Architettura del XX secolo - Corrado Gavinelli 1993

The Works of Elena Ferrante - Grace Russo Bullaro 2016-12-22

This book is the first dedicated volume of academic analysis on the monumental work of Elena Ferrante, Italy's most well-known contemporary writer. *The Works of Elena Ferrante: Reconfiguring the Margins* brings together the most exciting and innovative research on Ferrante's treatment of the intricacies of women's lives, relationships, struggles, and dilemmas to explore feminist theory in literature; questions of gender in twentieth-century Italy; and the psychological and material elements of marriage, motherhood, and divorce. Including an interview from Ann Goldstein, this volume goes beyond "Ferrante fever" to reveal the complexity and richness of a remarkable oeuvre.

Ten Grapes to Know: The Ten and Done Wine Guide - Catherine Fallis 2018-09-18

"With Catherine Fallis's approach of 'less is more,' all you need to begin your wine journey are ten grapes." —Kevin Zraly It's easy (or easier) to become a wine expert when you narrow the field down to ten grapes. For the wine drinker who loves Pinot Noir but doesn't know what to try next, wants a French Chardonnay but isn't sure what to look for on the bottle, or needs a little support before they open the wine menu at lunch with a client, Master Sommelier Catherine Fallis's authoritative but inviting introduction to wine is an indispensable guide. Pinot Grigio, Sauvignon Blanc, Chardonnay, Viognier, Pinot Noir, Sangiovese, Syrah, Merlot, Cabernet Sauvignon, and Zinfandel make the cut. The book covers the basics of tasting (and why wines taste the way they do), buying, and pairing wine. Fallis gives readers tricks to remember the difference between the cotes of Burgundy, offers dozens of specific recommendations in every price range, provides tips for talking to sommeliers, and shares memorable tasting exercises. This book will help readers build their wine confidence whether they're looking for an inexpensive bottle for dinner at home or trying to impress the in-laws.

Ingle's Endodontics - Ilan Rotstein, DDS 2019-06-01

Ingle's Endodontics, 7th edition, is the most recent revision of the text that has been known as the "Bible of Endodontics" for half a century. The new edition, published in two volumes, continues the tradition of including the expertise of international leaders in the field. Eighty-six authors contributed cutting-edge knowledge and updates on topics that have formed the core of this book for years. New chapters reflect the ways in which the field of endodontics has evolved over the 50 years since the pioneer John I. Ingle authored Endodontics. Ingle's Endodontics will continue to be the standard against which all other endodontic texts will be measured. The 40 chapters are arranged in two volumes under three sections: The Science of Endodontics; The Practice of Endodontics: Diagnosis, Clinical Decision Making, Management, Prognosis; and Interdisciplinary Endodontics. With contributions from the world's experts in all phases of the specialty, Ingle's Endodontics, 7th edition promises to be an indispensable dentistry textbook, an essential part of every endodontist's library.

Wilfred to the Rescue - Jill Barklem 2005

Translating Children's Literature - Gillian Lathey 2015-07-24

Translating Children's Literature is an exploration of the many developmental and linguistic issues related to writing and translating for children, an audience that spans a period of enormous intellectual progress and affective change from birth to adolescence. Lathey looks at a broad range of children's literature, from prose fiction to poetry and picture books. Each of the seven chapters addresses a different aspect of translation for children, covering: · Narrative style and the challenges of translating the child's voice; · The translation of cultural markers for young readers; · Translation of the modern picture book; · Dialogue, dialect and street language in modern children's literature; · Read-aloud qualities, wordplay, onomatopoeia and the translation of children's poetry; · Retranslation, retelling and reworking; · The role of translation for children within the global publishing and translation industries. This is the first practical guide to address all aspects of translating children's literature, featuring extracts from commentaries and interviews with published translators of children's literature, as well as examples and case studies across a range of languages and texts. Each chapter includes a set of questions and exercises for students. *Translating Children's Literature* is essential reading for professional translators, researchers and students on courses in translation studies or children's literature.

Treehouse Rescue! - Beatrix Potter Animation 2013

Mischievous, charming and brave, Peter is a hero who overcomes obstacles, outwits predators and dodges danger on his exciting adventures.

Beatrix Potter - Linda Lear 2008-03-04

Peter Rabbit, Mr. McGregor, and many other Beatrix Potter characters remain in the hearts of millions. However, though Potter is a household name around the world, few know the woman behind the illustrations. Her personal life, including a romantic relationship with her publisher, Norman Warne, and her significant achievements outside of children's literature remain largely unknown. In Linda Lear's enchanting new biography, we get the life story of this incredible, funny, and independent woman. As one of the first female naturalists in the world, Potter brought the beauty and importance of nature back into the imagination at a time when plunder was more popular than preservation. Through her art she sought to encourage conservation and change the world. With never before seen illustrations and intimate detail, Lear goes beyond our perennial fascination with Potter as a writer and illustrator of children's books, and delves deeply into the life of a most unusual and gifted woman—one whose art was timeless, and whose generosity left an indelible imprint on the countryside.

Fables of the Law - Daniela Carpi 2016-10-24

What can fables and fairytales tell us of law, its practices and ideals? Drawing on real and metaphorical literary and jurisprudential accounts and practices of law, this volume reveals that law has recourse to fables and fairytales as moral exempla, as a new form of law and literature, found in diverse sources ranging from the fables of de La Fontaine and fairytales of Perrault and Grimm to the modern fairytales of True Blood and Harry Potter.

Discourse on the State of the Jews - Simone Luzzatto 2019-07-08

In 1638, a small book of no more than 92 pages in octavo was published "appresso Gioanne Calleoni" under the title "Discourse on the State of the Jews and in particular those dwelling in the illustrious city of

Venice." It was dedicated to the Doge of Venice and his counsellors, who are labelled "lovers of Truth." The author of the book was a certain Simone (Simḥa) Luzzatto, a native of Venice, where he lived and died, serving as rabbi for over fifty years during the course of the seventeenth century. Luzzatto's political thesis is simple and, at the same time, temerarious, if not revolutionary: Venice can put an end to its political decline, he argues, by offering the Jews a monopoly on overseas commercial activity. This plan is highly recommendable because the Jews are "wellsuited for trade," much more so than others (such as "foreigners," for example). The rabbi opens his argument by recalling that trade and usury are the only occupations permitted to Jews. Within the confines of their historical situation, the Venetian Jews became particularly skilled at trade with partners from the Eastern Mediterranean countries. Luzzatto's argument is that this talent could be put at the service of the Venetian government in order to maintain - or, more accurately, recover - its political importance as an intermediary between East and West. He was the first to define the role of the Jews on the basis of their economic and social functions, disregarding the classic categorisation of Judaism's alleged privileged religious status in world history. Nonetheless, going beyond the socio-economic arguments of the book, it is essential to point out Luzzatto's resort to sceptical strategies in order to plead in defence of the Venetian Jews. It is precisely his philosophical and political scepticism that makes Luzzatto's texts so unique. This edition aims to grant access to his works and thought to English-speaking readers and scholars. By approaching his texts from this point of view, the editors hope to open a new path in research into Jewish culture and philosophy that will enable other scholars to develop new directions and new perspectives, stressing the interpenetration between Jews and the surrounding Christian and secular cultures.

Il bambino e il libro - Nicholas Tucker 1996

Supernatural beings from Slovenian myth and folktales - Monika Kropelj 2012-01-01

The Tale of Ginger and Pickles - Beatrix Potter 2021-01-01

Once upon a time there was a village shop. The name over the window was "Ginger and Pickles." It was a little small shop just the right size for Dolls—Lucinda and Jane Doll-cook always bought their groceries at Ginger and Pickles. The counter inside was a convenient height for rabbits. Ginger and Pickles sold red spotty pocket-handkerchiefs at a penny three farthings. They also sold sugar, and snuff and galoshes.

Peter Rabbit, Based on the Movie - Frederick Warne 2018-01-23

Hopping into movie theaters February 9, 2018! Dig up some trouble with Peter Rabbit, as everyone's favorite naughty bunny gets into trouble with rival Mr. McGregor in this book based on the movie starring James Corden, Rose Byrne, Daisy Ridley, Margot Robbie, Elizabeth Debicki, and Domhnall Gleeson.

The Tale of Tea - George L. van Driem 2020-12-11

The Tale of Tea is the saga of globalisation. Tea gave birth to paper money, the Opium Wars and Hong Kong, triggered the Anglo-Dutch wars and the American war of independence, shaped the economies and military history of Táng and Sòng China and moulded Chinese art and culture. Whilst black tea dominates the global market today, such tea is a recent invention. No tea plantations existed in the world's largest black tea producing countries, India, Kenya and Sri Lanka, when the Dutch and the English went to war about tea in the 17th century. This book replaces popular myths about tea with recondite knowledge on the hidden origins and detailed history of today's globalised beverage in its many modern guises.

Targeted Drug Delivery : Concepts and Design - Padma V. Devarajan 2014-12-08

This authoritative volume explores the fundamental concepts and numerous applications of targeted delivery of drugs to the body. This

compilation has been divided into eight sections comprised of the basic principles of drug targeting, disease and organ/organelle-based targeting, passive and active targeting strategies, and various advanced drug delivery tools such as functionalized lipidic, polymeric and inorganic nanocarriers. Together, the twenty-three chapters cover a wide range of topics in the field, including tumor and hepatic targeting, polymer-drug conjugates, nanoemulsion, physical and biophysical characteristics of nanoparticles, and in vivo imaging techniques, among others. The book also examines advanced characterization techniques, regulatory hurdles and toxicity-related issues that are key features for successful commercialization of targeted drug delivery system products. Targeted Drug Delivery is a comprehensive reference guide for drug delivery researchers, both beginners and those already working in the field.

The Political Songs of England - Thomas Wright 1839

Other Titles In The Series: Peter Rabbit, Based on the Major New Movie Peter Rabbit The Movie: Sticker Activity Book Peter Rabbit Quiz Book Peter Rabbit Sticker Activity Book Peter Rabbit Colouring Sticker Activity Book Perfect for keeping younger Peter Rabbit fans busy for hours!

Wooden Eyes - Carlo Ginzburg 2001

Ginzburg, "the preeminent Italian historian of his generation [who] helped create the genre of microhistory" ("New York Times"), ruminates on how perspective affects what we see and understand. 26 illustrations.

An Unnatural Order - Jim Mason 2004-07

First published by Simon & Schuster in 1993 and then by Continuum in 1998, Jim Mason's An Unnatural Order has become a classic. Now in a new Lantern edition, the book explores, from an anthropological, sociocultural, and holistic perspective, how and why we have cut ourselves off from other animals and the natural world, and the toll this has taken on our consciousness, our ability to steward nature wisely, and the will to control our own tendencies. Jim Mason writes: "My own view is that the primal worldview, updated by a scientific understanding of the living world, offers the best hope for a human spirituality. Life on earth is the miracle, the sacred. The dynamic living world is the creator, the First Being, the sustainer, and the final resting place for all living beings--humans included. We humans evolved with other living beings; their lives informed our lives. They provided models for our existence; they shaped our minds and culture. With dominionism out of the way, we could enjoy a deep sense of kinship with the other animals, which would give us a deep sense of belonging to our living world. "Then, once again, we could feel for this world. We could feel included in the awesome family of living beings. We could feel our continuum with the living world. We could, once again, feel a genuine sense of the sacred in the world."

Down the Rabbit Hole - Peter Abrahams 2009-03-31

"My all-time favorite. Astonishing." (Stephen King) Down the Rabbit Hole is the first book in the Echo Falls mystery series by bestselling crime novelist Peter Abrahams. Perfect for middle school readers looking for a good mystery. Welcome to Echo Falls, home of a thousand secrets. In Down the Rabbit Hole, eighth grader Ingrid Levin-Hill is in the wrong place at the wrong time. Or at least her shoes are. And getting them back will mean getting tangled up in a murder investigation as complicated as the mysteries solved by her idol, Sherlock Holmes. With soccer practice, schoolwork, and the lead role in her town's production of Alice in Wonderland, Ingrid is swamped. But as things in Echo Falls keep getting curiuser and curiuser, Ingrid realizes she must solve the murder on her own—before it's too late. "Deft use of literary allusions and ironic humor add further touches of class to a topnotch mystery," said School Library Journal. "Intriguing twists." Publishers Weekly agreed: "The fresh dialogue and believable small-town setting will tempt fans to visit Echo Falls again." The next book in this Edgar Award-nominated series is Behind the Curtain, followed by Into the Dark.
