Manpower, a Summary of the British Experience - Eric Harbeson Biddle 1942

Medicine & Science in Sports & Exercise Volume 33 - 2001

Mastering the Rockefeller Habits - Verne Harnish 2008-06-01

What are the underlying handful of fundamentals that haven't changed for over a hundred years? From Harnish's famous "Mastering a One Page Strategic Plan" process that has been a best-selling article on the web to his concise outline of eight practical actions you can take to strengthen your culture, this book is a compilation of best practices adapted from some of the best-run firms on the planet. Included is an instructive chapter co-authored by Rich Russakoff, revealing winning tactics to get banks to finance your business. Lastly, there are case studies demonstrating the validity of Harnish's practical approaches.

The First 90 Days, Updated and Expanded - Michael D. Watkins 2013-04-23

The world's most trusted guide for leaders in transition Transitions are a critical time for leaders. In fact, most agree that moving into a new role is the biggest challenge a manager will face. While transitions offer a chance to start fresh and make needed changes in an organization, they also place leaders in a position of acute vulnerability. Missteps made during the crucial first three months in a new role can jeopardize or even derail your success. In this updated and expanded version of the international bestseller The First 90 Days, Michael D. Watkins offers proven strategies for conquering the challenges of transitions—no matter where you are in your career. Watkins, a noted expert on leadership transitions and adviser to senior leaders in all types of organizations, also addresses today's increasingly demanding professional landscape, where managers face not only more frequent transitions but also steeper expectations once they step into their new jobs. By walking you through every aspect of the transition scenario, Watkins identifies the most common pitfalls new leaders encounter and provides the tools and strategies you need to avoid them. You'll learn how to secure critical early wins, an important first step in establishing yourself in your new role. Each chapter also includes checklists, practical tools, and self-assessments to help you assimilate key lessons and apply them to your own situation. Whether you're starting a new job, being promoted from within, embarking on an overseas assignment, or being tapped as CEO, how you manage your transition will determine whether you succeed or fail. Use this book as your trusted guide.

This Is How You Lose the Time War - Amal El-Mohtar 2019-07-16

HUGO AWARD WINNER: BEST NOVELLA NEBULA AND LOCUS AWARDS WINNER: BEST NOVELLA "[An] exquisitely crafted tale...Part epistolary romance, part mind-blowing science fiction adventure, this dazzling story unfolds bit by bit, revealing layers of meaning as it plays with cause and effect, wildly imaginative technologies, and increasingly intricate wordplay...This short novel warrants multiple readings to fully unlock its complexities." —Publishers Weekly (starred review). From award-winning authors Amal El-Mohtar and Max Gladstone comes an enthralling, romantic novel spanning time and space about two time-traveling rivals who fall in love and must change the past to ensure their future. Among the ashes of a dying world, an agent of the Commandment finds a letter. It reads: Burn before reading. Thus begins an unlikely correspondence between two rival agents hellbent on securing the best possible future for their warring factions. Now, what began as a taunt, a battlefield boast, becomes something more. Something epic. Something romantic. Something that could change the past and the future. Except the discovery of

their bond would mean the death of each of them. There's still a war going on, after all. And someone has to win. That's how war works, right? Cowritten by two beloved and award-winning sci-fi writers, This Is How You Lose the Time War is an epic love story spanning time and space.

Summary: Deliver! - BusinessNews Publishing 2014-10-28

The must-read summary of Jim Champy's book: "Deliver! How to Be Fast, Flawless and Frugal". This complete summary of the ideas from Jim Champy's book "Deliver!" explains that it is hard to find funding for new initiatives. Therefore, new businesses need to adopt models which allow them to outsmart competitors, engage customers more fully and operate in and then retool the basic day-to-day activities of their organisations in savvy ways. Added-value of this summary: • Save time • Understand key concepts • Expand your business knowledge To learn more, read "Deliver!" and find out how you can keep fine-tuning your business to deliver more of what your customers want.

Ship of Fools - Katherine Anne Porter 2015-04-28

This "dazzling" National Book Award finalist set aboard an ocean liner in 1931 reflects the passions and prejudices that sparked World War II (San Francisco Chronicle). August 1931. An ocean liner bound for Germany sets out from the Mexican port city of Veracruz. The ship's first-class passengers include an idealistic young American painter and her lover; a Spanish dance troupe with a sideline in larceny; an elderly German couple and their fat, seasick bulldog; and a boisterous band of Cuban medical students. As the Vera journeys across the Atlantic, the incidents and intrigues of several dozen passengers and crew members come into razor-sharp focus. The result is a richly drawn portrait of the human condition in all its complexity and a mesmerizing snapshot of a world drifting toward disaster. Written over a span of twenty years and based on the diary Katherine Anne Porter kept during a similar ocean voyage, Ship of Fools was the bestselling novel of 1962 and the inspiration for an Academy Award-winning film starring Vivien Leigh. It is a masterpiece of American literature as captivating today as when it was first published more than a half century ago. This ebook features an illustrated biography of Katherine Anne Porter, including rare photos from the University of Maryland Libraries.

The 4 Disciplines of Execution - Chris McChesney 2016-04-12

BUSINESS STRATEGY. "The 4 Disciplines of Execution" offers the what but also how effective execution is achieved. They share numerous examples of companies that have done just that, not once, but over and over again. This is a book that every leader should read! (Clayton Christensen, Professor, Harvard Business School, and author of "The Innovator's Dilemma.") Do you remember the last major initiative you watched die in your organization? Did it go down with a loud crash? Or was it slowly and quietly suffocated by other competing priorities? By the time it finally disappeared, it's likely no one even noticed. What happened? The whirlwind of urgent activity required to keep things running day-to-day devoured all the time and energy you needed to invest in executing your strategy for tomorrow. "The 4 Disciplines of Execution" can change all that forever.

The One Memory of Flora Banks - Emily Barr 2017-05-02

It's not a lie if you can't remember the truth. "Mesmerizing, electric, and achingly lovely, The One Memory of Flora Banks is unforgettable. One of the best YA novels I've read in a very long time." --Jennifer Niven, New York Times bestselling author of All the Bright Places Seventeen-year-old Flora Banks has no short-term memory. Her mind resets itself several times a day, and has since the age of ten, when the tumor that

was removed from Flora's brain took with it her ability to make new memories. That is, until she kisses Drake, her best friend's boyfriend, the night before he leaves town. Miraculously, this one memory breaks through Flora's fractured mind, and sticks. Flora is convinced that Drake is responsible for restoring her memory and making her whole again. So, when an encouraging email from Drake suggests she meet him on the other side of the world—in Svalbard, Norway—Flora knows with certainty that this is the first step toward reclaiming her life. But will following Drake be the key to unlocking Flora's memory? Or will the journey reveal that nothing is quite as it seems? Already a bestselling debut in the UK, this unforgettable novel is *Memento* meets *We Were Liars* and will have you racing through the pages to unravel the truth. Praise for *The One Memory of Flora Banks: An EW Most Anticipated YA Novel of 2017* □ "[A] remarkable odyssey...an enthralling story...a deftly, compassionately written mystery." —Booklist, starred review □ "Barr's tale mingles Oliver Sacks-like scientific curiosity with Arctic adventure and YA novel in a way that's equally unsettling, winsome, and terrifying." —Horn Book, starred review "Perfect for fans of both young adult romance and psychological thrillers, *The One Memory of Flora Banks* is destined to become one of your favorite beach reads of 2017. Promise." —Bustle "Mesmerizing, electric, and achingly lovely, *The One Memory of Flora Banks* is unforgettable. One of the best YA novels I've read in a very long time." —Jennifer Niven, New York Times bestselling author of *All the Bright Places* "Ultimately, this title will leave readers with a sense of hope and faith in the human spirit....A strong choice for YA shelves." —School Library Journal "Flora's situation may be singular, but her desire for autonomy should speak loudly to teens in the midst of their own journeys into adulthood." —Publishers Weekly "An affecting portrayal of living with amnesia and discovering one's own agency." —Kirkus "[T]his is [Barr's] first YA novel and it is a good one. It will not be forgotten by readers." —VOYA "An extraordinarily moving and original novel, a story of secrecy and lie, love and loss that manages to be both heart-breaking and life-affirming...Barr's first novel for teenagers...is as brave as Flora herself." —Daily Mail "An icily atmospheric story...captivating...[a] pacy page-turner that packs a significant emotional punch." —The Guardian

The Sports Event Management and Marketing Playbook - Frank Supovitz 2013-09-23

As a sporting event planner, how do you keep up with the trends of the ticket buying public, sponsorship and merchandising while at the same time attending to the hundreds of management and operational details required to execute the event? A successful sports event requires a planner that can read signals from their market and plan strategically to maintain sponsors and a fill an arena.

Summary: *The Customer Revolution* - BusinessNews Publishing 2014-11-12

The must-read summary of Patricia Seybold's book: "The Customer Revolution: How to Thrive When Customers Are in Control". This complete summary of the ideas from Patricia Seybold's book "The Customer Revolution" shows how a business revolution is underway - customers are literally transforming industries from the outside in and reshaping companies by deciding how they want to use the products and services offered. In this book, the author explains why you need to focus intently on the quality and consistency of the customer experience you offer, so as not to be at risk from this change of power. This summary explains exactly how you can do that and is a must-read for any manager who wants to succeed in the customer-driven economy. Added-value of this summary: • Save time • Understand key concepts • Expand your knowledge To learn more, read "The Customer Revolution" and find out how you can make sure you stay in control and remain profitable.

Summary: *Dot.Bomb* - BusinessNews Publishing 2013-02-15

The must-read summary of J. David Kuo's book: "Dot.Bomb: Inside an Internet Goliath - from Lunatic Optimism to Panic and Crash". This complete summary of the ideas from J. David Kuo's book "Dot.Bomb" shows how Craig Winn, a retail business founder, predicted how retail would one day be run by technology. To stay ahead of the curve, he founded ValueAmerica.com, which became a pioneer after the spread of the internet. However, success did not last long. This summary tells the story of how ValueAmerica.com went from a frontrunner, backed by companies like Microsoft, to a failed company that crashed and lost hundreds of millions. Added-value of this summary: • Save time • Understand key concepts • Expand your knowledge To learn more, read "Dot.Bomb" and learn from the mistakes of one of the biggest company crashes.

Council on Consumer Interests. Conference 1991

Enterprise Architecture as Strategy - Jeanne W. Ross 2006

Enterprise architecture defines a firm's needs for standardized tasks, job roles, systems, infrastructure, and data in core business processes. This book explains enterprise architecture's vital role in enabling - or constraining - the execution of business strategy. It provides frameworks, case examples, and more.

Scaling Up - Verne Harnish 2014-10-21

Winner of the International Book Awards for General Business Winner of the Readers' Favorite International Book Award for Non-Fiction Business It's been over a decade since Verne Harnish's best-selling book *Mastering the Rockefeller Habits* was first released. *Scaling Up* (*Rockefeller Habits 2.0*) is the first major revision of this business classic which details practical tools and techniques for building an industry-dominating business. This book is written so everyone -- from frontline employees to senior executives -- can get aligned in contributing to the growth of a firm. *Scaling Up* focuses on the four major decision areas every company must get right: People, Strategy, Execution, and Cash. The book includes a series of new one-page tools including the updated One-Page Strategic Plan and the Rockefeller Habits Checklist™, which more than 40,000 firms around the globe have used to scale their companies successfully -- many to \$10 million, \$100 million, and \$1 billion and beyond - while enjoying the climb!

Mastering Leadership - Robert J. Anderson 2015-11-04

Is your leadership a competitive advantage, or is it costing you? How do you know? Are you developing your leadership effectiveness at the pace of change? For most leaders today, complexity is outpacing their personal and collective development. Most leaders are in over their heads, whether they know it or not. The most successful organizations over time are the best led. While this has always been true, today escalating global complexity puts leadership effectiveness at a premium. *Mastering Leadership* involves developing the effectiveness of leaders—individually and collectively—and turning that leadership into a competitive advantage. This comprehensive roadmap for optimal leadership features: Breakthrough research that connects increased leadership effectiveness with enhanced business performance The first fully integrated Universal Model of Leadership—one that integrates the best theory and research in the fields of Leadership and Organizational Development over the last half century A free, online self-assessment of your leadership, using the Leadership Circle Profile, visibly outlining how you are currently leading and how to develop even greater effectiveness The five stages in the evolution of leadership—Egocentric, Reactive, Creative, Integral, and Unitive—along with the organizational structures and cultures that develop at each of these stages Six leadership practices for evolving your leadership capability at a faster pace A map of your optimal path to greater leadership effectiveness Case stories that facilitate pragmatic application of this Leadership Development System to your particular situation This timeless, authoritative text provides a systemic approach for developing your senior leaders and the leadership system of your organization. It does not recommend quick fixes, but argues that real development requires a strategic, long-term, and integrated approach in order to forge more effective leaders and enhanced business performance. *Mastering Leadership* offers a developmental pathway to bring forth the highest and best use of yourself, your life, and your leadership. By more meaningfully deploying all of who you are every day, individually and collectively, you will achieve a leadership legacy consistent with your highest aspirations.

The Execution Premium - Robert S. Kaplan 2008-08-04

In a world of stiffening competition, business strategy is more crucial than ever. Yet most organizations struggle in this area--not with formulating strategy but with executing it, or putting their strategy into action. Owing to execution failures, companies realize just a fraction of the financial performance promised in their strategic plans. It doesn't have to be that way, maintain Robert Kaplan and David Norton in *The Execution Premium*. Building on their breakthrough works on strategy-focused organizations, the authors describe a multistage system that enables you to gain measurable benefits from your carefully formulated business strategy. This book shows you how to: Develop an effective strategy--with tools such as SWOT analysis, vision formulation, and strategic change agendas Plan execution of the strategy--through portfolios of strategic initiatives linked to strategy maps and Balanced Scorecards Put your strategy into action--by integrating operational tools such as process dashboards, rolling forecasts, and activity-based

costing Test and update your strategy--using carefully designed management meetings to review operational and strategic data Drawing on extensive research and detailed case studies from a broad array of industries, The Execution Premium presents a systematic and proven framework for achieving the financial results promised by your strategy.

It's Called Work for a Reason! - Larry Winget 2007

"Larry Winget hacks through the bad advice given in most business books. Some authors stroke your ego by reinforcing information you already know. Others get you lost in pages of boredom until you have no idea what the book is even about. Some authors exp

The Forward-Looking Manager in a VUCA World - Col. Vikram Bakshi 2017-09-25

Visit the Book site for more information Many large organizations are having to cede their market dominance to new disruptive players. Well-oiled organizations are hitting roadblocks due to unanticipated problems that are slowing down operations. VUCA is affecting organizations like never before - impacting schedules, delaying deliverables, and causing cost overruns. Managing projects has become a nightmare with the uncertainties and ambiguities of business, delaying integration of allied activities, making the project a non-starter even before it gets off the ground. In this VUCA world, it is imperative to confront the volatile, embrace the unknown, conquer the complex, and understand the ambiguous to be able to predict what lies ahead. This book helps managers master the art of dealing with VUCA by providing relatable experiences from the armed forces and advocating the use of RACE methodology. The book suggests disruptive tools and methods, and advises managers on the leadership traits needed for successfully completing projects by cutting losses and preventing chaos. It is a must-read for all managers involved in operations, supply chain, logistics, and production and manufacturing portfolios. Ex-army personnel who are starting a second career in the corporate/private sector will also greatly benefit from reading this book.

The Tale of Terror - Edith Birkhead 2022-05-28

This is a brilliant guide book for the study of Gothic novels. This book written by Edith Birkhead is to describe "the growth of supernatural fiction in English literature, which begins with the vogue of the Gothic Romance and Tale of Terror towards the close of the 18th century.

Execution - Larry Bossidy 2009-11-10

#1 NEW YORK TIMES BESTSELLER • More than two million copies in print! The premier resource for how to deliver results in an uncertain world, whether you're running an entire company or in your first management job. "A must-read for anyone who cares about business."—The New York Times When Execution was first published, it changed the way we did our jobs by focusing on the critical importance of "the discipline of execution": the ability to make the final leap to success by actually getting things done. Larry Bossidy and Ram Charan now reframe their empowering message for a world in which the old rules have been shattered, radical change is becoming routine, and the ability to execute is more important than ever. Now and for the foreseeable future: • Growth will be slower. But the company that executes well will have the confidence, speed, and resources to move fast as new opportunities emerge. • Competition will be fiercer, with companies searching for any possible advantage in every area from products and technologies to location and management. • Governments will take on new roles in their national economies, some as

partners to business, others imposing constraints. Companies that execute well will be more attractive to government entities as partners and suppliers and better prepared to adapt to a new wave of regulation. • Risk management will become a top priority for every leader. Execution gives you an edge in detecting new internal and external threats and in weathering crises that can never be fully predicted. Execution shows how to link together people, strategy, and operations, the three core processes of every business. Leading these processes is the real job of running a business, not formulating a "vision" and leaving the work of carrying it out to others. Bossidy and Charan show the importance of being deeply and passionately engaged in an organization and why robust dialogues about people, strategy, and operations result in a business based on intellectual honesty and realism. With paradigmatic case histories from the real world—including examples like the diverging paths taken by Jamie Dimon at JPMorgan Chase and Charles Prince at Citigroup—Execution provides the realistic and hard-nosed approach to business success that could come only from authors as accomplished and insightful as Bossidy and Charan.

Summary: Design to Grow - BusinessNews Publishing 2016-07-20

The must-read summary of David Butler and Linda Tischler's book: "Design to Grow: How Coca-Cola Learned to Combine Scale & Agility (And How You Can Too)" This complete summary of the ideas from David Butler and Linda Tischler's book "Design to Grow" shows that scale and agility are essential components for a successful business, but many companies struggle to achieve both. Coca-Cola, however, has found the balance; the \$170 billion brand has managed to enter into 200 countries, but is also agile and able to adapt to changing market requirements. To do this, they focused on their design and used it strategically to solve any problems they ran into. This summary will explain how they did this and help you design your company for both scale and agility, leading to maximum success. Added-value of this summary: • Save time • Understand key concepts • Increase your business knowledge To learn more, read "Design to Grow" and learn how to design your company for both scale and agility, enabling you to reach new levels of success.

Flawless Execution - James D. Murphy 2010-11-16

Your business can take a lesson from the American military's fighter pilots. At Mach 2, the instrument panel of an F-15 is screaming out information, the horizon is a blur, the wingman is occupied, the jet is hanging on the edge -- and yet fighter pilots routinely handle the stress. It's not much different in today's unforgiving business world. One slipup and your company is bankrupt before your employees know what hit them. What works on the squadron level for F-15 pilots will also work for your marketing team, sales force, or research and development group. By analyzing the work environment and attacking its centers of gravity in parallel, you'll begin to utilize the Plan-Brief-Execute-Debrief-Win cycle that will rapidly impact your business's future success. U.S. fighter squadrons have been using this program for nearly fifty years to reduce their mistake rate, cut casualties and equipment losses, and rack up an envious victory record. Now, with Flawless Execution, your business can too.

Daughter of Smoke & Bone - Laini Taylor 2011-09-27

In a nation on the brink of war, a young art student's star-crossed love begins to bloom in the first book of the New York Times bestselling epic fantasy trilogy by award-winning author Laini Taylor. Around the world, black handprints are appearing on doorways, scorched there by winged strangers who have crept through a slit in the sky. In a dark and dusty shop, a devil's supply of human teeth grown dangerously low. And in the tangled lanes of Prague, a young art student is about to be caught up in a brutal otherworldly war. Meet Karou. She fills her sketchbooks with monsters that may or may not be real; she's prone to disappearing on mysterious "errands"; she speaks many languages -- not all of them human; and her bright blue hair actually grows out of her head that color. Who is she? That is the question that haunts her, and she's about to find out. When one of the strangers -- beautiful, haunted Akiva -- fixes his fire-colored eyes on her in an alley in Marrakesh, the result is blood and starlight, secrets unveiled, and a star-crossed love whose roots drink deep of a violent past. But will Karou live to regret learning the truth about herself?

Cross-Border Mergers and Acquisitions - Scott C. Whitaker 2016-04-18

Navigate cross border M&A for a flawless integration execution Cross Border Mergers and Acquisitions is a practical toolbox for corporate strategy and development professionals dealing with the many challenges involved in cross border M&A. With a detailed discussion of key market specifics and broadly-applicable critical insight, this book demystifies the cross border M&A process and provides a host of practical tools that ease strategic implementation. A geographical overview explains the trends in major M&A markets including Australia, Brazil, China, Russia, the U.K., and the U.S., and industry-specific guidance covers Financial Services, Aerospace and Defense, Health Care, Tech, Manufacturing, and more. Leading experts relate lessons learned while managing actual PMI (post merger integration) processes, and the discussion of cultural impacts and specific situational needs provides deep insight into the type of leadership a flawless integration requires. Corporate restructuring and internationalization efforts are increasingly relying on cross border mergers and acquisitions. Strategies, motives, and consequences are a complex navigational minefield, but this insightful guide provides solid, actionable guidance for leading a successful integration. Understand the region-specific details that make an impact Overcome common challenges and manage complex deals Gain practical insight and valuable tools for leading integration Learn the most current best practices for PMI® processes Cross border M&A is complex, with myriad challenges and obstacles inherent to the situation. Successful integration and a smooth transition are critical, and there's little wiggle room—it's a situation where you have only one chance to get it right. Cross Border Mergers and Acquisitions is an essential guide to the process, with key tools for execution.

Summary: Flawless Execution - BusinessNews Publishing 2013-02-15

The must-read summary of James Murphy's book: "Flawless Execution: Use the Techniques and Systems of America's Fighter Pilots to Perform at Your Peak and Win the Battles of the Business World" This complete summary of the ideas from James Murphy's book "Flawless Execution" describes flawless execution as "a trainable, learnable repeatable process - bred in military aviation - that improves execution." This summary shows that there is one thing military organisations do well which general business practice has not yet picked up on. Military organisations carry out extensive briefings before attempting to act and then have systematic debriefs afterwards to figure out what went well and what did not for next time. Briefing and debriefing are areas many businesses are weak at. Flawless execution is all about generating predictable results time and again. Added-value of this summary: • Save time • Understand the key concepts • Increase your business knowledge To learn more, read "Flawless Execution" and you will realise that your business can take a lesson from the US military's fighter pilots.

Porter, "The Five Competitive Forces That Shape Strategy," "Building Your Company's Vision," "Reinventing Your Business Model," "Blue Ocean Strategy," "The Secrets to Successful Strategy Execution," "Using the Balanced Scorecard as a Strategic Management System," "Transforming Corner-Office Strategy into Frontline Action," "Turning Great Strategy into Great Performance," and "Who Has the D? How Clear Decision Roles Enhance Organizational Performance."

Summary: Breakthrough - BusinessNews Publishing 2013-02-15

The must-read summary of Bill Davidson's book: Breakthrough: How Great Companies Set Outrageous Objectives and Achieve Them". This complete summary of the ideas from Bill Davidson's book "Breakthrough" shows how the most successful companies get to the top and stay there by consistently challenging themselves to achieve goals that may seem unreasonable or even outrageous. In his book, Bill

Davidson explains how it is this process of setting challenging goals and then organising the company to achieve breakthrough results that keeps these companies on top. By reading this summary, you will learn how to set outrageous goals and achieve them in order to boost the success of your company. Added-value of this summary: • Save time • Understand key principles • Expand your knowledge To learn more, read "Breakthrough" and discover how you can follow the examples of some of the world's best companies and start achieving your outrageous goals.

Post-Traumatic - Chantal V. Johnson 2022-04-07

Can Vivian live ecstatically, after what has been done to her? To the outside observer, Vivian is a success story - a dedicated lawyer who advocates for mentally ill patients at a psychiatric hospital. Privately, Vivian contends with the memories and aftereffects of her bad childhood, compounded by the everyday stresses of being a Black, Latinx woman living in a white society. She lives in a constant state of hypervigilant awareness that makes even a simple tube ride into a heart-pounding drama. For years, Vivian has self-medicated with a mix of dating, dieting, dark humour and smoking weed with her best friend, Jane. But after a family reunion prompts Vivian to take a bold step, she finds herself alone in new and terrifying ways, without even Jane to confide in, and she starts to unravel. Will she find a way to repair what matters most to her? A debut from a stunning talent, Post-Traumatic is a new kind of survivor narrative, featuring a complex heroine who is blazingly, indelibly alive. Readers who loved Open Water, A Little Life or Luster will adore this razor-sharp book about the aftermath of trauma that somehow manages to brim with warmth, laughter, and hope. What people are saying about Post-Traumatic: 'Deeply original, socially important, psychologically revelatory, propulsively and idiosyncratically readable. Post-Traumatic is a gem.' Elif Batuman, author of The Idiot 'Stunning and riotous, Post-Traumatic took me right under and then revived me, like only the best fiction can do. Johnson's delicious, meticulous prose delivers such intimacy and hilarity on the page, I laughed and cried all the way through. This is a raw, brilliant, and unforgettable debut. I love everything about it!' Deesha Philyaw, author of The Secret Lives of Church Ladies 'Vivian is one of the most fascinating characters I've read in contemporary fiction: self-aware and lost, cutting and wounded, resilient and vulnerable - all those misfit bits that add up to the whole of a real human being. Reading Post-Traumatic feels like an illicit thrill.' Dawnie Walton, author of The Final Revival of Opal & Nev 'Chantal V. Johnson has blessed us with a cool, stylish, and violently funny novel about survival. It made me smile, laugh, cringe, shiver, and think. Like life, Post-Traumatic is richly triggering and highly recommended.' Myriam Gurba, author of Mean 'Post-Traumatic is swift, caustic, charismatic, beautiful, terrifying, and so incredibly funny. It learns and unlearns itself continually, propelled by a restless main character whose gaze withers the world, the reader, and more achingly, herself. Johnson composes such precise, pathologically consumable prose that I couldn't stop reading, even if it was the way I'd watch a scary movie: through my fingers.' Tommy Pico, author of IRL and Junk

The Acquisition of Major Weapons Systems by the Department of Defense - United States. Congress. Senate. Committee on Armed Services 2008

Red Team - Micah Zenko 2015-11-03

Essential reading for business leaders and policymakers, an in-depth investigation of red teaming, the practice of inhabiting the perspective of potential competitors to gain a strategic advantage Red teaming. The concept is as old as the Devil's Advocate, the eleventh-century Vatican official charged with discrediting candidates for sainthood. Today, red teams are used widely in both the public and the private sector by those seeking to better understand the interests, intentions, and capabilities of institutional rivals. In the right circumstances, red teams can yield impressive results, giving businesses an edge over their competition, poking holes in vital intelligence estimates, and troubleshooting dangerous military missions long before boots are on the ground. But not all red teams are created equal; indeed, some cause more damage than they prevent. Drawing on a fascinating range of case studies, Red Team shows not only how to create and empower red teams, but also what to do with the information they produce. In this vivid, deeply-informed account, national security expert Micah Zenko provides the definitive book on this important strategy -- full of vital insights for decision makers of all kinds.

The Debrief Imperative - James D. Murphy 2011-07

This volume succinctly provides methods for conducting an effective debrief. The simple means of analyzing root causes not only yields actionable lessons but also addresses organizational weaknesses and reinforces strengths.

Navigating Strategic Decisions - John E. Triantis 2013-06-12

Based on four decades of experience and research, *Navigating Strategic Decisions: The Power of Sound Analysis and Forecasting* explains how to improve the decision-making process in your organization through the use of better long-term forecasts and decision support. Filled with time-tested methodologies and models, it provides you with the tools to establish the organization, processes, methods, and techniques required for analyzing and forecasting strategic decisions. Describing how to foster the conditions required for forecasts to materialize, this book will help you rank project valuations and select higher value creation projects. It also teaches you how to: Assess the commercial feasibility of large projects Apply sanity checks to forecasts and assess their resource implications Benchmark best-in-class strategic forecasting organizations, processes, and practices Identify project risks and manage project uncertainty Analyze forecasting models and scenarios to determine controllable levers Pinpoint factors needed to ensure that forecasted future states materialize as expected This book provides you with the benefit of the author's decades of hands-on experience. In this book, John Triantis shares valuable insights on strategic planning, new product development, portfolio management, and business development groups. Describing how to provide world-class support to your corporate, market, and other planning functions, the book provides you with the tools to consistently make improved decisions that are based on hard data, balanced evaluations, well considered scenarios, and sound forecasts.

The Agenda Mover - Samuel B. Bacharach 2016-08-02

Organizations, institutions, and individuals get stuck in spite of their innovative ideas and ambitious agendas. Never has the timing been better for a book that cuts through the theoretical jargon and delineates the exact political and managerial skills leaders need to move agendas forward. Whether you're a team leader trying to lead change and innovation in a large corporation, an entrepreneur trying to gain support, a politician trying to expand your coalition, or an individual trying to advance your career and build networks, *The Agenda Mover* will give you the political and managerial leadership skills necessary to achieve results. Based on the premise that leadership competencies and skills can be learned, *The Agenda Mover* is the inaugural volume of the practitioner-oriented Pragmatic Leadership Series published in association with Cornell University Press. Each volume emphasizes specific skills of execution that leaders at all levels need to master. Visit pragmaticleadershipseries.com to learn more about the series.

Flawed - Cecelia Ahern 2016-04-05

Celestine North lives a perfect life. She's a model daughter and sister, she's well-liked by her classmates and teachers, and she's dating the impossibly charming Art Crevan. But then Celestine encounters a

situation in which she makes an instinctive decision. She breaks a rule and now faces life-changing repercussions. She could be imprisoned. She could be branded. She could be found FLAWED. In her breathtaking young adult debut, bestselling author Cecelia Ahern depicts a society in which obedience is paramount and rebellion is punished. And where one young woman decides to take a stand that could cost her everything.

The 33 Strategies Of War - Robert Greene 2010-09-03

The third in Robert Greene's bestselling series is now available in a pocket sized concise edition. Following *48 Laws of Power* and *The Art of Seduction*, here is a brilliant distillation of the strategies of war to help you wage triumphant battles everyday. Spanning world civilisations, and synthesising dozens of political, philosophical, and religious texts, *The Concise 33 Strategies of War* is a guide to the subtle social game of everyday life. Based on profound and timeless lessons, it is abundantly illustrated with examples of the genius and folly of everyone from Napoleon to Margaret Thatcher and Hannibal to Ulysses S. Grant, as well as diplomats, captains of industry and Samurai swordsmen.

Red Teaming - Bryce G. Hoffman 2017-05-16

Red Teaming is a revolutionary new way to make critical and contrarian thinking part of the planning process of any organization, allowing companies to stress-test their strategies, flush out hidden threats and missed opportunities and avoid being sandbagged by competitors. Today, most — if not all — established corporations live with the gnawing fear that there is another Uber out there just waiting to disrupt their industry. Red Teaming is the cure for this anxiety. The term was coined by the U.S. Army, which has developed the most comprehensive and effective approach to Red Teaming in the world today in response to the debacles of its recent wars in Iraq and Afghanistan. However, the roots of Red Teaming run very deep: to the Roman Catholic Church's "Office of the Devil's Advocate," to the Kriegsspiel of the Prussian General Staff and to the secretive AMAN organization, Israel's Directorate of Military Intelligence. In this book, author Bryce Hoffman shows business how to use the same techniques to better plan for the uncertainties of today's rapidly changing economy. Red Teaming is both a set of analytical tools and a mindset. It is designed to overcome the mental blind spots and cognitive biases that all of us fall victim to when we try to address complex problems. The same heuristics that allow us to successfully navigate life and business also cause us to miss or ignore important information. It is a simple and provable fact that we do not know what we do not know. The good news is that, through Red Teaming, we can find out. In this book, Hoffman shows how the most innovative and disruptive companies, such as Google and Toyota, already employ some of these techniques organically. He also shows how many high-profile business failures, including those that sparked the Great Recession, could easily have been averted by using these approaches. Most importantly, he teaches leaders how to make Red Teaming part of their own planning process, laying the foundation for a movement that will change the way America does business.
