Ketogenic Diet Crash Course - Robert M. Fleischer 2013-07-29

How to Turn Your Body into a Fat-Burning Machine Do you like what you see in the mirror? Are you avoiding social situations, dressing room mirrors or romantic advances because of how you feel about your body? Are you missing out on life? Not being able to enjoy simple activities with your loved ones? What if there really is an effective way to lose 5, 10, 30 or more pounds? If you're reading this then it's a sign that you're ready for a change. Everything happens for a reason and today is your day. Being trim and healthy is very attractive, no matter how we look at it, and highly valued in our society. This we cannot change, but we can take complete control of our own body. Step into your new body. Imagine getting compliments from friends, co-workers and members of the opposite sex. How does that feel? This guide cuts through the misconceptions about the low-carbohydrate diet, giving you the facts and figures, and taking all the guesswork out of losing weight. But this is not just a guide about losing weight - it's specifically crafted for optimally losing fat. Robert M. Fleischer has distilled years of research and experience to make it not only possible for you to look your best, but to do it in an easy and enjoyable way. In "Ketogenic Diet Crash Course" you'll discover: The difference between the Ketogenic diet and the Atkins diet, and how to avoid a mistake many people make unknowingly The no.1 cause of belly fat, and how to get rid of it easily (this piece of information alone is almost priceless) How to use technology you already have at your fingertips to make your weight-loss journey a lot easier and more effective How to boost your metabolism and burn more fat How to train your body to use fat instead of carbs How to get results with a low-carb diet without starving yourself

The Bare Naked Book - Kathy Stinson 2021-03-30

Bodies, bodies! Big and small, short and tall, young and old—Every BODY is different! *The Bare Naked Book* has been a beloved fixture in libraries, classrooms, and at-home story times since its original publication in 1986. Now, this revised edition is ready to meet a new generation of readers. The text has been updated to reflect current understandings of gender and inclusion, which are also showcased in the brand-new, vibrant illustrations by Melissa Cho. Featuring a note from the author explaining the history of the book and the importance of this updated edition, readers will delight in this celebration of all kinds of bodies.

It's Not the Stork! - Robie H. Harris 2011-08-09

From the expert team behind *IT'S PERFECTLY NORMAL* and *IT'S SO AMAZING!* comes a book for younger children about their bodies — a resource that parents, teachers, librarians, health care providers, and clergy can use with ease and confidence. Young children are curious about almost everything, especially their bodies. And young children are not afraid to ask questions. What makes me a girl? What makes me a boy? Why are some parts of girls' and boys' bodies the same and why are some parts different? How was I

made? Where do babies come from? Is it true that a stork brings babies to mommies and daddies? IT'S NOT THE STORK! helps answer these endless and perfectly normal questions that preschool, kindergarten, and early elementary school children ask about how they began. Through lively, comfortable language and sensitive, engaging artwork, Robie H. Harris and Michael Emberley address readers in a reassuring way, mindful of a child's healthy desire for straightforward information. Two irresistible cartoon characters, a curious bird and a squeamish bee, provide comic relief and give voice to the full range of emotions and reactions children may experience while learning about their amazing bodies. Vetted and approved by science, health, and child development experts, the information is up-to-date, age-appropriate, and scientifically accurate, and always aimed at helping kids feel proud, knowledgeable, and comfortable about their own bodies, about how they were born, and about the family they are part of.

Love Your Body - Jessica Sanders 2020-03-03

What if every young girl loved her body? *Love Your Body* encourages you to admire and celebrate your body for all the amazing things it can do (like laugh, cry, hug, and feel) and to help you see that you are so much more than your body. Bodies come in all different forms and abilities. All these bodies are different and all these bodies are good bodies. There is no size, ability, or color that is perfect. What makes you different makes you, you--and you are amazing! *Love Your Body* introduces the language of self-love and self-care to help build resilience, while representing and celebrating diverse bodies, encouraging you to appreciate your uniqueness. This book was written for every girl, regardless of how you view your body. All girls deserve to be equipped with the tools to navigate an image-obsessed world. Freedom is loving your body with all its "imperfections" and being the perfectly imperfect you!

A Girl's Guide to Puberty & Periods - Marni Sommer 2021-12

A Girl's Guide to Puberty and Periods is a body-positive illustrated book that helps girls, ages 9-14, understand what to expect about puberty and everything that goes with it. The book shares "my first period" stories from girls across the U.S. of all backgrounds to help your child understand that everything they are going through is okay and normal. Parents will appreciate that the book also incorporates factual health content and practical tips developed by health experts at Columbia University. The goal is to

empower girls to feel more confident and knowledgeable about their changing bodies.

Everybody Has a Body - Monica Ashour 2015

I'm a Girl - Shelley Metten 2018-06

The Body Image Book for Girls - Charlotte Markey 2020-09-10

It is worrying to think that most girls feel dissatisfied with their bodies, and that this can lead to serious problems including depression and eating disorders. Can some of those body image worries be eased? Body image expert and psychology professor Dr Charlotte Markey helps girls aged 9-15 to understand, accept, and appreciate their bodies. She provides all the facts on puberty, mental health, self-care, why diets are bad news, dealing with social media, and everything in-between. Girls will find answers to questions they always wanted to ask, the truth behind many body image myths, and real-life stories from girls who share their own experiences. Through this easy-to-read and beautifully illustrated guide, Dr Markey teaches girls how to nurture both mental and physical health to improve their own body image, shows the positive impact they can have on others, and enables them to go out into the world feeling fearless!

Who Has What? - Robie H. Harris 2011

The trusted, New York Times best-selling author of *It's Perfectly Normal* presents the first in a charming and reassuring new picture book series for preschoolers that answers questions that many children ask about themselves and their friends in an entertaining and straightforward way.

Girl in Pieces - Kathleen Glasgow 2018-04-10

Fans of *Girl, Interrupted*, *Thirteen Reasons Why*, and *All the Bright Places* will love this New York Times bestseller. "A haunting, beautiful, and necessary book that will stay with you long after you've read the last page."—Nicola Yoon, #1 New York Times bestselling author of *Everything, Everything* and *The Sun Is Also a Star* Charlotte Davis is in pieces. At seventeen she's already lost more than most people do in a lifetime. But she's learned how to forget. The broken glass washes away the sorrow until there is nothing but calm. You don't have to think about your father and the river. Your best friend, who is gone forever. Or your mother, who has nothing left to give you. Every new scar hardens Charlie's heart just a little more, yet it still hurts so much. It hurts enough to not care anymore, which is sometimes what has to happen before you can find your way back from the edge. A deeply moving portrait of a girl in a world that owes her nothing, and has taken so much, and the journey she undergoes to put herself back together. Kathleen Glasgow's debut is heartbreakingly real and unflinchingly honest. It's a story you won't be able to look away from. And don't miss Kathleen Glasgow's novels *You'd Be Home Now* and *How to Make Friends with the Dark*, both raw and powerful stories of life.

Living Dead Girl - Elizabeth Scott 2009-09-08

After being abducted when she was ten and abused for five years by her kidnapper, Ray, Alice's only hope of freedom is in death, but her only way to achieve such an escape is to help Ray find the next girl for his collection.

Girls, Moral Panic and News Media - Sharon R. Mazzarella 2019-11-07

Mazzarella examines the representational politics behind journalistic constructions of US girls and girlhood through a series of contemporary in-depth case studies which work to document a wider cultural moral panic about the troublesome nature of girls' bodies. The public concern and media fascination with youth so evident in the United States today is a century-old phenomenon. From the flappers of the 1920s to the bobbysoxers of the 1950s, from the hippies of the 1960s and on to the ever-present pregnant teens, this fascination has played out in the media and has consistently focused on (primarily White, middle-class, heterosexual) girls. A growing body of research has revealed the manner in which journalistic practice constructs such girls as problems. *Girls, Moral Panic, and News Media* takes a broad look at U.S. news media constructions of girls, girlhoods, and girls' bodies/sexualities through a series of contemporary in-depth case studies including news coverage of the 2008 Gloucester (MA) High School "pregnancy pact," teen gun control activist Emma González, and the sexualization of "early puberty." In general, the news media constructs girls' bodies as troublesome and in need of adult surveillance and policing. These case studies document a cultural obsession with girls' bodies—an obsession that often approaches moral panic.

This book will be key reading for researchers and instructors in the rapidly growing international and interdisciplinary field of Girls' Studies, and scholars of Media Studies, Cultural Studies, Gender Studies, Communication and Journalism.

Body Drama - Nancy Amanda Redd 2007-12-27

"You'd think a Miss America swimsuit winner would feel completely confident about her body, right? Not always! So I decided to write the book I wish I'd had as a teen and in college—an honest, funny, practical, medically accurate, totally reassuring guide to how women's bodies actually look, smell, feel, behave, and change. Alongside real-deal photographs of women just like you and me (no airbrushing, no supermodels, no kidding) you'll find medical pictures of things you need to be able to recognize, true confessions by yours truly, and the encouragement you need to appreciate the uniqueness, strength, and beauty of your body. What are you waiting for?"—Nancy Redd From fashion magazines to taboo Web sites, curious young women have access to tons of old wives' tales about and thousands of airbrushed and inaccurate images of the female body—misinformation and harmful portrayals that can lead to low self-esteem, self-destructive acts, or even disturbing plastic surgery procedures. Teaming up with a leading physician specializing in adolescent health issues, Harvard graduate and former Miss Virginia Nancy Redd now offers a down-to-earth, healing, and reassuring response to those damaging myths. In *Body Drama*, Redd gives girls insight into the issues they're often too ashamed to raise with a doctor or parent. She also reveals her own experiences with the culture of "American beauty," and shows readers all the many versions of "normal." From body hair and bras, to acne and weight issues, along with crucial issues such as the importance of a healthy self image, *Body Drama* is a groundbreaking book packed with informative fast facts, FYIs, how-tos, and moving personal anecdotes as well as hundreds of un-retouched photographs. A highly visual book, it's the first of its kind for women: filled with real information and real photographs of real bodies, to celebrate all our different shapes and sizes. Named by *Glamour* magazine as one of America's top-ten college women "most likely to succeed—at anything," Redd has spent the most recent years of her life on a mission to tackle the issues least discussed but most significant in young women's lives. Celebrating the many versions of "normal," and replacing seriously erroneous information with the honest, medically proven truth in a language all girls can understand, *Body Drama* dares to empower a new generation—with facts instead of fantasies, and the priceless gift of self-knowledge.

Girls Body Book - Kelli Dunham 2013-10-15

Growing up isn't as easy as it looks. With changing emotions, friends, expectations, and bodies, some days it can seem like life is one big roller coaster ride. The *Girl's Body Book* is here to help with expert advice, common sense tips, fast facts, and answers to all questions a girl might have.

Boys, Girls & Body Science - Meg Hickling 2021-01-30

With humour and sensitivity, *Boys, Girls & Body Science* provides no-nonsense answers for children - and parents - with questions about sex. Specifically designed for young readers, *Boys, Girls & Body Science* walks children through the wonders of their bodies in a direct, easy-to-read manner. The story begins with Nicholas, 7, and Jenny, 5, learning about different types of science in their class - from ecology to the digestive system. Then Meg Hickling, a guest speaker, comes to talk to them about a new type of science. Hickling talks about the "science names" for the children's body parts, about good and bad touches and about making babies. She coaches the children not to be embarrassed or shy about body science: "We are going to make this just like a science lesson, we will learn to think like a scientist and we will learn the scientific names for our private parts," she says. Hickling is a Registered Nurse who has been teaching sexual education for over 25 years. She is an outstanding educator, and her ability to convey difficult material with sensitivity, gentle humour and warmth distinguishes her as a remarkable teacher and role model. In this latest publication, Hickling brings her award-winning lesson into the homes, schools and libraries of inquisitive children everywhere!

What's Happening to My Body? Book for Girls - Lynda Madaras 2009-08-18

The "What's Happening to My Body?" Book for Girls Written by experienced educator and her daughter in a reassuring and down-to-earth style, The "What's Happening to My Body?" Featuring detailed illustrations and real-life stories throughout, plus an introduction for parents and a helpful resource section, this bestselling growing-up guide is an essential puberty education and health book for all boys ages 10 and up.

The Body Project - Joan Jacobs Brumberg 2010-06-09

A hundred years ago, women were lacing themselves into corsets and teaching their daughters to do the same. The ideal of the day, however, was inner beauty: a focus on good deeds and a pure heart. Today American women have more social choices and personal freedom than ever before. But fifty-three percent of our girls are dissatisfied with their bodies by the age of thirteen, and many begin a pattern of weight obsession and dieting as early as eight or nine. Why? In *The Body Project*, historian Joan Jacobs Brumberg answers this question, drawing on diary excerpts and media images from 1830 to the present. Tracing girls' attitudes toward topics ranging from breast size and menstruation to hair, clothing, and cosmetics, she exposes the shift from the Victorian concern with character to our modern focus on outward appearance—in particular, the desire to be model-thin and sexy. Compassionate, insightful, and gracefully written, *The Body Project* explores the gains and losses adolescent girls have inherited since they shed the corset and the ideal of virginity for a new world of sexual freedom and consumerism—a world in which the body is their primary project.

Celebrate Your Body (and Its Changes, Too!) - Sonya Renee Taylor 2021-09-09

A body-positive guide to help girls ages 8 to 12 navigate the changes of puberty Puberty can be a difficult time for a young girl—and it's natural not to know who (or what) to ask. *Celebrate Your Body* is a reassuring entry into puberty books for girls that encourages girls to face puberty with excitement and empowerment. From period care to mysterious hair in new places, this age-appropriate sex education book has the answers you're looking for—in a way you can relate to. Covering everything from bras to braces, this body-positive top choice in books about puberty for girls offers friendly guidance and support when you need it most. In addition to tips on managing intense feelings, making friends, and more, you'll get advice on what to eat and how to exercise so your body is healthy, happy, and ready for the changes ahead. Puberty explained—Discover what happens, when it happens, and why your body (and mind) is amazing in every way. Social skills—Learn how to stand up to peer pressure, stay safe on social media, and keep the right kind of friends. Self-care tips—Choose the right foods, exercises, and sleep schedule to keep your changing body at its best with advice you won't find in other puberty books for girls. This inclusive option in puberty books for girls is the ultimate guide to facing puberty with confidence.

Ready, Set, Grow! - Lynda Madaras 2009-08-18

Ready, Set, Grow! Young girls before the onset of puberty have a curiosity about their soon-to-be changing bodies that needs addressing in a simpler way than for their older sisters. In Madaras's proven, trustworthy, friendly voice and style, this entirely new book now brings them the same kind of thoughtful, down-to-earth information—but at a reading and comprehension level that's just right for them. Responding throughout to real-life questions and observations from younger girls, Madaras explores the changes that are happening, or about to happen, to them, including: the development of breasts, body hair, and body fat; the changes in their reproductive organs, both inside and out; their first period and all the complex feelings surrounding it; the unwelcome appearance of acne and new body odors; and, perhaps most important, how to respect and celebrate their unique bodies, even when the outside world is not always so accepting. Lively cartoon drawings throughout make the book not only helpful, but fun to read, too.

What's with My Body? - Selene Yeager 2011-02-16

All About Girls, Puberty, and Growing Up What preteen or young teen hasn't wondered, "What is up with my body?" even if YOU haven't yet, you will, and that's okay. There really are answers, good answers, to all of your questions. Inside is reassuring, accurate advice for all preteen and young teen girls (and their parents). Presented in a question and answer format, all of the toughest and most important stuff that's on your mind is right here from body changes, skin and hair care, and menstruation to moods, eating disorders, and sexuality. You'll discover what your body is all about and feel great about it and yourself.

The Body Where I was Born - Guadalupe Nettel 2015-06-16

The first novel to appear in English by one of the most talked-about and critically acclaimed writers of new Mexican fiction. From a psychoanalyst's couch, the narrator looks back on her bizarre childhood—in which she was born with an abnormality in her eye into a family intent on fixing it. In a world without the time and space for innocence, the narrator intimately recalls her younger self—a fierce and discerning girl open to life's pleasures and keen to its ruthless cycle of tragedy. With raw language and a brilliant sense of humor, both delicate and unafraid, Nettel strings together hard-won, unwieldy memories—taking us from Mexico City to Aix-en-Provence, France, then back home again—to create a portrait of the artist as a young girl. In these pages, Nettel's art of storytelling transforms experience into inspiration and a new startling perception of reality. "Nettel's eye...gives rise to a tension, subtle but persistent, that immerses us in an uncomfortable reality, disquieting, even disturbing—a gaze that illuminates her prose like an alien sun shining down on our world." —Valeria Luiselli, author of *Sidewalks and Faces in the Crowd* "It has been a long time since I've found in the literature of my generation a world as personal and untransferable as that of Guadalupe Nettel." —Juan Gabriel Vásquez, author of *The Sound of Things Falling* "Nettel reveals the subliminal beauty within beings...and painstakingly examines the intimacies of her soul." —Magazine Littéraire "Guadalupe Nettel's storytelling power is majestic." —Typographical Era In Praise of Natural Histories "Five flawless stories..." —The New York Times "Nettel's stories are as atmospheric and emotionally battering as Chekhov's." —Asymptote

The First Woman - Jennifer Nansubuga Makumbi 2020-08-13

'JENNIFER MAKUMBI IS A GENIUS STORYTELLER.' Reni Eddo-Lodge A SUNDAY TIMES, OBSERVER, DAILY MAIL, BBC CULTURE & IRISH INDEPENDENT BOOK OF THE YEAR A WATERSTONES BEST FICTION BOOK OF THE YEAR OPRAH MAGAZINE BEST OF 2020 A TIME MAGAZINE MUST-READ BOOK OF 2020 A GOOD HOUSEKEEPING BOOK OF THE MONTH (OCTOBER) A BOOKSELLER BOOK OF THE MONTH (OCTOBER) AN AL JAZEERA PICK: TOP BOOKS BY AFRICAN WRITERS, 2020 At once epic and deeply personal, the second novel from prize-winning author Jennifer Makumbi is an intoxicating mix of Ugandan folklore and modern feminism that will linger in the memory long after the final page. As Kirabo enters her teens, questions begin to gnaw at her – questions which the adults in her life will do anything to ignore. Where is the mother she has never known? And why would she choose to leave her daughter behind? Inquisitive, headstrong, and unwilling to take no for an answer, Kirabo sets out to find the truth for herself. Her search will take her away from the safety of her prosperous Ugandan family, plunging her into a very different world of magic, tradition, and the haunting legend of 'The First Woman'.

It's Perfectly Normal - Robie H. Harris 2004

Introduces human sexuality, describes the changes brought about by puberty, and discusses sexual abuse, sexually transmitted diseases, AIDS, and pregnancy.

Body and Soul - Bethany Hamilton 2014-05-06

Bethany Hamilton has become a fitness expert by virtue of being a professional athlete who has excelled—and she's done it while overcoming incredible challenges. Whether you know Bethany or not, whether you surf or not, everyone has challenges, and in *Surfer Style*, Bethany shares some of her core experiences with body, mind and spirit. Sharing her expertise as an athlete, *New You* helps young girls develop a healthy lifestyle, understand their changing bodies, gain confidence, and establish a pattern of healthy living starting at a young age. This book includes workouts specially developed for young girls by Bethany's personal trainer, recipes and information on healthy eating based on "Bethany's food pyramid," which follows the Mediterranean diet, and advice on deepening your spiritual health, for a total body wellness book perfect for growing girls. This isn't a book about Bethany, this is a book about wellness,

becoming your best “you,” through physical and spiritual balance, because spiritual health is just as important as physical health.

My Body, My Self for Girls - Lynda Madaras 2009-08-18

What's happening to my body? Is this normal? This fact-filled journal and activity book makes it fun for girls to find answers to their many questions about the physical and emotional changes that accompany puberty. With quizzes, checklists, games, and illustrations throughout, *My Body, My Self for Girls* also includes journal pages and lots of personal stories addressing girls' concerns, experiences, and feelings during this new stage of their lives.

Perfume - Patrick Suskind 2001-02-13

INTERNATIONAL BESTSELLER • Set in eighteenth-century France, the classic novel that provokes a terrifying examination of what happens when one man's indulgence in his greatest passion—his sense of smell—leads to murder. In the slums of eighteenth-century France, the infant Jean-Baptiste Grenouille is born with one sublime gift—an absolute sense of smell. As a boy, he lives to decipher the odors of Paris, and apprentices himself to a prominent perfumer who teaches him the ancient art of mixing precious oils and herbs. But Grenouille's genius is such that he is not satisfied to stop there, and he becomes obsessed with capturing the smells of objects such as brass doorknobs and fresh-cut wood. Then one day he catches a hint of a scent that will drive him on an ever-more-terrifying quest to create the “ultimate perfume”—the scent of a beautiful young virgin. Told with dazzling narrative brilliance, *Perfume* is a hauntingly powerful tale of murder and sensual depravity. Translated from the German by John E. Woods.

The Body Scoop for Girls - Jennifer Ashton M.D., Ob-Gyn 2009-12-29

An authoritative yet girlfriend-friendly health book for teen and tween girls written by CBS News Medical Correspondent Dr. Jennifer Ashton AS an ob-gyn specializing in adolescent care, Dr. Jennifer Ashton understands better than anyone that being a teenage girl these days is fraught with a special kind of angst. But in her practice she talks openly and nonjudgementally to her young patients like a good friend, answering each of their questions respectfully and with candor. Now she shares this advice in a no-holds-barred guidebook, based on her passion to cut through the embarrassment that girls often feel about their changing bodies and to arm them with the knowledge they need to make smart choices. A comprehensive guide from head to toe, *The Body Scoop for Girls* covers the basics of puberty and beyond, including:

- Breast development and nipple bumps
- The decision to wait to have sex, and the benefits of waiting
- Birth control
- The lowdown on STIs
- Eating Disorders
- Depression and hormone imbalances
- Grooming, from hair removal to hygiene products
- Body piercings

Writing in a funny and fresh, girl-to-girl voice, Dr. Ashton has created a totally up-to-date health book that speaks directly to young women and the unique pressures they face today. From a doctor who "gets it," *The Body Scoop for Girls* makes the road to womanhood an empowering one.

My Body - Emily Ratajkowski 2021-11-09

INSTANT NEW YORK TIMES BESTSELLER "My Body offers a lucid examination of the mirrors in which its author has seen herself, and her indoctrination into the cult of beauty as defined by powerful men. In its more transcendent passages . . . the author steps beyond the reach of any 'Pygmalion' and becomes a more dangerous kind of beautiful. She becomes a kind of god in her own right: an artist." —Melissa Febos, *The New York Times* Book Review A "MOST ANTICIPATED" AND "BEST OF FALL 2021" BOOK FOR * VOGUE * TIME * ESQUIRE * PEOPLE * USA TODAY * CHICAGO TRIBUNE * LOS ANGELES TIMES * SHONDALAND * ALMA * THRILLEST * NYLON * FORTUNE A deeply honest investigation of what it means to be a woman and a commodity from Emily Ratajkowski, the archetypal, multi-hyphenate celebrity of our time Emily Ratajkowski is an acclaimed model and actress, an engaged political progressive, a formidable entrepreneur, a global social media phenomenon, and now, a writer. Rocketing to world fame at age twenty-one, Ratajkowski sparked both praise and furor with the provocative display of her body as an unapologetic statement of feminist empowerment. The subsequent evolution in her thinking about our culture's commodification of women is the subject of this book. *My Body* is a profoundly personal exploration of feminism, sexuality, and power, of men's treatment of women and women's rationalizations for accepting that treatment. These essays chronicle moments from Ratajkowski's life while investigating the culture's fetishization of girls and female beauty, its obsession with and contempt for women's

sexuality, the perverse dynamics of the fashion and film industries, and the gray area between consent and abuse. Nuanced, fierce, and incisive, *My Body* marks the debut of a writer brimming with courage and intelligence.

Wilder Girls - Rory Power 2019-07-09

A NEW YORK TIMES BESTSELLER! "The perfect kind of story for our current era."—Hypable From the author of *Burn Our Bodies Down*, a feminist *Lord of the Flies* about three best friends living in quarantine at their island boarding school, and the lengths they go to uncover the truth of their confinement when one disappears. This fresh debut is a mind-bending novel unlike anything you've read before. It's been eighteen months since the Raxter School for Girls was put under quarantine. Since the Tox hit and pulled Hetty's life out from under her. It started slow. First the teachers died one by one. Then it began to infect the students, turning their bodies strange and foreign. Now, cut off from the rest of the world and left to fend for themselves on their island home, the girls don't dare wander outside the school's fence, where the Tox has made the woods wild and dangerous. They wait for the cure they were promised as the Tox seeps into everything. But when Byatt goes missing, Hetty will do anything to find her, even if it means breaking quarantine and braving the horrors that lie beyond the fence. And when she does, Hetty learns that there's more to their story, to their life at Raxter, than she could have ever thought true. And don't miss Rory Power's second novel, *Burn Our Bodies Down!* Praise for *Wilder Girls*: 4 STARRED REVIEWS! "Take Annihilation, add a dash of Contagion, set it at an all-girls' academy, and you'll arrive at Rory Power's occasionally shocking and always gripping *Wilder Girls*."--Refinery29 "This thrilling saga...is sure to be one of the season's most talked-about books, in any genre."--EW "Fresh and horrible and beautiful...readers will be consumed and altered by *Wilder Girls*."--NPR

More Than a Body - Lexie Kite 2020-12-29

Drs. Lindsay and Lexie Kite know firsthand how hard filtering out media influence is when it comes to self-image. Both struggled as young women to overcome the expectations of body size and shape, but were able to learn to love, appreciate, and reclaim their own bodies, eventually earning their PhDs in body image resilience. The twin sisters founded the nonprofit Beauty Redefined and have made it their mission to help other women see themselves without societal expectations distorting their self-perception. *More than a Body* is a self-help book focused on going beyond body positivity, showing how a mindset focused on appearance sets women up for insecurities and self-judgment. In this book, they offer an action plan for readers to combat that mindset, and instead learn how the body can be "an instrument, not an ornament," with practical, actionable steps to take when consuming media, exercising, practicing self-reflection and self-compassion, and finding a purpose in life.

Guy Stuff - Cara Familian Natterson 2017

The Ultimate Girls' Body Book - Walt Larimore, MD 2013-12-24

Because Growing Up Shouldn't Be a Mystery Girls' bodies do the craziest things! They can kick soccer balls and spin perfect pirouettes, or they can trip up the stairs and break out in zits. As you grow and your body goes through some pretty wild changes, you might be wondering things like: Why don't I look like her? I have to use that? Is this normal? And, Why is this happening to me? The Ultimate Body Book for Girls answers all those awkward questions you'd rather not ask your mom—at least out loud. Mixing fun with great advice, you'll learn about bras, boys, periods, pimples, and so much more. Most importantly, you'll learn that God made you exactly the way he wants you—no matter how weird growing up can be.

The Care & Keeping of You - Valorie Lee Schaefer 2013-02-26
