Clic-book Digital Media's new SPANISH PHRASE BOOK ** The best digital companion for study and travel ** Do you want to speak Spanish? This book will help you to understand and express the basics quickly and effectively. Designed and written for electronic devices, the SPANISH PHRASE BOOK is a reliable, easy-to-use resource for anyone who needs Spanish for work or travel. Perhaps you can already 'get by' in Spanish, but want to know more? This book will let you expand your knowledge, focusing on a wide range of situations, including: Meeting people | General conversation | Numbers & measurements | Sight-seeing | Entertainment | Travel | Hotels & accommodation | Driving | Health: illness, doctors and medicines | Emergencies | Shopping | Food & drink (lots of this!) | Business | Jobs | Education | Communications | Bank & money | Police & crime | Technology | The weather | Sports & hobbies | Time, date, year | Special days & celebrations | Family life | Pets | Describing people | Emotions | Religion For those who simply want to be able to communicate in Spanish when visiting a Spanish-speaking country, this book is the perfect start. Are you sick of pointing to things when you want to buy them? Now you don't have to! And if you're a beginner, the simple pronunciation guide to every word and phrase means that learning to speak Spanish can be a quick and straightforward process. With all these topics at your fingertips, you will be able to: - Conduct essential conversations - Share and request important information - Read menus and other information and order exactly what you want - Ask advice and get the best out of your vacation - Take control of your vacation or business trip ~ * ~ Whatever your needs, this phrase book is an incredibly useful way to carry the basics around with you. Ideal for quick access, it contains over 1,500 of the most useful phrases in the Spanish language, arranged in practical, everyday topics. Each phrase is translated into Spanish, and is accompanied by a simple transcription for pronunciation, allowing you to pronounce the phrase correctly, every time. Whether you are traveling for business or learning Spanish for pleasure, Clic-book's new SPANISH PHRASE BOOK will become your best digital companion. Full list of contents: 1. PHRASE BOOK. Fifty-seven sections, arranged by topic, to introduce you to all the essential phrases you will need to communicate in Spanish. Each phrase comes in English, Spanish, and in an easy-to-read pronunciation format (using normal letters, not phonetic symbols). 2. PRONUNCIATION TIPS AND GRAMMAR. Some basic information to help you use the phrase book and dictionary, including an explanation of the pronunciation of Spanish, and the transcriptions used in this book. 3. DICTIONARY. A 5000-word English-to-Spanish mini dictionary to provide you with easy access to all the most useful vocabulary. 4. 100 'clickable' tests. Arranged by topic, these randomised quizzes let you test your knowledge of the most common phrases and words in the book. A great way to revise and expand your understanding and recall of Spanish. 5. 60 PROMPT CARDS. Download the PDFs of sixty single-sheet prompt cards, each one on a specific topic. Each card contains the most essential vocabulary and phrases for a specific situation. They are designed so that you can have them in your hand for immediate prompts. British spelling is used throughout, although for some technical and scientific words the more common international/American spellings have been used. We hope you enjoy the book, and that it proves helpful to

you, whether on vacation, business, or if you are learning Spanish for pleasure. ¡Buena suerte! (good luck!)

Raising Children Bilingually in the United States - Iulia Pittman 2015-06-18

Bilingualism in the world is the norm, rather than the exception. Unlike in other countries where

bilingualism often survives over numerous generations, in the United States, it generally takes two or three generations for a minority language to be lost. In a country where the very definition of "American" embodies the intersection of different languages, cultures, and ethnicities, the assimilation process into American culture often takes place at the expense of minority languages and cultur ...

Spanish for Social Services: Basic Spanish Series - Ana Jarvis 2010-01-25

BASIC SPANISH FOR SOCIAL SERVICES is a career manual designed to serve those in the social services professions who seek basic conversational skills in Spanish. Written for use in two-semester or three-quarter courses, it presents everyday situations that pre-professionals and professionals may encounter when dealing with Spanish-speaking clients, patients, and personnel in the United States at work settings such as hospitals and Department of Social Services offices. BASIC SPANISH FOR SOCIAL SERVICES introduces practical vocabulary, everyday on-the-job situations, and culture notes (Notas culturales) written from a cross-cultural perspective. It provides students with opportunities to apply, in a wide variety of practical contexts, the grammatical structures presented in the corresponding lessons of the Basic Spanish core text. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

I Love My Mom Con Yêu Mẽ - Shelley Admont 2017-02-19

Annotation copyrighted by Book News, Inc., Portland, OR

The Spanish Language of New Mexico and Southern Colorado - Garland D. Bills 2008-12-16

The Spanish language and Hispanic culture have left indelible impressions on the landscape of the southwestern United States. The role of cultural and geographical influence has had dramatic effects on the sustainability of the Spanish language and also its development and change. In a linguistic exploration that delves into a language as it is spoken by the Hispanic population of New Mexico and southern Colorado,

historical substantiation shows the condition of New Mexican Spanish and what the future holds for its speakers. With two major dialect regions, one in the north and one in the south, detailed maps illustrate the geography of linguistic variation for the Spanish spoken in the region, whose generations of speakers were not only influenced by other languages, but also developed their own variations of words and structure out of need or innovation. This diverse language has evolved since its origin in Spain with influences that include Native American languages, exposure to English, and Mexican immigration in the twentieth century. Snippets of New Mexican folklore and folk etymology give voice to that evolution. Though this work doesn't attempt to save the New Mexican Spanish language, Bills and Vigil detail the effects of inevitable encroachment that intensified during the twentieth century and seriously threaten the continued viability of this unique dialect.

Postcolonial Approaches to Latin American Children's Literature - Ann González 2018-01-31

In this volume González explores how the effects of a traumatic colonial experience are (re)presented to Latin American children today, almost two centuries after the dismantling of colonialism proper. Central to this study is the argument that the historical constraints of colonialism, neocolonialism, and postcolonialism have generated certain repeating themes and literary strategies in children's literature throughout the Spanish-speaking Americas. From the outset of Spanish domination, fundamental tensions emerged between the colonizers and native groups that still exist to this day. Rather than a felicitous mixing of these two opposing groups, the mestizo is caught between contrasting worldviews, contending explanations of reality, and different values, beliefs, and epistemologies (that is, different ways of seeing and knowing). Postcolonial subjects experience these contending cultural beliefs and practices as a double bind, a no-win situation, in which they feel pressured by mutually exclusive expectations and imperatives. Latin American mestizos, therefore, are inevitably conflicted. Despite the vastness of the geography in question and the innumerable variations in regional histories, oral traditions, and natural settings, these contradictory demands create a pervasive dynamic that penetrates the very fabric of society, showing up intentionally or not in the stories passed from generation to generation as well as in new stories written or adapted for Spanish-speaking children. The goal of this study, therefore, is to examine a variety of children's texts from the region to determine how national and hemispheric perceptions of reality, identity, and values are passed to the next generation. This book will appeal to scholars in the fields of Latin American literary and cultural studies, children's literature, postcolonial studies, and comparative literature.

Latin American Transnational Children and Youth - Victoria Derr 2020-12-30

Latin American Transnational Children and Youth focuses on understanding young people's connection to nature and place within a transnational and Latin American context. It serves to diversify, elaborate, and sometimes challenge the assumptions made in researching people and place, and unearths the complexities of a world in which the identity of many is not shaped by a single place or culture, but instead by complex interactions among these. Spanning across ages and geographies, the book explores the central themes of sense of place, identity, and environmental action, with an emphasis on Latinx and Indigenous communities. This book balances theoretical questions with geographically contextual empirical research. Each section is situated in current interdisciplinary research and provides geographically specific examples of children and youth's perspectives on place relations, migration, transnationalism, and an emerging demographic of environmentalists. Contributors from Latin America and the United States advance the fields of childhood and youth studies, environmental psychology, geography, sociology, planning, and education. This book looks across the Americas, to see how young people experience their worlds and constructively contribute to their places and environments.

Spanish Second Language Acquisition - Barbara Armstrong Lafford 2003

While the focus is on the acquisition of Spanish as a second language, this is also an extremely useful volume for second language theoreticians and practitioners involved in all aspects of the pedagogy of other second languages. Students, teachers, program administrators, and scholars alike will benefit from the insights that the contributors bring to the myriad issues that language professionals confront."--BOOK JACKET.

Children's Spanish Books: Mi Papa Es el Mejor - Sujatha Lalgudi 2015-03-02

Cuadros Student Text, Volume 4 of 4: Intermediate Spanish - Sheri Spaine Long 2012-01-01

Each CUADROS volume sets a realistic pace, seamlessly transitioning students from Introductory to Intermediate Spanish. Preliminary Chapters at the start of Volumes 2, 3, and 4 review and recycle previously covered material to bridge the gap between semesters and prepare students to move on. Volumes 1 & 2 cover Introductory Spanish and Volumes 3 & 4 cover Intermediate Spanish. CUADROS follows a pay-as-you-go model, allowing your students to USE the volume they need, WHEN they need it! Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Stories for Children: Spanish Edition - Shyam Mehta 2014-03

Children today need love and happiness in their lives. They do not need more and more toys and computers and Ipods. This book provides some lovely stories for both adults and for adults to read to children.

Women's Autobiographies - Nancy A. Walker 1991

First Published in 1991. Routledge is an imprint of Taylor & Francis, an informa company.

Language Development and Disorders in Spanish-speaking Children - Alejandra Auza Benavides 2017-06-13

Prominent researchers from the US, Mexico, Chile, Colombia and Spain contribute experimental reports on language development of children who are acquiring Spanish. The chapters cover a wide range of dimensions in acquisition: comprehension and production; monolingualism and bilingualism; typical development, children who are at risk and children with language disorders, phonology, semantics, and morphosyntax. These studies will inform linguistic theory development in clinical linguistics as well as offer insights on how language works in relation to cognitive functions that are associated with when children understand or use language. The unique data from child language offer perspectives that cannot be drawn from adult language. The first part is dedicated to the acquisition of Spanish as a first or second language by typically-developing children, the second part offers studies on children who are at risk of language delays, and the third part focuses on children with specific language impairment, disorders and syndromes.

Book 1 Spanish Basics (Grades 3-6) - Mi Camino Spanish 2017-03-17

Spanish Basics by Mi Camino Spanish(TM) is a workbook created by a Spanish teacher especially designed for elementary school students in grades 3-5. Children's Engagement in the World - Artin Göncü 1999-05-13

This volume, first published in 1999, examines children's development and education within a social and cultural context.

International LGBTQ+ Literature for Children and Young Adults - B.J. Epstein 2021-08-17

This edited collection explores LGBTQ+ literature for young readers around the world, and connects this literature to greater societal, political, linguistic, historical, and cultural concerns. It brings together contributions from across the academic and activist spectra, looking at picture books, middle-grade books and young adult novels to explore what is at stake when we write (or do not write) about LGBTQ+ topics for young readers. The topics include the representation of sexualities and gender identities; depictions of queer families; censorship; links between culture, language and sexuality/gender; translation of LGBTQ+ literature for young readers; and self-publishing. It is the first collection to expand the study of LGBTQ+ literature for young readers beyond the English-speaking world and to draw cross-cultural comparisons.

Many Pathways to Literacy - Eve Gregory 2004-02-19

Based on extensive research that proves that children actively make sense of literacy outside the official schooling and parental tuition they receive, this book examines how young children take literacy learning

into their own hands.

Topics in Spanish Linguistic Perceptions - Luis Alfredo Ortiz-López 2021-09-30

Topics in Spanish Linguistic Perceptions brings together the most current research on linguistic perceptions of varieties of Spanish. The book includes articles from a range of expert contributors using different methodologies and looking at diverse sociolinguistic settings. Readers will gain a rich understanding of the importance of linguistic perceptions and the societal attitudes they are linked to. Readers will also gain insight into the interplay between socioeconomic groups, and educational and linguistic norms and the perception of non-standardized forms of Spanish. The volume highlights the relationship between language and social perceptions and will be of particular interest to researchers and students in Hispanic linguistics, sociophonetics, and sociolinguistics.

Dialogue in Spanish - Dale April Koike 2010

"Dialogue in Spanish" provides a strong theoretical and empirical foundation for the study of dialogue. This edited collection of twelve original studies contributes to a broad comprehension of dialogue in two general contexts: personal interactions among friends and family; and public speech, such as political debates, medical interviews, court translations and service encounters. The studies, written by authors from Canada, Mexico, Spain, Sweden, the United States and Venezuela, present an in-depth look at issues and elements of dialogue such as irony, narrativity, discourse markers, coherence, conflict and expectations. Background research on dialogue grounds the articles in such areas as discourse analysis, pragmatics, philosophy, sociology, anthropology and linguistics. The book will prove useful to those who study conversational interaction, pragmatics, and discourse analysis as applied to various functions and contexts, and it will be of particular interest to researchers and students of linguistics, anthropology, sociology, philosophy, communications and education.

Recommended Books in Spanish for Children and Young Adults - Isabel Schon 2008-12-23

Following the same format as the highly praised 2000-2004 edition, Recommended Books in Spanish for Children and Young Adults, 2004-2008 is an outstanding reference tool that includes annotated entries for more than 1,200 books in Spanish published between 2004 and 2008 in the U.S., Spain, Mexico, Venezuela, and Argentina. Each entry includes an extensive critical annotation, title in Spanish as well as English, tentative grade level, and approximate price. The books have been selected because of their quality of art and writing, presentation of material and appeal to the intended audience, and support the informational, educational, recreational and personal needs of Spanish speakers from preschool through the twelfth grade. Whether used for the development and support of an existing library collection or for the creation of a new library serving Spanish-speaking young readers, the books in this volume are of value to Spanish-speaking children and young adults (or those who wish to learn Spanish). This volume is arranged in four sections: Reference, Nonfiction (Philosophy, Psychology, Religion, Social Science, Folklore, Language, Science, Technology, Health and Medicine, The Arts, Recreation and Sports, Literature, Poetry, Geography, History, and Biography), Publishers' Series, and Fiction (Easy Books, General Fiction and Graphic Novels). This volume also includes an appendix of merchants who sell books in Spanish, as well as author, title, and subject indexes.

A New Reference Grammar of Modern Spanish - John B. Butt 2018-10-26

A New Reference Grammar of Modern Spanish is a comprehensive, cohesive and clear guide to the forms and structures of Spanish as it is written and spoken today in Spain and Latin-America. It includes clear descriptions of all the main grammatical phenomena of Spanish, and their use, illustrated by numerous examples of contemporary Spanish, both Peninsular and Latin-American, formal and informal. Fully revised and updated, the sixth edition is even more relevant to students and teachers of Spanish. The sixth edition includes: • new chapters, providing more detail and examples of key areas of Spanish grammar; • an increased number of Mexican examples to reflect the growing interest in this country's variety of Spanish; • new information for readers studying Spanish and French together; • a glossary of grammatical terms including English translations of Spanish terms. The combination of reference grammar and manual of current usage is invaluable for learners at level B2-C2 of the Common European Framework for Languages, and Intermediate High-Advanced High on the ACTFL proficiency scales.

Teaching, Reading, and Writing in Spanish in the Bilingual Classroom - Yvonne S. Freeman 1997

Teaching Reading and Writing in Spanish in the Bilingual Classroom provides essential support for those working to develop Spanish-English biliteracy in grades K-6.

A New Reference Grammar of Modern Spanish - John Butt 2013-09-05

For many years A NEW REFERENCE GRAMMAR OF MODERN SPANISH has been trusted by students and teachers as the standard English-language reference grammar of Spanish. Now updated to include the latest findings of the Royal Spanish Academy's official grammar book, 'La Nueva gramática de la lengua española', making A NEW REFERENCE GRAMMAR OF MODERN SPANISH FIFTH EDITION even more relevant to students and teachers of Spanish. Key features of this fifth edition include: a 'Guide to the Book', enabling you to make the most of this new edition new vocabulary such as topical and technological terms, bringing you up-to-date with contemporary spoken Spanish more Latin-American Spanish, ensuring world-wide coverage clearer guidance to recommended usage -advice on the Academy's latest spelling rules. Whether a student or a teacher of Spanish, you can be sure that this fifth edition of A NEW REFERENCE GRAMMAR OF MODERN SPANISH will provide you with a comprehensive, cohesive and clear guide to the forms and structures of Spanish as it is written and spoken today in Spain and Latin America.

Speak Basic Spanish--in No Time - Larry C. Rios 2004-10

A guide for people who want to learn conversational Spanish provides advice on pronunciation, the basics

of grammar, and learning techniques, as well as dialogues, sentences, and vocabulary, along with information on Hispanic culture.

Drive-In Spanish for Kids - Passport Books 2000-05

Teaches Spanish language basics with songs and games.

Bilingualism and Identity - Mercedes Niño-Murcia 2008

Sociolinguists have been pursuing connections between language and identity for several decades. But how are language and identity related in bilingualism and multilingualism? Mobilizing the most current methodology, this collection presents new research on language identity and bilingualism in three regions where Spanish coexists with other languages. The cases are Spanish-English contact in the United States, Spanish-indigenous language contact in Latin America, and Spanish-regional language contact in Spain. This is the first comparativist book to examine language and identity construction among bi- or multilingual speakers while keeping one of the languages constant. The sociolinguistic standing of Spanish varies among the three regions depending whether or not it is a language of prestige. Comparisons therefore afford a strong constructivist perspective on how linguistic ideologies affect bi/multilingual identity formation.

Language Hacking Spanish - Benny Lewis 2017-03-28

It's true that some people spend years studying Spanish before they finally get around to speaking the language. But here's a better idea. Skip the years of study and jump right to the speaking part. Sound crazy? No, it's language hacking. Unlike most traditional language courses that try to teach you the rules of Spanish, #LanguageHacking shows you how to learn and speak Italian through proven memory techniques, unconventional shortcuts and conversation strategies perfected by one of the world's greatest language learners, Benny Lewis, aka the Irish Polyglot. Using the language hacks -shortcuts that make learning simple - that Benny mastered while learning his 11 languages and his 'speak from the start' method, you will crack the language code and exponentially increase your language abilities so that you can get fluent faster. It's not magic. It's not a language gene. It's not something only "other people" can do. It's about being smart with how you learn, learning what's indispensable, skipping what's not, and using what you've learned to have real conversations in Spanish from day one. The Method #LanguageHacking takes a modern approach to language learning, blending the power of online social collaboration with traditional methods. It focuses on the conversations that learners need to master right away, rather than presenting language in order of difficulty like most courses. This means that you can have conversations immediately, not after years of study. Each of the 10 units culminates with a speaking 'mission' that prepares you to use the language you've learned to talk about yourself. Through the language hacker online learner community, you can share your personalized speaking 'missions' with other learners - getting and giving feedback and extending your learning beyond the pages of the book . You don't need to go abroad to learn a language any more.

My Dad - Debbie Bailey 1991

Young children describe all the things they do with their fathers. On board pages.

The Acquisition of Spanish Grammar by Native Spanish Speaking Children - Gustavo González 1978

Games and Play in the Theater of Spanish American Women - Catherine Larson 2004

In the seventeen dramatic texts examined in this study, women writers from Spanish America have self-consciously incorporated games into their plays' structures to highlight from a woman's perspective the idea that life, as well as the theatre, is a game. Some dramas are so overtly about games that the word appears significantly in their titles. Others reflect game playing in less direct ways or connect metatheatrical examinations of role-playing to the ludic. In every drama examined, however, a game of some sort plays a key role in the construction of the playtest. By looking at the nature and number of the games played in these women-authored dramas from the past fifty years, we can see the ways in which play is used to effect social control and the connections between play and aggression, gender, history and politics. In these representative dramas, the theatre serves as a vehicle for encouraging audiences to think about (if not act upon) the issues that have shaped Spanish America. Games, rules, winners and losers join together as the playwrights explore events and times of fundamental importance in the countries' historical

and political evolutions.

A Manual of Materials, Aids and Techniques for the Teaching of Spanish to English-speaking

Children - El Paso Public Schools 1955
