Making Way in Corpus-based Interpreting Studies - Mariachiara Russo 2017-10-24

This book presents a collection of state-of-the-art work in corpus-based interpreting studies, highlighting international research on the properties of interpreted speech, based on naturalistic interpreting data. Interpreting research has long been hampered by the lack of naturalistic data that would allow researchers to make empirically valid generalizations about interpreting. The researchers who present their work here have played a pioneering role in the

compilation of interpreting data and in the exploitation of that data. The collection focuses on both of these aspects, including a detailed overview of interpreting corpora, a collective paper on the way forward in corpus compilation and several studies on interpreted speech in diverse language pairs and interpreter-mediated settings, based on existing corpora.

Jane Eyre + Wuthering Heights (2 Unabridged Classics) - Charlotte Brontë
2013-07-10

This carefully crafted ebook: “Jane Eyre + Wuthering Heights (2 Unabridged Classics)” is formatted for your eReader with a functional and detailed table of contents. Charlotte Brontë's most beloved novel describes the passionate love between the courageous orphan Jane Eyre and the brilliant, brooding, and domineering Rochester. The loneliness and cruelty of Jane's childhood strengthens her natural independence and spirit, which prove invaluable when she takes a position as a governess at Thornfield

Hall. But after she falls in love with her sardonic employer, her discovery of his terrible secret forces her to make a heart-wrenching choice. Ever since its publication in 1847, *Jane Eyre* has enthralled every kind of reader, from the most critical and cultivated to the youngest and most unabashedly romantic. It lives as one of the great triumphs of storytelling and as a moving and unforgettable portrayal of a woman's quest for self-respect. Born into a poor family and raised by an oppressive aunt, young Jane Eyre becomes the governess at Thornfield Manor to escape the confines of her life. There her fiery independence clashes with the brooding and mysterious nature of her employer, Mr. Rochester. But what begins as outright loathing slowly evolves into a passionate romance. When a terrible secret from Rochester's past threatens to tear the two apart, Jane must make an impossible choice: Should she follow her heart or walk away and lose her love forever? Considered by many to be Charlotte Brontë's

masterpiece, *Jane Eyre* chronicles the passionate love between the independent and strong-willed orphan Jane Eyre and the dark, impassioned Mr. Rochester. Having endured a lonely and cruel childhood, orphan Jane Eyre, who is reared in the home of her heartless aunt prior to attending a boarding school with an equally torturous regime, is strengthened by these experiences. The natural independence and unbroken spirit she emerges with allows her to thrive as a governess at Thornfield Hall. It is only after she falls in love with her employer and discovers his explosive secret that she is forced to return to the poverty and isolation of her past. *Wuthering Heights* is the only published novel by Emily Brontë, written between October 1845 and June 1846 and published in July of the following year. It was not printed until December 1847 under the pseudonym Ellis Bell, after the success of her sister Charlotte Brontë's novel *Jane Eyre*. A posthumous second edition was edited by Charlotte in 1850. It is one of the world's

greatest tales of unrequited love, captivating readers with its intense passion and drama. A classic novel of consuming passions, played out against the lonely moors of northern England, recounts the turbulent and tempestuous love story. The title of the novel comes from the Yorkshire manor on the moors of the story. The narrative centres on the all-encompassing, passionate, but ultimately doomed love between Catherine Earnshaw and Heathcliff, and how this unresolved passion eventually destroys them and the people around them.

Seneca the Elder and His Rediscovered

>Historiae ab initio bellorum civilium< - Maria Chiara Scappaticcio 2020-06-08

The refreshed insights into early-imperial Roman historiography this book offers are linked to a recent discovery. In the spring of 2014, the binders of the archive of Robert Marichal were dusted off by the ERC funded project PLATINUM (ERC-StG 2014 n°636983) in response to Tiziano Dorandi's recollections of a series of unpublished notes on Latin texts on papyrus. Among these was an in-progress edition of the Latin rolls from Herculaneum, together with Marichal's intuition that one of them had to be ascribed to a certain 'Annaeus Seneca'. PLATINUM followed the unpublished

intuition by Robert Marichal as one path of investigation in its own research and work. Working on the Latin P.Herc. 1067 led to confirm Marichal's intuitions and to go beyond it: P.Herc. 1067 is the only extant direct witness to Seneca the Elder's *Historiae*. Bringing a new and important chapter of Latin literature arise out of a charred papyrus is significant. The present volume is made up of two complementary sections, each of which contains seven contributions. They are in close dialogue with each other, as looking at the same literary matter from several points of view yields undeniable advantages and represents an innovative and fruitful step in Latin literary criticism. These two sections express the two different but interlinked axes along which the contributions were developed. On one side, the focus is on the starting point of the debate, namely the discovery of the papyrus roll transmitting the *Historiae* of Seneca the Elder and how such a discovery can be integrated with

prior knowledge about this historiographical work. On the other side, there is a broader view on early-imperial Roman historiography, to which the new perspectives opened by the rediscovery of Seneca the Elder's *Historiae* greatly contribute.

Where Tigers are at Home - Jean-Marie Blas de Robles 2014-02-18

Winner of the Prix Médicis, this multifaceted literary novel follows the Jesuit scholar Athanasius Kircher across 17th century Europe and Eleazard von Wogau, a retired French correspondent, through modern Brazil. When Eleazard begins editing a strange, unpublished biography of Kircher, the rest of his life seems to

begin unraveling—his ex-wife goes on a dangerous geological expedition to Mato Grosso; his daughter abandons school to travel with her young professor and her lesbian lover to an indigenous beach town, where the trio use drugs and form interdependent sexual relationships; and Eleazard himself starts losing his sanity, escalated by loneliness, and his work on the biography. Patterns begin to emerge from these interwoven narratives, which develop toward a mesmerizing climax. Shortlisted for the Goncourt Prize and the European Book Award, and already translated into 14 languages, *Where Tigers Are At Home* is large-scale epic, at once literary and entertaining, that belongs in the company of Umberto Eco and Haruki Murakami.

Lust for Love - Pamela Anderson 2018-04-24
An unlikely pair of voices—the world's most recognizable beauty icon and "America's rabbi"—comes together to diagnose how meaningful, passionate sex is on the decline in Western culture, and what is necessary to save it. Sex is

dying in America. Inundated with sex and starved for it, obsessed with it yet clueless about it, we are slowly forgetting how to make love. The crisis of modern sexuality is seen in high divorce rates, in the degradation of sexuality through pornography, and tasteless displays of empty, counterfeit erotica. Most of all, it's seen in sexless marriages and platonic relationships where cybersex has become more addictive than the real thing. Sex has become so trivialized, coarsened, and vulgarized that couples no longer feel its pull. The once powerful and irresistible magnetism of sex is being diluted and drained. The authors propose replacing the 1960s' sexual revolution with a new sensual revolution, a rediscovery of intimacy that encourages and ennobles human relationships, elevates healthy lust, and gets us from looking up from the glowing screens of our smartphones to the people around us, most especially the people we love the most. Lust for Love embraces the idea that what our most important

relationships need most is lust. It is necessary to rediscover what's sexy again, how to bring back romance, and to understand that in addition to love, we need lust to repair our unfulfilling sex lives and broken relationships. Lust for Love proposes a return to what lovemaking was always meant to be: a desire to know and experience another person in the deepest possible way.

Graziella - Alphonse de Lamartine 1905

Translation and Transmission - Jaakko Hameen-Anttila 2018-12-31

This collection of papers originates with a workshop held 24-25 September 2015 in Villa Lante al Gianicolo, Rome. The workshop brought together a number of scholars working in the fields Arabic Studies, Greek and Latin Studies, Septuaginta Studies, and Iranian Studies. The workshop concentrated on the transmission of texts and ideas across language barriers in the Eastern Mediterranean. The main focus was on

literary and historical texts, but also scientific, pseudoscientific, and religious texts were discussed. The workshop and the resulting collection of articles shows clearly that there is still much to do in the field of translation studies in the Long Late Antiquity and the Middle Ages. The various cultures around the Mediterranean have always lived in close contact with each other, and translation of texts has played a central role in the intellectual interaction of these cultures. While parts of this interaction have received scholarly attention, others have been almost neglected. The aim of this volume is to direct attention to the manifold and vivid culture of translation around the Mediterranean.

The Dead Fish Museum - Charles D'Ambrosio 2006-04-18

"In the fall, I went for walks and brought home bones. The best bones weren't on trails—deer and moose don't die conveniently—and soon I

was wandering so far into the woods that I needed a map and compass to find my way home. When winter came and snow blew into the mountains, burying the bones, I continued to spend my days and often my nights in the woods. I vaguely understood that I was doing this because I could no longer think; I found relief in walking up hills. When the night temperatures dropped below zero, I felt visited by necessity, a baseline purpose, and I walked for miles, my only objective to remain upright, keep moving, preserve warmth. When I was lost, I told myself stories . . .” So Charles D’Ambrosio recounted his life in Philipsburg, Montana, the genesis of the brilliant stories collected here, six of which originally appeared in *The New Yorker*. Each of these eight burnished, terrifying, masterfully crafted stories is set against a landscape that is both deeply American and unmistakably universal. A son confronts his father’s madness and his own hunger for connection on a misguided hike in the Pacific Northwest. A

screenwriter fights for his sanity in the bleak corridors of a Manhattan psych ward while lusting after a ballerina who sets herself ablaze. A Thanksgiving hunting trip in Northern Michigan becomes the scene of a haunting reckoning with marital infidelity and desperation. And in the magnificent title story, carpenters building sets for a porn movie drift dreamily beneath a surface of sexual tension toward a racial violence they will never fully comprehend. Taking place in remote cabins, asylums, Indian reservations, the backloads of Iowa and the streets of Seattle, this collection of stories, as muscular and challenging as the best novels, is about people who have been orphaned, who have lost connection, and who have exhausted the ability to generate meaning in their lives. Yet in the midst of lacerating difficulty, the sensibility at work in these fictions boldly insists on the enduring power of love. D’Ambrosio conjures a world that is fearfully inhospitable, darkly humorous, and touched by

glory; here are characters, tested by every kind of failure, who struggle to remain human, whose lives have been sharpened rather than numbed by adversity, whose apprehension of truth and beauty has been deepened rather than defeated by their troubles. Many writers speak of the abyss. Charles D'Ambrosio writes as if he is inside of it, gazing upward, and the gaze itself is redemptive, a great yearning ache, poignant and wondrous, equal parts grit and grace. A must read for everyone who cares about literary writing, *The Dead Fish Museum* belongs on the same shelf with the best American short fiction.
