Primates of Park Avenue -

Wednesday Martin 2016-05-31

"Like an urban Dian Fossey, Wednesday Martin decodes the primate social behaviors of Upper East Side mothers in a brilliantly original and witty memoir about her adventures assimilating into that most secretive and elite tribe. After marrying a man from the Upper East Side and moving to the neighborhood, Wednesday Martin struggled to fit in.

Drawing on her background in anthropology and primatology, she tried looking at her new

world through that lens, and suddenly things fell into place. She understood the other mothers' snobbiness at school drop-off when she compared them to olive baboons. Her obsessional quest for a Hermes Birkin handbag made sense when she realized other females wielded them to establish dominance in their troop. And so she analyzed tribal migration patterns; display rituals; physical adornment, mutilation, and mating practices; extra-pair copulation; and more. Her conclusions are smart, thought-provoking, and hilariously unexpected. Every city has its Upper East Side, and in Wednesday's memoir, readers everywhere will recognize the strange cultural codes of powerful social hierarchies and the compelling desire to climb them. They will also see that Upper East Side mothers want the same things for their children that all mothers want-- safety, happiness, and success-- and not even sky-high penthouses and chauffeured SUVs can protect this

Downloaded from
lauradower.com on by
guest

ecologically released tribe from the universal experiences of anxiety and loss. When Wednesday's life turns upside down, she learns how deep the bonds of female friendship really are. Intelligent, funny, and heartfelt, *Primates of Park Avenue* lifts a veil on a secret, elite world within a world--the exotic, fascinating, and strangely familiar culture of privileged Manhattan motherhood"--

The Case of the Rich Woman

- Agatha Christie 2013-10-22
Previously published in the print anthology *Parker Pine Investigates*. Mrs. Abner Rymer needs help from Parker Pyne. She may be a rich widow, but she's been shunned by her friends and is very lonely. After Pyne takes her to see Dr. Constantine, an Oriental sage, Mrs. Rymer passes out and awakens with a totally different identity!

I Am a Wealthy Woman Because I Refuse to Be Abused - Jean Marlo Davis
2021-09-29

I Am a Wealthy Woman Because I Refuse to be Abused:

My Road to Achieving Total Prosperity by Jean Marlo Davis
In the span of one moment, everything can change. Your life as you knew it previously is gone, and you have to face your new reality, whatever that may be. Author Jean Marlo Davis experienced this when she was abandoned by her husband and left to care for their four children on her own with no resources. In that moment of despair, she had to step up like never before, and God began to pull her out of the pit she was in. Through *I Am a Wealthy Woman Because I Refuse to be Abused: My Road to Achieving Total Prosperity*, Jean shows readers that God wants us to be not only financially prosperous but to walk in prosperity in every area of our lives. This book is not just about money but is about believing in yourself, working on yourself, and walking in your divine authority. When you do this, you will become a wealthy woman who refuses to be abused. Jean Marlo Davis is an ex-IRS auditor, mentor, coach,

*Downloaded from

speaker, and owner of multiple businesses, who has used her experiences as a single mom to help teach others about wealth and financial prosperity. Jean has time freedom and money freedom. She has been featured on Good Day Atlanta, Fox News, CBS, and countless radio shows, and she was a featured speaker on a 100-city tour with actor Danny Glover and millionaires Jack Zuffelt and Ken Rolfness that taught about the tax advantages of owning a business. She is happily remarried to the man of her dreams and has written this book to show both women and men that no matter what you may go through in life, you can not only survive but can thrive. Jean wants her reader's to remember that they can Have, Be, Do, Anything!

The Feminist Financial Handbook - Brynne Conroy
2018-10-15

A modern woman's guide to making and managing money with practical advice and real-life success stories from the founder of FemmeFrugality.com.

Numbers may not care about your gender—but numbers are hardly the driving force behind your financial future. Getting ahead can be difficult when systemic oppression has placed hurdles between you and your aspirations. But it's far from impossible. The *Feminist Financial Handbook* provides real women the resources and motivation they need to live their wealthiest lives. Author Brynne Conroy shares practical advice on saving, financial planning and more while delving into issues that disproportionately affect women, like the wage gap or the long road to economic recovery after experiencing domestic violence. The *Feminist Financial Handbook* features stories and advice from women of all walks of life who have been there, worked through the struggle, and achieved personal success. Brynne Conroy teaches you how to: Decide what wealth and success means for you Earn more and negotiate effectively Master manageable money-saving methods

Gilded Suffragists - Johanna Neuman 2017-09-05

In the early twentieth century over two hundred of New York's most glamorous socialites joined the suffrage movement. Although they were dismissed by critics as bored socialites, these gilded suffragists were at the epicenter of the great reforms known collectively as the Progressive Era. From championing education for women, to pursuing careers, and advocating for the end of marriage, these women were engaged with the swirl of change that swept through the streets of New York City.

The Beauty of Her Age - Jenifer Roberts 2016-07-15

The story of a French ballerina who became richer than the Queen.

Rich Girl, Broke Girl - Kelley Keehn 2021-12-14

The bestselling author of *Talk Money to Me* teaches women how to feel confident about their money, save and spend wisely, and advocate for themselves. Do you want to know how to pay off that debt

and start saving? Ready to negotiate a salary raise or better benefits? Do financial terms and options make your head spin? Here's the good news: we as women have more financial freedom and money now than ever before. Here's the bad news: when it comes to money, many women become paralyzed by financial management and sometimes even defer big decisions to other people, much to their detriment. What's the solution? Financial empowerment. In this handy guide, you will learn how to: -Discuss money with your partner -Determine realistic and attainable goals -Negotiate for the salaries and benefits you deserve -Splurge occasionally while still saving money -Understand financial risks and make good investments -Gain control of your financial destiny With years of experience as a personal finance educator, bestselling author Kelley Keehn will give you the tools you need to keep and grow your wealth, even if you don't have much to start from—yet. This unique

book brings to life the most common financial conundrums women face, teaching you how to save, spend, invest, and plan for a strong financial future.

The Richest Woman in the World - M G Lambert

2014-12-01

Yesterday, July 16, 1898,

Louise Lambert's mother was beaten to death by her boss in a shirt factory in Lower Manhattan. Today, her immigrant mother was laid to rest in a charity grave, leaving Louise, 14, orphaned, penniless, desperate. Louise is pulled from the brutality of the seething ghetto streets and swept into the magic of great wealth by her mother's only friend, Cecilia, who arranges a maid's job for Louise in the home of Henry Flagler, a major partner of John. D. Rockefeller in the Standard Oil Company. The remarkable journey of this naive girl delights, startles, shocks, saddens, and intrigues as she unveils the minds and mansions of the super rich and ultra powerful-from oil tycoons and media muckrakers to Teddy Roosevelt, then

governor of New York. Louise's journey takes her to Palm Beach, where she discovers the richest people in the world at Flagler's major hotel, the Royal Poinciana-the epitome of the Gilded Age. As a member of the kitchen staff, Louise is captivated by a handsome fisherman who introduces her to the sea and the glories of Florida. Also pursued by the privileged son of a real estate scion, Louise is forced to make a choice between these two ardent suitors. That choice leads Louise to a life no one could have ever predicted or designed. Book One of this trilogy is the threshold to a life that defies grim reality and wild imagination. After conquering her baptism of fire, the once impoverished girl develops into a tenacious young woman, then into a character bigger than life. She is ready for the dream world she never imagined. Or is she? Bonus Chapter for Book Two As a special "thank you" gift with your purchase of this first book introducing you to Louise Lambert, we have included the

can actually get rich, to the small steps taken - like developing a will power, showing gratitude, getting into the right business - have been explained in detail, in everyday terms. Read on, and find out the secret behind changing your life and the way you earn.

ABCs of Buying Rental Property - Ken McElroy
2020-09-29

Many Americans dream of financial freedom, but they're stuck in dead-end jobs and don't know how to get there. You don't need to be one of them. If you invested \$35,000 in the stock market today, it could take 52 years for that investment to grow to \$1 million. But if you invested that same amount into one single-family \$140,000 rental property, it would only take 19 years. With just two rental properties, you could generate \$417,000 in profit in just 10 years. Skeptical? Good, because that's the first sign of a smart investor. This book will tackle that skepticism head on... and give you confidence

and a path to financial freedom. THIS BOOK WILL TEACH YOU HOW TO: - Secure your investment money - Find your ideal market--and a positive-cash-flow property - Efficiently manage your property - Handle your record keeping - Boost revenues and cut costs - File your taxes using a step-by-step process - Build your real estate portfolio

Millionaire Women Next Door - Thomas J. Stanley
2004-05

Also available from Slim Aarons: Poolside with Slim Aarons, Slim Aarons: Once Upon a Time, Slim Aarons: A Place in the Sun, and Slim Aarons: La Dolce Vita.

The Richest Woman in

America - Janet Wallach

2013-06-04

No woman in the Gilded Age made as much money as Hetty Green, America's first female tycoon. A strong woman who

forged her own path, she was worth at least \$100 million by the end of her life in 1916—equal to about \$2.5 billion today. Green was mocked for her simple Quaker ways and her unfashionable frugality in an era of opulence and excess; the press even nicknamed her "The Witch of Wall Street." But those who knew her admired her wit and wisdom, and while financiers around her rose and fell as financial bubbles burst, she steadily amassed a fortune that supported businesses, churches, municipalities, and even the city of New York. Janet Wallach's engrossing biography reveals striking parallels between past financial crises and current recession woes, and speaks not only to history buffs but to today's investors, who just might learn a thing or two from Hetty Green.

It's Not About the Money -
Catherine Morgan 2021-12-12

The way we treat money is a mirror reflection of how we treat ourselves. We give so much of our power away to the feelings inspired by money and our relationship with it. It's time to redirect that power, to move from feeling disempowered to empowered ... from not good enough to more than good enough ... from unworthy to deserving. We need to look at money through a trauma-informed lens. We need to distil the little traumas and the big traumas from our unconscious mind, from our belief systems, in order to change our perception of money to one of empowerment. This book will help you to do that. It's not about the money: 3 Steps to Be a Wealthy Woman guides us through the journey from Financial Insecurity to Financial Freedom through the lense of

financial trauma and the emotions of money. Catherine Morgan shares stories, inspiring thoughts, practical steps and powerful exercises, distilled through the lens of financial past, financial present and financial future in order to equip you to manage your money, mind and the behaviours that have prevented you from having more money, keeping hold of it and growing it. Catherine Morgan is a multi-award winning qualified Financial Planner and award-winning Certified Financial Coach, on a mission to reduce financial anxiety and increase financial empowerment & resilience for 1 million women around the world. Featured as One of the top 32 female entrepreneurs to look out for in Business Leader. She is host to the top 1% global podcast 'In Her Financial Shoes, ' and featured in the Financial Times, The Times, Marie Claire, Forbes and the Independent.

From Worry to Wealthy - Chellie Campbell 2015-02-03
Achieve Financial Freedom from *Life with Chellie Campbell's No-Stress Success Plan!* Why is it that women are earning more than ever before yet still feel powerless when it comes to money? When it comes to financial security, it's time for us to stop feeling insecure. *From Worry to Wealthy* is the guide every savvy career woman needs to succeed on her own terms. In this empowering book, personal finance guru Chellie Campbell draws on proven strategies from her popular *Financial Stress Reduction* workshops to help women win at work and life, including how to:

- Harness the four Cs of career success: Confidence, Charisma, Clients, and Cash

- Avoid common pitfalls like the Attitude That Will Kill Your Business: "I Can't Do It Myself" and working for praises vs. raises
- Earn support for your goals from spouses and loved ones
- Gain business knowledge from everything you do (even playing poker!) With her unique female perspective, relatable anecdotes, and easy-to-follow advice, Campbell offers an indispensable road map for every woman to create a successful, happy life at any time. "Chellie does a brilliant job providing a road map for mastering the financial tools necessary to lead a life created by you and for you. A must-read and a gift for every woman at every stage of life." - Betsy Myers, founding director of the Center for Women and Business at Bentley University and former White House adviser on women's issues "If you're looking to master your money and your life, you've got to read this book." - Carol Kline, coauthor of *New York Times* bestsellers *Happy for No Reason* and *Love for No Reason*

We Need to Talk: A Memoir about Wealth - Jennifer Risher 2020

"We Need to Talk: A Memoir About Wealth gives voice to an experience millions share, but no one discusses: what it's like to be rich. The book is an honest, personal story that explores the hidden impact of wealth on identity, relationships, and sense of place in the world. Too often, we link net-worth to self-worth and keep quiet about how our finances make us feel. Money is a taboo subject. The author hopes We Need to Talk becomes a catalyst for conversation that demystifies wealth, gets us talking on a personal level, and confirms we are ninety-nine percent the same. In 1991, at twenty-six years old, Jennifer took a job at Microsoft and got lucky. She met her future husband, David, and the stock options she was granted were worth hundreds of thousands of dollars. His were worth far more. Years later, when David joined a small, unknown start-up called Amazon.com, she got lucky

again. They both did. They were in their early thirties and had tens of millions of dollars. It was amazing. The freedom and benefits were obvious. But after growing up saving her pennies and being wary of the rich, Jennifer was embarrassed to have joined their ranks. She wasn't worried about being liked for her money, she was worried about being hated for it. People looked at her differently. She didn't know how to ensure her children stayed motivated and not entitled, was shocked when a friend asked for \$25,000, discovered philanthropy isn't as straightforward as just writing a check, and grappled with the meaning of enough. For years, she didn't share her dilemmas with others for fear of being judged. No one talks about money-but we should"--

The Unfit Heiress - Audrey Clare Farley 2021-04-20

For readers of *The Immortal Life of Henrietta Lacks* and *The Phantom of Fifth Avenue*, a page-turning drama of fortunes, eugenics and women's reproductive rights framed by the sordid court battle between Ann Cooper Hewitt and her socialite mother. At the turn of the twentieth century, American women began to reject Victorian propriety in favor of passion and livelihood outside the home. This alarmed authorities, who feared certain "over-sexed" women could destroy civilization if allowed to reproduce and pass on their defects. Set against this backdrop, *The Unfit Heiress* chronicles the fight for inheritance, both genetic and monetary, between Ann Cooper Hewitt and her mother Maryon. In 1934, aided by a California eugenics law, the socialite Maryon Cooper Hewitt had her "promiscuous" daughter declared feeble-minded and sterilized without her knowledge. She

did this to deprive Ann of millions of dollars from her father's estate, which contained a child-bearing stipulation. When a sensational court case ensued, the American public was captivated. So were eugenicists, who saw an opportunity to restrict reproductive rights in America for decades to come. This riveting story unfolds through the brilliant research of Audrey Clare Farley, who captures the interior lives of these women on the pages and poses questions that remain relevant today: What does it mean to be "unfit" for motherhood? In the battle for reproductive rights, can we forgive the women who side against us? And can we forgive our mothers if they are the ones who inflict the deepest wounds?

Women & Money (Revised and Updated) - Suze Orman
2018-09-11

Achieve financial peace of mind with the million-copy #1 New York Times bestseller, now revised and updated, featuring an entirely new Financial

Empowerment Plan and a bonus chapter on investing. The time has never been more right for women to take control of their finances. The lessons, revelations, and shocks of the past few years have made it clear that standing in our truth is the only way to care for ourselves, our families, and our finances. With her signature mix of insight, compassion, and practical advice, Suze equips women with the financial knowledge and emotional awareness to overcome the blocks that have kept them from acting in the best interest of their money—and themselves. Whether you are single or in a committed relationship, a successful professional, a worker struggling to make ends meet, a stay-at-home parent, or a creative soul, Suze offers the possibility of living a life of true wealth, a life in which you own the power to control your destiny. At the center of this fully revised and updated edition, Suze presents an all-new Financial Empowerment Plan, designed to get you to a

The Black Woman

Millionaire - Venus Opal Reese 2018-04-16

Standard Edition Note: This Edition of "The Black Woman Millionaire" delivers all of Dr. Venus' insight, wisdom, and unconventional genius without any expletives. Perfect for use in churches, university curricula, professional women's organizations, corporate trainings, and book clubs. Enjoy! Becoming a Black Woman Millionaire is a revolutionary act. It flies in the face of history. It's spitting in history's face. Look, sis, do I have permission to tell the truth about why you are not a black woman millionaire-yet? Can I just talk to you, sister to sister? No pretense, no political correctness, just real

and raw? (This is going to sound sooooo bad...) I can tell you why your business hasn't bloomed. Why you stay at a job that is beneath you. Why no matter how hard you work or how many degrees you get, you live paycheck to paycheck... I can tell you the real reason you lie awake at night tired, stressed, and sleepless, because no matter how much you slave at your business or at that job or in that cubicle, you never feel like you are enough or that you make enough... Do you want to know the truth about why you make big moves and big money #iseeyou #makeyourpapergirl but you are "cash-flow poor"-regardless of your high net-worth tax bracket? Then this is the book, the answer, and the salve for hurts you might not even know you're carrying that directly affect your money. From the streets of Baltimore, to Stanford Ph.D. to (multiple) Black Woman Millionaire, Dr. Venus takes you by the hand and walks you through the spiritual landmine of our "cultural consciousness" that

show up in your money so you can defy your impossible to become a 7-Figure sister. This daring and ruthlessly compassionate book sheds an unapologetic light on the impact Slavery has had on Black Women's sense of self in terms of money. Mixing intimate personal stories, searing truth, and emotionally healing action items to start immediately healing money wounds, this book is a must-have for sisters who know they have a destiny to fulfill. Part memoir, part personal-transformation, and part business development, *The Black Woman Millionaire* serves as a street-smart salve for Black Women to heal their brokenness, so they don't have to spend their lives broke-regardless of income level. Edgy, instructional, and inspirational, this book will teach you how to emancipate yourself-emotionally, spiritually, and financially-so that you alter the financial future of your bloodline.

If you've ever dreamed of meeting and marrying a 6 or 7 figure-earning man, this is the book for you. Ladies, peep Game!
Heiresses - Laura Thompson
2022-02-15

New York Times bestselling author Laura Thompson returns with *Heiresses*, a fascinating look at the lives of heiresses throughout history and the often tragic truth beneath the gilded surface. *Heiresses*: surely they are among the luckiest women on earth. Are they not to be envied, with their private jets and Chanel wardrobes and endless funds? Yet all too often

guest

those gilded lives have been beset with trauma and despair. Before the 20th century a wife's inheritance was the property of her husband, making her vulnerable to kidnap, forced marriages, even confinement in an asylum. And in modern times, heiresses fell victim to fortune-hunters who squandered their millions. *Heiresses* tells the stories of these million dollar babies: Mary Davies, who inherited London's most valuable real estate, and was bartered from the age of twelve; Consuelo Vanderbilt, the original American "Dollar Heiress", forced into a loveless marriage; Barbara Hutton, the Woolworth heiress who married seven times and died almost penniless; and Patty Hearst, heiress to a newspaper fortune who was arrested for terrorism. However, there are also stories of independence and achievement: Angela Burdett-Coutts, who became one of the greatest philanthropists of Victorian England; Nancy Cunard, who lived off her mother's fortune

and became a pioneer of the civil rights movement; and Daisy Fellowes, elegant linchpin of interwar high society and noted fashion editor. *Heiresses* is about the lives of the rich, who—as F. Scott Fitzgerald said—are 'different'. But it is also a bigger story about how all women fought their way to equality, and sometimes even found autonomy and fulfillment.

When She Makes More -

Farnoosh Torabi 2014-05-01
As seen on CNBC's Follow the Leader "Farnoosh's groundbreaking book will save more relationships than couples counseling ever could."

—Barbara Stanny, author of *Secrets of Six-Figure Women Today*, a record number of women are their household's top-earner. But if you're that woman, you face a much higher risk of burnout, infidelity, and divorce. In this important and timely book, personal finance expert Farnoosh Torabi candidly addresses how income imbalances affect relationships

Downloaded from

and family dynamics, and presents a bold strategy to achieving happiness at work and home. Torabi's ten essential rules include:

- Buy Yourself a Wife: Outsource as many household tasks as possible to bring more peace and happiness to both your lives
- Don't Assume a Mr. Mom is Best: The math might say he should quit his job, but doing so can be dangerous.
- Understand the Male Brain: Know how men think and what motivates their behavior to communicate effectively, share responsibilities, and avoid power struggles in your relationship.

The Wealthy Woman - Mary Waring 2014-01

Do you want to be more confident about your finances? Do you want to be a wealthy woman? "Wealthy" will mean different things to different women. It doesn't necessarily mean "rolling in it" and having so much money that you'll enter The Times 'rich list'. It may simply mean you feel confident you will have enough money to do the things that you

plan to do in the future, no matter how lavish or frugal a lifestyle you lead. This book will guide you on your journey to become a wealthy woman by showing you how taking small steps on a regular basis can lead to a significant increase in your wealth. It's easy to be wealthy just as easy as it is to be poor. There's very little difference in the way you can become either. You are in a position where you can improve your wealth. Whatever your dreams and aspirations around money there is nothing to stop you moving towards those dreams.

The Unapologetically Wealthy Woman - Olivia Jaras 2021-04-19

the money you want.- Drop the crippling anxiety that plagues most women and begin creating a new financial reality for yourself TODAY.- Make more money than you've ever made before.The Unapologetically Wealthy Woman will demystify the truth about women, money, and how you can take back control of your financial reality. By the time you are done with this book, you'll know how to crack the code of financial liberation and abundance for yourself and all other women in your life.

Repeat After Me, I AM a WEALTHY WOMAN - Tomeico Faison 2017-11-27

Ladies, this collection of fifty poems will inspire you to confidentially proclaim, "I AM A WEALTHY WOMAN!" Tomeico was born to teenage parents who both dropped out of high school. She remembers a dysfunctional household, frequent evictions, the divorce, the \$236 per month welfare check, sleeping three people to a twin bed, food stamps, working in tobacco 10 hours a day for \$20 a day, giving

plasma twice a week to make money while working two jobs in college....but in the mist of it she remembers a mindset, a mindset that always looked beyond circumstances and into possibilities.SHE PROCLAIMS, " I AM A WEALTHY WOMAN." This mindset allowed her to be a first generational college graduate, acquire a million dollars in real estate without ever putting any money down (along with her husband who is a first generational college graduate and a wealthy man) and open and run a therapy business for almost 15 years that focuses on non-traditional service provision.God has blessed her with this mindset and she is called to share this mindset with others. Repeat after me, I AM A WEALTHY WOMAN is an inspirational book of prose and poetry to remind women that we are fearfully and wonderfully made to live a life of wealth and abundance REGARDLESS of our current circumstances. Tomeico Faison has had to reflect on her own definition of success. Although material

*Downloaded from
lauradower.com on by
guest*

wealth is part of her definition, it not the only thing that she values. She values time with God, her husband, children, family and friends. She values being able to make a positive impact on others daily through service-oriented entrepreneurial endeavors. She values good health, freedom, poetry and nature. And the list goes on. If we do not know what we value or how we define success, we will be blinded by society's materialistic view of success. God owns everything and if we focus on what He calls us to do, all will be well! Tomeico Faison encourages you to take some time in a room all alone and think about what you spend your time on. Does what you say is important actually match what you do or is there an ironic disconnect between the two? Wealthy women, it is time to connect with God and be all that He has called us to be! Tomeico Faison recently discovered that the pronunciation of her first name in Japanese is "To-miko" and means "wealth and

abundance." The meaning is fitting because part of her mission is to inspire others to live a life full of wealth and abundance!

Wealthy Wife - Cyndi M. Harris
2015-08-09

Who is a wealthy wife? She is a woman who understands her strengths & how to be strong without pushing away others. The idea of having to prove herself never crosses her mind because, she is confident in who she is and while she appreciates others. She has no need for their approval. She loves fearlessly & fully. Because, she understands love is an experience she is unwilling to live without. She is open to love; embracing the delicate balance of "Me" with "We" a loving, thriving, and willing partnership with another. She indulges in exquisite self care. She understands her ability to give and receive depends on how good she feels: Emotionally Mentally Physically Spiritually She remembers her greatness. She allows her intuition and inner wise woman to guide her

as she offers guidance to those who seek her assistance. She moves in a way that captivates and mesmerizes others. She speaks with a wisdom that comes from a deeper connection to her most feminine and Divine self. Her femininity is her greatest treasure. She enjoys the softer aspects of herself. She never allows it to become lost in the popular call to action that is so aggressive and unbending. She appreciates and honors the masculine. And, she prefers to work with the masculine in a way that complements her femininity. She knows that trying to counter masculine behavior with masculine like behavior can have disastrous results. Her words empower and motivate. This is important because, she knows she is the foundation who: Natures Supports And sets the pace for positive change and true evolution. Men adore, cherish, and honor her. They seek to uplift and protect her. They feel at ease and appreciated in her presence. Other women admire her. She is a role model

others seek to emulate. She is a wealthy wife. A woman who is: Healthy (Takes care of her body and mind.) Wealthy (Understands the principles and energetic nature of finances in order for her and her loved ones to thrive.) And wise. (Allows her intuitive side to guide her and others.) She is a true leader of our changing world. Now it is your turn to thrive with the right man and love match for you. Stop playing small, it serves noone for you to be less than you are truly meant to be.

Hetty - Charles Slack
2011-04-05

When J. P. Morgan called a meeting of New York's financial leaders after the stock market crash of 1907, Hetty Green was the only woman in the room. The Guinness Book of World Records memorialized her as the World's Greatest Miser, and, indeed, this unlikely robber baron -- who parlayed a comfortable inheritance into a fortune that was worth about 1.6 billion in today's dollars -- was frugal to a fault. But in an age when

women weren't even allowed to vote, never mind concern themselves with interest rates, she lived by her own rules. In *Netty*, Charles Slack reexamines her life and legacy, giving us, at long last, a splendidly "nuanced portrait" (Newsweek) of one of the greatest -- and most eccentric -- financiers in American history. This P.S. edition features an extra 16 pages of insights into the book, including author interviews, recommended reading, and more.

Think and Grow Rich for Women - Sharon Lechter
2014-06-17

Women are the future of American business. According to a recent Nielsen report, women will control two-thirds of American consumer wealth in less than a decade. And yet almost all business and success literature is still written for men—dispensing advice that doesn't take into account women's unique strengths or address the demands of family life on mothers. *Think and Grow Rich for Women* is a

powerful new book—from the award-winning author of *Think and Grow Rich: Three Feet from Gold* and coauthor of the multimillion-selling *Rich Dad, Poor Dad*. It combines Hill's classic *Thirteen Steps to Success* with case studies of noteworthy women (including Sandra Day O'Connor, Maya Angelou, Katie Couric, Caroline Kennedy, Madonna, Oprah Winfrey, Margaret Thatcher, Condoleeza Rice, J. K. Rowling, Barbara De Angelis, Marianne Williamson, Angela Merkel, Mary Kay Ash, IBM CEO Ginni Rometty and many more), outlining a master plan for success for all women.

Of Woman Born: Motherhood as Experience and Institution - Adrienne Rich
2021-04-27

The pathbreaking investigation into motherhood and womanhood from an influential and enduring feminist voice, now for a new generation. In *Of Woman Born*, originally published in 1976, influential poet and feminist Adrienne Rich examines the patriarchic systems and political

Downloaded from

institutions that define motherhood. Exploring her own experience—as a woman, a poet, a feminist, and a mother—she finds the act of mothering to be both determined by and distinct from the institution of motherhood as it is imposed on all women everywhere. A “powerful blend of research, theory, and self-reflection” (Sandra M. Gilbert, *Paris Review*), *Of Woman Born* revolutionized how women thought about motherhood and their own liberation. With a stirring new foreword from National Book Critics Circle Award-winning writer Eula Biss, the book resounds with as much wisdom and insight today as when it was first written.

The Rich Boy - Francis Scott Fitzgerald 2021-08-04

The Rich Boy - Francis Scott Fitzgerald - Fitzgerald's short story "The Rich Boy" (like his novel *The Great Gatsby*) utilizes an outside narrator to tell the story of a wealthy protagonist in a sympathetic but still somewhat distanced way. Here the protagonist is

Anson Hunter, a well-to-do young New Yorker, who would seem to have the whole world ahead of him and the streets paved in gold. By his early twenties, he has found his ideal woman as well: the exquisite -- and very rich -- Paula Legendre. On the surface, Paula would not seem to be the type of girl that would exert such a pull on Anson. Anson seems to have a lot of oats to sow, and Fitzgerald describes Paula as being "conservative and rather proper." But he is, nonetheless, obsessed by her, not because she represents the money he wants -- after all, he already has enough of his own -- but because she represents the social system that justifies his existence. In his world, responsible older men (like his uncle Robert) hold the reins of government and business; chaste and proper women (like Paula and her mother) maintain the rules of propriety and etiquette; and, until they get old enough to assume the mantle of responsible older manhood, playboys like Anson play. That is all Anson thinks

Downloaded from
lauradower.com on by
guest

he is doing right now. Just as he sees in himself the undeveloped kernel of a future leader, he sees in Paula the kernel of a future society matron. He thinks they would make a good pair. What he doesn't realize, however, is that his virtually unlimited wealth has within it the power to corrupt him, and it's already doing a good job. His first problem is that he sees himself as superior. He carries himself that way; Fitzgerald says that ". . . He had a confident charm and a certain brusque style, and the upper-class men who passed him on the street knew without being told that he was a rich boy and had gone to one of the best schools. . . . Anson accepted without reservation the world of high finance and high extravagance, of divorce and dissipation, of snobbery and of privilege."

Rag Woman, Rich Woman - Margaret Thomson Davis 1990 Set in Glasgow during the Depression, this is the story of a woman determined to better herself. This book is the prequel to *Wounds of War* and

Daughters and Mothers.
The Wealth Gap - Rachel Bondi
2007-01-01

Before you ask another "rich dad" for financial advice, read what author Rachel Bondi, a self-made, wealthy mom of four, has to say about money and the sexes!
