For two sworn enemies, anything can happen during the Hawaiian trip of a lifetime—maybe even love—in this romantic comedy from the New York Times bestselling authors of Roomies. Olive Torres is used to being the unlucky twin: from inexplicable mishaps to a recent layoff, her life seems to be almost comically jinxed. By contrast, her sister Ami is an eternal champion...she even managed to finance her entire wedding by winning a slew of contests. Unfortunately for Olive, the only thing worse than constant bad luck is having to spend the wedding day with the best man (and her nemesis), Ethan Thomas. Olive braces herself for wedding hell, determined to put on a brave face, but when the entire wedding party gets food poisoning, the only people who aren't affected are Olive and Ethan. Suddenly there's a free honeymoon up for grabs, and Olive will be damned if Ethan gets to enjoy paradise solo. Agreeing to a temporary truce, the pair head for Maui. After all, ten days of bliss is worth having to assume the role of loving newlyweds, right? But the weird thing is...Olive doesn't mind playing pretend. In fact, the more she pretends to be the luckiest woman alive, the more it feels like she might be. With Christina Lauren's "uniquely hilarious and touching voice" (Entertainment Weekly), *The Unhoneymooners* is a romance for anyone who has ever felt unlucky in love.

**A Trip to the Stars** - Nicholas Christopher 2013-01-15

"A large, lavishly inventive novel . . . an American descendant of *The Arabian Nights* . . . erudite and artful entertainment."—The New York Times Book Review At a Manhattan planetarium in 1965, ten-year-old Enzo is whisked away from his young adoptive aunt, Mala. His abductor turns out to be a blood relative: his great-uncle Junius Samax, a wealthy former gambler who lives in a converted Las Vegas hotel surrounded by a priceless art collection and a host of fascinating, idiosyncratic guests. In Samax's magical world, Enzo receives a unique education and pieces together the mystery of his mother's life and the complicated history of his adoption. Back in New York, Mala only knows that Enzo has disappeared. After a yearlong search proves fruitless, she enlists in the Navy Nursing Corps and on a hospital ship off Vietnam falls in love with a wounded B-52 navigator, who disappears on his next mission. Devastated again, Mala embarks on a restless, adventurous journey around the world, hoping to overcome the losses that have transformed her life. Fusing imagination, scholarship, and suspense with remarkable narrative skill, Nicholas Christopher builds a story of tremendous scope, an epic tale of love and destiny, as he traces the intricate latticework of Mala's and Enzo's lives. Each remains separate from each other but tied in ways they cannot imagine—until the final miraculous chapter of this extraordinary novel. "A writer of remarkable gifts."—The Washington Post Book World "This labyrinthine novel . . . is animated by an encompassing lust for beauty."—The New Yorker "[Nicholas] Christopher is North America's García Márquez; Borges with emotional weight. . . . This is one of those rare books that, by connecting the stars, catches you in its web."—The Globe and Mail Includes an excerpt of Nicholas Christopher's *Tiger Rag*

**The Colony** - John Tayman 2010-05-11

In the bestselling tradition of *In the Heart of the Sea*, *The Colony*, "an impressively researched" (Rocky Mountain News) account of the history of America's only leper colony located on the Hawaiian island of Molokai, is "an utterly engrossing look at a heartbreaking chapter" (Booklist) in American history and a moving tale of the extraordinary people who endured it. Beginning in 1866 and continuing for over a century, more than eight thousand people suspected of having leprosy were forcibly exiled to the Hawaiian island of Molokai -- the longest and deadliest instance of medical segregation in American history. Torn from their homes and families, these men, women, and children were loaded into shipboard cattle stalls and abandoned in a lawless place where brutality held sway. Many did not have leprosy, and many who did were not contagious, yet all were ensnared in a shared nightmare. Here, for the first time, John Tayman reveals the complete history of the Molokai settlement and its unforgettable inhabitants. It's an epic of ruthless manhunts, thrilling escapes, bizarre medical experiments, and tragic,

irreversible error. Carefully researched and masterfully told, *The Colony* is a searing tale of individual bravery and extraordinary survival, and stands as a testament to the power of faith, compassion, and the human spirit.

#### *Evolution in Hawaii* - National Academy of Sciences 2004-02-10

As both individuals and societies, we are making decisions today that will have profound consequences for future generations. From preserving Earth's plants and animals to altering our use of fossil fuels, none of these decisions can be made wisely without a thorough understanding of life's history on our planet through biological evolution. Companion to the best selling title *Teaching About Evolution and the Nature of Science*, *Evolution in Hawaii* examines evolution and the nature of science by looking at a specific part of the world. Tracing the evolutionary pathways in Hawaii, we are able to draw powerful conclusions about evolution's occurrence, mechanisms, and courses. This practical book has been specifically designed to give teachers and their students an opportunity to gain a deeper understanding of evolution using exercises with real genetic data to explore and investigate speciation and the probable order in which speciation occurred based on the ages of the Hawaiian Islands. By focusing on one set of islands, this book illuminates the general principles of evolutionary biology and demonstrate how ongoing research will continue to expand our knowledge of the natural world.

A finalist for the PEN Center USA Award for Nonfiction Welcome to Paradise, Now Go to Hell, is surfer and former war reporter Chas Smith's wild and unflinching look at the high-stakes world of surfing on Oahu's North Shore—a riveting, often humorous, account of beauty, greed, danger, and crime. For two months every winter, when Pacific storms make landfall, swarms of mainlanders, Brazilians, Australians, and Europeans flock to Oahu's paradisiacal North Shore in pursuit of some of the greatest waves on earth for surfing's Triple Crown competition. Chas Smith reveals how this influx transforms a sleepy, laid-back strip of coast into a lawless, violent, drug-addled, and adrenaline-soaked mecca. Smith captures this exciting and dangerous place where locals, outsiders, the surf industry, and criminal elements clash in a fascinating look at class, race, power, money, and crime, set within one of the most beautiful

places on earth. The result is a breathtaking blend of crime and adventure that captures the allure and wickedness of this idyllic golden world.

**Dreams from My Father** - Barack Obama 2007-01-09

**#1 NEW YORK TIMES BESTSELLER • ONE OF ESSENCE'S 50 MOST IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS** In this iconic memoir of his early days, Barack Obama "guides us straight to the intersection of the most serious questions of identity, class, and race" (The Washington Post Book World). "Quite extraordinary."—Toni Morrison In this lyrical, unsentimental, and compelling memoir, the son of a black African father and a white American mother searches for a workable meaning to his life as a black American. It begins in New York, where Barack Obama learns that his father—a figure he knows more as a myth than as a man—has been killed in a car accident. This sudden death inspires an emotional odyssey—first to a small town in Kansas, from which he retraces the migration of his mother's family to Hawaii, and then to Kenya, where he meets the African side of his family, confronts the bitter truth of his father's life, and at last reconciles his divided inheritance. Praise for *Dreams from My Father* "Beautifully crafted . . . moving and candid . . . This book belongs on the shelf beside works like James McBride's *The Color of Water* and Gregory Howard Williams's *Life on the Color Line* as a tale of living astride America's racial categories."—Scott Turow "Provocative . . . Persuasively describes the phenomenon of belonging to two different worlds, and thus belonging to neither."—The New York Times Book Review "Obama's writing is incisive yet forgiving. This is a book worth savoring."—Alex Kotlowitz, author of *There Are No Children Here* "One of the most powerful books of self-discovery I've ever read, all the more so for its illuminating insights into the problems not only of race, class, and color, but of culture and ethnicity. It is also beautifully written, skillfully layered, and paced like a good novel."—Charlayne Hunter-Gault, author of *In My Place* "Dreams from My Father is an exquisite, sensitive study of this wonderful young author's journey into adulthood, his search for community and his place in it, his quest for an understanding of his roots, and his discovery of the poetry of human life. Perceptive and wise, this book will tell you something about yourself whether you are black or white."—Marian Wright Edelman
