Strategic Connections - Anne Baber 2015-01-07
Smartphones, social media, and the Internet can only get a professional so far. At some point, the success of an organization will depend on

face-to-face relationships, which means the isolated employees trying to do everything virtually will at some point have to fall back on the tried-and-true, essential skill of relationship building if

they are going to survive in today's increasingly collaborative workforce. Unveiling eight indispensable competencies for the new Network-Oriented Workforce, Strategic Connections provides practical advice anyone can use for building better, more productive business relationships. Readers will discover how to:

- Commit to a positive, proactive networking mindset
- Earn trust
- Boost their social acumen and increase their likeability
- Master conversational skills and deepen interactions
- Employ storytelling to make communications memorable
- And much more

Businesses don't have to look very far to find employees with a strong presence in the different social networks. If you want to stand out and make yourself invaluable to your organization, focus on making your presence known in the company's physical networks.

The Challenger Sale -

Matthew Dixon 2011-11-10

What's the secret to sales

success? If you're like most business leaders, you'd say it's fundamentally about relationships-and you'd be wrong. The best salespeople don't just build relationships with customers. They challenge them. The need to understand what top-performing reps are doing that their average performing colleagues are not drove Matthew Dixon, Brent Adamson, and their colleagues at Corporate Executive Board to investigate the skills, behaviors, knowledge, and attitudes that matter most for high performance. And what they discovered may be the biggest shock to conventional sales wisdom in decades. Based on an exhaustive study of thousands of sales reps across multiple industries and geographies, The Challenger Sale argues that classic relationship building is a losing approach, especially when it comes to selling complex, large-scale business-to-business solutions. The authors' study found that every sales rep in the world falls into one of five distinct profiles, and

while all of these types of reps can deliver average sales performance, only one—the Challenger—delivers consistently high performance. Instead of bludgeoning customers with endless facts and features about their company and products, Challengers approach customers with unique insights about how they can save or make money. They tailor their sales message to the customer's specific needs and objectives. Rather than acquiescing to the customer's every demand or objection, they are assertive, pushing back when necessary and taking control of the sale. The things that make Challengers unique are replicable and teachable to the average sales rep. Once you understand how to identify the Challengers in your organization, you can model their approach and embed it throughout your sales force. The authors explain how almost any average-performing rep, once equipped with the right tools, can successfully reframe customers'

expectations and deliver a distinctive purchase experience that drives higher levels of customer loyalty and, ultimately, greater growth. High-Profit Selling - Mark HUNTER 2012-02-14
In the high-pressure quest to make a sale, acquire a contract, and beat out other bidders, sales professionals frequently resort to cutting prices, offering discounts, or making other concessions that cut into their operating margins—short-term strategies that are destructive to the long-term sustainability of their business. High-Profit Selling helps readers understand that their sales goal shouldn't simply be to sell more, but to sell more at a higher price—and that success comes only to those focused on profitable sales. This eye-opening book shows readers how to: Avoid negotiating → Actively listen to customers → Match the benefits of their product or service with the customer's needs and pains → Confidently communicate value → Successfully execute a price increase with existing

customers ò Ensure prospects are serious and not shopping for price Too many salespeople believe that a sale at any price is better than no sale at all.

This powerful guide helps move readers toward a profit-centered approach that will strength en their relationships and increase their bottom line.

Champion Building - Bob Skeens 2021-03-18

Learn the strategies of the top 1% of enterprise salespeople - with a foreword by John Waples, former business editor, The Sunday Times. This book is about how to sell differently. It shows you how to view your client as someone you sell with, rather than someone you sell to, during your sales campaigns. It teaches you how to build your clients into champions who will work with you to get your solution adopted by their company. Champion Building was created by modelling the techniques used by the world's most successful salespeople in the digital age: salespeople who consistently earned high six- or seven-figure incomes,

because they learned how to build champions in their accounts. Champion Building takes the techniques these expert sellers use and distils them into a set of easily digestible tools that can be used in this virtual age of selling to catapult you into the top 1% of salespeople in the world. Richly illustrated and written in a highly personal style, Champion Building reveals a step-by-step sales system that will teach you how to:

1. Start your sales campaigns at the very top of your client's business - in their executive suite.
2. Get your solution selected more often by learning how to nail your sales pitch, whether in person or online.
3. Turn prospects into champions by becoming an expert in the art and science of strategic influence.
4. Crack the ultimate sales formula.
5. Close more deals by mastering win-win negotiations.
6. Get into 'the zone' by understanding the outer and the inner game of selling.
7. Harness the ultimate achievement formula.
8. Regularly achieve over 200% of

target. Champion Building shows you how to master the inner and the outer game of selling so that you accelerate your sales success and transform yourself from a good salesperson into a great one. Bob Skeens, the author of Champion Building - enterprise selling in the digital age, started his sales career working for a small UK tech company ... for no salary. When he left the company two years later, he was earning more than the CEO. Bob then joined a number of US tech start-ups that specialised in selling to brands in the UK and across Europe. He went on to win many Presidents Club awards and earned more than a million dollars a year on multiple occasions. More importantly, the people around Bob, who were also using the strategies that Bob was using, were also making hundreds of thousands of dollars per year. Bob was regularly asked by his employers, such as Salesforce and MicroStrategy, to teach his techniques to his colleagues. Finally, the time came for Bob

to hang up his boots. He distilled the methods he and his colleagues had used into the Champion Building methodology, and now runs workshops and provides coaching to leading technology companies.

[Eat Their Lunch](#) - Anthony Iannarino 2018-11-06

The first ever playbook for B2B salespeople on how to win clients and customers who are already being serviced by your competition, from the author of The Only Sales Guide You'll Ever Need and The Lost Art of Closing. Like it or not, sales is often a zero-sum game: Your win is someone else's loss. Most salespeople work in mature, overcrowded industries, your offerings perceived (often unfairly) as commodities. Growth requires taking market share from your competitors, while they try to do the same to you. How else can you grow 12 percent a year in an industry that's only growing by 3 percent? It's not easy for any salesperson to execute a competitive displacement--or, in other

words, "eat their lunch." You might think this requires a bloodthirsty "whatever it takes" attitude, but that's the opposite of what works. If you act like a Mafia don, you only make yourself difficult to trust and impossible to see as a long-term partner. Instead, this book shows you how to find and maintain a long-term competitive advantage by taking steps like:

- ranking prospective new clients not by their size or convenience to you, but by who stands to gain the most from your solution.
- understanding the different priorities for everyone in your prospect's organization, from the CEO to the accountants, and addressing their various concerns.
- developing a systematic contact plan for all those different stakeholders so you can win over the right people at the organization in the optimal sequence. Your competitors may be tough, but with the strategies you'll discover in this book, you'll soon be eating their lunch.

The Science of Selling -
David Hoffeld 2016-11-15

The Revolutionary Sales Approach Scientifically Proven to Dramatically Improve Your Sales and Business Success

Blending cutting-edge research in social psychology, neuroscience, and behavioral economics, *The Science of Selling* shows you how to align the way you sell with how our brains naturally form buying decisions, dramatically increasing your ability to earn more sales. Unlike other sales books, which primarily rely on anecdotal evidence and unproven advice, Hoffeld's evidence-based approach connects the dots between science and situations salespeople and business leaders face every day to help you consistently succeed, including proven ways to:

- Engage buyers' emotions to increase their receptiveness to you and your ideas
- Ask questions that line up with how the brain discloses information
- Lock in the incremental commitments that lead to a sale
- Create positive influence and reduce the sway of competitors
- Discover the

underlying causes of objections and neutralize them - Guide buyers through the necessary mental steps to make purchasing decisions Packed with advice and anecdotes, The Science of Selling is an essential resource for anyone looking to succeed in today's cutthroat selling environment, advance their business goals, or boost their ability to influence others. **Named one of The 20 Most Highly-Rated Sales Books of All Time by HubSpot

[Sales Truth](#) - Mike Weinberg
2019-06-11

Become a better salesperson by learning to debunk the sales myths and focus your strategy on a proven approach that will drive the results you want. Can succeeding in sales be as simple as hooking up the latest CRM tool or perfecting your social media profiles and waiting for qualified leads to show up in your inbox? Are you having trouble believing what the new self-proclaimed "experts" post on LinkedIn and beginning to question their proclamation that everything in

sales has changed? The one constant in the world of sales is the noise from self-titled experts and thought leaders informing you of the latest tools, tricks, and strategies that you should utilize.

However, ironically, the more modern solutions you adopt, the harder it is to get results. Bestselling author and sales expert Mike Weinberg offers a wake-up call to salespeople and sales leaders on how to bypass the noise so you can start winning more, new sales. In Sales Truth, Weinberg shares some of the truths you'll learn including: Many self-proclaimed sales experts lack clients, credibility, and a track record of helping sellers achieve breakthrough results. The number of "likes" a sales improvement article receives is often inversely proportional to its accuracy or helpfulness to a seller or sales team. What has worked exceedingly well in sales and sales management for the past couple of decades is still the (not so) secret to sales success today. Look no further than Weinberg's

powerful principles and proven strategies to help you become a professional sales master and create more new sales opportunities.

Strategic Selling - Robert Bruce Miller 1985

How I Raised Myself From Failure to Success in Selling

- Frank Bettger 2009-11-24

A business classic endorsed by Dale Carnegie, *How I Raised Myself from Failure to Success in Selling* is for anyone whose job it is to sell. Whether you are selling houses or mutual funds, advertisements or ideas—or anything else—this book is for you. When Frank Bettger was twenty-nine he was a failed insurance salesman. By the time he was forty he owned a country estate and could have retired. What are the selling secrets that turned Bettger's life around from defeat to unparalleled success and fame as one of the highest paid salesmen in America? The answer is inside *How I Raised Myself from Failure to Success in Selling*. Bettger reveals his personal

experiences and explains the foolproof principles that he developed and perfected. He shares instructive anecdotes and step-by-step guidelines on how to develop the style, spirit, and presence of a winning salesperson. No matter what you sell, you will be more efficient and profitable—and more valuable to your company—when you apply Bettger's keen insights on:

- The power of enthusiasm
- How to conquer fear
- The key word for turning a skeptical client into an enthusiastic buyer
- The quickest way to win confidence
- Seven golden rules for closing a sale

New Sales - Mike Weinberg 2013

Shares examples and anecdotes and offers a framework to successfully develop new business.

Ketogenic Diet Crash Course - Robert M. Fleischer 2013-07-29

How to Turn Your Body into a Fat-Burning Machine Do you like what you see in the mirror? Are you avoiding social situations, dressing room

mirrors or romantic advances because of how you feel about your body? Are you missing out on life? Not being able to enjoy simple activities with your loved ones? What if there really is an effective way to lose 5, 10, 30 or more pounds? If you're reading this then it's a sign that you're ready for a change. Everything happens for a reason and today is your day. Being trim and healthy is very attractive, no matter how we look at it, and highly valued in our society. This we cannot change, but we can take complete control of our own body. Step into your new body. Imagine getting compliments from friends, co-workers and members of the opposite sex. How does that feel? This guide cuts through the misconceptions about the low-carbohydrate diet, giving you the facts and figures, and taking all the guess-work out of losing weight. But this is not just a guide about losing weight - it's specifically crafted for optimally losing fat. Robert M. Fleischer has distilled years of research and experience to

make it not only possible for you to look your best, but to do it in an easy and enjoyable way. In "Ketogenic Diet Crash Course" you'll discover: The difference between the Ketogenic diet and the Atkins diet, and how to avoid a mistake many people make unknowingly The no.1 cause of belly fat, and how to get rid of it easily (this piece of information alone is almost priceless) How to use technology you already have at your fingertips to make your weight-loss journey a lot easier and more effective How to boost your metabolism and burn more fat How to train your body to use fat instead of carbs How to get results with a low-carb diet without starving yourself

Gap Selling - Keenan
2019-11-05

People don't buy from people they like. No! Your buyer doesn't care about you or your product or service. It's not your job to overcome objections, it's your buyer's. Closing isn't a skill of good salespeople; it's the skill of weak salespeople.

Price isn't the main reason salespeople lose the sale. Gap Selling shreds traditional and closely held sales beliefs that have been hurting salespeople for decades. For years, salespeople have embraced a myriad of sales tactics and belief systems that have unknowingly created many of the issues they have been trying to avoid such as: long sales cycles, price objections, no decision, prospects going dark, last minute feature requests, and more. Success at sales requires more than a set of tactics. Salespeople need to understand the game of sales, how sales works, and what the buyer is going through in order to make the decision to buy (change) or not to buy (not change). Gap Selling is a game-changing book designed to raise the sales IQ of selling organizations around the world. In his unapologetic and irreverent style, Keenan breaks down the tired old sales myths causing today's frustrating sales issues, to highlight a deceptively powerful new way to connect with buyers. Today's

sales world is littered with glorified order takers, beholden to a frustrated buyer, unable to influence the sale and create value. Gap Selling flips the script and creates salespeople with immense influence at every stage of the buying process, capable of impacting the sales metrics that matter: Shorter Sales Cycles Increased Revenue Elevated Deal Values Higher Win Rates Fewer No Decisions More Leads And Happier Buyers Gap Selling elevates the sales world's selling IQ and turns sales order takers into sales influencers.

Inbound Selling - Brian Signorelli 2018-04-16
Change the way you think about sales to sell more, and sell better. Over the past decade, Inbound Marketing has changed the way companies earn buyers' trust and build their brands - through meaningful, helpful content. But with that change comes unprecedented access to information in a few quick keystrokes. Enter the age of the empowered buyer, one who

no longer has to rely on a sales rep to research their challenges or learn more about how a company's offering might fit their needs. Now, with more than 60% of purchasing decisions made in the absence of a sales rep, the role of the rep itself has been called into question. With no end in sight to this trend, sales professionals and the managers who lead them must transform both the way they think about selling and how they go about executing their sales playbook. Expert author and HubSpot Sales Director, Brian Signorelli has viewed the sales paradigm shift from the inside—his unique insights perfectly describe the steps sales professionals must take to meet the needs of the empowered customer. In this book, readers will learn: How inbound sales grew out of inbound marketing concepts and practices A step-by-step approach for sales professionals to become inbound sellers What it really means to be a frontline sales manager who leads a team of

inbound sellers The role executive leadership plays in affecting an inbound sales transformation For front-line seller, sales manager, executives, and other sales professionals, Inbound Selling is the complete resource to help your business thrive in the age of the empowered buyer.

The Customer Service Revolution - John R. DiJulius
2015-01-06

In The Customer Service Revolution, DiJulius points out how numerous companies have made Customer service their biggest competitive advantage, are dominating their industries, and have made price irrelevant. As a result of this Customer service revolution, people are being treated differently, better, and in a way like never before. This is a result of how companies and management are treating their employees and how employees are treating each other and the Customer—which ultimately permeates into people's personal lives at home and in their communities. Can the way you run your business

or treat your Customers have an effect on the world at large? John DiJulius will show you just that! Drawing on years of experience consulting with the top customer service companies around the world and in his role building his first business, John Robert's Spa, into one of the top 20 salons in the US, DiJulius will show you exactly how to create your very own Customer service revolution and make price irrelevant.

The Sales Magnet - Kendra Lee 2013-01

Open Innovation - Abbie Griffin 2014-10-07

A clear, practical guide to implementing Open Innovation for new product development Open Innovation: New Product Development Essentials from the PDMA is a comprehensive guide to the theory and practice of the Open Innovation method. Written by experts from the Product Development and Management Association, the book packages a collection of Open Innovation tools in a digestible and actionable

format. Real-world case studies drawn from the authors' own successes and failures illustrate the concepts presented, providing accurate representation of the opportunities and challenges of Open Innovation implementation. Key tools are presented with a focus on immediate applications for business, allowing NPD professionals to easily discern where this cutting edge development method can push innovation forward. Open Innovation assumes that companies can and should use both internal and external ideas and paths to market, permeating the boundaries between firm and environment. Innovations transfer outward and inward through purchase, licensing, joint ventures, and spin-offs, allowing companies to expand beyond their own research and dramatically improve productivity through collaboration. PDMA Essentials provides practical guidance on exploiting the Open Innovation model to these ends, with clear guidance on all aspects of the

new product development process. Topics include: Product platforming and idea competitions Customer immersion and interaction Collaborative product design and development Innovation networks, rewards, and incentives Many practitioners charged with innovation have only a vague understanding of the specific tools available for Open Innovation, and how they might be applied. As the marketplace shifts dramatically to keep pace with changing consumer behaviors, remaining relevant increasingly means ramping up innovation processes. PDMA Essentials provides the tools NPD practitioners need to implement a leading innovation method, and drive continued growth.

Sales Management. Simplified.

- Mike Weinberg 2015-10-21 Packed with examples and anecdotes, *Sales Management. Simplified.* offers a proven formula for prospecting, developing, and closing deals—in your time, on your terms. Why do sales

organizations fall short? Every day, expert consultants like Mike Weinberg are called on by companies to find the answer - and it's one that may surprise you. Typically, the issue lies not with the sales team but with how it is being led. Through their attitude and actions, senior executives and sales managers unknowingly undermine performance. Weinberg tells it straight by calling out the problems plaguing sales forces and the costly mistakes made by even the best-intentioned sales managers. The good news is that with the right guidance, results can be transformed. In *Sales Management. Simplified.*, Weinberg teaches managers how to: Implement a simple framework for sales leadership Foster a healthy, high-performance sales culture Conduct productive meetings Put the right people in the right roles Retain top producers and remediate underperformers Point salespeople at the proper targets Blending blunt, practical advice with funny

stories from the field, Sales Management. Simplified. delivers the tools every sales manager needs to succeed. Managing sales doesn't have to be complicated, and the solution starts with you!

Outbound Sales, No Fluff: Written by Two Millennials Who Have Actually Sold Something This Decade. - Ryan Reisert 2017-12-07

Recognized on SalesHacker's "Best Sales Books: 30 Elite Picks to Step Up Your Sales Game" This book can be read in less than 45 minutes and covers the fundamentals for anyone getting started in sales or for anyone looking to brush up on their skills. There is no shortage of books or content today to help you learn about sales. In the past 30 years, there has been an incredible amount of research and growth in the sales profession to help modern sales professionals better serve their customers. However, after reading Rory Vaden's New York Times Bestseller "Take The Stairs" and learning that "95% of all books that are purchased are

never completely read" and "70% of all books ever purchased are never even opened" we wanted to write a book that everyone could read and take action on immediately. This book is a step-by-step guide for the modern sales professional. We want to give you the framework, knowledge, and skills to fill a sales pipeline with highly qualified opportunities. It's all practical advice - no cutesy stories, no rants, and no product pitches. There are really only two ways to fill a funnel: inbound leads or outbound prospecting. We focus this book exclusively on outbound prospecting, because it's the half of the formula that an individual sales rep can control (that's why so many sales job descriptions include the phrase "we're looking for a hunter").

The Lost Art of Closing - Anthony Iannarino 2017-08-08
"Always be closing!"
—Glengarry Glen Ross, 1992
"Never Be Closing!" —a sales book title, 2014 "?????"
—salespeople everywhere,

2017 For decades, sales managers, coaches, and authors talked about closing as the most essential, most difficult phase of selling. They invented pushy tricks for the final ask, from the “take delivery” close to the “now or never” close. But these tactics often alienated customers, leading to fads for the “soft” close or even abandoning the idea of closing altogether. It sounded great in theory, but the results were often mixed or poor. That left a generation of salespeople wondering how they should think about closing, and what strategies would lead to the best possible outcomes. Anthony Iannarino has a different approach geared to the new technological and social realities of our time. In *The Lost Art of Closing*, he proves that the final commitment can actually be one of the easiest parts of the sales process—if you’ve set it up properly with other commitments that have to happen long before the close. The key is to lead customers through a series of

necessary steps designed to prevent a purchase stall. Iannarino addressed this in a chapter of *The Only Sales Guide You’ll Ever Need*—which he thought would be his only book about selling. But he discovered so much hunger for guidance about closing that he’s back with a new book full of proven tactics and useful examples. *The Lost Art of Closing* will help you win customer commitment at ten essential points along the purchase journey. For instance, you’ll discover how to:

- Compete on value, not price, by securing a Commitment to Invest early in the process.
- Ask for a Commitment to Build Consensus within the client’s organization, ensuring that your solution has early buy-in from all stakeholders.
- Prevent the possibility of the sale falling through at the last minute by proactively securing a Commitment to Resolve Concerns.

The Lost Art of Closing will forever change the way you think about closing, and your clients will appreciate your ability to help them

achieve real change and real results.\

The Only Sales Guide You'll Ever Need - Anthony Iannarino
2016-10-11

The USA Today bestseller by the star sales speaker and author of The Sales Blog that reveals how all salespeople can attain huge sales success through strategies backed by extensive research and experience. Anthony Iannarino never set out to become a salesman, let alone a sales manager, speaker, coach, or writer of the most prominent blog about the art and science of great selling. He fell into his profession by accident, as a day job while pursuing rock-and-roll stardom. Once he realized he'd never become the next Mick Jagger, Iannarino turned his focus to a question that's been debated for at least a century: Why are a small number of salespeople in any field hugely successful, while the rest get mediocre results at best? The answer is simple: it's not about the market, the product, or the competition—it's all about the

seller. And consequently, any salesperson can sell more and better, all the time. Over twenty-five years, Iannarino has boiled down everything he's learned and tested into one convenient book that explains what all successful sellers, regardless of industry or organization, share: a mind-set of powerful beliefs and a skill-set of key actions, including...

- Self-discipline: How to keep your commitments to yourself and others.
- Accountability: How to own the outcomes you sell.
- Competitiveness: How to embrace competition rather than let it intimidate you.
- Resourcefulness: How to blend your imagination, experience, and knowledge into unique solutions.
- Storytelling: How to create deeper relationships by presenting a story in which the client is the hero and you're their guide.
- Diagnosing: How to look below the surface to figure out someone else's real challenges and needs. Once you learn Iannarino's core strategies, picking up the specific tactics for your

product and customers will be that much easier. Whether you sell to big companies, small companies, or individual consumers, this is the book you'll turn to again and again for proven wisdom, strategies, and tips that really work.

High-Profit Prospecting - Mark Hunter, CSP 2016-09-16

Search engines and social media have changed how prospecting pipelines for salespeople are built today, but the vitality of the pipeline itself has not. The key to success for every salesperson is his pipeline of prospects. In *High-Profit Prospecting*, sales expert Mark Hunter shatters costly prospecting myths and eliminates confusion about what works today. Merging new strategies with proven practices that unfortunately many have given up (much to their demise), this must-have resource for salespeople in every industry will help you: Find better leads and qualify them quickly Trade cold calling for informed calling Tailor your timing and message Leave a great voicemail and craft a

compelling email Use social media effectively Leverage referrals Get past gatekeepers and open new doors Top producers are still prospecting. However, buyers have evolved, therefore your prospecting needs to as well. For the salesperson, prospecting is still king. Take back control of your pipeline for success!

Perfect Selling - Linda Richardson 2008-07-01

The USA Today and New York Times Bestseller! Meet your sales objective and close more business in 20 minutes a day CONNECT with your customer immediately EXPLORE customer needs thoroughly and quickly LEVERAGE your solutions persuasively RESOLVE your customer's questions and objections confidently ACT when the time is right "Your thinking 'What? Another book about selling?' Wrong! This book is about winning! These days, when those of us who sell need every molecule of competitive edge we can muster, Linda cleverly pulls it together for us. And she does it with a voice radiating

experience, knowledge, and sincere empathy for the challenging job we all have." -- Dave Stein, CEO & Founder, ES Research Group, Inc., and author of *How Winners Sell* "In five steps, Linda helps you master the process of the sales call to a tee, freeing your creativity to focus on your customer and deal with the unexpected that will always occur." --Larry Wilson, sales leadership guru and bestselling author "For years, Linda Richardson has been one of the top two or three sales training consultants in the world. This is invaluable material and a must-read for anybody who cares about success in selling." --Geoffrey James, journalist and author of the popular blog, "Sales Machine"

Human Sigma - John H.

Fleming 2007-10-28

Six Sigma changed the face of manufacturing quality. Now, HumanSigma is poised to do the same for sales and services. Human Sigma offers an innovative research-based approach to one of the toughest challenges facing

sales and services companies today: how to effectively manage the employee-customer encounter to drive business success. What would your company look like if you could increase the revenue and profitability potential of every customer by more than 20 percent? What if you could double the productivity of every employee? And what if these two phenomena together could drive overall organizational performance exponentially? What would your company look like? And how would you go about creating this kind of change? One thing is certain: Business leaders are never going to inspire higher levels of employee productivity and build more passionate customer relationships by doing the same things they have tried for the past 25 years. Business leaders need something fresh. Something new. The last thing they need is more of the same old conventional wisdom about "satisfying" their employees and their customers. Based on

solid research by The Gallup Organization, Human Sigma will appeal to senior leaders and line managers alike who are looking for a way to dramatically increase productivity, retain a base of high value customers, and improve overall business performance. Human Sigma is:

- **Rigorous:** Based on research involving hundreds of companies, and over 10 million employees and 10 million customers around the world.
- **Innovative:** Cutting-edge management science supported by data, including brain imaging research into customer's emotional connections to the companies they love.
- **Practical:** The principles in the book were developed from observations of real-life successes, not some fictional freaks-of-nature that exist only in a laboratory. As such, the lessons contained in the book have been tested in the real world, and can be applied in many situations.
- **Interactive:** The book contains a code that can be used to estimate the potential value of

HumanSigma to readers' organizations.

The Millionaire Real Estate Agent - Gary Keller 2004-04-01

Take your real estate career to the highest level! "Whether you are just getting started or a veteran in the business, The Millionaire Real Estate Agent is the step-by-step handbook for seeking excellence in your profession and in your life." --

Mark Victor Hansen, cocreator, #1 New York Times bestselling series *Chicken Soup for the Soul* "This book presents a new paradigm for real estate and should be required reading for real estate professionals everywhere." --Robert T.

Kiyosaki, New York Times bestselling author of *Rich Dad, Poor Dad* The Millionaire Real Estate Agent explains: Three concepts that drive production Economic, organizational, and lead generation models that are the foundations of any high-achiever's business How to "Earn a Million," "Net a Million," and "Receive a Million" in annual income *The Psychology of Selling* - Brian Tracy 2006-06-20

Double and triple your sales--in any market. The purpose of this book is to give you a series of ideas, methods, strategies, and techniques that you can use immediately to make more sales, faster and easier than ever before. It's a promise of prosperity that sales guru Brian Tracy has seen fulfilled again and again. More sales people have become millionaires as a result of listening to and applying his ideas than from any other sales training process ever developed.

To Sell Is Human - Daniel H. Pink 2012-12-31

Look out for Daniel Pink's new book, *When: The Scientific Secrets of Perfect Timing* #1 New York Times Business Bestseller #1 Wall Street Journal Business Bestseller #1 Washington Post bestseller From the bestselling author of *Drive* and *A Whole New Mind*, and teacher of the popular MasterClass on Sales and Persuasion, comes a surprising--and surprisingly useful--new book that explores the power of selling in our

lives. According to the U.S. Bureau of Labor Statistics, one in nine Americans works in sales. Every day more than fifteen million people earn their keep by persuading someone else to make a purchase. But dig deeper and a startling truth emerges: Yes, one in nine Americans works in sales. But so do the other eight. Whether we're employees pitching colleagues on a new idea, entrepreneurs enticing funders to invest, or parents and teachers cajoling children to study, we spend our days trying to move others. Like it or not, we're all in sales now. *To Sell Is Human* offers a fresh look at the art and science of selling. As he did in *Drive* and *A Whole New Mind*, Daniel H. Pink draws on a rich trove of social science for his counterintuitive insights. He reveals the new ABCs of moving others (it's no longer "Always Be Closing"), explains why extraverts don't make the best salespeople, and shows how giving people an "off-ramp" for their actions can matter more than actually

changing their minds. Along the way, Pink describes the six successors to the elevator pitch, the three rules for understanding another's perspective, the five frames that can make your message clearer and more persuasive, and much more. The result is a perceptive and practical book—one that will change how you see the world and transform what you do at work, at school, and at home.

Thinking in New Boxes - Luc De Brabandere 2013-09-10
When BIC, manufacturer of disposable ballpoint pens, wanted to grow, it looked for an idea beyond introducing new sizes and ink colors. Someone suggested lighters. LIGHTERS? With an idea that seemed crazy at first, that bright executive, instead of seeing BIC as a pen company—a business in the PEN “box”—figured out that there was growth to be found in the DISPOSABLE “box.” And he was right. Now there are disposable BIC lighters, razors, even phones. The company opened its door to a host of

opportunities. IT INVENTED A NEW BOX. Your business can, too. And simply thinking “out of the box” is not the answer. True ingenuity needs structure, hard analysis, and bold brainstorming. It needs to start THINKING IN NEW BOXES—a revolutionary process for sustainable creativity from two strategic innovation experts from The Boston Consulting Group (BCG). To make sense of the world, we all rely on assumptions, on models—on what Luc de Brabandere and Alan Iny call “boxes.” If we are unaware of our boxes, they can blind us to risks and opportunities. This innovative book challenges everything you thought you knew about business creativity by breaking creativity down into five steps:

- Doubt everything. Challenge your current perspectives.
- Probe the possible. Explore options around you.
- Diverge. Generate many new and exciting ideas, even if they seem absurd.
- Converge. Evaluate and select the ideas that will drive breakthrough results.
- Reevaluate.

Relentlessly. No idea is a good idea forever. And did we mention Reevaluate? Relentlessly. Creativity is paramount if you are to thrive in a time of accelerating change. Replete with practical and potent creativity tools, and featuring fascinating case studies from BIC to Ford to Trader Joe's, *Thinking in New Boxes* will help you and your company overcome missed opportunities and stay ahead of the curve. This book isn't a simpleminded checklist. This is *Thinking in New Boxes*. And it will be fun. (We promise.) Praise for *Thinking in New Boxes* "Excellent . . . While focusing on business creativity, the principles in this book apply anywhere change is needed and will be of interest to anyone seeking to reinvent herself."—Blogcritics "Thinking in New Boxes is a five-step guide that leverages the authors' deep understanding of human nature to enable readers to overcome their limitations and both imagine and create their own futures. This book is a must-read for

people living and working in today's competitive environment."—Ray O. Johnson, Ph.D., chief technology officer, Lockheed Martin "Thinking In New Boxes discusses what I believe to be one of the fundamental shifts all companies/brands need to be thinking about: how to think creatively, in order to innovate and differentiate our brands. We need to thrive and lead in a world of accelerating change and this book challenges us to even greater creativity in our thinking. One of the best business books I've read in a long time."—Jennifer Fox, CEO, Fairmont Hotels & Resorts "As impressive as teaching new tricks to old dogs, *Thinking in New Boxes* is both inspirational and practical—a comprehensive, step-by-step guide to sharpening one's wits in order to harness creativity in the workplace."—Peter Gelb, general manager, Metropolitan Opera

How Not to Suck At Marketing - Jeff Perkins
2021-09-01

If you've ever felt like you suck

at marketing, you're not alone. Survive and thrive in today's digital world. Let's face it, marketing today is really, really hard. From the explosion of digital advertising options to the thousands of martech tools out there on the market, it's virtually impossible to stay on top of it all. Even more challenging is the deluge of analytics available, leaving marketers swimming in data but thirsting for knowledge. But you don't have to feel like you suck at marketing. Join award-winning marketing leader Jeff Perkins as he examines how to avoid the pitfalls and survive in today's ever-changing marketing landscape. Focusing on essential skills for modern marketers, *How Not to Suck at Marketing* prepares you to:

- Create a focused marketing program that drives results
- Collaborate effectively with the key stakeholders
- Assemble a high-performing marketing team
- Define and nurture your company (and personal) brand
- Build a focused career and find the right job for you

Digital tools allow us to track immediate results, but marketing has always been about the long game. Tackle your marketing strategy and build a focused career with this practical guide.

The Brain That Changes Itself - Norman Doidge

2007-03-15

"Fascinating. Doidge's book is a remarkable and hopeful portrait of the endless adaptability of the human brain."—Oliver Sacks, MD, author of *The Man Who Mistook His Wife for a Hat*

What is neuroplasticity? Is it possible to change your brain? Norman Doidge's inspiring guide to the new brain science explains all of this and more. An astonishing new science called neuroplasticity is overthrowing the centuries-old notion that the human brain is immutable, and proving that it is, in fact, possible to change your brain.

Psychoanalyst, Norman Doidge, M.D., traveled the country to meet both the brilliant scientists championing neuroplasticity, its healing powers, and the people whose

lives they've transformed—people whose mental limitations, brain damage or brain trauma were seen as unalterable. We see a woman born with half a brain that rewired itself to work as a whole, blind people who learn to see, learning disorders cured, IQs raised, aging brains rejuvenated, stroke patients learning to speak, children with cerebral palsy learning to move with more grace, depression and anxiety disorders successfully treated, and lifelong character traits changed. Using these marvelous stories to probe mysteries of the body, emotion, love, sex, culture, and education, Dr. Doidge has written an immensely moving, inspiring book that will permanently alter the way we look at our brains, human nature, and human potential. *Sales Truth: Debunk the Myths. Apply Powerful Principles. Win More New Sales* - Mike Weinberg 2019-08-19

A blunt wake-up call to salespeople and sales leaders that debunks the myths of the

latest miracle solutions and refocuses your sales strategy on a proven approach that will drive the results you want. Welcome to the world of sales. From the first days to late career, the one constant you can bank on is the roaring noise from so-called experts who want to convince you that everything has changed and that you need their latest tools, toys, tricks, or complex processes to stay even or get ahead of the pack. Ironically, it seems that the more of these new miracle solutions you adopt, the more confused you become and the harder it is to get results. In *Sales Truth*, Mike Weinberg offers a blunt wake-up call to salespeople and sales leaders on how to get past the noise and focus on getting new sales. Here's the truth: Most of these so-called experts have no idea whether what they're pushing works or if it will help your situation. The number of "likes" a sales improvement article receives is often inversely proportional to its accuracy or helpfulness to the typical seller or sales team.

The good news is that proven, simple truths and simple frameworks for sales and sales management will drive the results you want, and you can learn all about them in this groundbreaking book. The bestselling author of *New Sales. Simplified.* and *Sales Management. Simplified.*, Mike Weinberg brings sanity back to the sales effectiveness table.

Virtual Selling - Jeb Blount
2020-07-28

And just like that, everything changed . . . A global pandemic. Panic. Social distancing. Working from home. In a heartbeat, we went from happy hours to virtual happy hours. From conferences to virtual conferences. From selling to virtual selling. To remain competitive, sales and business professionals were required to shift the way they engaged prospects and customers. Overnight, virtual selling became the new normal. Now, it is here to stay. Virtual selling can be challenging. It's more difficult to make human to human connections. It's natural to feel

intimidated by technology and digital tools. Few of us haven't felt the wave of insecurity the instant a video camera is pointed in our direction. Yet, virtual selling is powerful because it allows you to engage more prospects and customers, in less time, at a lower cost, while reducing the sales cycle. *Virtual Selling* is the definitive guide to leveraging video-based technology and virtual communication channels to engage prospects, advance pipeline opportunities, and seal the deal. You'll learn a complete system for blending video, phone, text, live chat, social media, and direct messaging into your sales process to increase productivity and reduce sales cycles. Jeb Blount, one of the most celebrated sales trainers of our generation, teaches you: How to leverage human psychology to gain more influence on video calls The seven technical elements of impactful video sales calls The five human elements of highly effective video sales calls How to overcome your fear of the

camera and always be video ready How to deliver engaging and impactful virtual demos and presentations Powerful video messaging strategies for engaging hard to reach stakeholders The Four-Step Video Prospecting Framework The Five-Step Telephone Prospecting Framework The LDA Method for handling telephone prospecting objections Advanced email prospecting strategies and frameworks How to leverage text messaging for prospecting and down pipeline communication The law of familiarity and how it takes the friction out of virtual selling The 5C's of Social Selling Why it is imperative to become proficient with reactive and proactive chat Strategies for direct messaging - the "Swiss Army Knife" of virtual selling How to leverage a blended virtual/physical selling approach to close deals faster As you dive into these powerful insights, and with each new chapter, you'll gain greater and greater confidence in your ability to effectively engage

prospects and customers through virtual communication channels. And, with this newfound confidence, your success and income will soar. Following in the footsteps of his blockbuster bestsellers *People Buy You*, *Fanatical Prospecting*, *Sales EQ*, *Objections*, and *Inked*, *Jeb Blount's Virtual Selling* puts the same strategies employed by his clients—a who's who of the world's most prestigious organizations—right into your hands.

Fanatical Prospecting - Jeb Blount 2015-09-29

Ditch the failed sales tactics, fill your pipeline, and crush your number *Fanatical Prospecting* gives salespeople, sales leaders, entrepreneurs, and executives a practical, eye-opening guide that clearly explains the why and how behind the most important activity in sales and business development—prospecting. The brutal fact is the number one reason for failure in sales is an empty pipe and the root cause of an empty pipeline is the failure to consistently prospect.

By ignoring the muscle of prospecting, many otherwise competent salespeople and sales organizations consistently underperform. Step by step, Jeb Blount outlines his innovative approach to prospecting that works for real people, in the real world, with real prospects. Learn how to keep the pipeline full of qualified opportunities and avoid debilitating sales slumps by leveraging a balanced prospecting methodology across multiple prospecting channels. This book reveals the secrets, techniques, and tips of top earners. You'll learn: Why the 30-Day Rule is critical for keeping the pipeline full Why understanding the Law of Replacement is the key to avoiding sales slumps How to leverage the Law of Familiarity to reduce prospecting friction and avoid rejection The 5 C's of Social Selling and how to use them to get prospects to call you How to use the simple 5 Step Telephone Framework to get more appointments fast How to double call backs with a powerful voice mail

technique How to leverage the powerful 4 Step Email Prospecting Framework to create emails that compel prospects to respond How to get text working for you with the 7 Step Text Message Prospecting Framework And there is so much more! Fanatical Prospecting is filled with the high-powered strategies, techniques, and tools you need to fill your pipeline with high quality opportunities. In the most comprehensive book ever written about sales prospecting, Jeb Blount reveals the real secret to improving sales productivity and growing your income fast. You'll gain the power to blow through resistance and objections, gain more appointments, start more sales conversations, and close more sales. Break free from the fear and frustration that is holding you and your team back from effective and consistent prospecting. It's time to get off the feast or famine sales roller-coaster for good!

SNAP Selling - Jill Konrath

2010-05-27

Selling is tougher than ever before. Potential customers are under extreme pressure to do more with less money, less time, and fewer resources, and they're wary of anyone who tries to get them to buy or change anything. Under such extreme conditions, yesterday's sales strategies no longer work. No matter how great your offering, you face the daunting task of making yourself appear credible, relevant, and valuable. Now, internationally recognized sales strategist Jill Konrath shows how to overcome these obstacles to get more appointments, speed up decisions, and win sales with these short-fused, frazzled customers. Drawing on her years of selling experience, as well as the stories of other successful sellers, she offers four SNAP Rules: -Keep it Simple: When you make things easy and clear for your customers, they'll change from the status quo. -Be iNvaluable: You have to stand out by being the person your customers

can't live without. -Always Align: To be relevant, make sure you're in synch with your customers' objectives, issues, and needs. -Raise Priorities: To maintain momentum, keep the most important decisions at the forefront of their mind. SNAP Selling is an easy-to-read, easy-to-use guide for any seller in today's increasingly frenzied environment.

Sell Different! - Lee B. Salz
2021-09-14

Game-changing new strategies to outsmart, outmaneuver, and outsell your competition! Salespeople face fierce competition in their pursuit of winning deals. Differences in product features and functions get smaller by the minute and are not always meaningful to buyers. How do you stand out from the pack and not just land the account, but win deals at the prices you want? Lee B. Salz's previous ground-breaking, bestselling book, Sales Differentiation, armed salespeople with strategies to differentiate both what they sell and how they sell it. Sell Different! provides a new

component of Sales
Differentiation strategy to help you outsmart, outmaneuver, and outsell the competition to win more deals at the prices you want. This book provides you with the tools you need to land new accounts and grow existing ones. The practical, proven strategies presented in *Sell Different!* include: How to defeat your toughest competitor (hint: it's not who you think it is) An actionable 16-phase plan to reach and engage elusive prospects Finding more of your best clients (it's easier than you think) Acquiring more referrals than you ever dreamed possible Virtual selling and how to harness its potential Neutralizing the fear of change that paralyzes buyers and kills deals Structuring pilot programs that advance your deals Identifying the critical person needed to win more deals at the prices you want Solving closing problems and fixing the real issue limiting your success Dissecting and resolving the most challenging sales objection — price! What

99.999% of salespeople don't do, but should Expanding account relationships to explode revenue and lock out the competition How to address a major flaw when comparing salespeople with professional athletes And much, much more! If you are a salesperson, executive, or business owner who desires to win more deals at the prices you want, then this book is for you.

SPIN® -Selling - Neil Rackham
2020-04-28

True or false? In selling high-value products or services: 'closing' increases your chance of success; it is essential to describe the benefits of your product or service to the customer; objection handling is an important skill; open questions are more effective than closed questions. All false, says this provocative book. Neil Rackham and his team studied more than 35,000 sales calls made by 10,000 sales people in 23 countries over 12 years. Their findings revealed that many of the methods developed for selling low-value goods just

don't work for major sales. Rackham went on to introduce his SPIN-Selling method. SPIN describes the whole selling process: Situation questions Problem questions Implication questions Need-payoff questions SPIN-Selling provides you with a set of simple and practical techniques which have been tried in many of today's leading companies with dramatic improvements to their sales performance.

More Sales, Less Time - Jill Konrath 2016-12-06

"I felt like time was taunting me: 'Behind again? You'll never get it all done.' I worked harder and longer hours, sacrificing my limited personal time to stay ahead of the game. Still, it wasn't sufficient. My work just kept expanding, demanding more of me. I could never seem to call it a day. In my entire career, I'd never faced a sales problem of this magnitude." Sound familiar? If so, you're probably an overwhelmed seller. Your clients expect more, with faster turnarounds. Your quota keeps going up. You

need to leverage social media, keep up-to-date on your industry, figure out how to sell new products and services, and learn all the latest technologies. The demands are never-ending. You could work nonstop around the clock and still not get it all done. It's a huge problem faced by experienced sales pros, busy entrepreneurs, and sales rookies. If you don't stay on top of your time, it's tough to make your numbers, let alone blow them away. Konrath, a globally recognized sales consultant and speaker, knew she needed help, but found that advice aimed at typical workers didn't work for her—or for others who needed to sell for a living. Salespeople need their own productivity guidelines adapted to the fast-paced, always-on sales world. So Konrath experimented relentlessly to discover the best time-savers and sales hacks in order to deliver the first productivity guide specifically for sales success. In *More Sales, Less Time*, Konrath blends cutting-edge behavioral research with

her own deep knowledge of sales to teach you how to succeed in this age of distraction. You'll discover how to:

- Reclaim a minimum of one hour per day by eliminating major time sucks and changing the way you tackle e-mail and social media.
- Free up time to focus on activities that have the highest impact on your sales results, such as preparing, researching, strategizing, and connecting with customers.
- Optimize your sales processes to eliminate redundancies and wasted time.
- Transform your mind-set to effortlessly incorporate new, more productive habits; leverage your best brainpower; and stay at the top of your sales game.

Konrath helps you develop strategies specifically tailored to your life in sales, using your strengths to cut through the feeling of being overwhelmed. All salespeople have the same number of hours in a day; it's up to you to rescue your time to sell smarter.

Legendary Service: The Key to Care - Ken Blanchard

2014-04-18

Take Care of Your Customers--or Someone Else Will!

Legendary Service Great customer service is a concept organizations love to be known for. Yet most people consider the service they receive to be average, at best. Successful companies make the connection between legendary customer service and a thriving business--they recognize that the way employees treat customers is directly related to the way managers treat employees. Kelsey Young is an optimistic but disillusioned sales associate working her way through college. Her world opens up when one of her professors challenges her to create a culture of service at her workplace by putting the five components of Legendary Service into practice. Although Ferguson's, the store where Kelsey works, certainly isn't known for service excellence, Kelsey believes she can make a positive difference. She quickly learns that culture change isn't easy--and that her role as a frontline employee is more

significant than she ever could have imagined. In characteristic Blanchard style, *Legendary Service: The Key Is to Care* is a quick and entertaining read for people at all organizational levels in every industry. When applied, its lessons will have a profound impact on the service experience your customers will receive. Whether a CEO or a part-time employee, every person can make a difference-- and customer service is everyone's job. PRAISE FOR LEGENDARY SERVICE: "Read this book and establish a service culture in your organization." -- Horst Schulze, Chairman/CEO, Capella Hotel Group "Legendary Service has great learnings for people at all organizational levels: for executives and managers, the value of a service culture; and for frontline staff, the reality that they are the face of the company and can make a difference. *Legendary Service*-- it's everyone, always." -- Mark King, CEO and President, TaylorMade Golf "Everything I know about service I learned

from my career at Hilton Hotels, Marriott International, The Walt Disney Company, and Ken Blanchard. The *One Minute Manager* dramatically changed my thinking 32 years ago. *Legendary Service* will teach the next generation how to deliver sensational service. Buy it, study it, implement it." - - Lee Cockerell, Executive Vice President, Walt Disney World (Retired & Inspired), and author of *Creating Magic* and *The Customer Rules* "Kathy Cuff and Vicki Halsey have created a fantastic customer service model called ICARE. When you add their voices to that of the master storyteller Ken Blanchard, you have a masterpiece entitled *Legendary Service*. It is a must-read for everyone who, like me, has a passion for service." -- Colleen Barrett, President Emeritus, Southwest Airlines, and coauthor of *Lead with LUV* "Ken Blanchard has done it again and delivered the right book at the right time. *Legendary Service* provides the essentials of hospitality and servant leadership in a way

that everyone can adopt--right now--today!" -- John Caparella, President and COO, The Venetian, The Palazzo, and Sands Expo "Ken, Kathy, and Vicki show us how to change everyday service events into memorable experiences. Their book is a must-read for anyone unwilling to accept mediocrity." -- Leonardo Inghilleri, coauthor of Exceptional Service, Exceptional Profit

Negotiating for Success: Essential Strategies and Skills

- George J. Siedel

2014-10-04

We all negotiate on a daily basis. We negotiate with our spouses, children, parents, and friends. We negotiate when we rent an apartment, buy a car, purchase a house, and apply for a job. Your ability to negotiate might even be the most important factor in your career advancement.

Negotiation is also the key to business success. No organization can survive without contracts that produce profits. At a strategic level, businesses are concerned with

value creation and achieving competitive advantage. But the success of high-level business strategies depends on contracts made with suppliers, customers, and other stakeholders. Contracting capability—the ability to negotiate and perform successful contracts—is the most important function in any organization. This book is designed to help you achieve success in your personal negotiations and in your business transactions. The book is unique in two ways. First, the book not only covers negotiation concepts, but also provides practical actions you can take in future negotiations. This includes a Negotiation Planning Checklist and a completed example of the checklist for your use in future negotiations. The book also includes (1) a tool you can use to assess your negotiation style; (2) examples of “decision trees,” which are useful in calculating your alternatives if your negotiation is unsuccessful; (3) a three-part strategy for increasing your

power during negotiations; (4) a practical plan for analyzing your negotiations based on your reservation price, stretch goal, most-likely target, and zone of potential agreement; (5) clear guidelines on ethical standards that apply to negotiations; (6) factors to consider when deciding whether you should negotiate through an agent; (7) psychological tools you can use in negotiations—and traps to avoid when the other side uses them; (8) key elements of contract law that arise during negotiations; and (9) a checklist of factors to use when you evaluate your performance as a negotiator. Second, the book is unique in its holistic approach to the negotiation process. Other books often focus narrowly either on negotiation or on contract law. Furthermore, the books on negotiation tend to focus on what happens at the bargaining table without addressing the performance of an agreement. These books make the mistaken assumption that success is determined by

evaluating the negotiation rather than evaluating performance of the agreement. Similarly, the books on contract law tend to focus on the legal requirements for a contract to be valid, thus giving short shrift to the negotiation process that precedes the contract and to the performance that follows. In the real world, the contracting process is not divided into independent phases. What happens during a negotiation has a profound impact on the contract and on the performance that follows. The contract's legal content should reflect the realities of what happened at the bargaining table and the performance that is to follow. This book, in contrast to others, covers the entire negotiation process in chronological order beginning with your decision to negotiate and continuing through the evaluation of your performance as a negotiator. A business executive in one of the negotiation seminars the author teaches as a University of Michigan professor

summarized negotiation as follows: "Life is negotiation!" No one ever stated it better. As a mother with young children and as a company leader, the executive realized that negotiations are pervasive in our personal and business lives. With its emphasis on practical action, and with its chronological, holistic approach, this book provides a roadmap you can use when navigating through your life as a negotiator.

Coffee Lunch Coffee - Alana Muller 2012-09

Coffee Lunch Coffee offers an accessible, relevant, immediately actionable approach to professional networking for anybody interested in connecting with others, getting involved in their community, seeking to advance their career or looking to build social relationships. It will help you formulate a strategic mindset around networking while creating a game plan to get out there and connect.

Agile Selling - Jill Konrath
2015-07-07

Being an agile seller virtually guarantees a prosperous career. When salespeople are promoted, switch jobs, or face new business conditions, they need to learn lots of new information and skills quickly. It's a daunting task, compounded by the fact that they're under intense pressure to deliver immediate results. What Jill Konrath calls agile selling is the ability to quickly learn all this new info and then leverage it for maximum impact. Having an agile mindset, one that keeps you going through challenging times, is the crucial starting point. You also need a rapid-learning plan that helps you establish situational credibility with your targeted or existing customers in just thirty days. In *Agile Selling*, you'll discover numerous strategies to help you become an overnight sales expert, slashing your path to proficiency. Jill Konrath's fresh sales strategies, provocative insights, and practical advice help sellers win business with today's crazy-busy prospects.
