It is your definitely own era to proceed reviewing habit. in the middle of guides you could enjoy now is **Trump Saggio Filosofico Sul Predominio Degli Stronzi** below.

Last Bus to Wisdom - Ivan Doig 2016-08-16
Named a Best Book of the Year by the Seattle Times and Kirkus Review The final novel from a great American storyteller. Donal Cameron is being raised by his grandmother, the cook at the legendary Double W ranch in Ivan Doig's beloved Two Medicine Country of the Montana Rockies, a landscape that gives full rein to an eleven-year-old's imagination. But when Gram has to have surgery for "female trouble" in the summer of 1951, all she can think to do is to ship Donal off to her sister in faraway Manitowoc, Wisconsin. There Donal is in for a rude surprise: Aunt Kate—bossy, opinionated, argumentative, and tyrannical—is nothing like her sister. She henpecks her good-natured husband, Herman the German, and Donal can't seem to get on her good side either. After one contretemps too many, Kate packs him back to the authorities in Montana on the next Greyhound. But as it turns out, Donal isn't traveling solo: Herman the German has decided to fly the coop with him. In the immortal American tradition, the pair light out for the territory together, meeting a classic Doigian ensemble of characters and having rollicking misadventures along the way. Charming, wise, and slyly funny, *Last Bus to Wisdom* is a last sweet gift from a writer whose books have bestowed untold pleasure on countless readers.

Cinema of the '70s Magazine Issue 1 (Colour Edition) - John Harrison 2020-11-21
Issue 1 of *Cinema of the '70s Magazine* examines movies made between 1970 and 1979. Containing an array of articles written by

established professionals and knowledgeable amateurs, this publication offers in-depth articles, light reviews and informative overviews on an eclectic range of topics. The inaugural edition features a study of Kelly's Heroes by John Harrison; a look at the collaborative efforts of Clint Eastwood and Don Siegel by James Cadman; an insightful examination of the two Poseidon Adventure movies by Steven West; a detailed overview of the Hammer films of the decade by Ian Taylor; John H. Foote's argument why Francis Ford Coppola should be labelled the most important filmmaker of the decade; and a thorough exploration of Doc Savage: The Man of Bronze by John Allen Small. We also have exclusive interviews with British actress Judy Matheson and Oscar-nominated star Candy Clark... and much more besides! The colour version contains an extensive gallery of images throughout, all vibrantly complementing the text. What are you waiting for - welcome to the edgiest, grittiest, grooviest and most exciting decade of cinema - the Cinema of the '70s!
Enjoy!

The Dog Ate My Homework - Aaron James 2018

The Politics of Public Administration Reform in Italy - Sabrina Cavatorto 2021-07-09
This book provides a stimulating presentation of the Italian administrative system through an empirical and critical perspective on the processes of administrative reform at the national level. It focuses on some of the most recent changes developed during the years of

austerity and fiscal crisis and offers an updated perspective on the attempts made by Italian governments to modernize national public administration through the 'new public management' and 'governance' paradigms. These frameworks have been suggested as models to enhance efficiency, transparency, accountability and public participation. The book studies international and supranational influence, policy diffusion, domestic politics and institutional dynamics, administrative traditions, and functional explanations—all determinants of policy outputs and outcomes, and possibly of policy learning as well. This book is the first to set out such a comprehensive and up-to-date analysis for non-Italian readers.

Father, I Have Sinned - James Aaron Parmelee
2010-10-13

A teacher fighting demons... Is there life after death? An American English teacher in Bangkok is intrigued by his school's Virgin Mary statues weeping tears of real blood seemingly over the abuse and trafficking of children. With diligence, perseverance and a bit of good luck, he achieves personal fame by stopping clerical pedophiles in their tracks around the world except for a couple of vicious demons he overlooked in his own school...

Analytical Institutions in Four Books - Maria Gaetana Agnesi 1801

The Paradox of Oscar Wilde - George Woodcock
1978

Inside the Wire - Erik R. Saar 2005

This is a shocking and gripping story of an American GI's six months at the Guantanamo Bay detainee camp where he served as an Arabic translator and took part in the interrogations of the Muslim prisoners.

First As Tragedy, Then As Farce - Slavoj Žižek
2009-10-05

Examines the failure of liberalism during the threatened collapse of financial systems in the 2009 worldwide recession, during which large amounts of cash were distributed to save financial institutions without regard for other liberal objectives.

The Enemy of the People - Jim Acosta
2020-06-16

A New York Times bestseller. From CNN's

veteran Chief White House Correspondent Jim Acosta, an explosive, first-hand account of the dangers he faces reporting on the current White House while fighting on the front lines in President Trump's war on truth, featuring new material exclusive to the paperback edition. In Mr. Trump's campaign against what he calls "Fake News," CNN Chief White House Correspondent, Jim Acosta, is public enemy number one. From the moment Mr. Trump announced his candidacy in 2015, he has attacked the media, calling journalists "the enemy of the people." Acosta presents a damning examination of bureaucratic dysfunction, deception, and the unprecedented threat the rhetoric Mr. Trump is directing has on our democracy. When the leader of the free world incites hate and violence, Acosta doesn't back down, and he urges his fellow citizens to do the same. At Mr. Trump's most hated network, CNN, Acosta offers a never-before-reported account of what it's like to be the President's most hated correspondent. Acosta goes head-to-head with the White House, even after Trump supporters have threatened his life with words as well as physical violence. From the hazy denials and accusations meant to discredit the Mueller investigation, to the president's scurrilous tweets, Jim Acosta is in the eye of the storm while reporting live to millions of people across the world. After spending hundreds of hours with the revolving door of White House personnel, Acosta paints portraits of the personalities of Sarah Huckabee Sanders, Stephen Miller, Steve Bannon, Sean Spicer, Hope Hicks, Jared Kushner and more. Acosta is tenacious and unyielding in his public battle to preserve the First Amendment and #RealNews.

RaW Hero, Vol. 2 - Akira Hiramoto 2020-07-21
Now get going. Do justice. Thanks to finally landing a job-and also infiltrating the villainous Special Ability Liberation Front-Chiaki feels he's seen enough excitement to last a lifetime. But when he finds a gorgeous woman he just met passed out in public, Chiaki decides the responsible thing to do is carry her back to his place! A thrilling night awaits him, but can he last until morning...or will the experience make Chiaki forget that he has a heroic new mission to complete?

Machine Tool Operation - Henry D Burghardt

The Coast of Chicago - Stuart Dybek
2004-04-03

The stolid landscape of Chicago suddenly turns dreamlike and otherworldly in Stuart Dybek's classic story collection. A child's collection of bottle caps becomes the tombstones of a graveyard. A lowly rightfielder's inexplicable death turns him into a martyr to baseball. Strains of Chopin floating down the tenement airshaft are transformed into a mysterious anthem of loss. Combining homely detail and heartbreakingly familiar voices with grand leaps of imagination, *The Coast of Chicago* is a masterpiece from one of America's most highly regarded writers.

Deadpool Volume 10 - 2012-04-11

Would the real Wade Wilson please stand up? Deadpool returns to America, but he's not coming home alone! When a collection of Deadpool's discarded body parts meld to form an evil clone, the Merc With a Mouth faces off against himself for the crown of most hated former mercenary turned super hero turned pirate turned intergalactic bounty hunter. But their explosive confrontation brings the NYPD, Interpol and even Captain America bearing down on Deadpool, and he'll have to convince them all there's an even crazier, less principled version of himself on the loose! Plus: *Deadpool: The Musical!* Collecting DEADPOOL (2008) #45-49 and #49.1.

Skybound X #5 - Robert Kirkman 2021-08-04
RICK GRIMES 2000 concludes! Plus, new THE SIX SIDEKICKS OF TRIGGER KEATON and GASOLINA stories! ALSO, something COMPLETELY NEW from ROBERT KIRKMAN and JASON HOWARD! SECRETS!

Justice League (2018-) #62 - Brian Michael Bendis 2021-06-01

The Justice League! The biggest heroes! The biggest threats! With their powers out of control and trapped on a world they do not understand, the League must band together like never before. Queen Hippolyta is forced to confront her new destiny. All this and a last page so shocking that it will have fans of Naomi screaming! Meanwhile, in our bonus story, the Justice League Dark are trapped in the Library of Babel, where they are learning the hard way that the pen is mightier than their swords. Elsewhere, Merlin sets his sights on a lost city that hides the key to his violent delights. Could this mean a violent end for all?

Assholes - Aaron James 2016

That Donald Trump is an asshole is a fact widely agreed upon even by his supporters, who actually like that about him. But his startling political rise makes the question of just what sort of asshole he is, and how his assholedom may help to explain his success, one not just of philosophical interest but of almost existential urgency. Enter the philosopher Aaron James, author of the foundational text in the burgeoning field of Asshole Studies: the bestselling *Assholes: A Theory*. In this brisk and trenchant inquiry into the phenomenon that is Donald Trump, James places the man firmly in the typology of the asshole (takes every advantage, entrenched sense of entitlement, immune to criticism); considers whether, in the Hobbesian world we seem to inhabit, he might not somehow be a force for good i.e., the Stronger Asshole; and offers a suggestion for how the bonds of our social contract, spectacularly broken by Trump's (and Ted Cruz's) disdain for democratic civility, might in time be repaired. You will never think about Donald Trump the same way after reading this book. And, like it or not, think about him we must. From the Hardcover edition.

Money From Nothing - Robert Hockett
2020-09-15

A major work of financial theory and practice

with immediate relevance to the rebuilding of the economy, and restoring the promise of equality. When the government decides to spend money, it simply creates the necessary funds for itself--as if out of thin air. That's how we pay for interstate highways, post offices, wars, social services, and economic stimulus packages. If it's that easy to make money . . . can't we all get more of it? Absolutely. And we should. So argue financial regulation expert Robert Hockett and bestselling philosopher Aaron James in this eye-opening, irreverent, and inspiring exploration of what the dollar really is. And better still, they show how we can build an economy that works for everybody without unwanted taxes and added regulations. In the process, we learn how disingenuous the political rhetoric surrounding inflation can be, how the demonized concept of the deficit is really just another way of tallying our collective national wealth, and how a strong central bank could free us from the abuses of private banking. With broad historical background and ambitious yet practical institutional proposals, Hockett and James offer a new vision of public finance--people's banking for a people's economy. Armed with this new outlook, we can even stop worrying about debt and learn to love a strong, accountable, and transparent Federal Reserve as a cornerstone of our democracy.

Deadpool: Assassin - Cullen Bunn 2018-10-24
Collecting *Deadpool: Assassin* #1-6. Cullen Bunn, master of the *Deadpool* limited series, joins comics legend Mark Bagley to set the assassin against his own kind! The Assassins Guild, that is! They're gunning for *Deadpool* and anybody he cares about, and Wade's healing factor is about to be put to the ultimate test by the knife-wielding speedster called *Harvester*! And even if *Deadpool* is lucky enough to survive that encounter, the nefarious ne'er-do-wells lining up to take their shot will make that showdown look like a walk in the park! But the Guild picked the wrong Merc to mess with. And soon *Deadpool* and his pals will take the fight to the assassins and hit them where they live -- literally! But in an all-out assault on the Assassins Guild's HQ, not everybody will make it out in one piece!
Heidegger on Technology - Aaron James Wendland 2018-09-10

This collection offers the first comprehensive and definitive account of Martin Heidegger's philosophy of technology. It does so through a detailed analysis of canonical texts and recently published primary sources on two crucial concepts in Heidegger's later thought: *Gelassenheit* and *Gestell*. *Gelassenheit*, translated as 'releasement', and *Gestell*, often translated as 'enframing', stand as opposing ideas in Heidegger's work whereby the meditative thinking of *Gelassenheit* counters the dangers of our technological framing of the world in *Gestell*. After opening with a scholarly overview of Heidegger's philosophy of technology as a whole, this volume focuses on important Heideggerian critiques of science, technology, and modern industrialized society as well as Heidegger's belief that transformations in our thought processes enable us to resist the restrictive domain of modern techno-scientific practice. Key themes discussed in this collection include: the history, development, and defining features of modern technology; the relationship between scientific theories and their technological instantiations; the nature of human agency and the essence of education in the age of technology; and the ethical, political, and environmental impact of our current techno-scientific customs. This volume also addresses the connection between Heidegger's critique of technology and his involvement with the Nazis. Finally, and with contributions from a number of renowned Heidegger scholars, the original essays in this collection will be of great interest to students of Philosophy, Technology Studies, the History of Science, Critical Theory, Environmental Studies, Education, Sociology, and Political Theory.

Fall Back Down When I Die - Joe Wilkins 2019-03-12

For readers of *My Absolute Darling* and *Fourth of July Creek*, a "riveting and timely" Montana story about the unbreakable bond between a young man and the abandoned boy put in his care (Jess Walter), as old grievances of land and blood are visited upon them. Wendell Newman, a young ranch hand in Montana, has recently lost his mother, leaving him an orphan. His bank account holds less than a hundred dollars, and he owes back taxes on what remains of the land his parents owned, as well as money for the

surgeries that failed to save his mother's life. An unexpected deliverance arrives in the form of seven-year-old Rowdy Burns, the mute and traumatized son of Wendell's incarcerated cousin. When Rowdy is put under his care, what begins as an ordeal for Wendell turns into a powerful bond, as he comes to love the boy more than he ever thought possible. That bond will be stretched to the breaking point during the first legal wolf hunt in Montana in more than thirty years, when a murder ignites a desperate chase. Caught on the wrong side of a disaffected fringe group, Wendell is determined both to protect Rowdy and to avoid the same violent fate that claimed his own father. A gripping story set in a fractured and misunderstood community, *Fall Back Down When I Die* is a haunting and unforgettable tale of sacrificial love. Finalist for the Center for Fiction First Novel Prize

The Laying On Of Hands - Alan Bennett
2014-05-09

Clive Dunlop was a masseur of exceptional talents. His 'services' were much in demand amongst the great and the good and after his untimely death at the age of 34 they -- the film stars and politicians, the writers and publishers, the TV pundits and celebrity chefs -- are gathered for his memorial service. The conduct of the service is a great worry for the priest taking the service, but it proves to be a test for the congregation. This is Alan Bennett at his absolute best with an exceptional satire. It is a perfect work of fiction but it will give readers the extra frisson of pleasure of identifying many of the characters, including even the masseur. This is a small masterpiece.

Assholes - Aaron James 2012-10-30

In the spirit of the mega-selling *On Bullshit*, philosopher Aaron James presents a theory of the asshole that is both intellectually provocative and existentially necessary. What does it mean for someone to be an asshole? The answer is not obvious, despite the fact that we are often personally stuck dealing with people for whom there is no better name. Try as we might to avoid them, assholes are found everywhere—at work, at home, on the road, and in the public sphere. Encountering one causes great difficulty and personal strain, especially because we often cannot understand why exactly someone should be acting like that. Asshole management begins

with asshole understanding. Much as Machiavelli illuminated political strategy for princes, this book finally gives us the concepts to think or say why assholes disturb us so, and explains why such people seem part of the human social condition, especially in an age of raging narcissism and unbridled capitalism. These concepts are also practically useful, as understanding the asshole we are stuck with helps us think constructively about how to handle problems he (and they are mostly all men) presents. We get a better sense of when the asshole is best resisted, and when he is best ignored—a better sense of what is, and what is not, worth fighting for.

Differential Diagnoses in Surgical Pathology: Soft Tissue and Bone - Elizabeth A. Montgomery
2020-05-21

New in the Differential Diagnosis in Surgical Pathology series, this abundantly illustrated title helps you systematically solve tough diagnostic challenges in soft tissue and bone pathology. It uses select images of clinical and pathological findings, together with succinct, expert instructions and diagnostic pearls, to guide you through the decision-making process by distinguishing between commonly confused lesions of soft tissue and bone. By presenting material according to the way pathologists actually work, this user-friendly volume helps you quickly differentiate entities that have overlapping morphologic features.

The Floating World - C. Morgan Babst
2017-10-17

“Set in New Orleans, this important and powerful novel follows the Boisdoré family . . . in the months after Katrina. A profound, moving and authentically detailed picture of the storm’s emotional impact on those who lived through it.” —People In this dazzling debut about family, home, and grief, C. Morgan Babst takes readers into the heart of Hurricane Katrina and the life of a great city. As the storm is fast approaching the Louisiana coast, Cora Boisdoré refuses to leave the city. Her parents, Joe Boisdoré, an artist descended from freed slaves who became the city’s preeminent furniture makers, and his white “Uptown” wife, Dr. Tess Eshleman, are forced to evacuate without her, setting off a chain of events that leaves their marriage in shambles and Cora catatonic—the victim or

perpetrator of some violence mysterious even to herself. This mystery is at the center of Babst's haunting and profound novel. Cora's sister, Del, returns to New Orleans from the successful life she built in New York City to find her hometown in ruins and her family deeply alienated from one another. As Del attempts to figure out what happened to her sister, she must also reckon with the racial history of the city and the trauma of a disaster that was not, in fact, some random act of God but an avoidable tragedy visited on New Orleans's most vulnerable citizens.

Separately and together, each member of the Boisidoré clan must find the strength to remake home in a city forever changed. *The Floating World* is the Katrina story that needed to be told—one with a piercing, unforgettable loveliness and a vivid, intimate understanding of this particular place and its tangled past.

The Oceans - Eelco Rohling 2020-07-14

The 4.4-billion-year history of the oceans and their role in Earth's climate system It has often been said that we know more about the moon than we do about our own oceans. In fact, we know a great deal more about the oceans than many people realize. Scientists know that our actions today are shaping the oceans and climate of tomorrow—and that if we continue to act recklessly, the consequences will be dire. Eelco Rohling traces the 4.4-billion-year history of Earth's oceans while also shedding light on the critical role they play in our planet's climate system. This timely and accessible book explores the close interrelationships of the oceans, climate, solid Earth processes, and life, using the context of Earth and ocean history to provide perspective on humankind's impacts on the health and habitability of our planet.

The American Church Catholic - James Aaron Bolles 1867

Yarichin Bitch Club, Vol. 4 (Yaoi Manga) -

Ogeretsu Tanaka 2022-02-08

Having survived a camping trip with the Photography Club, a group whose main extracurricular activity is offering its sexual services to the student body, Takashi Tono is suddenly thrust into the club's next group excursion—a summer hot springs retreat! Meanwhile, even the club's veterans of debauchery can't escape the worst fate of

all—true love! -- VIZ Media

The Adult Knee - John J. Callaghan 2003

House of Trump, House of Putin - Craig Unger 2019-09-03

THE NEW YORK TIMES BESTSELLER “The story Unger weaves with those earlier accounts and his original reporting is fresh, illuminating and more alarming than the intelligence channel described in the Steele dossier.”—The Washington Post *House of Trump, House of Putin* offers the first comprehensive investigation into the decades-long relationship among Donald Trump, Vladimir Putin, and the Russian Mafia that ultimately helped win Trump the White House. It is a chilling story that begins in the 1970s, when Trump made his first splash in the booming, money-drenched world of New York real estate, and ends with Trump's inauguration as president of the United States. That moment was the culmination of Vladimir Putin's long mission to undermine Western democracy, a mission that he and his hand-selected group of oligarchs and Mafia kingpins had ensnared Trump in, starting more than twenty years ago with the massive bailout of a string of sensational Trump hotel and casino failures in Atlantic City. This book confirms the most incredible American paranoias about Russian malevolence. To most, it will be a hair-raising revelation that the Cold War did not end in 1991—that it merely evolved, with Trump's apartments offering the perfect vehicle for billions of dollars to leave the collapsing Soviet Union. In *House of Trump, House of Putin*, Craig Unger methodically traces the deep-rooted alliance between the highest echelons of American political operatives and the biggest

players in the frightening underworld of the Russian Mafia. He traces Donald Trump's sordid ascent from foundering real estate tycoon to leader of the free world. He traces Russia's phoenix like rise from the ashes of the post-Cold War Soviet Union as well as its ceaseless covert efforts to retaliate against the West and reclaim its status as a global superpower. Without Trump, Russia would have lacked a key component in its attempts to return to imperial greatness. Without Russia, Trump would not be president. This essential book is crucial to understanding the real powers at play in the shadows of today's world. The appearance of key figures in this book—Paul Manafort, Michael Cohen, and Felix Sater to name a few—ring with haunting significance in the wake of Robert Mueller's report and as others continue to close in on the truth.

The Shadow of the Vulture - Robert Ervin Howard 2020-12-08

"The Shadow of the Vulture" by Robert Ervin Howard. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Supreme - Aaron Bondaroff 2010

The first monograph on the iconic independent New York street fashion label Supreme. In April 1994, Supreme opened its doors on Lafayette Street in downtown Manhattan and became the home of New York City skate culture. Challenging the dominance of the established West Coast skater scene and the new conservatism of 1990s New York, Supreme defined the aesthetic of an era of rebellious cool that reached from skaters to fashionistas and hip hop heads. Over the last sixteen years, the brand has stayed true to its roots while collaborating with some of the most groundbreaking artists and designers of its generation, and with stores in Los Angeles and Japan has become an international icon of independent counter-

cultural style. This definitive monograph - with written contributions from contrasting arbiters of style, Aaron Bondaroff and Glenn O'Brien, and including an interview between founder James Jebbia and the artist KAWS - brings together the disparate elements of the brand's output, from legendary advertising campaigns to especially commissioned skateboard designs, photographs, and artworks, and a comprehensive index of their products to date. Including collaborations with Jeff Koons, Richard Prince, Damien Hirst, Public Enemy, Lou Reed, and Futura 2000 among many others, this richly illustrated book is a survey of sixteen years of contemporary street fashion and culture reflected in the pioneering work of one of New York's most influential independent labels.

Surfing with Sartre - Aaron James 2017-08-08

From the bestselling author of *Assholes: A Theory*, a book that—in the tradition of *Shopclass as Soulcraft*, *Barbarian Days* and *Zen and the Art of Motorcycle Maintenance*—uses the experience and the ethos of surfing to explore key concepts in philosophy. The existentialist philosopher Jean-Paul Sartre once declared "the ideal limit of aquatic sports . . . is waterskiing." The avid surfer and lavishly credentialed academic philosopher Aaron James vigorously disagrees, and in *Surfing with Sartre* he intends to expound the thinking surfer's view of the matter, in the process elucidating such philosophical categories as freedom, being, phenomenology, morality, epistemology, and even the emerging values of what he terms "leisure capitalism." In developing his unique surfer-philosophical worldview, he draws from his own experience of surfing and from surf culture and lingo, and includes many relevant details from the lives of the philosophers, from Aristotle to Wittgenstein, with whose thought he engages. In the process, he'll speak to readers in search of personal and social meaning in our current anxious moment, by way of doing real, authentic philosophy.

The Sublime is Now - Jeremy Strick 1994

Rimbaud the Son - Pierre Michon 2013-10-22

Originally published in French as *Rimbaud le fils*, Editions Gallimard, Paris, 1991.

Comedy of Vanity & Life-terms - Elias Canetti 1983

"Comedy of Vanity, ' a dark satire on mass movements and narcissism, is a prophetic vision of fascism; in 'Life Terms' everybody in a new society is assigned the number of years he or she may live. Canetti's plays provide a missing link in the European dramatic heritage."-- Publisher's description.

Before We Were Strangers - Brenda Novak
2018-12-04

Something happened to her mother that night. Something no one wants to talk about. But she's determined to uncover her family's dark secrets, even if they bury her. Five-year-old Sloane McBride couldn't sleep that night. Her parents were arguing again, their harsh words heating the cool autumn air. And then there was that other sound—the ominous thump before all went quiet. In the morning, her mother was gone. The official story was that she left. Her loving, devoted mother! That hadn't sat any better at the time than it did when Sloane moved out at eighteen, anxious to leave her small Texas hometown in search of anywhere else. But not even a fresh start working as a model in New York could keep the nightmares at bay. Or her fears that the domineering father she grew up with wasn't just difficult—he was deadly. Now another traumatic loss forces Sloane to realize she owes it to her mother to find out the truth, even if it means returning to a small town full of secrets and lies, a jilted ex-boyfriend, and a father and brother who'd rather see her silenced. But as Sloane starts digging into the past, the question isn't whether she can uncover what really happened that night...it's what will remain of her family if she does?

Beyond Blood Oil - Leif Wenar 2018-08-08

Beyond Blood Oil expands on the themes and proposals laid out in Leif Wenar's previous book and engages a distinguished group of scholars to explore philosophical arguments, assessing the prospects of his practical policy proposal. The book addresses how oil resources can undermine democracy and discusses moral obligations of those who consume oil

Blood Oil - Leif Wenar 2016

Tyranny, war, corruption, and terrorism follow oil and other natural resources - because of the same law that once allowed the slave trade and

genocide, conquest, and apartheid. Political philosopher Leif Wenar shows how the West can lead the world beyond blood oil and conflict minerals to a more united, enlightened future.

100% Unofficial Fortnite Pro Guide -
becker&mayer! 2019-07-16

Know Fortnite: Battle Royale well, but want to play like a real pro? Look no further. The 100% UnofficialFortnite Pro Guide will help you take your building to the next level. And if you want to look great on the battlefield, this book includes a showcase of some of the best skins available, and plenty of emotes to pair with them. There's even a rundown of some of the cutest pets available in the game, for that extra fancy back bling. With colorful graphics and awesome pro tips, this is the definitive guide to Fortnite.
