Book of the Dark - Anna MILBOURNE 2018-10-30

This is a book about a child who is afraid of the dark. The book follows the little boy as he tells the reader all about the approaching darkness one evening, revealing his fear as he goes to bed, showing shapes in his bedroom that look like monsters (which change into ordinary things when he switches the light on). When the boy goes on a camping trip, he comes to realize that the dark has its place, and perhaps isn't so terrible after all. After all, it's only when it's truly dark, that you can see the stars. With a playful, clever and beautiful use of laser-cut holes,

the book shows shadows getting bigger and taking over the boy's world, the dark bedroom shapes looking like monsters, and then transforming, in the turn of a page, to be just ordinary things in the boy's bedroom, and a breath-taking scene of hundreds of stars in the night sky.

The perfect Christmas gift for the bookworm in your life.

'Beautiful and moving... It will kickstart a cascade of nostalgia for countless people' Marian Keyes When Lucy Mangan was little, stories were everything. They opened up different worlds and cast new light on this one. She was whisked away to Narnia - and Kirrin Island - and Wonderland. She ventured down rabbit holes and wobble burrows into midnight gardens and chocolate factories. No wonder she only left the house for her weekly trip to the library. In *Bookworm*, Lucy brings the favourite characters of our collective childhoods back to life and disinters a few forgotten treasures poignantly, wittily using them to tell her own story, that of a born, and unrepentant, bookworm.

nostalgic treat' Good Housekeeping 'Lucy Mangan has enough comic energy to power the National Grid' *The Spectator*
