Anne Tyler - Robert W. Croft
1995

This first biography of novelist Anne Tyler includes a discussion of her early childhood, high school and college years, adulthood, marriage, and motherhood. It incorporates source materials

from the Anne Tyler Papers at Duke University and letters from Tyler to the author. The volume lists all of Tyler's novels, short stories, articles, and book reviews and provides an annotated bibliography of books, articles, dissertations, and theses on her fiction.

Where Our History was Made - John Thomson Faris 1924

Two Homes for Tyler - Pamela Kennedy 2008

A child whose parents got divorced tells how his life after the divorce is different from before, and explains that different doesn't always mean bad; includes suggestions on how parents can talk to children about divorce and reassure them that they are still loved.

Tyler's Story - Dr. Lillie Cooks 2014-11-26

Children should not have to deal with life-threatening illnesses; they should be enjoying life. Tyler's Story is a true story of how a fourteen-year-old teen and his family had to deal with a cancer diagnosis of osteosarcoma, a form of bone cancer. How a mother's prayers and faith in God helped support her son and her family in his last days of life. Tyler was officially diagnosed on May 11, 2012, and this is his story.

Tyler's Law - Charlie Macneil Buchanan 2009-01-01

Deputy Bowie Tyler is at first glance an unlikely hero. He appears to be "nearly as big around as he is tall" and he's often told that "you don't look

like no lawdog." That's just the way Bowie likes it. He can fight and he can shoot, because a man who's "built somewhat like a punkin" had better learn to protect himself or go to tending store. He is a generally jolly sort whose cheerful demeanor tends to lull his enemies, but the sunshine can turn to ice in an instant and he's won more fights than he's lost. Bowie's current assignment looked relatively straightforward at first: bring in the elusive Bob Morton. Morton has never been caught in twenty years on the wrong side of the law, but his latest crime may change all that. As he follows Morton's trail, Bowie finds more and more evidence that, just as in his own case, appearances can be deceiving. The further Bowie travels the more it seems that he may be chasing the wrong man. Before he reaches the end of this trail, Bowie finds himself in the unenviable position of having to interpret the law in ways that it was never meant to be interpreted. He will be writing Tyler's Law.

No Way Home - Tyler

Wetherall 2018-04-03

Wetherall lived in fifteen houses and five countries by the time she was nine. She didn't think this was strange until Scotland Yard showed up, and she discovered her father was a fugitive and their family name was an alias. In 1983, the year she was born, her parents went on the run with three young children, traveling across Europe, their expenses paid for with drug money. It was over the summers spent visiting her dad in prison in California that he told her the truth: he had been a pot smuggler in the seventies, and his organization had bought in marijuana worth nearly a half

billion dollars from Thailand. Here Wetherall pieces together the story of her parents' past, which ultimately helps her understand her own. -- adapted from publisher info.

Fire by Night (Refiner's Fire Book #2) - Lynn Austin

2003-11-01

Two young women in a land shattered by war test the limits of their strength. Lovely Julia Hoffman has always enjoyed the carefree life of her well-to-do Philadelphia family. But when she fails to attract the attention of Nathaniel Greene, a fierce abolitionist, she shocks her family by becoming a Union nurse. Will that be enough to win Nathaniel's heart? Phoebe Bigelow, from western Virginia, has always been a misfit, and when her brothers join the Union army, she also enlists--under false pretenses. Soon, both have their eyes opened to the realities of war and suffering.

Neither is quite ready for the demands of her new life, but their journeys of sacrifice and love are sure to change them in unexpected ways.

Earthly Possessions - Anne Tyler 2011-01-26

"To read a novel by Anne Tyler is to fall in love."—PEOPLE Magazine Charlotte Emory has always lived a quiet, conventional life in Clarion, Maryland. She lives as simply as possible, and one day decides to simplify everything and leave her husband. Her last trip to the bank throws Charlotte's life into an entirely different direction when a restless young man in a nylon jacket takes her hostage during the robbery—and soon the two are heading south into an unknown future, and a most unexpected fate, in Pulitzer Prize-winning author, Anne Tyler's skillful seventh novel. "A taste of Anne Tyler, once acquired, is a splendid

addiction."—John Leonard, The New York Times

Too Hot to Hold - Stephanie Tyler 2010-01-05

HE'S AN ELITE NAVY SEAL LIVING A RISKY DOUBLE LIFE. SHE'S THE GORGEOUS REPORTER HOT ON HIS TRAIL. Nick Devane's life is one big classified secret. Until Kaylee Smith busts his covert world wide open, threatening to blow his cover. Digging around where she doesn't belong could get them both killed...especially when the beautiful journalist uncovers top secret information that could set off a global disaster if it falls into the wrong hands. Nick can't let that happen, even if he has to battle deadly mercenaries and an irresistible attraction that is all consuming.... Kaylee didn't expect her search for her missing ex-husband to lead to this sexy and dangerous warrior. Now she's teamed up with Nick on a mission that takes them into deepest Africa—and into the middle of a massive government cover-up. With rogue agents hot on their

trail, Kaylee's going to unearth all Nick's secrets. Before they both vanish without a trace. Before the passion burning between them sets off an explosion no one may survive...

French Braid - Anne Tyler

2022-03-22

NEW YORK TIMES BEST SELLER • From the beloved Pulitzer Prize-winning author—a funny, joyful, brilliantly perceptive journey deep into one Baltimore family's foibles, from a boyfriend with a red Chevy in the 1950s up to a longed-for reunion with a grandchild in our pandemic present. "A moving meditation on the passage of time...a quietly subversive novel, tackling fundamental assumptions about womanhood, motherhood and female aging." —Jennifer Haigh, *New York Times Book Review* The Garretts take their first and last family vacation in the summer of 1959. They hardly ever leave home, but in some ways they have never been farther apart. Mercy has trouble resisting the siren call of her aspirations to be a

painter, which means less time keeping house for her husband, Robin. Their teenage daughters, steady Alice and boy-crazy Lily, could not have less in common. Their youngest, David, is already intent on escaping his family's orbit, for reasons none of them understand. Yet, as these lives advance across decades, the Garretts' influences on one another ripple ineffably but unmistakably through each generation. Full of heartbreak and hilarity, *French Braid* is classic Anne Tyler: a stirring, uncannily insightful novel of tremendous warmth and humor that illuminates the kindnesses and cruelties of our daily lives, the impossibility of breaking free from those who love us, and how close—yet how unknowable—every family is to itself.

The book of texts of ancient and modern history, &c - Francis Armstrong Power 1879

The Complete Stories of Paul Laurence Dunbar - Paul Laurence Dunbar 2005

The son of former slaves, Paul

Laurence Dunbar was one of the most prominent and publicly recognized figures in American literature at the turn of the twentieth century. Thirty-three years old at the time of his death in 1906, he had published four novels, four collections of short stories, and fourteen books of poetry, not to mention numerous songs, plays, and essays in newspapers and magazines around the world. In the century following his death, Dunbar slipped into relative obscurity, remembered mainly for his dialect poetry or as a footnote to other more canonical figures from the period. The Complete Stories of Paul Laurence Dunbar showcases his gifts as a writer of short fiction and provides key insights into the tensions and themes of Dunbar's literary achievement. Through examining the 104 stories written by Dunbar between 1890 and 1905, readers will be able to better understand Dunbar's specific attempts to maintain his artistic integrity while struggling with America's

racist stereotypes. His work interrogated the color-line that informed American life and dictated his role as an artist in American letters. Editors Gene Jarrett and Thomas Morgan identify major themes and implications in Dunbar's work. Available in one convenient, comprehensive, and definitive volume for the first time, The Complete Stories of Paul Laurence Dunbar illustrates the complexity of his literary life and legacy. ABOUT THE EDITORS---Gene Jarrett is an assistant professor of English at the University of Maryland, College Park. He is co-editor (with Henry Louis Gates Jr.) of a forthcoming anthology, New Negro Criticism: Essays on Race, Representation, and African American Culture. Thomas Morgan is a lecturer at the University of Tennessee, Knoxville. His research and teaching interests focus on critical race theory in late-nineteenth century American and African American literature, specifically as it applies to the politics of narrative form.

Clock Dance - Anne Tyler
2018-07-10

A New York Times best-selling novel of self-discovery and second chances from the Pulitzer Prize-winning author of *Redhead by the Side of the Road* Willa Drake has had three opportunities to start her life over: in 1967, as a schoolgirl whose mother has suddenly disappeared; in 1977, when considering a marriage proposal; and in 1997, as a young widow trying to hold her family together. So she is surprised when in 2017 she is given one last chance to change everything, after receiving a startling phone call from a stranger. Without fully understanding why, she flies across the country to Baltimore to help a young woman she's never met. This impulsive decision, maybe the first one she's consciously made in her life, will lead Willa into uncharted

territory—surrounded by eccentric neighbors who treat each other like family, she finds solace and fulfillment in unexpected places. A bewitching novel of hope and transformation, *Clock Dance* gives us Anne Tyler at the height of her powers. One of the Best Books of the Year: O, The Oprah Magazine, Real Simple, The Christian Science Monitor

Stories of Vigilant Courage -
Adam Hildebrand 2008-08

If you find yourself at the bedside of a child with multiple handicaps and complex medical needs, you need to read this book. Whether you are a nurse, doctor, parent or family member, health care professional, or a personal ally of an individual who is disabled, you will benefit from reading the stories in the book and the analysis of issues by the editor. It sometimes happens that some people, whether a professional or not, will be tempted to think of such children as better off dead—an extremely dangerous assumption. Illness and

suffering do not diminish the value of a person's life, and no one has the right to decide whether or not a person should live or die. This book gives firsthand accounts of the experiences of handicapped children and their families in health care settings. Their experiences vary from doctor to doctor, nurse to nurse, and hospital to hospital. The key difference is that some people held a strong belief that every person's life has intrinsic value and that their lives were sacred. Yet others measured the value of a life according to external factors, such as level of disability, impairments, and level of suffering, whether presumed or real. You can guess which people gave better care, and which children lived longer and better accordingly. In spite of the difficult challenges that handicapped children and their families face as described in these stories, this book is a book of hope. You will be inspired by the courageous tenacity of parents who literally stood at the bedside of their children, often

for months, and protected and affirmed the well-being of their child. This is a book about people who made a difference, a difference between life and death.

Southern Hardware - 1912

Button Pusher - Tyler Page
2022-04-12

A memoir-driven realistic graphic novel about Tyler, a child who is diagnosed with ADHD and has to discover for himself how to best manage it. Tyler's brain is different. Unlike his friends, he has a hard time paying attention in class. He acts out in goofy, over-the-top ways. Sometimes, he even does dangerous things—like cut up a bus seat with a pocketknife or hang out of an attic window. To the adults in his life, Tyler seems like a troublemaker. But he knows that he's not. Tyler is curious and creative. He's the best artist in his grade, and when he can focus, he gets great grades. He doesn't want to cause trouble, but sometimes he just feels like he can't control himself. In *Button*

Pusher, cartoonist Tyler Page uses his own childhood experiences to explore what it means to grow up with ADHD. From diagnosis to treatment and beyond, Tyler's story is raw and enlightening, inviting you to see the world from a new perspective.

The Lutheran World Almanac and Annual Encyclopedia for ... - 1922

John Tyler - Lyle Emerson Nelson 2008

This book describes the life of the tenth president, John Tyler, who evoked mixed feelings amongst the public as to his competency and administrative judgements. He was believed by some to be of talents not above 'mediocrity' and rooted in passions and vices of slavery while others believed him to be unaffected and dedicated to the needs of the country. When President Harrison died

suddenly of pneumonia Tyler became the first president ever to come to office by constitutional succession without exhibiting any deep allegiance to the principles of the Whigs' 1840 campaign. Tyler was no 'party animal' and believed in making decisions based on a idea's merit and impact on what he perceived to be the nation's best interests, without regard to politics. The Whigs had no control over the man they had put in the White House, and it came as no surprise when they failed to re-nominate him 1844. President Tyler decided to withdraw from the race before election and left office a President without a party -- the only president every to have had that dubious distinction. This book is an interesting portrait of a somewhat orthodox man who to some seemed too 'ordinary' and his popularity was a divided one.
