Leave Me Alone - Xuecun Murong 2014-06-17
An unflinching and darkly funny look at the pressures of life in modern China, where riches and sex abound but not for all.

If You Leave Me - Crystal Hana Kim 2018-08-07

"An immersive, heartbreaking story about war, passion, and the road not taken." — People
"One of the most beautiful and moving love stories you'll read this year." — Nylon Magazine
NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • The New

York Post • Vulture • Real Simple • Bustle • Nylon • Thrillist • Mental Floss • Self magazine • Booklist • Refinery

29 An emotionally riveting debut novel about war, family, and forbidden love—the unforgettable saga of two ill-fated lovers in Korea and the heartbreaking choices they're forced to make in the years surrounding the civil war that still haunts us today. When the communist-backed army from the north invades her home, sixteen-year-old Haemi Lee, along with her widowed mother and ailing brother, is forced to flee to a refugee camp along the coast. For a few hours each night, she escapes her family's makeshift home and tragic circumstances with her childhood friend, Kyunghwan. Focused on finishing school, Kyunghwan doesn't realize his older and wealthier cousin, Jisoo, has his sights set on the beautiful and spirited Haemi—and is determined to marry her before joining the fight. But as Haemi becomes a wife, then a mother, her decision to forsake the boy she

always loved for the security of her family sets off a dramatic saga that will have profound effects for generations to come. Richly told and deeply moving, *If You Leave Me* is a stunning portrait of war and refugee life, a passionate and timeless romance, and a heartrending exploration of one woman's longing for autonomy in a rapidly changing world.

The Giving Tree - Shel Silverstein 2014-02-18

As *The Giving Tree* turns fifty, this timeless classic is available for the first time ever in ebook format. This digital edition allows young readers and lifelong fans to continue the legacy and love of a classic that will now reach an even wider audience. "Once there was a tree...and she loved a little boy." So begins a story of unforgettable perception, beautifully written and illustrated by the gifted and versatile Shel Silverstein. This moving parable for all ages offers a touching interpretation of the gift of giving and a serene acceptance of another's capacity to love in return.

Every day the boy would come to the tree to eat her apples, swing from her branches, or slide down her trunk...and the tree was happy. But as the boy grew older he began to want more from the tree, and the tree gave and gave and gave. This is a tender story, touched with sadness, aglow with consolation. Shel Silverstein's incomparable career as a bestselling children's book author and illustrator began with *Lafcadio, the Lion Who Shot Back*. He is also the creator of picture books including *A Giraffe and a Half*, *Who Wants a Cheap Rhinoceros?*, *The Missing Piece*, *The Missing Piece Meets the Big O*, and the perennial favorite *The Giving Tree*, and of classic poetry collections such as *Where the Sidewalk Ends*, *A Light in the Attic*, *Falling Up*, *Every Thing On It*, *Don't Bump the Glump!*, and *Runny Babbit*. And don't miss the other Shel Silverstein ebooks, *Where the Sidewalk Ends* and *A Light in the Attic!*
[A Long Walk to Water](#) - Linda Sue Park 2010

When the Sudanese civil war reaches his village in 1985, 11-year-old Salva becomes separated from his family and must walk with other Dinka tribe members through southern Sudan, Ethiopia and Kenya in search of safe haven. Based on the life of Salva Dut, who, after emigrating to America in 1996, began a project to dig water wells in Sudan. By a Newbery Medal-winning author.

Leaf, Me Alone - Julianne Suchy 2009-05

WARNING: This book may cause a tear to swell in your eye. FIRST AID: Keep a tissue hand. Sarah immediately said, "I promise to take care of it and help it grow to twenty feet tall!" Her mom hesitated but remembered her promise to Sara, and that was to let her buy any tree she wanted. *Leaf, Me Alone* is a book that will teach a lesson to children and adults alike. It teaches determination, focuses on friendship, and allows truth telling to become of importance, giving the reader something to cheer about. This

is a feel-good story that reminds us all of how important it is to follow through on promises. Julianne Suchy grew up in Forest City, Pennsylvania along with four brothers and one sister. She has suffered a devastating illness call Guillain Barre' Syndrome and is almost 85% recovered. She now resides in Summerville, South Carolina with her cat Machka. She holds a Bachelor's Degree in Criminal Justice, an unusual degree for an aspiring writer.

Homo Luminous - Mike Frost
2011-01-21

David Werden wants nothing more than to lead a quiet, ordinary life. But his world is turned upside down when an unknown event changes the face of the planet. Realizing he cannot live alone in the ruins of the old world, and compelled by a strange internal force to reach the sea, he sets out on foot, carrying what he can, struggling against the harsh post-apocalyptic environment to search out others who may still be alive. Thrust into the leadership of a band of

survivors, David struggles to scratch out the necessities of life while dealing with the staggering destruction and overwhelming sense of loss - and begins to understand the tragic and marvelous events that have occurred to the planet and to humanity itself. Finding love and betrayal, he must fight those who cling to the old world with all their strength and those who wish to stamp out the growing number of people coming to terms with their new levels of perception and insight into the Universal Mind.

Leave Me Alone - Kes Gray
2011

With the help of his animals friends a little boy stands up to the giant who bullies him.

I'd Like to Play Alone, Please -

Tom Segura 2022-06-14
From Tom Segura, the massively successful stand-up comedian and co-host of chart-topping podcasts "2 Bears 1 Cave" and "Your Mom's House," hilarious real-life stories of parenting, celebrity encounters, youthful mistakes, misanthropy, and so much

more. Tom Segura is known for his twisted takes and irreverent comedic voice. But after a few years of crazy tours and churning out podcasts weekly, all while parenting two young children, he desperately needs a second to himself. It's not that he hates his friends and family — he's not a monster — he's just beat, which is why his son's (ruthless) first full sentence, "I'd like to play alone, please," has since become his mantra. In this collection of stories, Tom combines his signature curmudgeonly humor with a revealing look at some of the ridiculous situations that shaped him and the ludicrous characters who always seem to seek him out. The stories feature hilarious anecdotes about Tom's time on the road, including some surreal encounters with celebrities at airports; his unfiltered South American family; the trials and tribulations of parenting young children with bizarrely morbid interests; and, perhaps most memorably, experiences with his dad who, like any good

Baby Boomer father, loves to talk about his bowel movements and share graphic Vietnam stories at inappropriate moments. All of this is enough to make anyone want some peace and quiet. I'D LIKE TO PLAY ALONE, PLEASE will have readers laughing out loud and nodding in agreement with Segura's message: in a world where everyone is increasingly insane, sometimes you just need to be alone.

[Liv's Alone](#) - Liv Thorne

2022-04-28

When Liv Thorne was in her twenties, and single, she would joke to friends that if Mr Right didn't come along she'd have to take matters into her own hands and have a child on her own. When she was still single in her thirties, it stopped being a joke and she started researching sperm banks and fertility clinics. Liv's Alone is an honest and hopeful memoir that captures the joy and the challenge that is parenting alone by choice. From dismantling the fairy tale story that we're fed from a young

age and grieving the life you thought you were going to have, to buying sperm from Denmark and bringing a baby into the world. Guiding readers through the highs and lows with warmth, humour and understanding, Liv wants her book to be a little beacon of optimism for women who are in the same position she was in; late 30s, single and longing for a baby. This is Liv & Herb's story, but hopefully a version of it will be yours.

Stand Tall, Molly Lou Melon

- Patty Lovell 2011-06-29

Be yourself like Molly Lou Melon no matter what a bully may do. Molly Lou Melon is short and clumsy, has buck teeth, and has a voice that sounds like a bullfrog being squeezed by a boa constrictor. She doesn't mind. Her grandmother has always told her to walk proud, smile big, and sing loud, and she takes that advice to heart. But then Molly Lou has to start in a new school. A horrible bully picks on her on the very first day, but Molly Lou Melon knows just what to do about that.

Let Me Alone - Anna Kavan 2014-07-01

An early work from Anna Kavan strongly evoking life in England and its colonies from the early years of the century through the period following the First World War. More straightforward than her more famous novels, *Let Me Alone* is nevertheless fascinating for its hint of the personal stresses that was to inform much of her uncompromising storylines.

Odyssey - Homer 1895

Just Leave Me Alone - Nakesha Lowe 2012-09-03

Just Leave Me Alone is for all of you smothering parents out there that worry about every little thing when it comes to your children. Many parents don't realize that being too strict has its disadvantages. We all want to protect our children, but there is such a thing as overprotection. The best thing to do as your children get older is to give them room to make their own mistakes. It won't be easy, but I feel like it's necessary. If you don't trust your children, then

they will never feel comfortable coming to you about anything, and they are more likely to keep secrets and even lie to you, especially if you're that parent that overreacts about everything. Nobody's perfect. Your children will make bad decisions in their lives, but you still have to trust them to make the right decisions. This is something that every parent will have to face at some point, even if you don't want to.

Leave Me Alone - Kes Gray
2014-10-02

From the bestselling team behind *Mum and Dad Glue* comes an important story to help raise awareness at home or at school about stopping bullying. A little boy is feeling sad because every day he has to face a bully. But this story's little boy also has friends. A frog, a cat, a rabbit, a cow, and other animal friends insist on helping him, even after he tells them: "There's nothing you can do for me/ There's nothing you can say." Fortunately, he is mistaken, because the next time the bully approaches, they all join with him and shout,

"LEAVE HIM ALONE!" And it works! The bully turns around and goes away. The gently clever use of rhyming verse gives a difficult subject a wonderfully light touch. A must-have for any child who has to deal with bullies. 'An empowering story.' - Books for Keeps

Leave Me Alone...But, Don't Leave Me!!! - Corey Feimster
2016-05-12

The marriage relationship is real. Yet, unlike all other relationships, it provides an unparalleled opportunity for the believer to both appreciate and demonstrate God's patience, long suffering, grace, and love toward their spouse. But, what about sacrifice, sound stewardship, and urgency? Learning to trust God, relax, and develop confidence in yourself and in each other are the first steps toward growth in your marriage! Corey L. Feimster, MA Ed., BSNatasha Feimster, MSA, BA

Let Me Finish! - Minh Lê
2016-06-07

When our young hero settles in

to read, the last thing he wants is for some noisy animals to ruin the ending of the story. But ruin it they do. And as it turns out, the boy is quickly approaching a surprise ending of his own! Maybe he should have listened to the animals after all. . . . This silly, timeless picturebook with a clever meta twist introduces debut author Minh L 's witty text and Isabel Roxas's eye-catching illustrations.

Leave Me Alone with the Recipes - Cipe Pineles

2017-10-17

Saveur "Best New Cookbooks of the Year" Finalist for the Gourmand Award for Cookbook Design The newly discovered illustrated recipes of wildly influential yet unsung designer Cipe Pineles, introducing her delectable work in food and art to a new generation. Not long ago, Sarah Rich and Wendy MacNaughton discovered a painted manuscript at an antiquarian book fair that drew them in like magnets: it displayed a vibrant painting of hot pink beets and a hand-lettered recipe for borscht

written in script so full of life, it was hard to believe it was more than sixty-five years old. It was the work of one of the most influential graphic designers of the twentieth century--Cipe (pronounced "C. P.") Pineles, the first female art director at Condé Nast, whose impact lives on in the work of Maira Kalman, Julia Rothman, and many others. Completed in 1945, it was a keepsake of her connection to her childhood's Eastern European food--she called it Leave Me Alone with the Recipes. For Wendy and Sarah, it was a talisman of a woman they had not known was their idol: a strong, independent spirit whose rich archive--of drawings, recipes, diaries, and letters to family and friends--led them into a dazzling history of mid-century design, art, food, New York City society, and culture. They teamed up with Maria Popova of Brain Pickings and Debbie Millman of Design Matters, along with contributors Mimi Sheraton, Steven Heller, Paula Scher, and Maira Kalman, to present Cipe Pineles's life and

work as it should be presented - in glorious color. With Pineles's illustrated cookbook and a section of updated recipes as its centerpiece, this gorgeous volume will delight foodies and design devotees alike.

I'm Writing, Leave Me Alone

- Writing Inspire 2019-07-13

Whether it's for jotting down ideas, plots, descriptions and information, or simply writing out stories, articles and poems - every writer needs a good notebook or journal! We can never have too many, but we can always have too few. This 'I'm Writing, Leave Me Alone' lined notebook is the perfect size to be taken anywhere. It'll fit in a jacket pocket or in a handbag, and even in a car's glovebox, plus easily rest on a bedside table - while always reminding people you need time to write. With this writing journal there's no need to ever be short of a place to write again.

Leave Me Alone - Christian Hull 2021-03-30

The hilarious, no-filter memoir from beloved comedian and

social media star Christian Hull. 'I loved it! You'll binge read it! It's un-put-down-able! Seriously funny.' TANYA HENNESSY Christian Hull is a hardcore introvert. He loves being a little bit famous for his videos, but at the end of the day he's a lone wolf - one who's more interested in Caramilk on the couch than cocktails in the club. He's a strong believer in Netflix and chilling at home, alone; he's always the first to smokebomb social events, and he is in a committed relationship with his indoor plants. Christian tells his behind-the-scenes story with his signature, completely unapologetic honesty, from growing up with triplet brothers to building a career in comedy; from his fear of moths to some of his more daring Grindr sexcapades. He invites you into his personal creative universe, where wearing a wig to make random videos and screaming swearwords at resin pendants somehow turn out to be great decisions. *Leave Me Alone* is a story of breaking the mould and embracing exactly

who you are, even if that means telling people to leave you the f**k alone. 'I only enjoyed the parts I was in . . . skip to Chapter 8!' EMMYLOU MACCARTHY

I Alone Can Fix It - Carol

Leonnig 2021-07-20

The instant #1 New York

Times bestseller | A

Washington Post Notable Book

| One of NPR's Best Books of

2021 The definitive behind-the-

scenes story of Trump's final

year in office, by Phil Rucker

and Carol Leonnig, the

Pulitzer-Prize winning

reporters and authors of *A Very*

Stable Genius. "Chilling." -

Anderson Cooper "Jaw-

dropping." - John Berman

"Shocking." - John Heilemann

"Explosive." - Hallie Jackson

"Blockbuster new reporting." -

Nicolle Wallace "Bracing new

revelations." - Brian Williams

"Bombshell reporting." - David

Muir The true story of what

took place in Donald Trump's

White House during a

disastrous 2020 has never

before been told in full. What

was really going on around the

president, as the government

failed to contain the coronavirus and over half a million Americans perished? Who was influencing Trump after he refused to concede an election he had clearly lost and spread lies about election fraud? To answer these questions, Phil Rucker and Carol Leonnig reveal a dysfunctional and bumbling presidency's inner workings in unprecedented, stunning detail. Focused on Trump and the key players around him—the doctors, generals, senior advisers, and Trump family members— Rucker and Leonnig provide a forensic account of the most devastating year in a presidency like no other. Their sources were in the room as time and time again Trump put his personal gain ahead of the good of the country. These witnesses to history tell the story of him longing to deploy the military to the streets of American cities to crush the protest movement in the wake of the killing of George Floyd, all to bolster his image of strength ahead of the election.

These sources saw firsthand his refusal to take the threat of the coronavirus seriously—even to the point of allowing himself and those around him to be infected. This is a story of a nation sabotaged—economically, medically, and politically—by its own leader, culminating with a groundbreaking, minute-by-minute account of exactly what went on in the Capitol building on January 6, as Trump’s supporters so easily breached the most sacred halls of American democracy, and how the president reacted. With unparalleled access, Rucker and Leonnig explain and expose exactly who enabled—and who foiled—Trump as he sought desperately to cling to power. A classic and heart-racing work of investigative reporting, this book is destined to be read and studied by citizens and historians alike for decades to come.

Once I Was Very Very Scared - Chandra Ghosh Ippen
2017-01-25

A little squirrel announces that

he was once very, very, scared and finds out that he is not alone. Lots of little animals went through scary experiences, but they react in different ways. Turtle hides and gets a tummy ache, monkey clings, dog barks, and elephant doesn't like to talk about it. They need help, and they get help from grown-ups who help them feel safe and learn ways to cope with difficult feelings. This story was written to help children and grown-ups understand how stress can affect children and ways to help them.

The Little Mermaid and Other Fairy Tales - Hans Christian Andersen 2012-03-01
Thirteen engaging tales exuding originality, whimsy and humor — among them "Great Claus and Little Claus," "The Ugly Duckling," "The Red Shoes," "Thumbelina," and the title story.

I Would Leave Me If I Could.
- Halsey 2020-11-10
NEW YORK TIMES
BESTSELLER Grammy
Award-nominated, platinum-selling musician Halsey is

heralded as one of the most compelling voices of her generation. In *I Would Leave Me If I Could*, she reveals never-before-seen poetry of longing, love, and the nuances of bipolar disorder. In this debut collection, Halsey bares her soul. Bringing the same artistry found in her lyrics, Halsey's poems delve into the highs and lows of doomed relationships, family ties, sexuality, and mental illness. More hand grenades than confessions, these autobiographical poems explore and dismantle conventional notions of what it means to be a feminist in search of power. Masterful as it is raw, passionate, and profound, *I Would Leave Me If I Could* signals the arrival of an essential voice. Book cover painting, *American Woman*, by the author.

Leave Me Alone! - Vera Brosgol 2016-09-13

A wry and funny modern folktale about one grandma's epic quest to finish her knitting, from Anya's Ghost author Vera Brosgol.

Life of Pi - Yann Martel
2022-01-27

"Life of Pi will make you believe in the power of theatre" (Times). After a cargo ship sinks in the middle of the vast Pacific Ocean, there are five survivors stranded on a lifeboat - a hyena, a zebra, an orangutan, a Royal Bengal tiger, and a sixteen year-old boy named Pi. Time is against them, nature is harsh, who will survive? Based on one of the most extraordinary and best-loved works of fiction - winner of the Man Booker Prize, selling over fifteen million copies worldwide - and featuring breath-taking puppetry and state-of-the-art visuals, *Life of Pi* is a universally acclaimed, smash hit adaptation of an epic journey of endurance and hope. Adapted by acclaimed playwright Lolita Chakrabarti, this edition was published to coincide with the West End premiere in November 2021.

Let's Get Sleepy! - Tony Cliff
2020-08-11

Young cats are on the hunt for a mouse named Sleepy in *Let's*

Get Sleepy!, an energetic picture book from New York Times-bestselling author and illustrator Tony Cliff. These cats are on an adventure to find that darn mouse named Sleepy. But Sleepy is a sneaky mouse—he's hard to find. The cats will have to look everywhere: all over town, out by the beach, up in space, and even back in time with the dinosaurs! Can the cats catch that mouse? Even if they don't, at the end of the day, they may just get "sleepy" after all. While seek-and-find elements are at work in the adorable artwork, the rhyming text reminds readers that the journey is more important than the destination—and that the most valuable treasure is a day richly lived with friends. An Imprint Book

The Lies She Sold - Kyla Sharp
2021-05-06

A murdered customer. A dark secret. An organization willing to protect itself at all costs. Camila Brady ran from her past for 13 years, but she's finally ready to let it rest in peace. What better way than a new

business opportunity? Camila is promised new friends, limitless profits, and all the essential oil hair accessories she could want. But then her first customer ends up dead. Caught in a pyramid scheme and hiding from police, Camila must separate enemies from allies. Her only chance to escape prison... or worse... is to find the truth buried within the Multi-Level-Marketing scheme. Can Camila catch the real killer, even though all evidence points to her? Or will she become the next casualty of convenience to those selling lies? If you like chilling thrillers, imperfect female protagonists, and unseen twists, this suspense novel will have you turning pages. Click "Buy Now" to start reading!
Never Let Me Go - Kazuo Ishiguro 2009-03-19
From the Booker Prize-winning author of *The Remains of the Day* and *When We Were Orphans*, comes an unforgettable edge-of-your-seat mystery that is at once heartbreakingly tender and morally courageous about what

it means to be human. Hailsham seems like a pleasant English boarding school, far from the influences of the city. Its students are well tended and supported, trained in art and literature, and become just the sort of people the world wants them to be. But, curiously, they are taught nothing of the outside world and are allowed little contact with it. Within the grounds of Hailsham, Kathy grows from schoolgirl to young woman, but it's only when she and her friends Ruth and Tommy leave the safe grounds of the school (as they always knew they would) that they realize the full truth of what Hailsham is. *Never Let Me Go* breaks through the boundaries of the literary novel. It is a gripping mystery, a beautiful love story, and also a scathing critique of human arrogance and a moral examination of how we treat the vulnerable and different in our society. In exploring the themes of memory and the impact of the past, Ishiguro takes on the idea of a possible future to create his most

moving and powerful book to date.

Born a Crime - Trevor Noah
2016-11-15

#1 NEW YORK TIMES

BESTSELLER • More than one million copies sold! A “brilliant” (Lupita Nyong’o, Time), “poignant”

(Entertainment Weekly), “soul-nourishing” (USA Today)

memoir about coming of age during the twilight of apartheid

“Noah’s childhood stories are

told with all the hilarity and intellect that characterizes his

comedy, while illuminating a

dark and brutal period in South Africa’s history that must never

be forgotten.”—Esquire Winner of the Thurber Prize for

American Humor and an

NAACP Image Award • Named

one of the best books of the

year by The New York Time,

USA Today, San Francisco

Chronicle, NPR, Esquire,

Newsday, and Booklist Trevor

Noah’s unlikely path from

apartheid South Africa to the

desk of The Daily Show began

with a criminal act: his birth.

Trevor was born to a white

Swiss father and a black Xhosa

mother at a time when such a union was punishable by five years in prison. Living proof of his parents' indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa's tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. Born a Crime is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man's relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here

are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother's unconventional, unconditional love.

Leave Me Alone, I'm Reading - Maureen Corrigan
2007-01-02

In this delightful memoir, the book critic for NPR's Fresh Air reflects on her life as a professional reader. Maureen Corrigan takes us from her unpretentious girlhood in working-class Queens, to her bemused years in an Ivy League Ph.D. program, from the whirl of falling in love and

marrying (a fellow bookworm, of course), to the ordeal of adopting a baby overseas, always with a book at her side. Along the way, she reveals which books and authors have shaped her own life—from classic works of English literature to hard-boiled detective novels, and everything in between. And in her explorations of the heroes and heroines throughout literary history, Corrigan's love for a good story shines.

Leave Me Alone and I'll Make You Rich - Deirdre Nansen

McCloskey 2020-10-30

The economist and historian Deirdre Nansen McCloskey has been best known recently for her Bourgeois Era trilogy, a vigorous defense, unrivaled in scope, of commercially tested betterment. Its massive volumes, *The Bourgeois Virtues*, *Bourgeois Dignity*, and *Bourgeois Equality*, solve Adam Smith's puzzle of the nature and causes of the wealth of nations, and of the moral sentiments of modernity. The world got rich, she argues, not chiefly by material causes but

by an idea and a sentiment, a new admiration for the middle class and its egalitarian liberalism. For readers looking for a distillation of McCloskey's magisterial work, *Leave Me Alone and I'll Make You Rich* is what you've been waiting for.

In this lively volume, McCloskey and the economist and journalist Carden bring together the trilogy's key ideas and its most provocative arguments. The rise of the west, and now the rest, is the story of the rise of ordinary people to a dignity and liberty inspiring them to have a go. The outcome was an explosion of innovation after 1800, and a rise of real income by an astounding 3,000 percent. The Great Enrichment, well beyond the conventional Industrial Revolution, did not, McCloskey and Carden show, come from the usual suspects, capital accumulation or class struggle. It came from the idea of economic liberty in Holland and the Anglosphere, then Sweden and Japan, then Italy and Israel and China and India, an idea that bids fair in the

next few generations to raise up the wretched of the earth. The original shift to liberalism arose from 1517 to 1789 from theological and political revolutions in northwest Europe, upending ancient hierarchies. McCloskey and Carden contend further that liberalism and “innovism” made us better humans as well as richer ones. Not matter but ideas. Not corruption but improvement. Leave Me Alone and I’ll Make You Rich draws in entertaining fashion on history, economics, literature, philosophy, and popular culture, from growth theory to the Simpsons. It is the perfect introduction for a broad audience to McCloskey’s influential explanation of how we got rich. At a time when confidence in the economic system is under challenge, the book mounts an optimistic and persuasive defense of liberal innovism, and of the modern world it has wrought.

Leave Me - Gayle Forman

2016-09-08

It's every woman's fantasy: to pack a bag and leave

everything behind. Meet Maribeth Klein, a harried working mother who is so busy taking care of her husband and twins that she doesn’t even realise that she has had a heart attack. But her recuperation seems to be an imposition on those who rely on her. So Maribeth does the unthinkable - she packs a bag and leaves. Maribeth has always wondered who she is and where she comes from: and now's the time to find out. Now, far from the demands of family and career, she is finally able to own up to the secrets she has been keeping from herself and those she loves. From the bestselling author of *If I Stay* and *I Was Here* comes a stunning new novel for Forman’s adult readers, an unflinching portrait of a woman confronting the joys and sorrows of marriage, motherhood and friendship. *~*~*Readers love Leave Me*~*~* '[Leave Me] reminds you that we are all fragile human beings, imperfect and all a work in progress and above all, it reminds us that life

is complex and frightening but not impossible' The Bookbag 'Read it, as they say, and weep' Daily Mail 'When I reached the end of this book, I was in tears because of how honest and raw it was. This book will really make you think very deeply about your deepest desires' Twenty-Three Pages 'An appealing fairy tale for the exhausted and underappreciated' Kirkus 'Deftly explores the domestic struggles of 21st-century bourgeois life. This is an insightful ode to—and cautionary tale for—the overburdened working mother' Book Page 'With humor and pathos, Forman depicts Maribeth's complicated situation and her thoroughly satisfying arc, leaving readers feeling as though they've really accompanied Maribeth on her journey' Publishers Weekly Bully - Patricia Polacco 2012-09-13 Patricia Polacco takes on cliques and online bullying Lyla finds a great friend in Jamie on her first day of school, but when Lyla makes the

cheerleading squad and a clique of popular girls invites her to join them, Jamie is left behind. Lyla knows bullying when she sees it, though, and when she sees the girls viciously teasing classmates on Facebook, including Jamie, she is smart enough to get out. But no one dumps these girls, and now they're out for revenge. Patricia Polacco has taken up the cause against bullies ever since Thank You, Mr. Falker, and her passion shines through in this powerful story of a girl who stands up for a friend. Last Best Hope - George Packer 2021 Acclaimed National Book Award-winning author George Packer diagnoses America's descent into a failed state, and envisions a path toward overcoming injustices, paralyzes, and divides How, in a few decades, did the United States transform from a broadly prosperous middle-class country, with relatively healthy institutions and competent leaders, to a nation defined by discredited elites, hollowed-out institutions, and

blatant inequalities-feared and pitied by our friends, mocked and sabotaged by our adversaries, first in the world in Covid cases and deaths, and led in recent years by an incompetent authoritarian bigot? Last Best Hope is a bracing account of our current crisis and of how a new era of civic revitalization may bring it to an end. Combining reportage with historical narrative, autobiography, and political analysis, Packer depicts and assesses the four inadequate narratives that dominate American public life: Libertarian America, which imagines a nation of individuals responsible for their own fate, and serves the interests of corporations and the wealthy; Cosmopolitan America, the ideology of Silicon Valley and the professional elite, which celebrates globalization and leaves many American communities behind; Diverse America, which defines citizens as members of large identity groups that have inflicted or suffered oppression; and White America, a shallow nationalism

that fears the contamination of non-whites and treachery of coastal elites, and poses the greatest threat to democracy in our lifetime. At a time when many fear that the American experiment in self-government may collapse, or, in Abraham Lincoln's words, "die by suicide", Packer shows that none of these narratives can sustain American democracy. To point a better way forward, he looks back at previous eras of crisis to discover the resources for invigorating self-government. Combining trenchant social analysis with a vibrant and stinging essayistic voice and a deep knowledge of America's past and present, Last Best Hope is an essential contribution to the literature of national self-examination the times demand.

Jennifer Jones Won't Leave Me Alone - Frieda Wishinsky

2003-01-01

A young boy is annoyed by the adoration of a girl in his class, but when she goes away, he misses her.

Leave Me Alone - L. A. Aaron
2008-07-08

When We Were Alone - David A. Robertson 2017-02-13

When a young girl helps tend to her grandmother's garden, she begins to notice things that make her curious. Why does her grandmother have long, braided hair and beautifully coloured clothing? Why does she speak another language and spend so much time with her family? As she asks her grandmother about these things, she is told about life in a residential school a long time ago, where all of these things were taken away. *When We Were Alone* is a story about a difficult time in history, and, ultimately, one of empowerment and strength. Also available in a bilingual Swampy Cree/English edition. *When We Were Alone* won the 2017 Governor General's Literary Award in the Young People's Literature (Illustrated Books) category, and was nominated for the TD Canadian's Children's Literature Award.

*Leave Me the F**k Alone* - jamie s. 2018-06-18

to my ex: this is a message for you ...

Alone - Megan E. Freeman 2022-05-03

Originally published in hardcover in 2021 by Aladdin. [Leave Me Alone, I'm Reading](#) - Maureen Corrigan 2007-12-18 In this delightful memoir, the book critic for NPR's Fresh Air reflects on her life as a professional reader. Maureen Corrigan takes us from her unpretentious girlhood in working-class Queens, to her bemused years in an Ivy League Ph.D. program, from the whirl of falling in love and marrying (a fellow bookworm, of course), to the ordeal of adopting a baby overseas, always with a book at her side. Along the way, she reveals which books and authors have shaped her own life—from classic works of English literature to hard-boiled detective novels, and everything in between. And in her explorations of the heroes and heroines throughout literary history, Corrigan's love for a good story shines.
