*Hitler's American Model* - James Q. Whitman

2017-02-14

How American race law provided a blueprint for

Nazi Germany Nazism triumphed in Germany during the high era of Jim Crow laws in the United States. Did the American regime of racial oppression in any way inspire the Nazis? The unsettling answer is yes. In *Hitler's American Model*, James Whitman presents a detailed investigation of the American impact on the notorious Nuremberg Laws, the centerpiece anti-Jewish legislation of the Nazi regime. Contrary to those who have insisted that there was no meaningful connection between American and German racial repression, Whitman demonstrates that the Nazis took a real, sustained, significant, and revealing interest in American race policies. As Whitman shows, the Nuremberg Laws were crafted in an atmosphere of considerable attention to the precedents American race laws had to offer. German praise for American practices, already found in Hitler's *Mein Kampf*, was continuous throughout the early 1930s, and the most radical Nazi lawyers were eager advocates of the use of

American models. But while Jim Crow segregation was one aspect of American law that appealed to Nazi radicals, it was not the most consequential one. Rather, both American citizenship and antimiscegenation laws proved directly relevant to the two principal Nuremberg Laws—the Citizenship Law and the Blood Law. Whitman looks at the ultimate, ugly irony that when Nazis rejected American practices, it was sometimes not because they found them too enlightened, but too harsh. Indelibly linking American race laws to the shaping of Nazi policies in Germany, Hitler's American Model upends understandings of America's influence on racist practices in the wider world.

**Nocturnelle Journal** - Hartley & Marks

Publishers Inc 2016-04-04

Paperblanks Nocturnelle journal, a reproduction of an antique French binding, is based on a cover designed in 1829 by publishers A. & W. Galignani for The Poetical Works of Thomas Moore. This notebook cover suggests the fine

Moroccan leather, structural sturdiness, careful finishing and ridged spine preferred for bindings of that era

**North Korea Journal** - Michael Palin

2019-11-05

In this beautifully illustrated journal based on a TV documentary, writer, comedian and world traveller Michael Palin journeys to North Korea, offering a glimpse of life inside the world's most secretive country, uncovering surprises and making friends along the way. In May 2018, former Monty Python stalwart and intrepid globetrotter Michael Palin ventured into the Democratic People's Republic of Korea, camera crew in tow, to gain a glimpse of life in the most notoriously secretive and cut-off nation on earth. His resulting two-part documentary for Channel 5 fascinated millions and won universal plaudits. Now he shares the journal he meticulously kept during his trip, in which he describes his experiences in a country wholly unlike any other he has ever visited: a country where you will find

the Tallest Unoccupied Building in the World; where the residents of Pyongyang awake every morning to the strains of 'Where Are You, Dear General?', broadcast from speakers across the city; and where there are fifteen approved styles of haircut. He chronicles a journey of stark contrasts that takes in a gleamingly modern capital complete with triumphal statues and arches one day, and a countryside that has barely changed in decades on another. He travels to the heavily fortified Demilitarized Zone, to a centuries-old Confucian academy, and to the heart of North Korea's exquisitely beautiful mountains and lakes. He recounts conversations with official guides, teachers, propaganda artists, farmers and soldiers in which mutual incomprehension and shared humanity are constantly intermingled. And he muses on what makes people tick under a regime that to outsiders seems so utterly alien and so grimly authoritarian. Written with Palin's trademark warmth and wit, and illustrated with

beautiful colour photographs throughout, Palin's journal offers a rare insight into the North Korea behind the headlines.

*OH MY GOD WHAT A COMPLETE DIARY 2022 - EMER MCLYSAGHT 2021-10-08*

Being organised is the cornerstone of every Aisling's personality. But it takes lots of work behind the scenes to keep track of whose turn it is to host book club or to remember when you're entitled to a reduced-price scale and polish (isn't that what you're paying PRSI for?). A good diary, like this one, is your secret weapon. It provides a place to keep your special dates, appointments, goals, lists and plans. There are two pages per week, the all-important space for your Important Bits as well as lots of extra pages for notes and ideas. Each month is introduced with an iconic and sometimes inspirational quote from a selection of Aisling's favourite people. This year, there are also twelve exclusive extracts from Aisling's own diary. Think of it as a little incentive to keep you going until the end of the

year. Because we all need a little help sometimes, don't we?

*Shame Nation* - Sue Scheff 2017-10-03

Foreword by Monica Lewinsky and as seen on Dr. Oz "Smart. Timely. Essential. The era's must-read to renew Internet civility." — Michele Borba ED.D, author of *Unselfie* An essential toolkit to help everyone — from parents to teenagers to educators — take charge of their digital lives. Online shame comes in many forms, and it's surprising how much of an effect a simple tweet might have on your business, love life, or school peers. A rogue tweet might bring down a CEO; an army of trolls can run an individual off-line; and virtual harassment might cause real psychological damage. In *Shame Nation*, parent advocate and internet safety expert Sue Scheff presents an eye-opening examination around the rise in online shaming,

and offers practical advice and tips including:

- Preventing digital disasters
- Defending your online reputation
- Building digital resilience
- Reclaiming online civility

Armed with the right knowledge and skills, everyone can play a positive part in the prevention and protection against online cruelty, and become more courageous and empathetic in their communities. "Shame Nation holds that elusive key to stopping the trend of online hate so kindness and compassion can prevail." — Rachel Macy Stafford, New York Times bestselling author of *Hands Free Mama*, *Hands Free Life*, and *Only Love Today* "Scheff offers the latest insight as to why people publicly shame each other and will equip readers with the tools to protect themselves from what has now become the new Scarlet Letter." — Ross Ellis, Founder and CEO, STOMP Out Bullying

The Trail to Kanjiroba - William deBuys  
2022-02-15

A revitalizing new perspective on Earthcare from Pulitzer Prize finalist William deBuys. In 2016 and 2018 acclaimed author and conservationist William deBuys joined extended medical expeditions into Upper Dolpo, a remote, ethnically Tibetan region of northwestern Nepal, to provide basic medical services to the

residents of the region. Having written about climate change and species extinction, deBuys went on those journeys seeking solace. He needed to find a constructive way of living with the discouraging implications of what he had learned about the diminishing chances of reversing the damage humans have done to Earth; he sought a way of holding onto hope in the face of devastating loss. As deBuys describes these journeys through one of Earth's remotest regions, his writing celebrates the land's staggering natural beauty, and treats his readers to deep dives into two scientific discoveries—the theories of natural selection and plate tectonics—that forever changed human understanding of our planet. Written in a vivid and nuanced style evocative of John McPhee or Peter Matthiessen, *The Trail to Kanjiroba* offers a surprising and revitalizing new way to think about Earthcare, one that may enable us to continue the difficult work that lies ahead.

**The Gratitude Diaries** - Janice Kaplan  
2022-01-04

In this New York Times bestseller, Janice Kaplan

spends a year living gratefully and transforms her marriage, family life, work, and health. On New Year's Eve, journalist and former Parade editor in chief Janice Kaplan makes a promise to be grateful and look on the bright side of whatever happens. She realizes that how she feels over the next year will have less to do with the events that occur than her own attitude and perspective. Getting advice at every turn from psychologists, academics, doctors, and philosophers, Kaplan brings readers on a smart and witty journey to discover the value of appreciating what you have. Relying on both amusing personal experiences and extensive research, Kaplan explores how gratitude can transform every aspect of life, including marriage and friendship, money and ambition, and health and fitness. She learns how appreciating your spouse changes the neurons of your brain and why saying thanks helps CEOs succeed. Through extensive interviews with experts, and lively conversations with real

people, including celebrities like Matt Damon, Daniel Craig, and Jerry Seinfeld, Kaplan discovers the role of gratitude in everything from our sense of fulfillment to our children's happiness. With warmth, humor, and appealing insight, Kaplan's journey will empower readers to think positively and start living their own best year ever.

*Thirst* - Scott Harrison 2018-10-02  
NEW YORK TIMES BESTSELLER • An inspiring personal story of redemption, second chances, and the transformative power within us all, from the founder and CEO of the nonprofit charity: water. At 28 years old, Scott Harrison had it all. A top nightclub promoter in New York City, his life was an endless cycle of drugs, booze, models—repeat. But 10 years in, desperately unhappy and morally bankrupt, he asked himself, "What would the exact opposite of my life look like?" Walking away from everything, Harrison spent the next 16 months on a hospital ship in West Africa and discovered his true

calling. In 2006, with no money and less than no experience, Harrison founded charity: water. Today, his organization has raised over \$400 million to bring clean drinking water to more than 10 million people around the globe. In Thirst, Harrison recounts the twists and turns that built charity: water into one of the most trusted and admired nonprofits in the world. Renowned for its 100% donation model, bold storytelling, imaginative branding, and radical commitment to transparency, charity: water has disrupted how social entrepreneurs work while inspiring millions of people to join its mission of bringing clean water to everyone on the planet within our lifetime. In the tradition of such bestselling books as Shoe Dog and Mountains Beyond Mountains, Thirst is a riveting account of how to build a better charity, a better business, a better life—and a gritty tale that proves it's never too late to make a change. 100% of the author's net proceeds from Thirst will go to fund charity: water projects around

the world.

**Black Players** - Richard Milner 2010-11  
Originally published in 1973, "Black Players" was the first book to undertake a thorough examination of the urban pimp culture. Social anthropologists Richard and Christina Milner were allowed access to the secretive and controversial world of pimps and prostitutes, and allowed the players to describe themselves, and the rules of the game in their own words.

**Goodbye Stranger** - Rebecca Stead 2015-08-04  
This brilliant, New York Times bestselling novel from the author of the Newbery Medal winner When You Reach Me explores multiple perspectives on the bonds and limits of friendship. Long ago, best friends Bridge, Emily, and Tab made a pact: no fighting. But it's the start of seventh grade, and everything is changing. Emily's new curves are attracting attention, and Tab is suddenly a member of the Human Rights Club. And then there's Bridge. She's started wearing cat ears and is the only

one who's still tempted to draw funny cartoons on her homework. It's also the beginning of seventh grade for Sherm Russo. He wonders: what does it mean to fall for a girl—as a friend? By the time Valentine's Day approaches, the girls have begun to question the bonds—and the limits—of friendship. Can they grow up without growing apart? "Sensitively explores togetherness, aloneness, betrayal and love."

**The Redstone Diary 2022** - Julian Rothenstein  
2021-08-24

The 2022 edition of the beloved cult diary explores worlds beyond ours, with art and writing by Hieronymous Bosch, Frederick Douglass and more "There may be no great diarists, then, but there are still great diaries.... In the midst of one's self-obsessions, the

Redstone Diary reminds one of other worlds," declared writer Ian Sansom in the Guardian, of the inimitable diaries published by London's Redstone Press. Since its inaugural edition in 1988, the Redstone Diary has been a beloved daily tool of creatives. Carefully curated by editor Julian Rothenstein around a yearly theme, the Redstone Diary features work from a wide selection of writers and artists throughout history. The agenda is designed with practicality as well as aesthetics in mind, with sturdy spiral binding and a weekly layout that provides ample space for one's plans. In 2022, the Redstone Diary's annual theme is "In Another World," encouraging us to explore liminal spaces, alternate universes and imaginary timelines that may or may not be possible in reality. As the year progresses, the images and text dispersed among the weeks are by turns evocative and beautiful, intended to provoke thought and yield creative inspiration. Contributions by Yolanda Andrade, Fra Angelico, Hieronymous Bosch,

William Blake, Frederick Douglass, Radclyffe Hall, Bodys Isek Kingelez, Fernando Pessoa, Leon Trotsky and Oscar Wilde.

*Flower Diary* - Molly Peacock 2021-09-14

"Graceful yet precise, poetic yet deeply rooted in research, this exploration of an overlooked painter is gorgeous — a joy to read. Molly Peacock's insights and empathy with her subject bring to life both Mary Hiester Reid and her luscious flower paintings." — Charlotte Gray, author of *The Massey Murder* Molly Peacock uncovers the history of neglected painter Mary Hiester Reid, a trailblazing artist who refused to choose between marriage and a career. Born into a patrician American family in the middle of the nineteenth century, Mary Hiester Reid was determined to be a painter and left behind women's design schools to enter the art world of men. After she married fellow artist George Reid, she returned with him to his home country

of Canada. There she set about creating over 300 stunning still life and landscape paintings, inhabiting a rich, if sometimes difficult, marriage, coping with a younger rival, exhibiting internationally, and becoming well-reviewed. She studied in Paris, traveled in Spain, and divided her time between Canada and the United States where she lived among America's Arts and Crafts movement titans. She left slender written records; rather, her art became her diary and *Flower Diary* unfolds with an artwork for each episode of her life. In this sumptuous and precisely researched biography, celebrated poet and biographer Molly Peacock brings Mary Hiester Reid, foremother of painters such as Georgia O'Keefe, out of the shadows, revealing a fascinating, complex woman who insisted on her right to live as a married artist, not as a tragic heroine. Peacock uses her poet's skill to create a structurally inventive portrait of this extraordinary woman whom modernism almost swept aside, weaving threads of her own

marriage with Hiester Reid's, following the history of empathy and examining how women manage the demands of creativity and domesticity, coping with relationships, stoves, and steamships, too. How do you make room for art when you must go to the market to buy a chicken for dinner? Hiester Reid had her answers, as Peacock gloriously discovers. *Here We Are* - Benjamin Taylor 2021-09-07 Finalist for the National Jewish Book Award A deeply felt, beautifully crafted meditation on friendship and loss in the vein of *A Year of Magical Thinking*, and a touching portrait of Philip Roth from his closest friend. I had a baseball question on the tip of my tongue: What was the name of "the natural," the player shot by a stalker in a Chicago hotel room? He gave me an amused look that darkened in-to puzzlement, then fear. Then he pitched forward into the soup, unconscious. When I entered the examining room twenty minutes after our arrival at Charlotte Hungerford Hospital, Philip said,

"No more books." Thus he announced his retirement. So begins Benjamin Taylor's *Here We Are*, the unvarnished portrait of his best friend and one of America's greatest writers. Needless to say, Philip Roth's place in the canon is secure, but what is less clear is what the man himself was like. In *Here We Are*, Benjamin Taylor's beautifully constructed memoir, we see him as a mortal man, experiencing the joys and sorrows of aging, reflecting on his own writing, and doing something we all love to do: passing the time in the company of his closest friend. *Here We Are* is an ode to friendship and its wondrous ability to brighten our lives in unexpected ways. Benjamin Taylor is one of the most talented writers working today, and this new memoir pays tribute to his friend, in the way that only a writer can. Roth encouraged him to write this book, giving Taylor explicit instructions not to sugarcoat anything and not to publish it until after his death. Unvarnished and affectionately true to life, Taylor's memoir will

be the definitive account of Philip Roth as he lived for years to come.

**The Polar Express** - Chris Van Allsburg

2014-10-02

Late on Christmas Eve, after the town has gone to sleep, a boy boards a mysterious train that waits for him: the Polar Express bound for the North Pole. When he arrives there, Santa offers him any gift he desires. The boy modestly asks for one bell from the reindeer's harness. It turns out to be a very special gift, for only believers in Santa can hear it ring. **Bill Bryson's African Diary** - Bill Bryson

2010-03-02

Bill Bryson goes to Kenya at the invitation of

CARE International, the charity dedicated to working with local communities to eradicate poverty around the world. Kenya, generally regarded as the cradle of humankind, is a land of stunning landscapes, famous game reserves, and a vibrant culture, but it also has many serious problems, including refugees, AIDS, drought and grinding poverty. It also provides plenty to worry a nervous traveller like Bill Bryson: hair-raising rides in light aircraft, tropical diseases, snakes, insects and large predators. Bryson casts his inimitable eye on a continent new to him, and the resultant diary, though short in length, contains all his trademark laugh-out-loud wit, wry observation and curious insight. All the author's royalties from this book, as well as all profits, will go to CARE International.

**The War Within** - Alexis Peri 2017-01-02

Winner of the Pushkin House Russian Book Prize

Winner of the AATSEEL Book Prize Winner of the University of Southern California Book Prize

Honorable Mention, Reginald Zelnik Book Prize

“Stand aside, Homer. I doubt whether even the

author of the Iliad could have matched Alexis

Peri's account of the 872-day siege which

Leningrad endured.” —Jonathan Mirsky, *The*

*Spectator* “Fascinating and perceptive.”

—Antony Beevor, *New York Review of Books*

“Powerful and illuminating...A fascinating, insightful, and nuanced work.” —Anna Reid,

*Times Literary Supplement* “A sensitive, at times

almost poetic examination.” —Robert Legvold,

*Foreign Affairs* In September 1941, two and a

half months after the Nazis invaded the Soviet

Union, the German Wehrmacht encircled Leningrad. Cut off from the rest of Russia, the city remained blockaded for 872 days, at a cost of almost a million civilian lives. It was one of the longest and deadliest sieges in modern history. *The War Within* chronicles the Leningrad blockade from the perspective of those who endured it. Drawing on unpublished diaries written by men and women from all walks of life, Alexis Peri tells the tragic story of how young and old struggled to make sense of a world collapsing around them. When the blockade was lifted in 1944, Kremlin officials censored publications describing the ordeal and arrested many of Leningrad's wartime leaders. Some were executed. Diaries—now dangerous to their authors—were concealed in homes, shelved in archives, and forgotten. *The War Within* recovers these lost accounts, shedding light on one of World War II's darkest episodes while paying tribute the resilience of the human spirit.

*The Purple Diaries* - Joseph Egan 2016-11-22

The “endlessly fascinating” true story of a custody battle that threatened to expose the seedy secrets of Hollywood’s Golden Age—illustrated with photos (*Entertainment Weekly*). Most famous for playing opposite Humphrey Bogart in *The Maltese Falcon*, Mary Astor was one of Hollywood’s most beloved film stars. But her story wasn’t a happy one.

Widowed at twenty-four, she quickly entered a rocky marriage with Dr. Franklyn Thorpe in which both were unfaithful. When they finally

divorced in 1936, Astor sued for custody of their baby daughter Marylyn, setting off one of Hollywood’s most scandalous court cases. In the ruthless court battle, Thorpe held a trump card: the diaries Astor had been keeping for years. In them, Astor detailed her own affairs—including with playwright George S. Kaufman—as well as the myriad dalliances of some of Hollywood’s biggest names. Studio heads were desperate to keep such damning details from leaking. But speculation of the diary’s contents became a major news story, stealing the front page from *The Spanish Civil War* and Hitler’s 1936 Olympic Games in newspapers all over America. With unlimited access to the photographs and memorabilia of Mary Astor’s estate, *The Purple Diaries* is an in-depth look at Hollywood’s Golden Age as it has never been seen before.

*A Florence Diary* - Diana Athill 2016-11-05

A recently discovered gem from the bestselling author of *Somewhere Towards the End*, *A Florence Diary* is the charming and vivacious

account of Athill's travels to post-war Florence. In August 1947, Diana Athill travelled to Florence by the Golden Arrow train for a two-week holiday with her cousin Pen. In this playful diary of that trip, delightfully illustrated with photographs of the period, Athill recorded her observations and adventures — eating with (and paid for by) the hopeful men they meet on their travels, admiring architectural sights, sampling delicious pastries, eking out their budget, and getting into scrapes. Written with an arresting immediacy and infused with an exhilarating *joie de vivre*, *A Florence Diary* is a bright, colourful evocation of a time long lost and a vibrant portrait of a city that will be deliciously familiar to any contemporary traveller.

*The Sweetness of Life* - Françoise Héritier  
2013-03-07

"There is a form of lightness and grace in the simple fact of existence, regardless of occupation, of strong feelings, or of political commitments of any sort - and that is the only

thing I have wanted to write about. About that little extra thing that is granted to all of us, a lust for life." So begins Françoise Héritier, in her exploration of the things in life worth living for, the moments and events that give life flavour. An eminent anthropologist, now in her eighties, she draws on her own memories and the wisdom gained in a lifetime of exploration, to show how life is richer and more interesting than we often remember.

South and West - Joan Didion 2017-03-07  
NATIONAL BESTSELLER • "One of contemporary literature's most revered essayists revives her raw records from a 1970s road trip across the American southwest ... her acute observations of the country's culture and history feel particularly resonant today." —Harper's Bazaar

and *Let Me Tell You What I Mean*, has always kept notebooks—of overheard dialogue, interviews, drafts of essays, copies of articles. Here are two extended excerpts from notebooks she kept in the 1970s; read together, they form a piercing view of the American political and cultural landscape. “Notes on the South” traces a road trip that she and her husband, John Gregory Dunne, took through Louisiana, Mississippi, and Alabama. Her acute observations about the small towns they pass through, her interviews with local figures, and their preoccupation with race, class, and heritage suggest a South largely unchanged today. “California Notes” began as an assignment from *Rolling Stone* on the Patty Hearst trial. Though Didion never wrote the piece, the time she spent watching the trial in San Francisco triggered thoughts about the West and her own upbringing in Sacramento. Here we not only see Didion’s signature irony and imagination in play, we’re also granted an

illuminating glimpse into her mind and process. **Royal Horticultural Society Desk Diary 2022** - Royal Horticultural Society 2021-06-15

The Sun Is Kind of a Big Deal - Nick Seluk

2018-10-09

A hilarious nonfiction picture book from the New York Times bestselling author and creator of Awkward Yeti. Oh hey, guess what? The Sun never stops working to keep things on Earth running smoothly. (That's why it's been Employee of the Month for 4.5 billion years.) So why does the Sun get to be the center of attention? Because it's our solar system's very own star! This funny and factual picture book from Awkward Yeti creator Nick Seluk explains every part of the Sun's big job: keeping our solar system together, giving Earth day and night, keeping us warm, and more. In fact, the Sun does so much for us that we wouldn't be alive without it. That's kind of a big deal. Each spread features bite-sized text and comic-style art with sidebars sprinkled throughout.

Anthropomorphized planets (and Pluto) chime in with commentary as readers learn about the Sun. For instance, Mars found someone's rover.

Earth wants the Sun to do more stuff for it. And Jupiter just wants the Sun's autograph. Funny, smart, and accessible, *The Sun Is Kind of a Big Deal* is a must-have!

Delia Owens 2022-06-28

NOW A MAJOR MOTION PICTURE The #1 New York Times bestselling worldwide sensation with more than 15 million copies sold, “a painfully beautiful first novel that is at once a murder mystery, a coming-of-age narrative and a celebration of nature” (The New York Times Book Review). For years, rumors of the “Marsh Girl” have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969,

when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life—until the unthinkable happens. *Where the Crawdads Sing* is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Delia Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.
