Dear Fahrenheit 451 - Annie Spence 2017-09-26

"If you love to read ... you know that some books affect you so profoundly they forever change the way you think about the world. Some books, on the other hand, disappoint you so much you want to throw them against the wall ... In [this book], librarian Annie Spence has crafted love letters and breakup notes to the iconic and eclectic books she has encountered over the years. From breaking up with *The Giving Tree* (a dysfunctional relationship book if ever there was one), to her love letter to *The Time Traveler's Wife* (a novel less about time travel and more about the life of

a marriage, with all of its ups and downs), Spence will make you think of old favorites in a new way"--Dust jacket flap.

Dear Librarian - Lydia M. Sigwarth 2021-06-01

When Lydia was five years old, she and her family had to leave their

home. They hopped from Grandma's house to Aunt Linda's house to Cousin Alice's house, but no place was permanent. Then one day, everything changed. Lydia's mom took her to a new place — not a house, but a big building with stone columns, and tall, tall steps. The library. In the library, Lydia found her special spot across from the sunny window, at a round desk. For behind that desk was her new friend, the librarian. Together, Lydia and the librarian discovered a world beyond their walls, one that sparkled with spectacular joy. Paired with warm art by newcomer Romina Galotta and a foreword by Ira Glass, *Dear Librarian* is a "thank you" to anyone who has offered a child love and support during a difficult time.
