The 57 Bus - Dashka Slater
2017-10-17

One teenager in a skirt. One teenager with a lighter. One moment that changes both of their lives forever. If it weren't for the 57 bus, Sasha and Richard never would have met. Both were high school students from Oakland, California, one of the most diverse cities in the

country, but they inhabited different worlds. Sasha, a white teen, lived in the middle-class foothills and attended a small private school. Richard, a black teen, lived in the crime-plagued flatlands and attended a large public one. Each day, their paths overlapped for a mere eight minutes. But one afternoon on the bus ride home

from school, a single reckless act left Sasha severely burned, and Richard charged with two hate crimes and facing life imprisonment. The 57 Bus is Dashka Slater's true account of the case that garnered international attention and thrust both teenagers into the spotlight.

Sasha Cohen (Revised Edition)

- Anne E. Hill 2012-08-01

Think you know all there is to know about Sasha Cohen? Well, did you know that: ? She grew up in southern California? ? Ice cream is one of her favorite foods? ? She won a gold medal at the 2006 U.S. National Championships? Sasha Cohen fell in love with figure skating when she was seven years old. She quickly became a fierce competitor and by age fifteen, she was skating with the best in the world. At the 2002 Winter Games in Salt Lake City, Utah, she finished in fourth place-just missing a medal. She spent the next four years working to improve. See how this elegant skater made it to the top!

Teaching and Learning in a Digital World - Michael E. Auer
2017-12-26

This book gathers the Proceedings of the 20th International Conference on Interactive Collaborative Learning (ICL2017), held in Budapest, Hungary on 27-29 September 2017. The authors are currently witnessing a significant transformation in the development of education. The impact of globalisation on all areas of human life, the exponential acceleration of technological developments and global markets, and the need for flexibility and agility are essential and challenging elements of this process that have to be tackled in general, but especially in engineering education. To face these current real-world challenges, higher education has to find innovative ways to quickly

respond to them. Since its inception in 1998, this conference has been devoted to new approaches in learning with a focus on collaborative learning. Today the ICL conferences offer a forum for exchange concerning relevant trends and research results, and for sharing practical experience gained while developing and testing elements of new technologies and pedagogies in the learning context.

It Ain't Over... - Robert M. Kerns 2019-07-02

If Guitars Could Talk - Yuriy Shishkov 2012-01-05

Who Did That? - Deborah Chancellor 2017

This story exposes the issue of responsibility and owning up to our actions. In the story, seven-year old Sasha smashes a window by accident but blames her little brother Henry. When Henry runs away Sasha has to confess and say how sorry she is. Sasha's grandma explains how we should always face the consequences of what we've

done and things will turn out better that way. The story is suitable for children aged 5+ who are learning to read or for sharing with an adult. The book is a part of the British Values series which explores tricky subjects such as democracy, the rule of law, mutual respect and tolerance through fun illustrated stories. Each book includes teacher notes for discussing the theme of the story.

Soon Come - Joyce Arneson 2002-01-15

Soon come in Jamaica means, dont worry, be happy, and was the title of the newsletter Beth and Mike Ohlsson sent home during a Peace Corps tour in Jamaica. It is two years since traumatic events forced Beth to leave Jamaica, the Peace Corps, and husband Mike. Now alone, she decides to come to grips with the past by retreating to her cabin at Bent Needle Lake in Northern Minnesota to write a book to exorcise her Jamaican duppies (ghosts). Actually, SOON COME is two interwoven stories: One is Beths story of

two middle-aged people chucking a comfortable life to join the Peace Corps and her role in the events that have been haunting her. The other story is of her summer of writing and meeting Nick Faber, a college instructor, who rents a neighboring cabin. The stories shift between the sharply contrasted worlds of serene Bent Needle Lake and turbulent Jamaica.

Learning Games - Scott J. Warren 2017-06-16

This book provides an overview of the design and development of learning games using examples from those created by the authors over last decade. It provides lessons learned about processes, successful approaches, and pitfalls that befall developers of learning games and educational transmedia experiences. The book includes stories from the authors' lives that give context to why and how they built these products to help the reader understand whether or not building a learning game is right for them and what challenges they

might face. It also gives a framework for thinking ethically about design and research when it comes to designing complex digital systems like educational games. /div

Dragon Isles: Sasha - Shelley Munro 2020

Out of options. Out of time.

Sasha, The Lionhearted, is the youngest child and only daughter of one of the main Perfume Isle clans. After Sasha rejects every marriage candidate presented to her, her frustrated parents organize a betrothal to Bruceous, The Businessman. He's much older, and yuck! Worst contender ever. The notion of living with this bum-pinching, leering dragonman appalls Sasha. Furious, she leaves to visit her best friend and never arrives. Her routine flight becomes an

adventure when she breaks through the protective barrier surrounding the Dragon Isles. Now, she's trapped on the mainland where humans supposedly persecute dragons. Maxwell Lombardy is drowning under commitment. After his parents' sudden death, he's responsible for his much younger brother. Max's grandparents have started legal proceedings to gain custody of his brother, and his busy job leaves him with limited time. The nanny option isn't working either until he meets the gorgeous and mysterious Sasha. Sasha needs a job and accommodation, and Max requires a fake fiancée to present to his grandparents and the court. Problems sorted, except for one slight difficulty. Sparks fly between the pair. Maxwell becomes as enamored as his brother, but his sexy fiancée harbors secrets, and when he discovers what they are—let's say they have the potential to blast his house of cards apart with the force of dragon fire. Keywords: Single father, dragon shapeshifter,

stranded, alpha hero, fake engagement, paranormal romance series, myths and legends

The Sasha McCandless Series -
Melissa F. Miller 2020-11-19

This set includes the full-length novels *Intentional Acts*, *In Absentia*, and *Inevitable Discovery* and the novella *Full Fathom Five*. In *Intentional Acts* (Book 12), Sasha and Leo find themselves on opposite sides of an explosive situation. Sasha's up to her elbows in a data privacy matter. Her client could be on the hook for breaching the privacy of hundreds of customers. All because a rogue employee intentionally leaked personal information for reasons known only to him. Leo's busy with a high-stakes case of his own. He's been ordered to neutralize a national security threat, but he has his doubts about the strength of the evidence against the target. As Leo vets the information he's been given, Sasha learns that federal law enforcement has an interest in her civil matter. Because they both take their

duties of confidentiality seriously, neither realizes that their cases are intertwined. Until one of the affected customers in Sasha's case is murdered ... and the evidence points to Leo as the killer. Sasha's not about to turn in her own husband, so she tails him. She only hopes what she finds will clear his name, not destroy their marriage. In *In Absentia* (Book 12), nothing will stop Sasha from finding her missing client—not even a violent terrorist cell, a trained assassin, and an opioid-trafficking ring. When Sasha's client is a no-show for his federal sentencing hearing in a bulk money smuggling case, the presiding judge is not amused. He gives her the weekend to locate the guy or face the consequences. She tracks the client to a remote West Virginia town, but it's not the end of her problems—it's just the beginning. He's being held hostage by violent men convinced he's the key to eight million dollars missing from a terrorist organization's coffers. After a day passes with no

word from Sasha, an increasingly worried Leo leaves the kids with a friend and heads to West Virginia to search for her. He finds himself in the middle of a massive drug-trafficking investigation. Cut off from one another and from any means of communication and surrounded by players who aren't who they seem to be, Sasha and Leo each figure out half of the story. Now, they're running out of time to put it all together. Echoes of grief and pain reverberate across the decades in *Inevitable Discovery* (Book 13). On November 20, 1999, a phone call shattered Sasha McCandless' family with the news that her brother Patrick had been shot and killed. Exactly twenty years later, another middle of the night phone call thrusts Sasha into a dangerous new case. A protest over the death of a young man at the hands of the Milltown Police ends with several protestors being snatched off the street by a group of black-clad armed men. Sasha agrees to represent

three of the detainees in a case against the police department and the secretive organization that abducted them. As her investigation heats up, she becomes a target. Meanwhile, a chance encounter with a college student brings her past crashing into the present. Her search for the truth will reopen old wounds and cause fresh pain. Get cozy with Full Fathom Five (Book 13.5), a McCandless-Connelly Family Mystery Novella! It's the week after Christmas, and the McCandless-Connelly family is snowed in. Really snowed in. Roads are closed. Stores are closed. A curfew is in place. And Sasha and Leo's five-year-old twins are climbing the walls. A game of hide and seek is meant to keep Finn and Fiona busy, not turn up a sixty-five-year-old mystery. But when the kids find an old metal box hidden in the attic's wall, they have a million questions: How did a military plane vanish in a Pittsburgh river? Whose dog tags with Cyrillic letters are in the box? The twins are swept up in the mystery and, soon, so

are Sasha and Leo. They're cut off, locked in, and hot on the scent of a dangerous secret.

Learning How to F.L.Y. - Loco Fab 2019-02-16

This book will show you that no matter what situation you're in, God will never leave you. No relationship can fill the God hole. Only a relationship with

God can make you whole. Otherwise, the enemy will deter you from fulfilling the reason why you were born. Take your strength. You are a Queen! You're a daughter of the Almighty King! The devil tried it, but don't lie in it. No excuses. You're in charge of your future. Forgive those that hurt you, even if they're not sorry so you can be free. Then, you'll be ready to soar because you've learned how to F.L.Y. (First Love Yourself) and not die in shame or self-pity. If you don't love yourself, you'll always chase others that won't love you either. Remember, God has the unconditional love that we so desire. No man, no woman, no child, no amount of money can fill the yearning to be loved; God is ready and waiting with His arms wide open. You are good enough. You are beautiful. You are smart. You are God's eagle. What do eagles do? F.L.Y. (First Love Yourself).

The Good Man's Son -
Alexander Rebelle 2015-06-17
John Dumont is the first
independent presidential

candidate to ever have a commanding lead in the polls by mid-October of an election year. With nearly sixty percent of the voting population behind him, he arrives in Boston both for the final presidential debate of the campaign and to visit his son. But as the actions and the choices of his son abruptly become the focus of attention across the country, John finds his campaign in the midst of a crisis and his lead in the polls begins to shrink more and more with each passing day. In order to win the election, John will have to take control of the situation, but can he do it without damaging the bond that he shares with his family? John must choose to either interfere with the delicate balance in the newfound happiness of his son's life, or do something that would seem impossible: convince the public to accept his son just as he has. John is a father that would sacrifice anything he has for his son, but will it cost him the election?

Strengthening and Enriching Your Professional Learning Community - Geoffrey Caine
2012-05-29

How can educators create a collective method of professional development that results in the genuine, sustained teacher learning essential to improving student achievement? That question is at the heart of this comprehensive and practical guide to process learning circles, a unique and powerful way to develop, strengthen, and enrich professional learning communities. Authors Geoffrey and Renate N. Caine have dedicated more than 20 years to researching how people learn naturally. From

this foundation, they describe in detail how process learning circles work, and they provide readers with a clear understanding of how powerful and successful this approach to professional learning can be. Along the way, they explore * The three critical elements of great professional development * How to create a field of listening * The logistics and phases of process learning circles * Tips for success as a process leader * The effects of individual differences and group dynamics * Principles for developing a process that works Examples from schools that have implemented process learning circles provide evidence of the method's success, and the authors also include an explanation of 12 underlying brain/mind learning principles, guidelines for using online tools, and broader suggestions for how to move from teaching for memorization to teaching for understanding. Written with both teachers and administrators in mind, *Strengthening and Enriching Your Professional Learning*

Community: The Art of Learning Together is an essential guide to professional learning and development that works.

John Dewey at 150 - A. G. Rud 2009

The papers will appear as an issue of the Society's journal, *Education and Culture*, in late fall 2009, and as a book by Purdue University Press.

The Reluctant Hunter - Joel Levinson 2012-09-10

In the spring of 1992, as the formerly communist country of Yugoslavia begins to disintegrate into mayhem, Jusuf Pasalic, a college-age secular Muslim, is surprised by a thundering knock at his front door in the hamlet of Kljuc, Bosnia. Moments later, he is riding in a convoy of Serbian

trucks transporting hundreds of Muslim men and boys to a concentration camp. After escaping, Jusuf is intent on returning home to save his mother, a devout Muslim, before she too is caught up in a region-wide campaign of ethnic cleansing. Jusuf, like his deceased father, is a superb marksman, but unlike his father, he loathes hunting. He is now without a weapon when he needs one most. Forced to survive in harrowing circumstances, he struggles to understand why his Serbian friends are suddenly his enemies. After weeks on the run, Jusuf is emaciated, exhausted, and looking for refuge when a young woman and her father take him in to their home. But even as Jusuf continues to try to locate his mother, the young couple fall in love, further complicating his goal of returning home to carry his mother to safety. A lifelong friend of Jusuf's, now fighting with the enemy, is intent on proving to Jusuf that his mother is still alive, but Serbian soldiers on the front

lines have another idea about the fate of this innocent Muslim woman. In this poignant historical tale, Jusuf is faced with an agonizing choice on how to protect his mother's honor—a decision that will change his life forever.

Hack Learning - Ruth G Juliano 2018-01-01

Sanctuary's Price - Moira Rogers 2015-12-30

After a decade under a corrupt alpha's thumb, Dylan Gennaro is still reeling from the changes in his life: a new home, a new alpha, a pack at war. Even normal things like an ending relationship. Still, when he's asked to work with an outcast witch, he agrees without hesitation. Maybe by protecting her, he'll rediscover his own inner strength. If, indeed, it exists. Sasha Wallace lost her mentor in a vicious attack that left her scarred in spirit as well as body. While she's grateful for the refuge offered by the Red Rock alpha, it's tough living with the pack's suspicion. Even though -- or maybe because - she's willing

to use her powers to help them fight their war. Except for Dylan. When she's finally free to find a new home, he'll be the only one she regrets leaving behind. Their attraction is a balm to their wounded hearts, until their journey for knowledge brings them face to face with a terrifying vampire. Neither has the strength for this fight--but if they can let go of their pasts and trust each other, they might just be able to do it. Together.

Autism and Personality -

Anne Alvarez 2013-04-15

Taking a psychoanalytic and developmental approach, *Autism and Personality* outlines in considerable detail the new developments in therapeutic techniques used by the Tavistock Autism Team and Workshop to treat autistic children. It also underlines the importance of support for parents and siblings, who are all too often ignored under considerable stress. The book presents fresh ideas about the importance of personality for the developmental course of the condition, and the

implications for psychotherapeutic technique. Using case vignettes to illustrate the theoretical ideas emerging from the Workshop, coupled with case studies which highlight the patient's changing contact with the therapist, it gives a fascinating picture of the individuality of each child and of the sensitivity and skill required for each treatment. Accessible to professionals and also to parents, Autism and Personality is a valuable insight into the nature and course of this condition and its treatment.

Object of Virtue - Nicholas B.A. Nicholson 2004-04-15
A dazzling debut about the power of family and the pain of

betrayal set within Manhattan's Fifth Avenue apartments, the opulent mansions of the new Moscow, and the pre-revolutionary palaces of Saint Petersburg. Sasha Ozerovsky is a young expert in Russian art at Leighton's, an exclusive Manhattan auction house. When a dealer arrives from Moscow with an exquisite 1913 Fabergé figurine, Sasha immediately recognizes a rare masterpiece. But in the high stakes art world, the price of an object is tied to its history. If Sasha can determine for whom the bejeweled piece was made and where it has been hiding for the past century, its value -- and Sasha's career -- will soar. But as Sasha moves between New York's high society and Russia's new rich, he discovers that the piece once belonged to his family, and he must face questions about their past that he never dared to ask. Superbly plotted and evoking the elegance of Russia's gilded age, *Object of Virtue* is an enthralling tale that explores what happens to a family torn between vanity

and virtue.

A Guide to Collaborative Communication for Service-Learning and Community Engagement Partners -

Rebecca Dumlao 2018-11-30

This book focuses on partnerships at the most basic level of interaction - between two people as they work toward common goals. Interpersonal dynamics described in this book are intended to guide formal and institutional relationships between members of a community or community organization on the one hand and representatives from campus on the other. Collaborative communication principles and practices shared can form a foundation for individuals to build flexible, lasting relationships that will weather most challenges and sustain the larger partnerships of their respective organizations. This book offers a conceptual framework of collaborative communication to build and sustain partnerships, recognizing that relationships change over time as the people

involved and their circumstances evolve. Collaborative communication uses a repertoire of knowledge and skills that allow partners to make choices that fit their situation or context and to work through differences and challenges as they occur, to include managing conflict and navigating cultural differences. It further takes into account the different means of communication, whether face-to-face, using e-mail, text messaging, or social media. Readers will appreciate the numerous real world examples that illustrate and bring its key concepts to life. This book is addressed to partners at all levels focused on community engagement and service-learning. It is intended for preparing college students to work more effectively in the community, as well as for workshops for community and campus members who work with service-learning students. It can equally be used in leadership workshops in academic and community settings. Scholars, students, or

community members involved in community engaged research will also find useable ideas for their work. The appendices offer an annotated bibliography of useful resources and provide readers with a repertoire of activities for building a collaborative communication repertoire.
