Panini Football Stickers: The Official Celebration - Greg Lansdowne 2021-11-25
Welcome to the glorious world of Panini football stickers! Collecting Panini football stickers has always been a joy. Tearing open those packets and excitedly filling an album is a rite of passage for millions of

kids - and adults. It's so popular, it even has its own language - 'swapsies', 'got, got, need' and 'shinies'. And now, for the first time, Panini have granted access to their archives for this superbly illustrated celebration of their iconic football sticker collections. Licensed by Panini and written by respected sticker authority Greg Lansdowne, this volume showcases Panini's UK domestic football, FIFA World Cup and UEFA European

Championship albums, as well as all the great players, from Pelé and Maradona to Marta, Ronaldo and Mbappé (via Frank Worthington, Chris Waddle, Ally McCoist and a few dodgy haircuts). A heady mix of football history, wonderful nostalgia and modern-day action that collectors of all ages will cherish, this book shows why, for the last 60 years, collecting Panini stickers has been - and remains - a global phenomenon. PANINI FOOTBALL STICKERS: A CELEBRATION includes: - More than 2,000 images of iconic PANINI stickers, album covers and sticker packet designs - Specially curated chapters on every UK-published collection (Football League/FIFA World Cup) - Breakout features on foils, haircuts styles and collecting etiquette

A brand-new Courtney Series

adventure. The action-packed new book in the Courtney Series and the sequel to Courtney's War. Just because the war is over and Hitler dead, doesn't mean the politics he stood for have died too. Saffron Courtney and her beloved husband Gerhard only just survived the brutal war, but Gerhard's Nazi-supporting brother, Konrad, is still free and determined to regain power. As a dangerous game of cat-and-mouse develops, a plot against the couple begins to stir. One that will have ramifications throughout Europe. . . Further afield in Kenya, the last outcrop of the colonial empire is feeling the stirrings of rebellion. As the situation becomes violent, and the Courtney family home is under threat, Leon Courtney finds himself caught between two powerful sides - and a battle for the freedom of a country. Legacy of War is a nail-biting story of courage, bravery, rebellion and war from the master of adventure fiction.

mostra (Parigi, 17 dicembre 2015-15 febbraio 2016) -

Dominique Cordellier 2015
Esprit vif, plus léger dans ses dessins qu'un danseur de corde, grand travailleur de l'imaginaire, Parmigianino, successeur idéal de Corrège et Raphaël, est sans doute aujourd'hui l'un des artistes italiens du xvie siècle dont les pratiques graphiques sont les mieux connues.

L'exceptionnelle collection du cabinet des dessins du Louvre a beaucoup contribué à ce que cette connaissance parvienne jusqu'à nous. Le présent ouvrage, en en présentant un choix, en livre la quintessence. Il permet de voir comment, à la suite de la lame de fonds de la Haute Renaissance, Parmigianino apparut sur la crête d'une nouvelle vague, celle de la maniera, dont le déferlement, loin de n'être qu'écume et embruns, portèrent loin houles, ondes et rouleaux. Fils de peintre mais orphelin en bas âge, encadré par ses oncles, il fit son miel, dès l'enfance, de toutes les nouveautés de Venise

(Giorgione, Cima da Conigliano), de Ferrare (Dosso Dossi), de Crémone (Pordenone), de Florence et de Rome (Michel-Ange et Raphaël) et de Parme (Corrège, Anselmi) où il travaillait alors. Fort de ce bagage, il gagna Rome à dix-neuf ans, y sembla à tous Raphaël ressuscité et y fut captiva par l'aisance de son art tant le pape (en 1524) que ses ennemis, les lansquenets venus saccager la ville (en 1527). Après trois années fructueuses à Bologne, il revint à Parme pour neuf ans et prouva là qu'il avait tout pour être aussi bien le puissant poète de l'équilibre (dans les nobles canéphores de Santa Maria della Steccata) que celui, gracile, de la dissymétrie (dans la Madone au long cou). Mais, exigeant et jamais satisfait, il ne vint au bout de rien. Trop soucieux d'atteindre la grandeur de ses aînés, inconscient d'y être parvenu, il manqua son objectif d'homme de métier en n'achevant que rarement ses grandes entreprises picturales mais, pour notre plus grande délectation, toucha au sublime

Fairy Tales by Grimm Brothers (Annotated & Illustrated) -

Wilhelm Grimm 2019-10-04

Original Disney Stories Are they really that different from the ones on the movies? Yes, They are. Want an idea of how dark the original Disney stories are? Here's a taste... Rapunzel got pregnant and had twins.

Just saying. If you want Scary Disney stories... this book is for you. If you want to read Disney variations... this book is for you. If you want to know the origin of all these stories... you

know. This book is a collection of stories from the Brothers Grimm, which are the actual authors of some of the most beloved Disney stories and other well-known folk stories.

They compiled all these stories through years of research, to preserve these pieces of the german culture for future generations. Inside you will find the original stories of Snowwhite, Rapunzel, Rumpelstiltskin, Little red riding-hood, Hanzel & Gretel, just to say a few. But these are not like the beautiful stories Disney made you fall in love with. The original stories are raw, dark, and some may even be taken as horror stories. Which makes them great for readers like you, tired of those happily ever after. These stories were created to leave a piece of moral knowledge to the reader. Although not doing so in the most child-friendly way. Which is way more fun!

his more mature work in Italy." "Huber's style assimilated the teachings of the early modern masters, such as Max Bill and Laszlo Moholy-Nagy, combining their principles with the enormous variety of cultural influences present in vibrant post-war Milan. This fully illustrated survey of his work demonstrates that Huber was among the first to apply the aesthetics of the avant garde to a corporate and commercial environment, creating formal solutions that he would go on to use throughout his life. Among the 450 illustrations in this book (the majority of which were never published before) are examples of his celebrated posters for the Monza races, his jazz record covers and book series for major Italian publishers, which remain appreciated today as superb examples of their genres."

"Some of Huber's most enduring achievements were on a completely different scale and remain in the collective memory of generations and on the streets of Italy: his logo

design for the department store La Rinascente and the supermarket chain Esselunga, were so influential as to change the public's perception of these two popular stores and, moreover, the visual landscape of Milan itself." "The three expert authors of this book (Stanislaus von Moos, Mara Campana and Giampiero Bosoni) were privileged to have the full support of Huber's widow, Aoi Kona, who granted them unrestricted access to the renowned archive of Huber's work that is now housed in the m.a.x.Museo, in Chiasso, Switzerland. This wide-ranging and exhaustively researched book demonstrates the importance of this fascinating and influential figure in the history of modern graphic design."--BOOK JACKET.

Poems I Will Never Release - Milovan Farronato 2021

This book is dedicated to the complex artistic trajectory of Chiara Fumai, who played a significant role in the development of performance and feminist aesthetics in the twenty-first century and who died prematurely in 2017, at the age of only thirty-nine. Conceived as a critical monograph on Fumai's work as a visual artist, performer, DJ and music curator, 'Poems I Will Never Release' is the first volume to trace the entirety of her artistic path: from her scathing video performances and large-scale installations, to her more intimist practices of automatic writing and collage and her incursions into music. Almost 500 pages long, the volume is divided into three

main chapters. The first of these brings together essays by prominent writers, curators and artists who examine Chiara Fumai's work from various perspectives, highlighting its intersections with anarchism, feminism, ideological forms and discourses of power and oppression, the animal rights movement, theater, surrealism and esotericism. The second chapter presents an imposing iconographic apparatus that documents Chiara Fumai's entire artistic production, from 2007 to 2017, while the third offers an exhaustively detailed chronology and bibliography. *Gaspar van Wittel. Pezzettino - Leo Lionni

2012-01-10

A classic fable about the search for identity, from Caldecott Honor winning picture book creator Leo Lionni. Pezzettino lives in a world in which everyone is big and does daring and wonderful things. But he is small, just a "little piece," which is the meaning of pezzettino in Italian. "I must be a piece of somebody. I must belong to someone else," he thinks. How Pezzettino learns that he belongs to no one but himself is the joyous and satisfying conclusion to this beautiful mosaic style picture book.

Jeff Koons: Lost in America - 2021-08-31

Koons by himself: the new definitive overview, featuring the artist's commentary on his works and career This handsomely designed volume brings together more than 60 of the artist's most iconic sculptures and paintings along with new productions and recently completed works. Edited by curator Masimiliano Gioni, the book focuses in particular on Koons' art as seen in relation to contemporary American culture. With an aesthetics of abundance remaining a constant throughout his career, Koons has composed a "fantasy America ... custom-made from art and schmaltz and emotions"--to use Warhol's description of his own interpretation of American culture. Through the inclusion of source materials, personal recollections and biographical narratives by Koons himself, the book reads each of Koons' celebrated series through the prism of his biography and the ways in which his individual history intersects with that of his country and culture. The

publication composes an unconventional view of Jeff Koons and his work, retracing the personal influences and cultural histories that have shaped Koons' art. Published to accompany a major exhibition in Qatar, the catalog features an interview with Koons by the exhibition's curator along with essays by Armenian American art critic Dodie Kazanjian and Qatari American writer and artist Sophia Al Maria. Jeff Koons (born 1955) is best known for his work that engages with pop culture in dynamic and unexpected ways, such as his famous large-scale stainless steel sculptures of balloon animals. His work has been exhibited worldwide since his career took off in the 1980s and his pieces frequently break auction sales records.

Vespa - Giorgio Sarti

2011-09-15

April 1946 was the debut date

of the revolutionary little two-wheel vehicle, which, as well as leaving an indelible mark on the history of transport, became a real cultural phenomenon to successive generations. Simple and elegant, practical and comfortable, these are some of the characteristics that have ensured the popular scooter an unrepeatably success, with 35,000 of them built in 1949 alone. Sixty-five years after its birth, the Vespa, of which over 17 million have been produced, has affirmed itself throughout the world. This book covers the fascinating epic of the Vespa, from its debut to the present day, through hundreds of pictures and invaluable documents of its various epochs.
