Captivating: A Guided Journal - John Eldredge
2005-07-16

Every little girl has dreams of being rescued by the hero, of being swept away into a great adventure, of being the beautiful princess. Sadly, when women grow up, they are taught to be tough, efficient, and independent. Many Christian women are tired, struggling under the weight of the pressure to be a "good servant," a nurturing caregiver,

passionate lover, or capable home manager. What the Wild at Heart Field Manual did for men, the Captivating: A Guided Journal can do for women. By revealing the three distinctly female desires every woman shares, John and Stasi Eldredge invite participants to recover their feminine hearts, which may have suffered many wounds but were originally defined in the image of a passionate God.

Captivating Revised and Updated - John Eldredge

2011-04-18

Sometime between the dreams of your youth and yesterday's to-do list, something precious has been lost: your priceless femininity. God has set within you a femininity that is powerful, tender, and fierce. No doubt it has been misunderstood, but it is there, and it is worth recovering. In this updated and expanded edition of their runaway bestseller, John and Stasi Eldredge vulnerably share their story and show you how to set your heart free and embrace life as a woman who is truly captivating. The mystery of the feminine heart was meant to be a good thing, a source of joy. But all too often, it becomes a source of shame. We almost universally feel that we are too much or not enough. This book combines timeless scripture with honest, heartfelt stories from women who have been there, too, giving you the

encouragement you need to: Discover the glorious design of women that God originally intended Understand how Jesus restores the feminine heart Heal the trauma in your story Embrace the inherent power, freedom, and beauty that you already possess As we grow older and our dreams are slowly pushed aside, we're told that we have to settle for a life of efficiency and performance, striving to be the women we're told that we ought to be and still feeling like we're failing. But it doesn't have to be this way. Let Captivating help you discover the woman you were meant to be.

The Sacred Romance - Brent Curtis 2001-04-01

If you long for something more, even if you don't know what that something is, then open this profound book. The Sacred Romance is the story of our lives; it is God's story. It is His invitation to experience His unfathomable love for us. Before long, you will find yourself eagerly turning the pages to find out what happens next. The Sacred Romance strikes a chord in us because more than in any other age, we have lost touch with our hearts. We have left that essential part of ourselves behind in the pursuit of efficiency, success, and even Christian service. From childhood on, something or Someone has called us on a journey of the heart. It is a journey full of intimacy, adventure, and beauty, but like any fairy tale it is also fraught with more than a little danger. To ignore this whispered call is to become one of the living dead who carry on their lives divorced from their most intimate selves, their heart.

The Sacred Romance calls to us in our fondest memories, our greatest loves, our noblest achievements, even our deepest hurts. The reward is worth the risk.

Operating Instructions - Anne Lamott 2011-02-09

With the same brilliant combination of humor and warmth she brought to bestseller *Bird by Bird*, Anne Lamott gives us a smart, funny, and comforting chronicle of single motherhood. It's not like she's the only woman to ever have a baby. At thirty-five. On her own. But Anne Lamott makes it all fresh in her now-classic account of how she and her son and numerous friends and neighbors and some strangers survived and thrived in that all important first year. From finding out that her baby is a boy (and getting used to the idea) to finding out that her best friend and greatest supporter Pam will die of cancer (and not getting used to that idea), with a generous amount of wit and faith (but very little piousness), Lamott narrates the great and small

events that make up a woman's life. "Lamott has a conversational style that perfectly conveys her friendly, self-deprecating humor." -- Los Angeles Times Book Review "Lamott is a wonderfully lithe writer Anyone who has ever had a hard time facing a perfectly ordinary day will identify." -- Chicago Tribune

[The Journey of Desire](#) - John Eldredge 2016-09-13

In his groundbreaking book, *The Journey of Desire*, John Eldredge invites readers to: Rediscover their God-given desire. Abandon resignation. Search again for the life they once dreamed of. Sometimes it seems we just can't get what we want. Circumstances thwart our best-laid plans. We struggle to live a heartfelt life. Worst of all, says Eldredge, the modern church mistakenly teaches its people to kill desire (calling it sin) and replace it with duty or obligation (calling it sanctification). As a result, at best Christians tend to live safe, boring lives of resignation. At worst, their desire eventually breaks out in

destructive ways such as substance abuse, affairs, and pornography addictions.

Wild at Heart Field Manual - John Eldredge 2002-03-31

In his book *Wild at Heart*, author John Eldredge thrust a generation of men, young and old, toward a journey to recover true masculinity?the soul of a man as God designed him. If you've already begun the journey, you know how thrilling?and hard?it can be. So you may have longed for a tool to maximize the impact, a guide to show the way. Packed with new information and insights, the *Wild at Heart Field Manual* guides you along "the road less traveled." Filled with probing questions, creative exercises, and space to record personal field notes, this companion volume is designed to transition you from reading about the wild heart to living from it. For too long, the call of Christianity to men has evoked no higher goal, ultimately, than becoming a "nice guy." No wonder many men are bored to tears with church. The hero instinct has

been trained out of them. But Eldredge invites men to come alive again, to find their great battle, adventure, and beauty. If you dare . . . keep reading. Your life will never be the same.

Waking the Dead - John Eldredge 2016-09-13

Waking the Dead—newly revised and updated for these trying times—reveals the secret of finding a full life, identifying the fierce battle over our hearts, and embracing all that God has in store. Jesus

said, "I have come that they may have life, and have it to the full." That's the offer of Christianity, from God himself. Jesus touched people, and they changed: the blind had sight, the lame walked, the deaf heard, the dead were raised. To be touched by God, in other words, is to be restored, to be made into all God means us to be. That is what Christianity promises to do—make us whole, set us free, bring us fully alive.

Bewilderment of Boys - Karon Luddy 2014-04-30

Billy Ray Jenkins, former heartthrob, joined the United States Navy six months ago, and Karlene has been incommunicado ever since. To soothe her jangled

nerves, she has taken up songwriting—and she is terrible at it—truly terrible. And now, Spencer, her songwriting buddy, might get drafted and end up in Vietnam, sloshing around in rice paddies, which agonizes Karlene because she knows that peace of any kind is unobtainable on this whirling blue planet. Through the eyes of its sharp-witted, big-hearted protagonist, Luddy weaves an intimate love story about a young woman who dives into the deep end of her own life and attempts to solve the riddle of Life itself with grace and aplomb.

Sacred Pregnancy - Anni Daulter
2012-05-01

In today's western cultures, the typical pregnancy focuses on the baby to the exclusion of the woman herself, so that the entire experience has become more about preparing for the baby's arrival than looking closely at oneself to prepare emotionally for all of the changes that creating a new life brings. Sacred Pregnancy was written to help the pregnant woman journey within herself to prepare for the birth of her baby. Sacred Pregnancy is a gorgeous four-color book especially created for mothers-to-be to reflect on the many personal milestones of the full gestation period of a pregnancy. With beautiful professional photos that correspond to each topic, Sacred Pregnancy also features a journal space for the pregnant woman to record her thoughts and feelings. Each

week the mother-to-be is given information on her baby, her body, and her spirit and is asked to reflect on these via the topic of the week, which touches on a variety of issues such as sexuality, fears about labor, becoming a mother, courage, rite of passage, adornment, body image, meditation, and sisterhood to name a few. Mothers-to-be are invited to look deeply at the issues unique to their journey and find a centered, peaceful place to live their pregnancy fully. Lastly, Sacred Pregnancy includes place for the new mother to record her birth story and a large resource section on various birthing options and supports for pregnant women. Wild at Heart - John Eldredge
2011-03-22

John Eldredge revises and updates his best-selling, renowned Christian classic. God designed men to be

dangerous, says John Eldredge. Simply look at the dreams and desires written in the heart of every boy: To be a hero, to be a warrior, to live a life of adventure and risk. Sadly, most men abandon those dreams and desires-aided by a Christianity that feels like nothing more than pressure to be a "nice guy." It is no wonder that many men avoid church, and those who go are often passive and bored to death. In this provocative book, Eldredge gives women a look inside the true heart of a man and gives men permission to be what God designed them to be- dangerous, passionate, alive, and free.

I Will Carry You - Angie Smith
2010-05-01

In 2008, Angie Smith and her husband Todd (lead singer of the group Selah) learned through ultrasound that their fourth daughter had conditions making her “incompatible with life.” Advised to terminate the pregnancy, the Smiths chose instead to carry this child and allow room for a miracle. That miracle came the day they met Audrey Caroline and got the chance to love her for the precious two-and-a-half hours she lived on earth. Upon receiving the original diagnosis, Angie started a blog (Bring the Rain) to keep family and friends informed of their journey. Soon, the site exploded in popularity, connecting with thousands who were either experiencing their own heartbreaking situations or simply curious about how God could carry someone through something so tragic. *I Will Carry You* tells the powerful story of a parent losing her child, interwoven with the biblical story of

Lazarus to help those who mourn to still have hope—to find grace and peace in the sacred dance of grief and joy. Endorsement "This is a beautiful and tender book that would touch any woman's heart, no matter her age or realm of experience. It is about a relationship so intimate with God that it carves a safe place for crises of faith, for faith proved genuine and for divine callings willed, sealed and fulfilled. Yes, this is one mother's moving story. This one mother also happens to be a true writer. We will hear more from her. Angie, I am so proud of you. May Christ continue to tip the ink jar toward your gifted quill." - Beth Moore Best-selling author and speaker
