LARRY CORREIA'S MONSTER HUNTER UNIVERSE! NIGHTMARE IN THE BIG EASY With New Orleans out of control, Chad Oliver Gardenier, one of Monster Hunter International's premier hunters, has been dispatched from Seattle to reinforce the beleaguered members of MHI'S Hoodoo Squad

in their fight against the darkness. Chad had once taken a werewolf while wearing only jogging gear. With half a dozen or more loup garou appearing every full moon, mysterious shadow demons, hooded necromancers, fifty-foot bipedal crocodiles showing up every couple of months and more vampires than a Goth concert, New Orleans in the '80s gives a whole new perspective to the term "Hell on Earth." In fact, more monsters are popping up than crawfish at a fais do do! Chad may be able to collect enormous bounties for the monsters he kills. But there's one catch: he has to stay alive to do it! **Monster Hunter Nemesis** - Larry Correia

2014-06-16

#5 in multiple New York Times bestseller Larry Correia's Monster Hunter series. Agent Franks of the U.S. Monster Control Bureau is a man of many parts<sup>3</sup>/<sub>4</sub>parts from other people, that is. Franks is nearly seven feet tall and all muscle. He's nearly indestructible. Plus he's animated by a powerful alchemical substance and inhabited by a super-intelligent spirit more ancient than humanity itself. Good thing he's on our side. More or less. Sworn to serve and protect the United States of America from all monsters by one of the country's founding fathers, Franks has only one condition to the agreement: no matter what the government learns of him, no matter what is discovered concerning his odd physiology or the alchemy behind the elixir that made him, the government

is never, ever allowed to try and make more like him. Such is absolutely forbidden and should the powers-that-be do so, then the agreement is null and void. Project Nemesis: in a secret location, using sophisticated technology and advanced genetic engineering, the director of the very agency Franks works for is making more like him. And the director is not content with making one. Nope, he's making thirteen. Now all bets are off, and Hell hath no fury like a monster betrayed. Particularly if that monster happens to be an undying killing machine capable of taking out vampires and werewolves with one hand tied behind his back. *Infinite Jest* - David Foster Wallace 2009-04-13  
A gargantuan, mind-altering comedy about the Pursuit of Happiness in America Set in an addicts' halfway house and a tennis academy, and featuring the most endearingly screwed-up family to come along in recent fiction, *Infinite Jest* explores essential questions about what entertainment is and why it has come to so dominate our lives; about how our desire for entertainment affects our need to connect with other people; and about what the pleasures we choose say about who we are. Equal parts philosophical quest and screwball comedy, *Infinite Jest* bends every rule of fiction without sacrificing for a moment its own entertainment value. It is an exuberant, uniquely American exploration of the passions that make us human - and one of those rare books that renew the idea of what a novel can do. "The next step in fiction...Edgy, accurate, and darkly witty...Think

Beckett, think Pynchon, think Gaddis. Think." --  
Sven Birkerts, The Atlantic

2018-07-03

The No-Holds-Barred Final Entry in the Monster Hunter Memoirs Series from New York Times best-selling authors Larry Correia and John Ringo. "This is New Orleans." That mantra had rung in Chad Gadenier's ears since his first day working in the Big Easy. Everything was different in New Orleans. The food. The climate. The monsters. Even the shadowy and reprehensible MCB was different. But that's just the beginning. The real reason New Orleans is so different is a larval Great Old One growing

day by day in power and just about ready to pop. If Chad can't convince "the powers that be" to get involved not only New Orleans but the entire world is going to fall under the power of the nastiest of nasties. Now on the outs with the US Government and in exile from his usual job of saving the world, Chad must rally the forces of light against the coming darkness. The problem is one guy with a sword and a sub-gun isn't going to solve this one. Fortunately, Chad's made a few friends over the years. And the Fey hate Old Ones as much as God's people, and they're not about to give up this world without a fight. If the Saints don't come marching in on this one . . . there won't be a Final Battle. There will be a final massacre. Now, where'd he put that number for the ditzy fey princess . . . ? At the publisher's request, this title is sold without DRM (Digital Rights Management). **Monster Hunter Bloodlines** - Larry Correia

2021-08-03

IN A BUSINESS LIKE MONSTER HUNTING, IT'S ALL ABOUT SETTING PRIORITIES The chaos god Asag has been quiet since the destruction of the City of Monsters, but Monster Hunter International know that he is still out there, somewhere—plotting, waiting for his chance to unravel reality. When Owen and the MHI team discover that one of Isaac Newton's Ward Stones is being auctioned off by Reptoids who live deep beneath Atlanta, they decide to steal the magical superweapon and use it to destroy Asag once and for all. But before the stone can be handed off, it is stolen by a mysterious thief with ties to MHI and the Vatican's Secret Guard. It's a race against time, the Secret Guard, a spectral bounty hunter, and a whole bunch of monsters to acquire the Ward Stone and use it against Asag. For as dangerous as the chaos god is, there is something much older—and infinitely more evil—awakening deep in the jungles of South America. At the
