Pontormo - Elizabeth Cropper 1997

Pontormo's Halberdier has long been controversial. How did scholars come to identify the sitter as Duke Cosimo de' Medici and why is this open to doubt? Who was Francesco Guardi? What was the siege of Florence, and could Pontormo have made this compelling portrait during that time of deprivation and political tumult? In a fascinating piece of historical detective work, Elizabeth Cropper investigates these questions and uncovers new evidence for interpretation. She also analyzes the portrait's relationship to other works by Pontormo, explores the importance for Pontormo of Donatello, Michelangelo, and Andrea del Sarto, and looks into Bronzino's connection with the portrait.

Ecco un albero con 14 succose arance. Una per una, i loro destini si rivelano nelle pagine del libro: la prima è stata portata ad un amico malato, la settima è stata divisa tra compagni di lavoro, la decima è stata mangiata da un famoso pianista. E naturalmente, la quattordicesima è stata comprata da qualcuno che conosci e potrebbe essere la prossima che mangerai. Ogni arancia è una forma arancione su uno sfondo semplice ed essenziale disegnato a matita blu, popolato di personaggi e situazioni di tutti i giorni, su cui risalta creando un collegamento visivo ed espressivo continuo. When Marina Abramovic Dies - James Westcott 2014-08-29

The extraordinary life and death-defying work of one of the most important and pioneering performance artists in contemporary art. When Marina Abramović Dies examines the extraordinary life and death-defying work of one of the most pioneering artists of her generation—and one who is still at the forefront of contemporary art today. This intimate, critical biography chronicles Abramović's formative and until now undocumented years in Yugoslavia, and tells the story of her partnership with the German artist Ulay—one of the twentieth century's great examples of the fusion of artistic and private life. In one of many long-duration performances in the renewed solo career that followed, Abramović famously lived in a New York gallery for twelve days without eating or speaking, nourished only by prolonged eye contact with audience members. It was here, in 2002, that author James Westcott first encountered her, beginning an exceptionally close relation between biographer and subject. When Marina Abramović Dies draws on Westcott's personal observations of Abramović, his unprecedented access to her archive, and hundreds of hours of interviews he conducted with the artist and the people closest to her. The result is a unique and vivid portrait of the charismatic self-proclaimed “grandmother of performance art.”

Vogue on Gianni Versace - Charlotte Sinclair 2017-09-05

Gianni Versace created a fashion house that defined late twentieth-century glamour, invented the supermodel, and sanctioned in the public consciousness a supremely self-assured feminine sexuality. His debut line in 1978 was instantly successful; in the Eighties, his extravagant designs and his vision of powerful women defined the era, and culminated in the Nineties with the supermodel phenomenon - his designs worn by those glamazons who featured on every Vogue cover. The book reveals how the more brazen elements of his design - the jewelled embroidery, the bondage straps, the safety-pin gowns - were predicated on supremely skilled tailoring, deft use of materials, and innovative techniques. Alongside are Vogue's eye-witness accounts of the Versace lifestyle - the palazzos and parties, the art, the celebrity friends. Vogue on Gianni Versace is a celebration of a designer and a house that, in only 19 years, came to dominate the catwalk and the red carpet.
