"Horse Crazy!" is a jam-packed treasure chest of a book that will keep horse-obsessed kids ages eight and up busy for hours on end. It offers practical information about horses, from anatomy and history to the details of training, grooming, and showing. It also has lots of great ideas for horse-related projects, such as writing horse

stories and drawing or photographing horses. There are books to read, movies to see, unusual ways to have fun

with a horse, tips on how to choose a horse camp, information on horse-loving careers, and much more.
