived from Islamic folklore and history, who are portrayed as 'Other' to Western audiences. In *Muslim Heroes on Screen*, Daniel O'Brien explores the depiction of these characters in Euro-American cinema from the silent era to the present day. Far from being mere racial masquerade, these screen portrayals are more complex and nuanced than is generally allowed, not least in terms of the shifting concepts and assumptions that inform their Muslim identity. Using films ranging from Douglas Fairbanks' *The Thief of Bagdad*, *The 7th Voyage of Sinbad*, *El Cid*, *Kingdom of Heaven* and *The Message to The Wind and the Lion*, O'Brien considers how the representational strategies of Western filmmakers may transcend such Muslim stereotypes as fanatic antagonists or passive victims. These figures possess a cultural significance which cannot be fully appreciated by Euro-American audiences without reference to their distinction as Muslim heroes and the implications and resonances of an Islamicized protagonist.

Gottes Krieger - Rodney Stark 2013-05-24

Dieses Buch räumt mit der gängigen Sicht auf, die Kreuzzüge seien ein brutaler, imperialistischer, räuberischer Feldzug des christlichen Abendlandes gegen einen gebildeten, toleranten und friedlichen Islam gewesen, geführt, um sich zu bereichern und das Christentum zu verbreiten. Ein Krieg, der den berechtigten Hass der muslimischen Welt auf den Westen bis heute begründet. Mit

Überblick und dennoch detailreich zeichnet Stark die Geschichte der Eroberung weiter Teile Europas, des Mittleren Ostens und Nordafrikas durch Mohammed und seine Erben nach. Er schildert die Behandlung der Juden und Christen in den besetzten Ländern und die Massaker an den Pilgern, die ins Heilige Land fahren, um sich dort von ihren Sünden zu befreien. Er beschreibt die flehende Bitte Alexios' I. an den Graf von Flandern, Byzanz vor der Invasion der gerade zum Islam konvertierten Türken zu schützen, sowie den berühmten Aufruf Papst Urbans II. an die Ritter Europas, den Byzantinern zu helfen und den Weg ins Heilige Land für die christlichen Pilger wieder zu sichern. Er analysiert die blutigen Schlachten der Kreuzritter, ihre Siege und fatalen Niederlagen, die unterschiedlichen Strategien der Kriegsführung beider Seiten und die logistische Organisation dieser enormen Truppenbewegungen. Mit Gottes Krieger gibt uns einer der renommiertesten Religionssoziologen ein neues und realistischeres Bild der sieben großen Kreuzzüge und zeigt auf, was in den Jahren von 1095 bis 1291 in Europa und im Nahen Osten wirklich geschah. Dieser Titel wird als HardcoverPlus veröffentlicht. Im gebundenen Buch finden Sie hinten einen Code, mit dem Sie das E-Book auf Ihren Reader laden können. Der Preis steigt dadurch im Gegensatz zum herkömmlichen Buch nicht. Mehr Informationen zu HardcoverPlus auf der Homepage der Verlage Haffmans & Tolkemitt.

The Assads' Syria (Revised Edition) - Kathy Zahler 2012-08-01

Hafez al-Assad became president of Syria in 1971, following a long line of military leaders. At first, his goals included achieving pan-Arabism, more evenly distributing the nation's oil wealth, and extending the party's power by reaching into every aspect of Syrians' lives. However, through a series of poorly planned economic programs, censorship, and old-fashioned greed and corruption, Assad and his government brought intimidation and the loss of freedom to the nation's people. After his death in 2000, the nation's ruling party elected his son, Bashar, as president. Bashar has continued many of his father's policies, enforcing his own will on the nation and stripping people of their freedoms

and economic prosperity. In The Assads' Syria, learn more about the internal workings of one of the world's most devastating dictatorships.

Richard the Lionheart and the Third Crusade - David Hilliam 2003-12-15

After Saladin's capture of Jerusalem in 1187, King Richard of England and King Philip of France lead a crusade in 1191 to drive the Muslims out of the Holy Land. Only partially successful because the kings quarreled, this crusade recaptured some coastal cities, but left Jerusalem in Muslim hands. Richard agreed to a truce with Saladin and returned home, only to be captured and imprisoned by the Duke of Austria. Though many crusades followed this one, none was successful.

English Origins, Jewish Discourse, and the Nineteenth-century British Novel - Heidi Kaufman 2009

"Examines the embedding of Jewish history and culture in depictions of English racial and national identity in nineteenth-century novels"-- Provided by publisher.

Warriors of God - James Reston, Jr. 2007-12-18
Acclaimed author James Reston, Jr.'s *Warriors of God* is the rich and engaging account of the Third Crusade (1187-1192), a conflict that would shape world history for centuries and which can still be felt in the Middle East and throughout the world today. James Reston, Jr. offers a gripping narrative of the epic battle that left Jerusalem in Muslim hands until the twentieth century, bringing an objective perspective to the gallantry, greed, and religious fervor that fueled the bloody clash between Christians and Muslims. As he recounts this rousing story, Reston brings to life the two legendary figures who led their armies against each other. He offers compelling portraits of Saladin, the wise and highly cultured leader who created a united empire, and Richard the Lionheart, the romantic personification of chivalry who emerges here in his full complexity and contradictions. From its riveting scenes of blood-soaked battles to its pageant of fascinating, larger-than-life characters, *Warriors of God* is essential history, history that helps us understand today's world.
Eesti rahvusbibliograafia - 2003

Lionheart and Lackland - Frank McLynn 2006
A popular history of the careers of Richard and John, and their wars with France which takes a traditional line, contrasting Richard's military prowess with John's incompetence.

Great Military Blunders - Geoffrey Regan
2017-02

"From ancient times to the Bay of Pigs and the Falklands War, military history has been marked as much by misjudgements and incompetence as by gallantry and glory. In this fascinating and entertaining collection, author Geoffrey Regan recounts some of the staggering stories of military blunder. His anecdotes encompass every aspect of warfare from the insanity of commanders to the provision of inadequate supplies."--Back cover.

Encounter Between Enemies - Yvonne Friedman
2002

This fascinating study deals with one of the first points of direct and personal contact between Europeans and Muslims during the Crusades: the ransoming of captives. It traces the changes in European mentality and the laws of warfare.

Great Naval Blunders - Geoffrey Regan
2017-02

Who was responsible for the design of the Admiral Popov, the circular Russian battleship that wouldn't steer straight? Why did Lord Anson set out to circumnavigate the world with a crew of Chelsea pensioners? And how did the British cruiser HMS Trinidad manage to torpedo itself in the Arctic? The answers to these questions and details of numerous other entertaining and unbelievable historical events are revealed in this absorbing survey of naval incompetence from Roman times to the Falklands War. Geoffrey Regan certainly sets out to prove that there is truth in the old adage "Worse things happen at sea." Crammed with intriguing and often bizarre anecdotes and more than 50 illuminating illustrations, *Great Naval Blunders* takes a serious, but often entertaining, look at the misjudgments and oversights of captains, fleet commanders, strategic planners, and ship designers over the ages. Peppared with quotes from those who did their utmost (albeit unwittingly) to hinder naval progress, this entertaining and instructive book will appeal to the naval enthusiast and general reader alike.

Index Islamicus - 1994

A bibliography of books and index of articles in periodicals on Islam and the Muslim world. Also includes reviews.

Faith and Sword - Alan G. Jamieson 2006-06-26

In today's tense geopolitical climate, terrorist groups avow their allegiance to the Islamic faith in their edicts, while the president of the United States undertakes controversial wars in Islamic nations and openly refers to his Christian faith as a key component of his decision-making. With the recent surge in terrorist acts and military confrontations, as well as ever-strengthening fundamentalist ideologies on both sides, the Christian-Muslim divide is perhaps more visible than ever—but it is not new. Alan G. Jamieson explores here the long and bloody history of the Christian-Muslim conflict, revealing in his concise yet comprehensive study how deeply this ancient divide is interwoven with crucial events in world history. *Faith and Sword* opens with the tumultuous first centuries of the conflict, examining the religious precepts that framed clashes between Christians and Muslims and that ultimately fueled the legendary Crusades. Traversing the full breadth of the Arab lands and Christendom, Jamieson chronicles the turbulent saga from the Arab conquests of the seventh century to the rise of the powerful Ottoman Empire and its fall at the end of World War I. *Faith and Sword* then explores the complex dynamics that emerged later in the twentieth century, as Christendom was transformed into the secular West and Islamic nations overthrew European colonialism to establish governments straddling modernity and religiosity. From the 1979 Iranian revolution to the Lebanon hostage crisis to the present-day war in Iraq, *Faith and Sword* reveals the essence of this enduring struggle and its consequences.

A Global Chronology of Conflict: From the Ancient World to the Modern Middle East [6 volumes] - Spencer C. Tucker 2009-12-23

This monumental six-volume resource offers engaging entries of major diplomatic, military, and political events driving world conflicts from ancient times to the present. • Hundreds of concise, chronologically organized entries on major wars, battles, political events, weapons technologies, and diplomatic initiatives • Essays at roughly 50-year intervals analyzing each era's defining developments in the evolution of

warfare, including changes in tactics, weapons, and other technologies • Sidebars highlighting hundreds of key individuals in the history of military conflict as well as important developments in weapon systems • A comprehensive glossary of military terms to help readers understand the language of warfare and weapons • A rich illustration program of images, drawings, and maps

Freundschaft und Nähe im spätmittelalterlichen Burgund - Klaus Oschema 2006

Die Rede von Freundschaft und der Einsatz von Gesten räumlich-körperlicher Nähe prägten das politische wie das private Handeln in den adligen Gesellschaften des späten Mittelalters. Die vorliegende Studie zeigt am Beispiel der burgundischen Herzöge und ihres hofischen Umfelds auf, wie durch die Betonung persönlicher Bindungen und deren gestueller Begleitung die Trennung der beiden Bereiche überbrückt werden sollte. Den Ausgangspunkt der Darstellung bilden dabei die Texte der burgundischen Historiographie, die einen detaillierten Blick auf das Leben Burgunds bieten. Zumeist von hofnahen Angehörigen der adligen Schicht verfasst, spiegeln die Chroniken und Memoiren die Selbstwahrnehmung einer Gesellschaft, die oftmals noch als herbstlich eingeschätzt wird. Mit einer neuen Perspektivierung legt der Autor die Bedeutung dar, die Freundschaftsdiskurs und Nahegesten für die Konstruktion des adligen Selbstverständnisses besaßen. Gegen eine auf die Moderne hinweisende abstraktere Organisation des Politischen gewandt, betonten sie das persönliche Engagement der jeweiligen Akteure. Die Hintergründe und Auswirkungen dieser Bezugnahme werden nicht nur in

Textquellen verschiedener Gattungen, sondern auch in Bildzeugnissen aus dem analysierten Umfeld deutlich.

[Conflict and Conquest in the Islamic World](#) -

Alexander Mikaberidze 2011-07-31

· Includes an introductory essay · Provides over 600 A-Z entries, many with accompanying images · Contains contributions by some of the leading scholars in the field of military history · Provides a convenient glossary of commonly used Islamic military terms intended for general readers

[En la España medieval](#) - 2015

Royal Historical Society Annual

Bibliography of British and Irish History:

Publications of 1998 - Royal Historical Society (Great Britain) 1999-10-28

The Royal Historical Society's Annual Bibliography of British and Irish History provides a comprehensive and authoritative survey of books and articles on historical topics published in a single calendar year. The volume covers all periods of British and Irish history from Roman Britain to the late twentieth century, and also includes a section on imperial and commonwealth history. It is the most complete and up-to-date bibliography of its type, and an indispensable tool for historians.

Lionhearts - Geoffrey Regan 1998

In this parallel biography of two great Medieval figures, Geoffrey Regan views them as different sides of the same coin, and observes that to their respective faiths both leaders were heroes of the holy war and worthy of the title Lionheart.
