*The Art of Not Being Governed*

- James C. Scott 2009-01-01

From the acclaimed author and scholar James C. Scott, the compelling tale of Asian peoples who until recently have stemmed the vast tide of state-making to live at arm's length from any organized state society. For two thousand years the disparate groups that now reside in Zomia (a mountainous region the size of Europe that consists of portions of seven Asian countries) have fled the projects of the organized state societies that surround them—slavery, conscription, taxes, corvée labor, epidemics, and warfare. This book, essentially an “anarchist history,” is the first-ever examination of the huge literature on state-making whose author evaluates why people would deliberately and reactively remain stateless. Among the strategies employed by the people of Zomia to

remain stateless are physical dispersion in rugged terrain; agricultural practices that enhance mobility; pliable ethnic identities; devotion to prophetic, millenarian leaders; and maintenance of a largely oral culture that allows them to reinvent their histories and genealogies as they move between and around states. In accessible language, James Scott, recognized worldwide as an eminent authority in Southeast Asian, peasant, and agrarian studies, tells the story of the peoples of Zomia and their unlikely odyssey in search of self-determination. He redefines our views on Asian politics, history, demographics, and even our fundamental ideas about what constitutes civilization, and challenges us with a radically different approach to history that presents events from the perspective of stateless peoples and redefines state-making as a form of “internal colonialism.” This new perspective requires a radical reevaluation of the civilizational narratives of the

lowland states. Scott's work on Zomia represents a new way to think of area studies that will be applicable to other runaway, fugitive, and marooned communities, be they Gypsies, Cossacks, tribes fleeing slave raiders, Marsh Arabs, or San-Bushmen.

Magnificent Sex - Peggy J. Kleinplatz 2020-03-10

Winner of the 2021 SSTAR Consumer Book Award! What makes sex magnificent? What are the qualities of extraordinary erotic intimacy and what are the elements that help to bring it about? Is great sex the stuff that people remember nostalgically from the "honeymoon" phase of their relationships, or can sex improve over time?

Magnificent Sex is based on the largest, in-depth interview study ever conducted with

people who are having extraordinary sex. It gathers the nuggets for remarkable sex from the "experts", distilling them into an attainable blueprint for ordinary lovers who want to make erotic intimacy grow over the course of a lifetime. Looking at factors including individual and relational qualities, empathic communication and the myths and realities of magnificent sex, this book offers accessible and evidence-based guidance for lovers and therapists alike. It is replete with frank and often humorous interviews with straight and LGBTQ individuals and couples, those who are "vanilla" and "kinky", monogamous and consensually non-monogamous and healthy and chronically ill. This illuminating book explores the implications of the findings to develop a model that effectively tackles the common problems of low desire and frequency. The "cure" for low desire is to create desirable sex!

*Welcome Home* - Sarah Daniels  
2010-06-15

With so many differing opinions about real estate these days, buying or selling a home can seem like a daunting task, especially for the everyday person who has little or no real estate experience. But as author Sarah Daniels explains, the process doesn't have to be painful, and people can come away from the experience feeling happy with the outcome. Covering the basics from A to Z, *Welcome Home* walks the reader through the various stages of home buying and selling in Canada, all the while adding her own insider secrets and tips. Filled with entertaining, instructive stories and written in an approachable, conversational tone, Daniels offers helpful advice on mortgage financing, interest rates, brokers, and the questions you need to ask about mortgages; how to find a good realtor, the right property, and negotiate a fair

deal; how to get your home ready to sell, what renovations to consider and how to effectively stage your home; buying resale vs newly built; and renting out your basement as a mortgage helper.

**Survivor's Guilt** - Robyn Gigl  
2022-01-25

LAMBDA Literary Most Anticipated LGBTQIA+ Literature | CrimeReads Most Anticipated Crime Fiction Of 2022 | SheReads Best Mystery Books Coming in 2022 “A groundbreaking series is poised to become a definitive one.” —The New York Times LGBTQ+ activist Robyn Gigl tackles the complexities of gender, power, and human trafficking with a ripped-from-the-headlines plot in her second legal thriller featuring Erin McCabe, a protagonist who, like the author, is a transgender attorney. At first, the death of millionaire businessman Charles Parsons seems like a straightforward suicide. There’s no sign of forced entry or struggle in his lavish New Jersey mansion—just a single gunshot

wound from his own weapon. But days later, a different story emerges. Computer techs pick up a voice recording that incriminates Parsons’ adoptive daughter, Ann, who duly confesses and pleads guilty. Erin McCabe has little interest in reviewing such a slam-dunk case—even after she has a mysterious meeting with one of the investigating detectives, who reveals that Ann, like Erin, is a trans woman. Yet despite their misgivings, Erin and her law partner, Duane Swisher, ultimately can’t ignore the pieces that don’t fit. As their investigation deepens, Erin and Swish convince Ann to withdraw her guilty plea. But Ann clearly knows more than she’s willing to share, even if it means a life sentence. Who is she protecting, and why? Fighting against time and a prosecutor hell-bent on notching another conviction, the two work tirelessly—Erin inside the courtroom, Swish in the field—to clear Ann’s name. But despite Parsons’ former associates’ determination to keep his—and their

own—illegal activities buried, a horrifying truth emerges—a web of human exploitation, unchecked greed, and murder. Soon, a quest to see justice served becomes a desperate struggle to survive . . .

“Stunning... Her takes on big questions of justice, revenge, and the nature of victimhood will resonate with many.”

—Publishers Weekly, STARRED REVIEW "Another great merger of legal mystery and psychological thriller."

—CrimeReads

*It Ends with Us* - Colleen Hoover 2020-07-28

In this “brave and heartbreaking novel that digs its claws into you and doesn’t let go, long after you’ve finished it” (Anna Todd, New York Times bestselling author) from the #1 New York Times bestselling author of *All Your Perfects*, a workaholic with a too-good-to-be-true romance can’t stop thinking about her first love. Lily hasn’t always had it easy, but that’s never stopped her from working hard for the life she wants. She’s come a long way from the small

town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily’s life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He’s also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn’t hurt. Lily can’t get him out of her head. But Ryle’s complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his “no dating” rule, she can’t help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, *It Ends with Us* is “a glorious and touching read,

a forever keeper. The kind of book that gets handed down" (USA TODAY).

Africans - John Iliffe  
2017-07-13

An updated and comprehensive single-volume history covering all periods from human origins to contemporary African situations.

Making Sense of Leasehold Property - Kat Callo 2005  
Although many of us own leasehold property, how many fully understand leaseholders' rights under this form of property ownership? This guide explains all, covering the origins of leasehold, what to look out for when buying a leasehold property and more.  
*A History of the Rectangular Survey System* - C. Albert White 1983

*Tahiti Nui* - Colin W. Newbury  
2019-03-31

Tahiti Nui is an account of the survival of a Polynesian society in the face of successive settlements of missionaries, traders, and administrators. Beginning with the first explorers and Captain Cook's scientific observations at Point Venus, Dr. Newbury has separated the various strands interwoven in the fabric of Tahitian society, tracing their development and showing how they interacted at successive stages. Missionaries and foreign traders, administrators and Polynesians, planters and immigrant Chinese have all contributed to the distinctive flavor of French Polynesia, with Tahiti and Tahitians becoming increasingly dominant, not just as the focus of the French administration in Pape'ete, but in the social networks and trading patterns that have evolved.

Living with Childhood Cancer - Leigh A. Woznick 2002  
Annotation The authors lay out practical strategies for coping with overwhelming medical information, frequent invasive procedures, heavy financial

rights as well as a gender  
perspective.

*Eternal* - Lisa Scottoline  
2022-02-01

NEW YORK TIMES  
BESTSELLER #1 bestselling  
author Lisa Scottoline offers a  
sweeping and shattering epic  
of historical fiction fueled by  
shocking true events, the tale  
of a love triangle that unfolds  
in the heart of Rome...in the  
creeping shadow of fascism.  
What war destroys, only love  
can heal. Elisabetta, Marco,  
and Sandro grow up as the  
best of friends despite their  
differences. Elisabetta is a  
feisty beauty who dreams of  
becoming a novelist; Marco the  
brash and athletic son in a  
family of professional cyclists;  
and Sandro a Jewish  
mathematics prodigy, kind-  
hearted and thoughtful, the son  
of a lawyer and a doctor. Their  
friendship blossoms to love,

with both Sandro and Marco hoping to win Elisabetta's heart. But in the autumn of 1937, all of that begins to change as Mussolini asserts his power, aligning Italy's Fascists with Hitler's Nazis and altering the very laws that govern Rome. In time, everything that the three hold dear--their families, their homes, and their connection to one another--is tested in ways they never could have imagined. As anti-Semitism takes legal root and World War II erupts, the threesome realizes that Mussolini was only the beginning. The Nazis invade Rome, and with their occupation come new atrocities against the city's Jews, culminating in a final, horrific betrayal. Against this backdrop, the intertwined fates of Elisabetta, Marco, Sandro, and their families will be decided, in a heartbreaking story of both the best and the worst that the world has to offer. Unfolding over decades, *Eternal* is a tale of loyalty and loss, family and food, love and war--all set in one of the

world's most beautiful cities at its darkest moment. This moving novel will be forever etched in the hearts and minds of readers.

**Weird World War IV** - Sean Patrick Hazlett 2022-03-01  
NEW STORIES OF FUTURE WARFARE FROM THE HOTTEST NAMES IN SCIENCE FICTION, FANTASY, AND HORROR TALES OF THE WAR BEYOND THE NEXT  
What if there were a war after Armageddon? How would the survivors emerging from World War III's radioactive slag heaps fight in this conflict? Would they wage it with sticks and stones . . . and sorcery? Or would they use more refined weapons, elevating warfare to an art and unleashing bureaucratic nightmares worse than death? Would they struggle against themselves or inter-dimensional invaders? What horrors from the desolate darkness might slither into the light? Wipe away the ashes of civilization and peer into a pit of atomic glass to witness the haunting visions of World War IV from today's greatest minds

in science fiction, fantasy, and horror. Contributors include: Jonathan Maberry Steven Barnes D.J. Butler Brad R. Torgersen Martin L. Shoemaker T.C. McCarthy Eric James Stone Stephen Lawson Freddy Costello and Michael Z. Williamson Laird Barron Nick Mamatas Brian Trent Erica L. Native Peoples A to Z - Donald Ricky 2009-01-01

A current reference work that reflects the changing times and attitudes of, and towards the indigenous peoples of all the regions of the Americas. --from publisher description.

**Sam Patch, the Famous Jumper -**

Paul E. Johnson 2004-06-16

The true history of a legendary American folk hero In the 1820s, a fellow named Sam Patch grew up in Pawtucket, Rhode Island, working there (when he wasn't drinking) as a mill hand for one of America's new textile companies. Sam made a name for himself one day by jumping seventy feet into the tumultuous waters below Pawtucket Falls. When in 1827 he repeated the stunt in Paterson, New Jersey, another mill town, an even larger audience gathered to

cheer on the daredevil they would call the "Jersey Jumper." Inevitably, he went to Niagara Falls, where in 1829 he jumped not once but twice in front of thousands who had paid for a good view. The distinguished social historian Paul E. Johnson gives this deceptively simple story all its deserved richness, revealing in its characters and social settings a virtual microcosm of Jacksonian America. He also relates the real jumper to the mythic Sam Patch who turned up as a daring moral hero in the works of Hawthorne and Melville, in London plays and pantomimes, and in the spotlight with Davy Crockett—a Sam Patch who became the namesake of Andrew Jackson's favorite horse. In his shrewd and powerful analysis, Johnson casts new light on aspects of American society that we may have overlooked or underestimated. This is innovative American history at its best.

**Questions and Answers to Help You Pass the Real Estate Exam** - John W. Reilly

2000

"There is no question about it...

QUESTIONS & ANSWERS is one of the most trusted and recommended exam prep tools available. Why? Because it's designed to help you pass any national licensing exam, including ASI, AMP, PSI, Experior, and state-designed exams, on the first try. Here are some other reasons why QUESTIONS & ANSWERS is so effective: Over 1,800 practice questions with answers fully explained. Expanded chapter overviews discuss the key concepts of each chapter. Key words defined at the beginning of each chapter help you master each exam subject area. Speed questions highlighted throughout the text cover the essential points in a chapter for those who want a quick review. Broker-level questions identified throughout the text distinguish higher-level questions from basic-level and intermediate-level questions. False friends feature identifies seemingly similar terms that are often confused with each other. Special sections

containing real estate math questions, sample salesperson and broker final exams, and

review exams."--BOOK COVER.
